Oregon Field Guide explores ecological issues, natural wonders and outdoor recreation. More More. Oregon Field Guide is a valuable source of information about outdoor recreation, ecological issues, natural resources and travel destinations in Oregon and the Pacific NW.

Oregon Field Guide | OPB

A field guide is a book designed to help the reader identify wildlife (plants or animals) or other objects of natural occurrence (e.g. minerals). It is generally designed to be brought into the 'field' or local area where such objects exist to help distinguish between similar objects. Field guides are often designed to help users distinguish animals and plants that may be similar in appearance

Osprey | Audubon Field Guide

A very distinctive fish-hawk, formerly classified with other hawks but now placed in a separate family of its own. Along coastlines, lakes, and rivers almost worldwide, the Osprey is often seen flying over the water, hovering, and then plunging feet-first to catch fish in its talons. After a successful strike, the bird rises heavily from the water and flies away, carrying the fish head-forward
