Blood and Sand

Colorado Territory in 1864 wasn't merely the wild west, it was a land in limbo while the Civil War raged in the east and politics swirled around its potential admission to the union. The territorial governor, John Evans, had ambitions on the national stage should statehood occur--and he was joined in those ambitions by a local pastor and erstwhile Colonel in the Colorado militia, John Chivington. The decision was made to take a hard line stance against any Native Americans who refused to settle on reservations--and in the fall of 1864, Chivington set his sights on a small band of Cheyenne under the chief Black Eagle, camped and preparing for the winter at Sand Creek. When the order to fire on the camp came on November 28, one officer refused, other soldiers in Chivington's force, however, immediately attacked the village, disregarding the American flag, and a white flag of surrender that was run up shortly after the soldiers commenced firing. In the ensuing "battle" fifteen members of the assembled militias were killed and more than 50 wounded. Between 150 and 200 of Black Kettle's Cheyenne were estimated killed, nearly all elderly men, women and children. As with many incidents in American history, the victors wrote the first version of history--turning the massacre into a heroic feat by the troops. Soon thereafter, however, Congress began an investigation into Chivington's actions and he was roundly condemned. His name still rings with infamy in Colorado and American history. Mochi's War explores this story and its repercussions into the last part of the nineteenth Century from the perspective of a Cheyenne woman whose determination swept her into some of the most dramatic and heartbreaking moments in the conflicts that grew through the West in the aftermath of Sand Creek.

Blood and Sand

"Mind-blowing." —Kim Gordon
A Sand Book is a poetry collection in nine parts, a travel guide that migrates from wildfires to hurricanes, tweety bird to the president, lust to aridity, desertification to prophecy, and mother to daughter. It explores the negative space of what is happening to language and to consciousness in our strange and desperate times. From Hurricane Sandy to the murder of Sandra Bland to the massacre at Sandy Hook, from the sand in the gizzards of birds to the desertified mountains of Haiti, from Attar's Conference of the Birds to Chaucer's Parliament of Fowls to Twitter, a sand book is about change and quantification, the relationship between catastrophe and cultural transmission. It moves among houses of worship and grocery stores, flitters between geological upheaval and the weird weather of the Internet. In her long-awaited follow-up to Mercury, Reines has written her most ambitious work to date, but also her most visceral and satisfying.

Of Sand and Malice Made

A trio of friends from New York City find themselves trapped inside a mechanical board game that they must dismantle in order to save themselves and generations of other children in this action-packed debut that's a steampunk Jumanji with a Middle Eastern flair. Nothing can prepare you for The Gauntlet... It didn't look dangerous, exactly. When twelve-year-old Farah first laid eyes on the old-fashioned board game, she thought it looked...elegant. It is made of wood, etched with exquisite images—a palace with domes and turrets, lattice-work windows that cast eerie shadows, a large spider—and at the very center of its cover, in broad letters, is written: The Gauntlet of Blood and Sand. The Gauntlet is more than a game, though. It is the most ancient, the most dangerous kind of magic. It holds worlds inside worlds. And it takes players as prisoners.

House of Earth and Blood

Set in the aftermath 1972 Munich Olympics massacre, this darkly sophisticated literary thriller by one of Germany's most celebrated writers is now available in the US for the first time. North Africa, 1972. While the world is reeling from the massacre of Israeli athletes at the Munich Olympics, a series of mysterious events is playing out in the Sahara. Four people are murdered in a hippie commune, a suitcase full of money disappears, and a pair of unenthusiastic detectives are assigned to investigate. In the midst of it all, a man with no memory tries to evade his armed pursuers. Who are they? What do they want from him? If he could just recall his own identity he might have a chance of working it out. . . . This darkly sophisticated literary thriller, the last novel Wolfgang Herrndorf completed before his untimely death in 2013, is, in the words of Michael Maar, "the greatest, grisliest, funniest, and wisest novel of the past decade." Certainly no reader will ever forget it.

Rebel of the Sands

Blood-red Desert Sand

TV antiquity explores representations of ancient Greece and Rome throughout television history. The first comprehensive overview of the 'swords and sandals' genre on the small screen, it argues that these shows offer a distinct perspective on the ancient world. The book traces the historic development of fictional representations of antiquity from the staged black-and-white shows of the 1950s and 1960s to the most recent digital spectacles. One of its key insights is that the structure of serial television is at times better suited to exploring the complex mythic and historic plots of antiquity. Featuring a range of case studies, from popular serials like *I, Claudius* (1976) and *Rome* (2005–8) to lesser known works like *The Caesars* (1968) and *The Eagle of the Ninth* (1976), the book illustrates how broader cultural, political and economic issues have over time influenced the representation of antiquity on television.

Blood on the Sand

The New York Times bestselling novel by the Goodreads Choice Awards Best Debut Author of 2016, published in 15 countries! Mortals rule the desert nation of Miraji, but mythical beasts still roam the wild and remote areas, and rumor has it that somewhere, djinn still perform their magic. For humans, it's an unforgiving place, especially if you're poor, orphaned, or female. Amani Al'Hiza is all three. She's a gifted gunslinger with perfect aim, but she can't shoot her way out of Dustwalk, the back-country town where she's destined to wind up wed or dead. Then she meets Jin, a rakish foreigner, in a shooting contest, and sees him as the perfect escape route. But though she's spent years dreaming of leaving Dustwalk, she never imagined she'd gallop away on mythical horse—or that it would take a foreign fugitive to show her the heart of the desert she thought she knew. This startlingly original Middle-East-meets-Wild-West fantasy reveals what happens when a dream deferred explodes—in the fires of rebellion, of romantic passion, and the all-consuming inferno of a girl finally embracing her power.

With Blood Upon the Sand

The Siege of Calais, during the Hundred Years' Wars. The thrilling second novel in a new series for master of the historical adventure, Michael Jecks, perfect for fans of Bernard Cornwell and Conn Iggulden. Calais, 1346. Berenger Fripper and his men are stationed in the ancient port city, a city under English control and surrounded by enemies. They are here to defend their newly won territory from the French and their allies the Genoese. Enemies are all about them, but there is also trouble within. Someone in the vintaine is leaking vital information to the French, jeopardizing not only the safety of the men but also the future of the war, and Berenger must find out who before it's too late. And when the vintaine is attacked at sea and captured by the Genoese it looks as though their luck has run out. Can Berenger defeat the enemies that surround him and keep the English victorious?

Every Grain of Sand

It was on 6 June 2004 that BBC security correspondent Frank Gardner and cameraman Simon Cumbers were ambushed by Islamist gunmen in a quiet Riyadh back street. Simon was killed outright. Frank was hit in the shoulder and leg. As he lay in the dust, a figure stood over him and pumped four more bullets into his body at point-blank range. Against all the odds, Frank Gardner survived. Ten years on from that horrendous attack, although partly paralysed, he continues to travel the world reporting for the BBC. His acclaimed, moving and inspiring memoir is now brought up to date with a new chapter recalling his return to Saudi Arabia for the first time since he was shot. This new anniversary edition is a reaffirmation of his deep understanding of – and affection for – the Islamic world in these uncertain times.

TV antiquity

Blood of the Innocents

Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James - Telegraph Perfect for fans of Jessica Jones and True Blood, this is a

blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir. With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love.

Mochi's War

1919. Ibanez, Spanish novelist and political activist, also wrote *The Four Horsemen of the Apocalypse*, which made him world famous. From the lowest ranks of poverty to unprecedented heights of riches and popular acclaim—thus was the career of Juan Gallardo, Spanish bull fighter. In telling his story, Ibanez has achieved a novel even more dramatic and powerful than his legendary *Four Horsemen*. From his boyhood Juan longed to be a bull fighter and, as he climbs the ladder step by step, the reader lives with him in the very atmosphere of the arena. No detail of the picture is spared—one can see and almost hear the actual battle—the crowds—the many characters that stream through the pages. And Juan himself, with his vanities, his superstitions, his daring attacks, his wounds and recoveries, emerges as real, vital and colorful as the sport to which he and many others dedicated their lives. See other titles by this author available from Kessinger Publishing.

Blood And Sand

Jestyn the Englishman had once been Thormod the Viking's slave, but after saving Thormod's life he became his shoulder to shoulder man and sworn brother in the deadly blood feud to avenge Thormod's murdered father, a feud that would take them all the way to Constantinople.

Blood and Sand

This standalone companion novel returns to Bradley P. Beaulieu's *Song of Shattered Sands* epic fantasy universe. Çeda is the youngest pit fighter in the history of Sharakhai. She's made her name in the arena as the fearsome White Wolf. None but her closest friends and allies know her true identity. But this all changes when she crosses the path of Rümayesh, an ehrekh, a sadistic creature forged aeons ago by the god of chaos. The ehrekh are desert dwellers, but for centuries Rümayesh has lurked in the dark corners of Sharakhai, combing the populace for human “jewels” that might interest her. Some she chooses to stand by her side, until she tires of them and discards them. Others she abducts to examine more closely, leaving them ruined, worn-out husks. Çeda flees the ehrekh's attentions, but that only makes Rümayesh covet her more. Rümayesh grows violent, threatening to unmask Çeda as the White Wolf—but the danger grows infinitely worse when she turns her attention to Çeda's friends. As Çeda fights to protect the people dearest to her, Rümayesh comes closer to

attaining her prize, and the struggle becomes a battle for Çeda's very soul.

Blood and Iron

Jae is a slave in a dying desert world. Once verdant with water from a magical Well, the land is drying up, and no one remembers the magic needed to keep the water flowing. If a new source isn't found soon, the people will perish. Jae doesn't mind, in a way. By law, she is bound by a curse to obey every order given her, no matter how vile. At least in death, she'll be free. Elan's family rules the fading realm. He comes to the estate where Jae works, searching for the hidden magic needed to replenish the Well, but it's Jae who finds it, and she who must wield it. Desperate to save his realm, Elan begs her to use it to locate the Well. But why would a slave—abused, beaten, and treated as less than human—want to save the system that shackles her? Jae would rather see the world burn. Though revenge clouds her vision, she agrees to help if the realm's slaves are freed. Then Elan's father arrives. The ruler's cruelty knows no limits. He is determined that the class system will not change—and that Jae will remain a slave forever. "Ferocious and intelligent." —Kirkus Reviews "Allen's lush debut mixes current, pressing questions with fantasy while exploring systematic injustice and historical oppression readers will clamor for the sequel." —Publishers Weekly

Sand and Blood

The second book in The Song of the Shattered Sands series--an epic fantasy with a desert setting, filled with rich worldbuilding and pulse-pounding action. Çeda, now a Blade Maiden in service to the kings of Sharakhai, trains as one of their elite warriors, gleaning secrets even as they send her on covert missions to further their rule. She knows the dark history of the asirim—that hundreds of years ago they were enslaved to the kings against their will—but when she bonds with them as a Maiden, chaining them to her, she feels their pain as if her own. They hunger for release, they demand it, but with the power of the gods compelling them, they find their chains unbreakable. Çeda could become the champion they've been waiting for, but the need to tread carefully has never been greater. After their recent defeat at the hands of the rebel Moonless Host, the kings are hungry for blood, scouring the city in their ruthless quest for revenge. Çeda's friend Emre and his new allies in the Moonless Host hope to take advantage of the unrest in Sharakhai, despite the danger of opposing the kings and their god-given powers, and the Maidens and their deadly ebon blades. When Çeda and Emre are drawn into a plot of the blood mage Hamzakiir, they learn a devastating secret that may very well shatter the power of the hated kings. But it may all be undone if Çeda cannot learn to navigate the shifting tides of power in Sharakhai and control the growing anger of the asirim that threatens to overwhelm her

Children of Blood and Bone

City girl seeks anonymity in a small town.

Hemingway and Lorca

At the mercy of the very people he has been sent to kill, Horace, a soldier from the west, is forced into slavery until the Akeshians, discovering his talent for sorcery, thrust him into the queen's court where he seeks a path to free himself and the empire's caste of slaves. Original.

Freed by Flame and Storm

A lively, revelatory popular history that tells the story of both the Suez Crisis and the Hungarian Revolution of 1956—a tale of conspiracy and revolutions, spies and terrorists, kidnappings and assassination plots, the fall of the British Empire and the rise of American hegemony under the heroic leadership of President Dwight D. Eisenhower—which shaped the Middle East and Europe we know today. The year 1956 was a turning point in history. Over sixteen extraordinary days in October and November of that year, the twin crises involving Suez and Hungary pushed the world to the brink of a nuclear conflict and what many at the time were calling World War III. Blood and Sand delivers this story in an hour-by-hour account through a fascinating international cast of characters: Anthony Eden, the British prime minister, caught in a trap of his own making; Gamal Abdel Nasser, the bold young populist leader of Egypt; David Ben-Gurion, the aging Zionist hero of Israel; Guy Mollet, the bellicose French prime minister; and Dwight D. Eisenhower, the American president, torn between an old world order and a new one in the very same week that his own fate as president was to be decided by the American people. This is a revelatory history of these dramatic events and people, for the first time setting both crises in the context of the global Cold War, the Arab-Israeli conflict, and the treacherous power politics of imperialism and oil. Blood and Sand resonates strikingly with the problems of oil control, religious fundamentalism, and international unity that face the world today, and is essential reading for anyone concerned with the state of the modern Middle East and Europe. Blood and Sand includes 25-30 black-and-white photographs.

Blood and Sand

Vincente Blasco Ibanez in Blood and Sand, wrote a novel that can never lose its popularity because it presents a blazing picture of Spanish life as it can be lived only in Spain. A life that was flaming, tempestuous, fierce and magnificent while it lasted a life of heroes and idol worship, of hate and love in a setting of gorgeous beauty. It is the story of one of the world's most fearless men — men who defy death in the arena for love and fame. From the lowest ranks of poverty to unprecedented heights of riches and popular acclaim—thus was the career of Juan Gallardo, Spanish bull fighter. In telling his story, Ibanez has achieved a novel even more dramatic and powerful than his legendary Four Horsemen. From his boyhood Juan longed to be a bull fighter and, as he climbs the ladder step by step, the reader lives with him in the very atmosphere of the arena. No detail of the picture is spared—one can see and almost hear the actual battle—the crowds—the many characters that stream through the pages. And Juan himself, with his vanities, his superstitions, his daring attacks, his wounds and recoveries, emerges as real, vital and colorful as the sport to which he and many others dedicated their lives.

Blood and Sand

"Jae, a sixteen-year-old former slave girl has found magic and broken out of the curse imposed by the ruling class. To free the rest of her people, she may have to lead a violent revolution"--

Holy Ghost

From the mysteriously beautiful, richly hued landscape of the Saharan mountains to the sumptuous splendor of nineteenth-century Paris, *Empires of Sand* is a novel that takes us on an extraordinary, powerfully emotional journey. In a clash between two civilizations, two men of common blood discover that in war, love, and even family, they are both destined to be outsiders. The year is 1870. The proud Republic of France is crumbling under the onslaught of the Prussian army. Paris is under siege. Too young to understand the shifting fortunes of the empire, two boys forge a bond with their breathless adventures in the tunnels beneath the threatened city. Paul deVries is the cousin and constant companion of Michel deVries—called Moussa—whose world-explorer father shocked Paris with his marriage to a noblewoman of the Sahara. Moussa will inherit the title of count; Paul is destined to be a soldier like his father. But tragic events will send Moussa fleeing to his mother's homeland, with its brooding mountains, its hidden caves and fortresses. And the two boys who have been the closest of friends are fated as men to become the bitterest of enemies—victims of history and the scheming of scoundrels. They meet again on the Sahara's blazing sands, one as part of a foolhardy French expeditionary force, the other with the nomadic Tuareg, a majestic race of veiled warriors who live and die by flashing swords and a harsh desert code of honor. On this unforgettable, ever-shifting landscape, Paul and Moussa are swept into another war, one far more brutal than anything they have experienced. Paul is obsessed with a quest for personal vengeance and honor. And Moussa, in love with a woman betrothed to an implacable Tuareg warrior, searches for the peace he knew as a child in France. Now they both face a challenge of sheer, harrowing survival: whether to follow the call of their shared blood or the destiny written in the treacherous sands. *Empires of Sand* is a grand novel of adventure in the best tradition of historical fiction. With its astounding scenes of the desert and its rich cast of characters—soldiers, lovers, slaves, and zealots—this is a reading experience to be treasured and remembered long after the final page is turned.

Blood and Oil

Dead women are showing up in the desert east of San Diego, and no one understands why. When the story comes to the attention of reporter Natalie Ellis, she can't help but make comparisons to tragic deaths she'd investigated years ago. Are these women the victims of a serial killer, or something even more insidious? Bodies may be piling up in his sire's territory, but water vampire and feared enforcer Baojia is stuck entertaining the rich and clueless at a club in San Diego. He's taken his exile with all the grace he could muster, but his patience is starting to thin. Sparks fly when mortal and immortal are thrown together, and Natalie comes face to face with a reality that was lurking in the corners of her life. Pursuing the truth could cost Baojia everything, including the mortal woman who has earned his grudging respect. *BLOOD AND SAND* is the second novel in the expanded *Elemental World* series by Elizabeth Hunter, author of the best-selling *Elemental Mysteries*.

Empires of Sand

A damning portrait of the U.S.-Mexico border, where militaristic fantasies are unleashed, violent technologies are tested, and immigrants are targeted. Over the past three decades, U.S. immigration and border security policies have turned the southern states into conflict zones, spawned a network of immigrant detention centers, and unleashed an army of ICE agents into cities across the country. As award-winning journalist John Carlos Frey reveals in this

groundbreaking book, the war against immigrants has been escalating for decades, fueled by defense contractors and lobbyists seeking profits and politicians--Republicans and Democrats alike--who relied on racist fear-mongering to turn out votes. After 9/11, while Americans' attention was trained on the Middle East and the wars in Iraq and Afghanistan, the War on Terror was ramping up on our own soil--aimed not at terrorists but at economic migrants, refugees, and families from South and Central America seeking jobs, safety, and freedom in the U.S. But we are no safer. Instead, families are being ripped apart, undocumented people are living in fear, and thousands of migrants have died in detention or crossing the border. Taking readers to the Border Patrol outposts, unmarked graves, detention centers, and halls of power, Sand and Blood is a frightening, essential story we must not ignore.

Blood-Drenched Beard

Zelie Adebola remembers when the soil of Or sha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zelie s Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed, leaving Zelie without a mother and her people without hope.

Blood at Sand Creek

Zendar is dying. Azel was born into a world of blood & sand. She is of a feared Bloodline, but most coveted. Promised, in exchange for money, to a man she had never known; Azel travels across Zendar. Her ship is attacked setting the wheels of fate in motion. Azel will have to make a choice: remain loyal to her family or be loyal to her heart.

Blood and Sand

A nobleman's daughter with magic in her blood. An empire built on the dreams of enslaved gods. Empire of Sand is Tasha Suri's lush, dazzling, Mughal India-inspired fantasy debut. "An ode to the quiet, fierce strength of womenpure wonder." -- Samantha Shannon, NYT bestselling author of The Priory of the Orange Tree "A darkly intricate, devastating, and utterly original story." -- R. F. Kuang, author of The Poppy War "Stunning and enthralling." -- S. A. Chakraborty, author of The City of Brass The Amrithi are outcasts; nomads descended of desert spirits, they are coveted and persecuted throughout the Empire for the power in their blood. Mehr is the illegitimate daughter of an imperial governor and an exiled Amrithi mother she can barely remember, but whose face and magic she has inherited. When Mehr's power comes to the attention of the Emperor's most feared mystics, she must use every ounce of will, subtlety, and power she possesses to resist their cruel agenda. Should she fail, the gods themselves may awaken seeking vengeance The Books of AmbhaEmpire of SandRealm of Ash

The Gauntlet

An account of the British Empire at war. From the British invasion of Egypt to the tragedy of Gordon of Khartoum, it culminates in General Kitchener's

march to Omdurmann that saw Winston Churchill participate in one of the last battlefield charges by British cavalry. Michael Barthorp reveals the strengths and weaknesses of Queen Victoria's army, its brilliant but wayward officer corps and the professional soldiers who inspired so many Kipling poems.

Zendar: A Tale of Blood and Sand

Virgil Flowers investigates a miracle--and a murder--in the wickedly entertaining new thriller from the master of "pure reading pleasure" (Booklist) Pinion, Minnesota: a metropolis of all of seven hundred souls, for which the word "moribund" might have been invented. Nothing ever happened there and nothing ever would--until the mayor of sorts (campaign slogan: "I'll Do What I Can") and a buddy come up with a scheme to put Pinion on the map. They'd heard of a place where a floating image of the Virgin Mary had turned the whole town into a shrine, attracting thousands of pilgrims. And all those pilgrims needed food, shelter, all kinds of crazy things, right? They'd all get rich! What could go wrong? When the dead body shows up, they find out, and that's only the beginning of their troubles--and Virgil Flowers'--as they are all about to discover all too soon.

Empire of Sand

Celia and Anya, friends who use tattoo magic to send divine messages, must rely on one another to survive when they discover the fake deity they serve is very real--and very angry.

Salt, Sand, and Blood

The thrilling finale to the Vintener trilogy from the master of historical adventure. France, 1356: Ten years have passed since the battle of Crecy, and the English fighters are still abroad, laying siege to cities, towns and even small villages. Meanwhile the Prince of Wales raids across France to draw King John into a battle for sovereignty. Berenger Fripper, having lost everything to the plague, is now captain of a company of mercenaries, but treachery and deceit dog him when his travels with the company lead him to Uzerche. And then his path crosses that of Prince Edward and his men as they embark on their latest chevauchée to bring death and disaster to the King of France's subjects. Enlisted as Vintener under Sir John de Sully, Berenger finds himself drawn into a new struggle. Can the English defeat the much larger French army, or will they find themselves finally overcome when their weary feet bring them at last to the field of battle near Poitiers...

Bubble in the Sun

This fascinating literary work explores the influence of Andalusia's ancient culture and civilization on the works of Ernest Hemingway and Federico Garcia Lorca. Although born on two different continents, these artists both were rooted in the blood and sand of the bullring and the culture of death, which made life that much more rich. They were both poets, and both men were musicians as evidenced by the musicality of the rhythms of their work. This study explores the cultural and historical influence of Andalusia on the poetry of Federico García Lorca and the prose of Ernest Hemingway, particularly the

effects of the region's culture of life and death in their writing. This aspect of Spanish tradition found its greatest voice in bullfighting (toreo), pure gypsy flamenco song, and the creative concept of duende. Even though Lorca and Hemingway were born worlds apart, their works are steeped in a civilization thousands of years old that was molded and shaped by numerous people groups, including the Phoenicians, Carthaginians, Greeks, Iberians, Romans, Vandals, Visigoths, Moors, Berber Muslims, and European Catholics. By examining the works of these two men immersed in the rich heritage of Andalusia as expressed during the early twentieth century, readers can more fully appreciate Hemingway's novel *The Sun Also Rises* and Lorca's poem *Lament for Ignacio Sánchez Mejías*. They are masterpieces—one of prose, the other of poetry—created by two great authors who influenced and changed the writing styles of those who followed them.

Blood and Sand

FORGED IN BATTLE FROM THE DUST OF THE ARENA A LEGEND WILL RISE The action-packed tale of a 17-year-old warrior princess and a handsome gladiator who dared take on the Roman Republic—and gave rise to the legend of Spartacus For teens who love strong female protagonists in their fantasy and historical fiction, *Blood and Sand* is a stirring, yet poignant tale of two slaves who dared take on an empire by talented debut author C. V. Wyk. *Roma Victrix*. The Republic of Rome is on a relentless march to create an empire—an empire built on the backs of the conquered, brought back to Rome as slaves. Attia was once destined to rule as the queen and swordmaiden of Thrace, the greatest warrior kingdom the world had seen since Sparta. Now she is a slave, given to Xanthus, the Champion of Rome, as a sign of his master's favor. Enslaved as a child, Xanthus is the preeminent gladiator of his generation. Against all odds, Attia and Xanthus form a tentative bond. A bond that will spark a rebellion. A rebellion that threatens to bring the Roman Republic to its end—and gives rise to the legend of Spartacus The story continues in *Fire and Ash*, coming soon from Tor Teen. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Blood Feud

Princess. Captive. Gladiator. Always a Warrior. Fallon is the daughter of a proud Celtic king and the younger sister of the legendary fighter Sorcha. When Fallon was just a child, Sorcha was killed by the armies of Julius Caesar. On the eve of her seventeenth birthday, Fallon is excited to follow in her sister's footsteps and earn her place in her father's war band. She never gets the chance. Fallon is captured and sold to an elite training school for female gladiators—owned by none other than Julius Caesar himself. In a cruel twist of fate, the man who destroyed Fallon's family might be her only hope of survival. Now, Fallon must overcome vicious rivalries, deadly fights in and out of the arena, and perhaps the most dangerous threat of all: her irresistible feelings for Cai, a young Roman soldier and her sworn enemy. A richly imagined fantasy for fans of Sarah J. Maas and Cinda Williams Chima, *The Valiant* recounts Fallon's gripping journey from fierce Celtic princess to legendary gladiator and darling of the Roman empire. From the Hardcover edition.

The Valiant

****Longlisted for the Financial Times & McKinsey Business Book of the Year Award**** From award-winning Wall Street Journal reporters Justin Scheck

and Bradley Hope (coauthor of *Billion Dollar Whale*), this revelatory look at the world's most powerful ruling family reveals how a rift within Saudi Arabian royalty produced Crown Prince Mohammed bin Salman, a charismatic leader with a ruthless streak. Thirty-five-year-old Mohammed bin Salman's sudden rise stunned the world. Political and business leaders such as former UK prime minister Tony Blair and WME chairman Ari Emanuel flew out to meet with the crown prince and came away convinced that his desire to reform the kingdom was sincere. He spoke passionately about bringing women into the workforce and toning down Saudi Arabia's restrictive Islamic law. He lifted the ban on women driving and explored investments in Silicon Valley. But MBS began to betray an erratic interior beneath the polish laid on by scores of consultants and public relations experts like McKinsey & Company. The allegations of his extreme brutality and excess began to slip out, including that he ordered the assassination of Washington Post journalist Jamal Khashoggi. While stamping out dissent by holding three hundred people, including prominent members of the Saudi royal family, in the Ritz-Carlton hotel and elsewhere for months, he continued to exhibit his extreme wealth, including buying a \$70 million chateau in Europe and one of the world's most expensive yachts. It seemed that he did not understand nor care about how the outside world would react to his displays of autocratic muscle--what mattered was the flex. *Blood and Oil* is a gripping work of investigative journalism about one of the world's most decisive and dangerous new leaders. Hope and Scheck show how MBS's precipitous rise coincided with the fraying of the simple bargain that had been at the head of U.S.-Saudi relations for more than eighty years: oil in exchange for military protection. Caught in his net are well-known US bankers, Hollywood figures, and politicians, all eager to help the charming and crafty crown prince. The Middle East is already a volatile region. Add to the mix an ambitious prince with extraordinary powers, hunger for lucre, a tight relationship with the White House through President Trump's son in law Jared Kushner, and an apparent willingness to break anything -- and anyone -- that gets in the way of his vision, and the stakes of his rise are bracing. If his bid fails, Saudi Arabia has the potential to become an unstable failed state and a magnet for Islamic extremists. And if his bid to transform his country succeeds, even in part, it will have reverberations around the world.

Blood and Sand

In Umlomo Village, Hell is born from the sea. It come on black sails on the tides in the evening, and the village dies--all but the mad prophet Kashim. Hark! For these are the stories of souls torn to pieces by battle, abuse, abandonment, and bloodshed, cold-blooded murder, and loss of purpose. Two friends must decide who will be sacrificed. A girl lives her dreams as a nightmarish reality. Swords flash over mysterious oceans, atop arduous mountains, and in the depths of desert valleys. Along the way, they face all manner of mad men: three-armed pirates and demon-possessed clergymen, renegade monsters and ancient evil priestesses--and of course, yours truly, Thy Prophet Kashim!"Who am I," these souls must decide whether to join the bishop's plot or to forge their own destinies. Whatever their choices, there is no going back, no stopping the maw of Hell yawning open. There is only the question of what will be left of their humanity when the devil treads free.

A Sand Book

Christopher Knowlton, author of *Cattle Kingdom* and former *Fortune* writer, takes an in-depth look at the spectacular Florida land boom of the 1920s and shows how it led directly to the Great Depression. The 1920s in Florida was a time of incredible excess, immense wealth, and precipitous collapse. The decade there produced the largest human migration in American history, far exceeding the settlement of the West, as millions flocked to the grand hotels

and the new cities that rose rapidly from the teeming wetlands. The boom spawned a new subdivision civilization—and the most egregious large-scale assault on the environment in the name of “progress.” Nowhere was the glitz and froth of the Roaring Twenties more excessive than in Florida. Here was Vegas before there was a Vegas: gambling was condoned and so was drinking, since prohibition was not enforced. Tycoons, crooks, and celebrities arrived en masse to promote or exploit this new and dazzling American frontier in the sunshine. Yet, the import and deep impact of these historical events have never been explored thoroughly until now. In *Bubble in the Sun* Christopher Knowlton examines the grand artistic and entrepreneurial visions behind Coral Gables, Boca Raton, Miami Beach, and other storied sites, as well as the darker side of the frenzy. For while giant fortunes were being made and lost and the nightlife raged more raucously than anywhere else, the pure beauty of the Everglades suffered wanton ruination and the workers, mostly black, who built and maintained the boom, endured grievous abuses. Knowlton breathes dynamic life into the forces that made and wrecked Florida during the decade: the real estate moguls Carl Fisher, George Merrick, and Addison Mizner, and the once-in-a-century hurricane whose aftermath triggered the stock market crash. This essential account is a revelatory—and riveting—history of an era that still affects our country today.

Bound by Blood and Sand

From Brazil’s most acclaimed young novelist, the mesmerizing story of how a troubled young man’s restorative journey to the seaside becomes a violent struggle with his family’s past —So why did they kill him? —I’m getting there. Patience, tchê. I wanted to give you the context. Because it’s a good story, isn’t it? A young man’s father, close to death, reveals to his son the true story of his grandfather’s death, or at least the truth as he knows it. The mean old gaucho was murdered by some fellow villagers in Garopaba, a sleepy town on the Atlantic now famous for its surfing and fishing. It was almost an execution, vigilante style. Or so the story goes. It is almost as if his father has given the young man a deathbed challenge. He has no strong ties to home, he is ready for a change, and he loves the seaside and is a great ocean swimmer, so he strikes out for Garopaba, without even being quite sure why. He finds an apartment by the water and builds a simple new life, taking his father’s old dog as a companion. He swims in the sea every day, makes a few friends, enters into a relationship, begins to make inquiries. But information doesn’t come easily. A rare neurological condition means that he doesn’t recognize the faces of people he’s met, leading frequently to awkwardness and occasionally to hostility. And the people who know about his grandfather seem fearful, even haunted. Life becomes complicated in Garopaba until it becomes downright dangerous. Steeped in a very special atmosphere, both languid and tense, and soaked in the sultry allure of south Brazil, Daniel Galera’s masterfully spare and powerful prose unfolds a story of discovery that feels almost archetypal—a display of storytelling sorcery that builds with oceanic force and announces one of Brazil’s greatest young writers to the English-speaking world. Look for Daniel's new book, *The Shape of Bones*.

Ink in the Blood

The dust around the site of the Sand Creek Massacre settled long ago. The blood spilled there no longer stains the ground. But the echoes of rifle shots, the death cries of the slain, and the words of accusation and slander reverberate yet - 150 years after the battle. What really happened at Sand Creek, Colorado? Were the Native American inhabitants of the village hapless victims or aggressive fighters? How did the War Between the States influence hostilities between people groups on the plains? Was Civil War hero Colonel John Chivington a ruthless murderer of innocent women and children, or a political

scapegoat? Blood at Sand Creek reaches conclusions that will surprise some. Using rare documents, sworn affidavits, and military records, historian Bob Scott reexamines the fateful battle. Under his masterful pen, the drama and intrigue of the Sand Creek Massacre unfolds. Its powerful leading characters live again in these pages, inviting you to find truth amid the tragedy in the Blood at Sand Creek -- Back cover.
