Want to save your family money and hassle? Read this book! Probate court proceedings after a death can drag out and cost tens of thousands of dollars in attorney and court fees—money that would otherwise have gone directly to your loved ones. This topselling guide shows you the most effective ways to skip the probate process: name payable-on-death beneficiaries for financial accounts own property jointly leave real estate with transfer-on-death deeds use a living trust name the right beneficiaries for IRAs, 401(k)s, and other retirement plans, and use probate shortcuts for small estates. Completely updated, this edition includes the latest state laws on probate avoidance methods, and covers all the estate-related impacts of the recent changes to federal rules on retirement distributions.

The Book of Were-Wolves

Called to Account

'Breathtaking I haven't been so entirely consumed by a book for years' Telegraph 'I couldn't put it down. I'll never stop thinking about it' Ann Patchett FEAR KEEPS THEM RUNNING. HOPE KEEPS THEM ALIVE. Vivid, visceral, utterly compelling, AMERICAN DIRT is the unforgettable story of a mother and son's attempt to cross the US-Mexico border. A sensation from the moment it published, it continues to create debate and ignite conversation globally. Yesterday, Lydia had a bookshop. Yesterday, Lydia was married to a journalist. Yesterday, she was with everyone she loved most in the world. Today, her

eight-year-old son Luca is all she has left. For him, she will carry a machete strapped to her leg. For him, she will leap onto the roof of a high speed train. For him, she will find the strength to keep running.

Called to Account

For new students of accounting, entry-level accounting professionals, and business professionals whose own work relates directly to the numbers on the ledger, this text provides a basic understanding of core accounting functions.

Account Rendered

Featuring verbatim testimony from key political and security figures, this play examines the criminal implications of the British Government's decision to use force against Iraq. Two leading barristers have examined a range of witnesses in order to test the evidence of the grounds for the indictment of the British Prime Minister. The play is presented as a trial in which the audience decides whether an indictment is proven.

Called to Account

As President Trump's National Security Advisor, John Bolton spent many of his 453 days in the room where it happened, and the facts speak for themselves. The result is a White House memoir that is the most comprehensive and substantial account of the Trump Administration, and one of the few to date by a top-level official. With almost daily access to the President, John Bolton has produced a precise rendering of his days in and around the Oval Office. What Bolton saw astonished him: a President for whom getting reelected was the only thing that mattered, even if it meant endangering or weakening the nation. "I am hard-pressed to identify any significant Trump decision during my tenure that wasn't driven by reelection calculations," he writes. In fact, he argues that the House committed impeachment malpractice by keeping their prosecution focused narrowly on Ukraine when Trump's Ukraine-like transgressions existed across the full range of his foreign policy—and Bolton documents exactly what those were, and attempts by him and others in the Administration to raise alarms about them. He shows a President addicted to chaos, who embraced our enemies and spurned our friends, and was deeply suspicious of his own government. In Bolton's telling, all this helped put Trump on the bizarre road to impeachment. "The differences between this presidency and previous ones I had served were stunning," writes Bolton, who worked for Reagan, Bush 41, and Bush 43. He discovered a President who thought foreign policy is like closing a real estate deal—about personal relationships, made-for-TV showmanship, and advancing his own interests. As a result, the US lost an opportunity to confront its deepening threats, and in cases like China, Russia, Iran, and North Korea ended up in a more vulnerable place. Bolton's account starts with his long march to the West Wing as Trump and others woo him for the

National Security job. The minute he lands, he has to deal with Syria's chemical attack on the city of Douma, and the crises after that never stop. As he writes in the opening pages, "If you don't like turmoil, uncertainty, and risk—all the while being constantly overwhelmed with information, decisions to be made, and sheer amount of work—and enlivened by international and domestic personality and ego conflicts beyond description, try something else." The turmoil, conflicts, and egos are all there—from the upheaval in Venezuela, to the erratic and manipulative moves of North Korea's Kim Jong Un, to the showdowns at the G7 summits, the calculated warmongering by Iran, the crazy plan to bring the Taliban to Camp David, and the placating of an authoritarian China that ultimately exposed the world to its lethal lies. But this seasoned public servant also has a great eye for the Washington inside game, and his story is full of wit and wry humor about how he saw it played.

How to Know the Ferns

A doctor's account of her own experience of death, heaven and return to life with a new realization of her purpose on earth. Dr Mary Neal, an orthopaedic surgeon, was on a kayaking holiday in Chile. Sceptical of near death experiences, she was to have her life transformed when her kayak became wedged in rocks at the bottom of a waterfall and was underwater for so long that her heart stopped. *To Heaven And Back* is Mary's faith-enriching story of her spiritual journey, her first-hand experience of heaven and its continuing life-enhancing effects.

Called to Account

"Fascinating . . . a lively and perceptive cultural history." —Annette Gordon-Reed, *The New Yorker* In this wide-ranging, brilliantly researched work, David S. Reynolds traces the factors that made *Uncle Tom's Cabin* the most influential novel ever written by an American. Upon its 1852 publication, the novel's vivid depiction of slavery polarized its American readership, ultimately widening the rift that led to the Civil War. Reynolds also charts the novel's afterlife—including its adaptation into plays, films, and consumer goods—revealing its lasting impact on American entertainment, advertising, and race relations.

The World Book Encyclopedia

Restless Souls is the true, bone-chilling chronicle of the Manson Family murders and its aftermath, from the point of view of the victims' families. When actress Sharon Tate and four others were brutally murdered by Charles Manson and his followers, the world was shocked. More than forty years later, the gruesome barbarity of the "Manson Family" still fascinates and horrifies. This true crime memoir by Alisa Statman, a 20-year Tate family friend, and Brie Tate, the daughter

of Sharon Tate's niece, includes interviews with the Tate family, accounts from personal letters, tape recordings, home movies, and private diaries. Complete with color photographs and personal insights, *Restless Souls* is the most revealing, riveting, and emotionally raw account of the gruesome slayings, the hunt and capture of the killers, and the behind-the-scenes drama of their trials, as well as a touching view of the torment that the victims families' have endured for years after such tragedy.

This Thing Called Life

Apart from a few exceptions the Vascular Cryptogams are mostly perennial in habit. In many cases other means of reproduction are available than the agency of spores. It is believed that the Bracken Fern is rarely reproduced by its spores. The increase of this plant seems to be very effectively carried out by means of the strong growing underground stems which shoot about in all directions. The Horsetails commonly propagate themselves in the same way, and it is this which makes them so difficult to eradicate in the garden. In the case of many Ferns a common mode of increase is that of budding off new plants on the leaf. The well-known New Zealand species, *Asplenium bulbiferum*, produces little buds on its fronds; these grow into small plants, so that each leaf may be responsible for dozens of new individuals. An even more singular case is the so-called Walking Fern from North America (*Scolopendrium rhizophyllum*), which bears long, tapering leaves something like our Hartstongue. These bend over in such a way that their tips touch the ground; on the point of the frond a bud is developed.

No Easy Day

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

From Jesus to Christ

Called to Account

Hiroshima is the story of six people--a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest--who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when

Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

Accounting Demystified

Fear

Selected as an Outstanding Academic Title by Choice Magazine in 2014! Called to Account takes a broad perspective on how financial frauds have shaped the public accounting profession by focusing on cases of fraud around the globe. Ever entertaining and educational, the book traces the development of the accounting standards and legislation put in place as a direct consequence of these epic scandals. The new edition offers updated chapters on ZZZZ Best and Arthur Andersen, plus new chapters devoted to Parmalat, Satyam, and The Great Recession. Through stories like Barry Minkow's staged construction sites and MiniScribe's fake inventory number generating computer program, "Cook Book", students will learn that fraud is nothing new, and that financial reform is heavily influenced by politics. With discussion questions and a useful chart showing instructors and students how each chapter illustrates the topics covered in other textbooks, Called to Account is the ideal companion for any class in auditing, advanced accounting or forensic accounting.

To Heaven and Back

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and

Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, *Night* is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.

The Gospel According to Matthew

From 1994-2012 Kilburn's Tricycle Theatre produced an extraordinary body of work that sought to engage, inform, and critique British and International Politics using verbatim testimony to respond to contemporary issues. Collected here for the first time are the complete 'Tribunal Plays'. 2014 marks the 20th anniversary of the Tricycle's first Tribunal Play - *Half the Picture*. This collection celebrates a remarkable and enduring body of work. Contains the plays *Half the Picture*, *Nuremberg*, *Srebrenica*, *The Colour of Justice*, *Justifying War*, *Guantanamo*, *Bloody Sunday*, *Called to Account*, *Tactical Questioning* and *The Riots*. Also included is a brand-new round table discussion with Nicolas Kent, Richard Norton-Taylor, Gillian Slovo and the playwright David Edgar, charting the history and development of each show and the contribution the Tribunal Plays have made to political theatre in the last two decades, and a foreword by Guardian journalist and chief theatre critic Michael Billington.

Night

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America, she helped create the most welcoming and inclusive White House in history. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private. A deeply personal reckoning of a woman of soul and substance who has steadily defied expectations.

The Room Where It Happened

Examines the mission that killed Osama Bin Laden and describes previously unreported missions that illustrate the life and work of a SEAL and the evolution of the team after the events of September 11.

American Dirt

#1 NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER * #1 INDIE NEXT PICK A Best Book of the Year: The Washington Post * NPR * The Atlantic * New York Public Library * Vanity Fair * PBS * Time * Economist * Entertainment Weekly * Financial Times * Shelf Awareness * Guardian * Sunday Times * BBC * Esquire * Good Housekeeping * Elle * Real Simple “THIS IS THE BEST BOOK OF THE YEAR. This is it. This is the one that blew the top of my head off and I haven’t been able to stop thinking or talking about it since.” —Elizabeth Gilbert “Taddeo spent eight years reporting this groundbreaking book. Breathtaking. Staggeringly intimate.” —Entertainment Weekly “A breathtaking and important book... What a fine thing it is to be enthralled by another writer’s sentences. To be stunned by her intellect and heart.” —Cheryl Strayed A riveting true story about the sex lives of three real American women, based on nearly a decade of reporting. Hailed as “a dazzling achievement” (Los Angeles Times) and “riveting page-turner that explores desire, heartbreak, and infatuation in all its messy, complicated nuance” (The Washington Post), Lisa Taddeo’s *Three Women* has captivated readers, booksellers, and critics—and topped bestseller lists—worldwide. In suburban Indiana we meet Lina, a homemaker and mother of two whose marriage, after a decade, has lost its passion. Starved for affection, Lina battles daily panic attacks and, after reconnecting with an old flame through social media, embarks on an affair that quickly becomes all-consuming. In North Dakota we meet Maggie, a seventeen-year-old high school student who allegedly has a clandestine physical relationship with her handsome, married English teacher; the ensuing criminal trial will turn their quiet community upside down. Finally, in an exclusive enclave of the Northeast, we meet Sloane—a gorgeous, successful, and refined restaurant owner—who is happily married to a man who likes to watch her have sex with other men and women. Based on years of immersive reporting and told with astonishing frankness and immediacy, *Three Women* is both a feat of journalism and a triumph of storytelling, brimming with nuance and empathy. “A work of deep observation, long conversations, and a kind of journalistic alchemy” (Kate Tuttle, NPR), *Three Women* introduces us to three unforgettable women—and one remarkable writer—whose experiences remind us that we are not alone.

Pursued by Japanese battleships, the USS Walker, a destroyer under the command of Lieutenant Commander Matthew Patrick Reddy, tries to lose the enemy by heading into a storm, only to become trapped in a primitive alternate world, populated by strange creatures.

8 Ways to Avoid Probate

OVER 2 MILLION COPIES SOLD RUNAWAY #1 NEW YORK TIMES BESTSELLER SENSATIONAL #1 INTERNATIONAL BESTSELLER “Explosive.”—The Washington Post “Devastating.”—The New Yorker “Unprecedented.”—CNN “Great reporting and astute.”—Hugh Hewitt THE INSIDE STORY ON PRESIDENT TRUMP, AS ONLY BOB WOODWARD CAN TELL IT With

authoritative reporting honed through nine presidencies, author Bob Woodward reveals in unprecedented detail the harrowing life inside President Donald Trump's White House and precisely how he makes decisions on major foreign and domestic policies. Fear is the most intimate portrait of a sitting president ever published during the president's first years in office. The focus is on the explosive debates and the decision-making in the Oval Office, the Situation Room, Air Force One and the White House residence. Woodward draws from hundreds of hours of interviews with firsthand sources, meeting notes, personal diaries, files and documents. Often with day-by-day details, dialogue and documentation, Fear tracks key foreign issues from North Korea, Afghanistan, Iran, the Middle East, NATO, China and Russia. It reports in-depth on Trump's key domestic issues particularly trade and tariff disputes, immigration, tax legislation, the Paris Climate Accord and the racial violence in Charlottesville in 2017. Fear presents vivid details of the negotiations between Trump's attorneys and Robert Mueller, the special counsel in the Russia investigation, laying out for the first time the meeting-by-meeting discussions and strategies. It discloses how senior Trump White House officials joined together to steal draft orders from the president's Oval Office desk so he would not issue directives that would jeopardize top secret intelligence operations. "It was no less than an administrative coup d'état," Woodward writes, "a nervous breakdown of the executive power of the most powerful county in the world."

An Account of the Conquest of Peru

A personal journey of joy and sorrow, grace, and love. It's about how to learn to love yourself again and see what Jesus saw in you all along. My relationship with Christ has done more than just save me, it helped me to understand what true forgiveness means. Every single one of us is in some way broken, but God has a purpose for each of us.

Called to Account

In a recent study of 61 hospitals, it was found that they bought 21 different types of A4 paper, 652 different kinds of surgical gloves and 1751 different cannulas. Police forces could cut the cost of their uniforms by over 30 per cent if they all bought the same one. But they disagree on how many pockets they need. Having committed to buy two new aircraft carriers, the MOD realised it didn't have the funds to buy them. The delayed delivery cost an additional £1.6 billion. We've spent £500 million on an abandoned project to centralise 999 calls, £3.5 billion on privatising the Work Programme, £700 million on implementing Universal Credit (used by 18,000 people), £20 billion on medical negligence claims, £70 billion (and counting) dealing with nuclear waste at Sellafield, and countless millions on IT investments in the BBC, the Home Office, the NHS . . . Waste is everywhere. Fighting against this waste is the Public Accounts Committee, which oversees some £700 billion of public spending every year. As its chair from 2010-15, Margaret Hodge knows the excesses of government bodies better than anyone. Conversational, witty, engaging and packed with anecdotes and insights about the biggest political

figures of our time, *Called to Account* shines a light on some of the most fascinating - and alarming - issues that face Britain today.

A Very Stable Genius

Featuring verbatim testimony from key political and security figures, this play examines the criminal implications of the British Government's decision to use force against Iraq. Two leading barristers have examined a range of witnesses in order to test the evidence of the grounds for the indictment of the British Prime Minister. The play is presented as a trial in which the audience decides whether an indictment is proven.

Calamity

Accounting fraud and how it has affected business practices both in the U.S. and internationally has never been of greater importance than it is now. *Called to Account* describes fourteen financial frauds that influenced the American public accounting profession and directly led to the development of accounting standards and legislation as practiced in the US today. This entertaining and educational look at these historic frauds helps enliven and increase understanding of auditing and forensic accounting for students. Chapters describe the tricks fraudsters such as "Crazy Eddie" Antar and "Chainsaw Al" Dunlap used to fool their auditors. Readers will learn how MiniScribe employees disguised packages of bricks as inventory; how Equity Funding personnel programmed the company's computer to generate 64,000 phony life insurance policies; and how Enron inflated its profits by selling and then repurchasing money-losing assets. Complementing these chapters on high-profile crimes and criminals are chapters that trace the development of the public accounting profession and explain how each scandal shaped current accounting practices. Designed to complement dry, uninvolved auditing and advanced accounting texts with an engaging narrative, *Called to Account* also includes discussion questions and a useful chart which shows instructors and students how each chapter illustrates topics in leading accounting and auditing textbooks.

Called to Account

"Jordan's weird western snatches the best adventure and suspense elements from both genres and distills them to their essences, creating a violence-laced but enjoyable romp."--Publishers Weekly "This first novel adds a fresh sf twist to a . . . Wild West legend. This gritty story blends the right amount of hard trials and humor, giving readers a revitalized perspective on a familiar folklore heroine."--Library Journal "Calamity is a lesson on how to do it right. Highly recommended."--Peter David, New York Times Best-selling Author "J. D. Jordan's *Calamity* is a satisfyingly gritty, intense and entertaining novel that deserves the attention of speculative fiction readers . . . It's something different, because it offers a

fascinating glimpse into the early life of Calamity Jane. It's quite an extraordinary sci-fi Western romp."--Risingshadow.net I'm sure you've heard of Calamity Jane, but this is not a novel about Calamity Jane. At least not the Jane you may have read about. Calamity Jane is part of the legends of the Wild West, but long before she scouted with Custer or "Wild Bill" Hickok, she was a fifteen-year-old girl with a fiery temper. Violence and tragedy turn young Jane's world upside down and soon she finds herself riding with an alien gunslinger--the Green Man--through a landscape of revenge and betrayal. Along the way, she learns how to shoot a six-gun and how to stand on her own, even when surrounded by Lakota warriors, and be respected. From space ships to guns that can shoot the wings off a butterfly a mile away, young Jane realizes that the universe is far bigger than the Wild West and that she can trust no one in it to save her but herself. When the villainous Grays meddling in the wars between the Indians and the government stand in the way of the Green Man making his way home, Jane finds her desire for revenge may be less than her loyalty for the longrider. And in that realization, she becomes the hero the Wild West has long remembered. So, forget what you know of how the West was won. Forget the Indian Wars and Custer's Last Stand. Instead, learn the truth of what happened when a young girl met a longrider she called the Green Man . . .

Restless Souls

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

Three Women

Herodotus's Account of Egypt is the second book of the Histories, which contains descriptions of the marvels of the south: the size of the land, the wonders of the Nile, the religious ceremonies which will be as fascinating to the modern reader as it was to the ancient. From the priests at Memphis, Heliopolis, and the Egyptian Thebes he learned what he reports of the size of the country, the wonders of the Nile, the ceremonies of Egyptian religion, their sacred animals, the Crocodile and the Phoenix, their funerals and embalming, lotus and papyrus eating, the great kings and queens, and of the pyramids. Keep in mind that to Herodotus and the ancient Greeks, Egypt essentially was Africa - primitive maps show an ocean on all sides of the mysterious land to the south; so to understand this place was to know much of the world.

John Campbell, Esq. of Carbrook, called to account for certain calumnious accusations and gross mis-statements contained in a printed paper regarding the Apocrypha and Bible Society controversy. Second edition

Beware, villains! Cat Ninja may appear to be nothing more than a silly internet meme. But he is evil's greatest enemy, and the silent master of Kat Fu and carpet scratching! From Epic! Originals, Cat Ninja is a hilarious graphic novel series about a lovable cat with a heroic alter-ego. The Gospel According to John

Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's unique presidency with shocking new reporting and insight into its implications. "I alone can fix it." So went Donald J. Trump's march to the presidency on July 21, 2016, when he accepted the Republican presidential nomination in Cleveland, promising to restore what he described as a fallen nation. Yet over the subsequent years, as he has undertaken the actual work of the commander in chief, it has been hard to see beyond the daily chaos of scandal, investigation, and constant bluster. It would be all too easy to mistake Trump's first term for one of pure and uninhibited chaos, but there were patterns to his behavior and that of his associates. The universal value of the Trump administration is loyalty - not to the country, but to the president himself - and Trump's North Star has been the perpetuation of his own power, even when it meant imperiling our shaky and mistrustful democracy. Leonnig and Rucker, with deep and unmatched sources throughout Washington, D.C., tell of rages and frenzies but also moments of courage and perseverance. Relying on scores of exclusive new interviews with some of the most senior members of the Trump administration and other firsthand witnesses, the authors reveal the forty-fifth president up close, taking readers inside Robert Mueller's Russia investigation as well as the president's own hap-hazard but ultimately successful legal defense. Here for the first time certain officials who have felt honor-bound not to publicly criticize a sitting president or to divulge what they witnessed in a position of trust tell the truth for the benefit of history. This peerless and gripping narrative reveals President Trump at his most unvarnished and exposes how decision making in his administration has been driven by a reflexive logic of self-preservation and self-aggrandizement - but a logic nonetheless. This is the story of how an unparalleled president has scrambled to survive and tested the strength of America's democracy and its common heart as a nation.

The Tricycle

If you want to: * Know how to have more profitable customer conversations * Know how to deepen trust and build more effective customer relationships * Know how to create predictable and explosive sales from your existing customers * Know how to deepen your influence with multiple key stakeholders * Increase your sales by more than 30% with no additional sales hours needed This book is for you. This book is your customer success guide. Based on the study of more than 200 customers and 150 successful key account managers, sales directors and customer success managers from 12 industries. You can be confident that this book will be practical and real world in its examples. You can take away key insights whatever industry you're in to improve the profitability and growth of your customer sales in 90 days. This is also the only key account management book to give away more than 10 free resources to support your customer success. Start your journey to transforming your customer relationships today.

Mightier than the Sword: Uncle Tom's Cabin and the Battle for America

This updated Ninth Edition of Accounting Theory: Conceptual Issues in a Political and Economic Environment continues to be one of the most relevant and comprehensive texts on accounting theory. Authors Harry I. Wolk, James L. Dodd, John J. Rozycki provide a critical overview of accounting as a whole as well as touch on the financial issues in economic and political contexts, providing readers with an applied understanding of how current United States accounting standards were derived and where we might be headed in the future. Readers will find learning tools such as questions, cases, problems and writing assignments to solidify their understanding of accounting theory and gain new insights into this evolving field.

Into the Storm

True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.
