At the Mountains of Madness (★★★★)

An audacious, darkly glittering novel set in the eerie days of civilization's collapse, *Station Eleven* tells the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. A National Book Award Finalist A PEN/Faulkner Award Finalist Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves *The Traveling Symphony*, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in *St. Deborah by the Water*, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Station Eleven

These are the firsthand accounts of sisters Helen and Barbara Shores growing up with their father, Arthur Shores, a prominent Civil Rights attorney, during the 60s in the Jim Crow south Birmingham district—a frequent target of the Ku Klux Klan. Between 1948 and 1963, some 50 unsolved Klan bombings happened in Smithfield where the Shores family lived, earning their neighborhood the nickname “Dynamite Hill.” Due to his work, Shores’ daughter, Barbara, barely survived a kidnapping attempt. Twice, in 1963, Klan members bombed their home, sending Theodora to the hospital with a brain concussion and killing Tasso, the family’s cocker spaniel. The family narrowly escaped a third bombing attempt on their home in the spring of 1965. *The Gentle Giant of Dynamite Hill* is an incredible story of a family’s unfair suffering, but also of the Shores’ overcoming. This family’s sacrificial commitment, courage, determination, and triumph inspire us today through this story and the selfless service, work, and lives of Helen Shores Lee and Barbara Sylvia Shores.

The Gentle Giant of Dynamite Hill

This is more than a tale of mutual rescue. This is an epic story of friendship and strength. Eric was 150 pounds overweight, depressed, and sick. After a lifetime of failed diet attempts, and the onset of type 2 diabetes due to his weight, Eric went to a new doctor, who surprisingly prescribed a shelter dog. And that's when Eric met Peety: an overweight, middle-aged, and forgotten dog who, like Eric, had seen better days. The two adopted each other and began an incredible journey together, forming a bond of unconditional love that forever changed their lives. Over the next year, just by going on walks, playing together, and eating plant-based foods, Eric lost 150 pounds, and Peety lost 25. As a result, Eric reversed his diabetes, got off all medication, and became happy and healthy for the first time in his life -- eventually reconnecting with and marrying his high school sweetheart. *WALKING WITH PEETY* is for anyone ready to make a change in his or her life, and for everyone who knows the joy, love, and hope that dogs can bring.

A Dog's Chance

New York Times Bestseller List □Leonard and Gobi□s story represents the power of people working together and the profound depth of feeling possible between a man and his dog.□--Publishers Weekly A man, a dog, and the lengths to which love will go to sacrifice for its companion. Finding Gobi is the miraculous tale of Dion Leonard, a seasoned ultramarathon runner who crosses paths with a stray dog while competing in a 155-mile race through the Gobi Desert in China. The lovable pup, who would later earn the name Gobi, proved that what she lacked in size, she more than

made up for in heart, as she went step for step with Dion over the Tian Shan Mountains, across massive sand dunes, through yurt villages and the black sands of the Gobi Desert, keeping pace with him for 77 miles. As Dion witnessed the incredible determination and heart of this small animal, he found his own heart undergoing a change as well. Whereas in the past these races were all about winning and being the best, his goal now was to make sure he and Gobi's friendship continued well after the finish line. He found himself letting Gobi sleep in his tent at night, giving her food and water out of his own limited supply, and carrying her across numerous rivers, even when he knew it would mean putting him behind in the race, or worse, prevent him from finishing at all. Although Dion did not cross the finish line first, he felt he had won something even greater — a new outlook on life and a new friend that he planned on bringing home as soon as arrangements were made. However, before he could take her home, Gobi went missing in the sprawling Chinese city where she was being kept. Dion, with the help of strangers and a viral outpouring of assistance on the internet, set out to track her down, and reunite forever with the amazing animal that changed his life and proved to him and the world that miracles are possible.

On July 10, 1981, David Mellor was just a baseball-crazed kid, a star high school pitcher preparing to go to college and dreaming of one day taking the mound in Fenway Park for his beloved Boston Red Sox. His dream was derailed as he crossed the parking lot of a McDonald's. He heard the racing engine, but couldn't defend himself against the car coming straight at him. It sent him flying through the air and into a wall, where it hit him again and pinned him, severely damaging his knee and destroying his hope of ever being a Major League pitcher. In the wake of the accident, even as he reached the major leagues as a groundskeeper, David was tortured by the aftermath of his injuries and additional traumas, including being struck by a car again, this time in the outfield of Milwaukee's County Stadium while he was working on overhauling the field for the Milwaukee Brewers. He suffered terribly from anxiety, nightmares and flashbacks, completely unaware that he was experiencing the debilitating symptoms of Post-Traumatic Stress Disorder, commonly known as PTSD. *One Base at a Time* recounts in vivid detail his subsequent twenty-nine-year struggle with PTSD. This harrowing but inspiring story, documents the remarkable journey of a man debilitated by physical and psychological injuries who refused to give up even when everything seemed hopeless. After a fortuitous event, he admitted to needing help, sought effective treatment and turned his life around. It's a powerful, helpful outline of the steps one needs to take to overcome the powerful hold PTSD has on one's life. *One Base at a Time* is a must read for anyone suffering in silence or anyone who knows someone suffering in the wake of severe traumatic events. Those who seem broken can be fixed and live a happy, fulfilling life. "Dave is a truly unique person. His passion, hard work, creativity, and love for baseball gives life to Fenway Park. It gives intensity to us as ball players and pushes us to put on a show night after night. Dave is as much a part of the Red Sox team as anyone and his life and the adversity he has overcome is really inspiring." "David "Big Papi" Ortiz "The true star of Fenway Park is not one of the Red Sox

players; it is the esteemed groundskeeper David Mellor. This is a powerful memoir, taking David from his days as a potential big league pitcher through the time when, after his dreams came to a traumatic halt, he battled PTSD and eventually returned to the diamond after conquering his demons. It is an inspiring story, and I encourage all baseball fans to read this motivating book. Tom Werner, Chairman of the Boston Red Sox "Every now and then someone really special comes into your life. David Mellor is one of those special people. Whether he's hand cutting the infield grass or making it possible for 30,000 people to run across the plate at Fenway you know you are in the presence of greatness. If you feel the need for inspiration or motivation, read his book, get up off the couch and get back in the game." Lenny Clarke, Comedian/Actor "David's long battle with PTSD and chronic debilitating pain, all while he worked a demanding job full time, is a powerful story that will help many who suffer silently with these conditions. You cannot help but be captivated and inspired by his road to recovery, fueled by a determination to never give up, never give in." Padma Gulur MD, Professor of Anesthesiology, Vice Chair, Operations and Performance, Department of Anesthesiology, Duke University "The reality is that PTSD is not only found in men and women returning from battle. It rears its ugly head in all aspects of our society, from those abused as children to people scarred from having observed a terrible crime". If you have PTSD or know someone who does, read this book! Jeff Arle, MD, PhD, Neurosurgeon, Harvard Medical School

This extraordinary collection gathers the never-before-seen correspondence of a true American original—the acclaimed historian and lion of the liberal establishment, Arthur Schlesinger, Jr. An advisor to presidents, two-time Pulitzer Prize winner, and tireless champion of progressive government, Arthur Schlesinger, Jr., was also an inveterate letter writer. Indeed, the term “man of letters” could easily have been coined for Schlesinger, a faithful and prolific correspondent whose wide range of associates included powerful public officials, notable literary figures, prominent journalists, Hollywood celebrities, and distinguished fellow scholars. The Letters of Arthur Schlesinger, Jr. reveals the late historian’s unvarnished views on the great issues and personalities of his time, from the dawn of the Cold War to the aftermath of September 11. Here is Schlesinger’s correspondence with such icons of American statecraft as Harry Truman, Adlai Stevenson, Hubert Humphrey, Henry Kissinger, Bill Clinton, and, of course, John and Robert Kennedy (including a detailed critique of JFK’s manuscript for Profiles in Courage). There are letters to friends and confidants such as Eleanor Roosevelt, John Kenneth Galbraith, Gore Vidal, William Styron, and Jacqueline Kennedy (to whom Schlesinger sends his handwritten condolences in the hours after her husband’s

assassination), and exchanges with such unlikely pen pals as Groucho Marx, Sammy Davis, Jr., and Bianca Jagger. Finally, there are Schlesinger's many thoughtful replies to the inquiries of ordinary citizens, in which he offers his observations on influences, issues of the day, and the craft of writing history. Written with the range and insight that made Schlesinger an indispensable figure, these letters reflect the evolution of his thought—and of American liberalism—from the 1940s to the first decade of the new millennium. Whether he is arguing against the merits of preemptive war, advocating for a more forceful policy on civil rights, or simply explaining his preference in neckwear ("For sloppy eaters bow ties are a godsend"), Schlesinger reveals himself as a formidable debater and consummate wit who reveled in rhetorical combat. To a detractor who accuses him of being a Communist sympathizer, he writes: "If your letter was the product of sincere misunderstanding, the facts I have cited should relieve your mind. If not, I can only commend you to the nearest psychiatrist." Elsewhere, he castigates a future Speaker of the House, John Boehner, for misattributing quotations to Abraham Lincoln. Combining a political strategist's understanding of the present moment with a historian's awareness that the eyes of posterity were always watching him, Arthur Schlesinger, Jr., helped shape the course of an era with these letters. This landmark collection frames the remarkable dynamism of the twentieth-century and ensures that Schlesinger's legacy will continue to influence this one. Praise for *The Letters of Arthur Schlesinger, Jr.* "Schlesinger's political intelligence in his correspondence is excellent, the level of discourse and purpose high, the sense of responsibility as keen as the sense of fun. . . . The best letters—and there are many—come from the typewriter of the public Schlesinger, the fighting liberal, especially when he's jousting with a provocative antagonist." *George Packer, The New York Times Book Review* "Arthur Schlesinger's letters are full of personal, political, and historical insights into the tumultuous events and enormous personalities that dominated the mid-twentieth

Art Dog

This early work by Arthur Conan Doyle was originally published in 1826 and we are now republishing it with a brand new introductory biography as part of our Professor Challenger series. Arthur Conan Doyle was born in Edinburgh, Scotland, in 1859. It was between 1876 and 1881, while studying medicine at the University of Edinburgh, that he began writing short stories, and his first piece was published in Chambers's Edinburgh Journal before he was 20. In 1887, Conan Doyle's first significant work, *A Study in Scarlet*, appeared in Beeton's Christmas Annual. It featured the first appearance of detective Sherlock Holmes, the protagonist who was to eventually make Conan Doyle's reputation. A prolific writer, Conan Doyle continued to produce a range of fictional works over the following years. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
