Copyboy | Vince Vawter

With the same efficient, evocative prose you might find in a well-done newspaper story of a bygone era, Vince Vawter makes us care about his copyboy hero, the girl he meets and their predicament. This is a story for all ages, reminding us that it is possible to keep learning every day of our lives.

Copy Boy: A Novel: Blanton-Stroud, Shelley: 9781631526978

In Copy Boy, Blanton-Stroud, presents a realistic picture of the challenges faced by those who came to California from the Dust Bowl states in the 1930s. We see not only the struggles of poverty, but also the prejudice against the "Oakies," and the way that they were sometimes taken advantage of by those who purported to help them.

CopyBoy is a fictional and sometimes humorous book. Vince tends to catch the reader off guard in CopyBoy. From a 17 year old kid driving his dream sports car, to that same person having a stutter. It amazes me how much detail is into this book. Vawter starts CopyBoy off with Vic Vollmer being our main character walking out of the paper office.

A copy boy is a typically young and junior worker on a newspaper. The job involves taking typed stories from one section of a newspaper to another. According to Bruce Guthrie, the former editor-in-chief of the Herald Sun who began work there as a copy boy in 1972:

Copy boy - Wikipedia

He seems to marvel at the fact he is just a guy from the Midwest who "began his career as a copyboy for a small news agency that covered crime, fires and the courts there." Roughly 11 years later, he was "a freelance reporter in Washington working for a small antiwar news agency" and "sticking two fingers in the eyes of a sitting president" by
