For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and fun as sin (that's the food, but that's Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Turn your home into a Montessori home—and become a more mindful, attentive, and easygoing parent. It's time to change the way we see toddlers. Using the principles developed by the educator Dr. Maria Montessori, Simone Davies shows how to turn life with a "terrible two" into a mutually rich and rewarding time of curiosity, learning, respect, and discovery. With hundreds of practical ideas for every aspect of living with a toddler, here are five principles for feeding your child's natural curiosity, from "Trust in the child" to "Fostering a sense of wonder." Step-by-step ways to cultivate daily routines with ease, like brushing teeth, toilet-training, dealing with siblings, losing the pacifier. Plus learn how to: Stay composed when your toddler is not and set limits with love and respect—without resorting to bribes or punishment Set up your home and get rid of the chaos Create Montessori activities that are just right for your one-to-three-year-old Raise an inquisitive learner who loves exploring the world around them See the world through your toddler's eyes and be surprised and delighted by their perspective Be your child's guide—and truly celebrate every stage

Cooking for teens, like finding the perfect gift for teen boys and girls, is almost impossible. Teenagers like what they like, and they will only eat what they like. But instead of causing mealtime strife, now they can learn to cook those foods themselves. With over 75 delicious recipes for meals at all times of the day—breakfast, snacks, sides, dinners, and dessert, too—Teens Cook is a guide to everything teenagers (and tweens) need to learn about conquering the kitchen without accidentally setting the house on fire. Written by teens and for teens in easy-to-follow instructions, authors Megan and Jill Carle give young readers advice on how to maneuver their kitchen in a language they'll understand (and actually listen to). The Carle sisters pass on their knowledge of how to decipher culinary vocabulary, understand kitchen chemistry (why stuff goes right and wrong when cooking), adapt recipes to certain dietary restrictions (like vegetarianism), and avoid all sorts of possible kitchen disasters. Teens Cook is not only a fantastic teen gift—it's the perfect cookbook to inspire young adults to take interest in their diets, and empower them to try a new and tasty hobby.
