Garden Wisdom and Know-How

Bestselling Van Life author Foster Huntington shares his experiences -- as well as others -- living by his own rules in this aspirational book filled with awe-inspiring photographs of unique homes in unexpected places. After spending three years on the road living in a camper van, Foster Huntington continued his unconventional lifestyle by building a two-story treehouse. Foster, like many others, are finding freedom, tranquility, and adventure in living off the grid in unconventional homes. Perfect for fans of Van Life and Cabin Porn and those who long for a quieter life, Off Grid Life showcases unique dwellings from all around the world. Organized into sections like tree houses, tiny houses, shipping containers, yurts, boathouses, barns, vans, and more, the 250 aspirational photographs feature enviable settings like stunning beaches, dramatic mountains and picturesque forests. Also included are images of fully designed interiors with kitchens and sleeping quarters as well as interviews with solo dwellers, couples, and families who are living this new American dream.

Let's All Make the Day Count

Since 1973, Storey's Country Wisdom Bulletins have offered practical, hands-on instructions designed to help readers master dozens of country living skills quickly and easily. There are now more than 170

titles in this series, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.

Grafting Fruit Trees

Like most private investigators AJ Jackson has more than one foot in the fire to make ends meet - driving a tow truck and serving legal documents for local law firms. But not every PI is a mother of four, a grandmother of ten, an ex-gun dealer and former mental patient, or a descendant of a great Choctaw chief. This is a memoir of Vinnie Ann "AJ" Jackson, a country girl with a go-to-hell attitude who must face her fears in order to keep her sanity and make a future for herself.

Building Stone Walls

An almanac of rural lore, nature facts, and other "country wisdom" concerning the weather, moon, livestock, medicine, and other topics.

Seven Pillars of Wisdom is the autobiographical account of the experiences of British soldier Thomas E. Lawrence (1888-1935) ("Lawrence of Arabia"), while serving as a liaison officer with rebel forces during the Arab Revolt against the Ottoman Turks of 1916 to 1918. Charles Hill has called the *Seven Pillars* "a novel traveling under the cover of autobiography," capturing Lawrence's highly personal version of the historical events described in the book. Lieutenant Colonel Thomas Edward Lawrence, known professionally as T. E. Lawrence, was a British Army officer renowned especially for his liaison role during the Arab Revolt against Ottoman Turkish rule of 1916-18. The extraordinary breadth and variety of his activities and associations, and his ability to describe them vividly in writing, earned him international fame as Lawrence of Arabia, a title which was used for the 1962 film based on his World War I activities. "The book is very well illustrated. "

Written by experienced therapists who understand the needs and fears of people with eating problems, the book is a refreshing guide to lasting change and recovery.

Everything I Need to Know I Learned from Dolly Parton

For dreamers of escaping to a cozy cabin in the great outdoors, *Your Cabin in the Woods* is a classic work that not only makes this a reality, but also imparts a deeper appreciation of nature and homebuilding. Author Conrad E. Meinecke has been writing about living the simple life in the wilderness for over 70 years with *Your Cabin in the Woods* and *Cabin Craft and Outdoor Living*. For the first time, these books are combined into a deluxe two-color vintage package. In prose both practical and inspirational, Meinecke details how to turn your cabin dream into a reality, such as choosing land, using tools, and the basics of construction. He provides hand-drawn floor plans for a variety of cabins, from a simple two-room to a more complex long house; the best way to build fireplaces, both indoors and out; and instructions for basic furniture, lighting, and other touches that make a cabin feel like home. Throughout are Meinecke's thoughts on ways to enjoy your new-found space, from hearty fireplace recipes to the types of wood for a perfect fire and the beauty found in birdsong. Instructional as it may be, the book's enduring appeal owes in large part to its warmly engaging tone and firm belief in the restorative power of nature and the satisfaction of hard work. He writes, "Take full enjoyment in the building. Take time out to rest. Most city folks seem always to rush things through. Why? Lay off until tomorrow. Take an afternoon nap. Stop the clock for the weekend. Get off to an early start in the cool of tomorrow morning. You may be crowded in your work in town, but this should be your rest cure, your recreating."
