Clelia. An excellent new romance, etc. Pt. 1-3 translated by J. Davies, pt. 4, 5 by G. Havers

A sexy category romance novella from Entangled's Brazen imprint He always gets what he wants I've never been Mr. Nice Guy. I'm the guy that closes the deal. That confident asshole every guy hates and every woman secretly (or not-so-secretly) wants. And right now, I'm stuck in Vegas—land of cheap booze and cheap girls. The last thing I ever expected was to see something here I want. Badly. Brianna Faulk is the key to a major casino account, but it's all I can do to stop myself from pulling her close, feeling those lush and damnably sexy pin-up curves against me. To show her I mean a whole different kind of business. The kind that leaves us both breathless and sweaty and wanting more. It's just lust and need, and it's just for one night. Only in Vegas, nothing is ever that simple Previously released on the Ever After imprint in May 2013.

Love Me Forever

INTERNATIONAL BESTSELLER The bestselling author of *The Simple Wild* and *Keep Her Safe* and “master of steamy romance” (Kirkus Reviews) delivers a sizzling novel about an ambitious and high-powered executive who reconnects with her first love: the boy who broke her heart. Life is a mixed bag for Piper Calloway. On the one hand, she’s a twenty-nine-year-old VP at her dad’s multibillion-dollar real estate development firm, and living the high single life with her two best friends in a swanky downtown penthouse. On the other hand, she’s considered a pair of sexy legs in a male-dominated world and constantly has to prove her worth. Plus she’s stuck seeing her narcissistic ex-fiancé—a fellow VP—on the other side of her glass office wall every day. Things get exponentially more complicated for Piper when she runs into Kyle Miller—the handsome new security guard at Calloway Group, and coincidentally the first love of her life. The guy she hasn’t seen or heard from since they were summer camp counselors together. The guy from the wrong side of the tracks. The guy who apparently doesn’t even remember her name. Piper may be a high-powered businesswoman now, but she soon realizes that her schoolgirl crush is still alive and strong, and crippling her concentration. What’s more, despite Kyle’s distant attitude, she’s convinced their reunion isn’t at all coincidental, and that his feelings for her still run deep. And she’s determined to make him admit to them, no matter the consequences.

I led and pushed myself on a journey to self-innovation, thus getting in touch with my own strength and the power that I am. Through struggle I learned lessons, powerful lessons that gifted me today with the empathy and ability to guide and help others. In one country and then another, in very dissimilar ways and situations; two very different places and scenarios, both with the power to put scars on the coating of my life yet carving, shaping me into finding a level of love and acceptance of myself that is close to none other. I have found my way out of the depths
