Daily Expense Tracker

Description: Sometimes budgeting can feel like a daunting task if you have never liked math or it hasn't been explained to you properly. But it shouldn't be that way, because, it only starts with keeping good records and monitoring what you spend your money on, identify what you're wasting hard earned cash on and cutting back on them if you can't entirely get rid of those costs for one reason or the other. If you've been trying to keep your finances under control for sometime or just not sure where to start, this is a planner that's just made to help with you take that bold step. Start small, move along with prompts and fill in the blanks to list your household spending day by day and at a glance you'll identify where you're wasting so much money. Could be the subscription you don't really need, an expense you forgot about yet keep paying because it's coming out of your credit card and you don't really check the statement when it arrives each month. This budget planner is created to help you list most of the items you spend your money on, identify areas you can cut back and ultimately start putting money aside for a rainy day. Know where your money is going each month and keep track of debts repayments, bills and expenses with the well laid out pages in this planner to track exactly what you need, without being overwhelming. It provides an easy way to organize your bills and plan for your expenses while setting a budget each month. The journal comprises of neatly organized, well-designed spaces that helps you stay on track with your financial goals. **BOOK DETAILS:** Monthly Budget Worksheet and Organizer Weekly and Daily Expense Trackers and much more!
