within- and cross-sentence relations Figure2 presents the distribution of the distance between the relation arguments in the THYME colon cancer training set expressed as tokens, eg, 9307% of the relation arguments are within 50 tokens; 9514% are 60 tokens apart; 75% are within-sentence Thus, instead of looking for candidate pairs

The Making of Race Colonial Malaya: Political Economy and ...

TheMakingofRace in Colonial Malaya America Nor are modern socialist societies free of the strains of the "national question"(Connor, 1984) Given this seemingly universal pattern, the thesis of ethnicity as a primordial force waiting just beneath the surface of social relations has a strong appeal in popular thinking as well as in social science theory Yet at best, the hypothesis of ethnicity as a

A Realist Interpretation Of U.S. Relations With China

This paper is an interpretation of the realistic perspective about U S relations with China The central concepts of classical realism theory are national interest and power National interest is like the common currency of international relations and has to be universally applicable to all states, whatever their form of social organization

The FEDERATION of RHODESIA and NYASALAND

up within the European mind in Central Africa which has not been resolved The patterns of race relations set during those years indicate clearly that fear of the surrounding Africans and the desire to wrest a living from the country dominated the conduct of the European

WHAT IS THE PROBLEM OF ETHNICITY IN AFRICA?

practice altered power relations within traditional power structures but also among ethnic groups inducing intense political competition among them The process of decolonization also contributed to political ethnicity To begin with, the nationalist movement had mobilized ethnic groups into politics TRANSFORMATION 22 (1993)

CHAPTER 1: AN INTRODUCTION TO GENDER

so central to our understanding of ourselves and of the world that it is difficult to pull back and examine it from new perspectives¹ But it is precisely the fact that gender seems self-evident that makes the study of gender interesting It brings the challenge to uncover the process of
