### A Night to Remember (book) - Wikipedia

A Night to Remember is a 1955 non-fiction book by Walter Lord that depicts the sinking of the RMS Titanic on 15 April 1912. The book was hugely successful, and is still considered a definitive resource about the Titanic. Lord interviewed 63 survivors of the disaster as well as drawing on books, memoirs, and articles that they had written.

Book review: Louise Erdrich's "The Night Watchman" By Rachel Monroe / Published. Summer 2020. Being a night watchman is a solitary job. The work involves staying alert while the rest of the world sleeps, keeping your mind engaged through long stretches of stillness and quiet.

### **Night - Book Review**

Night, written by Elie Wiesel, is a short book that includes the narrator's haunting personal experience with concentration camps during the Holocaust. It is a necessary read full of true stories about Wiesel's time in Nazi concentration camps. Forced out of his home as a teenager, Wiesel traveled with his family to Birkenau.

### **Book review: Louise Erdrich's "The Night Watchman" | Hub**

Night Road is the first book I have read by author Kristin Hannah. This was an intense book! Up until the fifty percent mark, it appeared to be

a coming of age story of sorts. But at that point, everything in these characters' lives went to hell. After one incident of poor judgment, the lives of all the characters involved are changed forever.

### **Night Road by Kristin Hannah - Goodreads**

Night is one of the few books that recounts the experiences of teens during the Holocaust. Wiesel's memoir offers a detailed and harrowing account of day to day life in Auschwitz and Buchenwald -- the starvation rations prisoners were fed, the freezing barracks in which they slept, the days spent as slave laborers, and the constant brutality of the guards and even fellow prisoners.
