Reviews of the first edition "This book is a treasure trove of descriptive language Highly recommended for both teachers and parents. I wish I had a copy of this book when I was a full time English teacher! Invest in a copy today; you'll be glad you did." Sue Cowley, bestselling author, teacher and teacher

trainer "Help to banish 'blank page syndrome' for ever, with this innovative book Created by teacher, Alison Wilcox, this inspirational book will build children's confidence in their writing ability." Literacy Times Plus "A real "godsend" to hard-pressed teachers, parents and pupils." Denis Hayes, author of Foundations of Primary Teaching ? Reviews of the second edition "the addition of the CD is perfect for the modern day classroom fantastic!" ?Emma Palastanga, primary deputy head "The book/CD, will be so helpful to teachers who are struggling to think of different ways to say things and will enhance their planning and teaching. As a classroom resource it will be invaluable." Elaine Smitheman, primary school teacher ? Now available with a CD-ROM for classroom use, Descriptosaurus is the first book for creative writing that is a thematic expansion of a dictionary and a thesaurus. It provides children with a comprehensive resource with which to expand their descriptive vocabulary, experiment with language and sentence structure and build up narratives based around the following areas: Settings " landscapes, settlements and atmosphere, Characters " appearance, emotions and personality, and Creatures " appearance, abilities and habitats. New features for the second edition include: IWB compatible CD-ROM containing all the main elements of the book New VCOP coverage Expanded coverage of adverbs and connectives New planning sheets to help children organise and structure descriptions Character cards, games and mountain pyramid vocabulary builders The Descriptosaurus model was created and refined over a number of years as a result of feedback from children inside and outside the classroom as to the resources they required to inspire and assist them with their writing. For reluctant writers or those faced with blank page syndrome, it provides essential starting points to encourage putting pen to paper. Using Descriptosaurus will not only inspire children, it will build their confidence and dramatically improve the content of their writing. This is an ideal resource for all KS2 primary and KS3 secondary English teachers, literacy coordinators and parents keen to support their childrens" creative writing. It

would also make an excellent classroom book for PGCE students, particularly Primary PGCE with English specialism.

A steamy and sweet stand-alone novel that will steal your heart. Jessa Allen knew she was plain and average. Yes, she was brainy and successful in her career but she wasn't a raving beauty who easily attracted hunky, gorgeous guys. So when Rob Granger asked her out, she was shocked. A seriously handsome man who had magnetism she couldn't escape wanted her. That wasn't something that happened everyday. Rob Granger was a self-confessed playboy who had absolutely no plans to be tied down by any woman. He valued his freedom, first and foremost. But there was something alluring about Jessa Allen that drew him like a moth to a flame and he was intent on satisfying his intense desire for her. They both didn't want to fight their physical attraction for each other. But could Jessa trust herself not to fall apart when the time came to let Rob go? And could Rob ever find freedom in what he considered as a prison to be avoided at all cost?*****Each book in the Lifestyle by Design series is a complete stand-alone novel that would give you enjoyment on its own. However, to maximise your experience of the series, the author recommends reading them in order. Heart Robber is the second of three sexy contemporary romance books from the Lifestyle by Design series. This book is for adults only. It contains hot sexual content.

CSO Volume 1 (USER) Book 2: CSO DECsystem -10 Guide

After centuries alone, can a vampire king trust the woman who's woken his heart? Jordan MacDougal, laird and vampire King, walks a thin line of civility between protecting his clan, and handling the conflict from the local shifter pack. When some of his people disappear, and the wolves accuse his newest, intriguing vampire of being evil, Jordan discovers that the traitor in his midst may be closer than he dared believe. A newly turned vampire, Dalia Jensen wakes to an unusual and frightening new world, with no memory of the past year of her life. Accused of working with the Master Vampire who held her prisoner, her inability to remember the truth leaves her reeling under allegations of vicious past actions. Uncertain of her culpability, she's unable to trust her own instincts as the reigning Vampire King turns her world upside down. When the wolves call for her trial, demanding her life for those killed and tortured, Jordan and Dalia must work together to find the truth, and save the love blooming between them. Praise for Amber Kallyn "Ms. Kallyn takes the paranormal world and adds a dangerous twist of dragons, fires, and a mysterious past to make this an intense read" ~ Coffee Time Romance "if it is at all possible for a dragon to become stronger or more alpha in general then Ms Kallyn has managed it" ~ The Romance Studio "intense and incendiary" ~ Whipped Cream Reviews Miss watching Moonlight? Big worlds come in coin-sized packages. In a world ruled by money, a lone 1938 Jefferson nickel stands a penny short. Minus a cent, but having discovered within him a million bucks of fantastic, Ned Nickel sallies forth to save Coinworld from a worthless future. Shunned by his fellow coins, but sought after by dogged collectors, 4cents Ned learns that he has a most daunting destiny. With the help of a sagacious Indian nickel and a shabby and luckless Lincoln wheat penny, Ned becomes "The Four," champion of small change everywhere. Ned must navigate the ever-changing currents of commerce as he battles for justice and searches for the love of his life, a 1922 Peace Dollar named Franny. Beginning in 1949, Ned and his team of Raider Special Forces roll frolicking forward through the years in their attempt to save Coinworld-and perhaps the entire universe-from a valueless future. 4cents Ned is e pluribus awesome. The Amazing Adventures of 4cents Ned is Book One in the Coinworld

RUSH, INC. is a lush playground for adults offering a variety of fantasy settings. Its unique linking system was developed for the purpose of matching two or more individuals--physically, emotionally, and sexually--for optimal compatibility. RACHEL OSLUND has the same hopes for her future most young women have: to fall in love, marry, and have children. But Rachel was brutally attacked as a child, the trauma leaving her unable to tolerate being touched. Now, at the age of twenty-three, she hopes to overcome this crippling disability by working with one of RUSH's foremost instructors, Dalton Cooper--the man with magical hands who weaves a beautiful spell with every adoring caress.

MICHAEL VASSEK, easygoing and ready with a smile, is a man with many secrets. He revels in the variety of sexual partners RUSH's linking system provides, but none of them knows the man beneath the charm. No one suspects the demons gnawing at his soul . . . until he meets Rachel Oslund. With pale blonde curls tumbling down to her waist and eyes as blue as a Florida sky, he's enchanted . . . then shaken by the conversation they share. Suddenly wary, he draws back. But he watches her, unable to fight an attraction that ensnares him in a way nothing else has before, returning time and again until he'll do whatever it takes to make Rachel his. Warning: This book contains explicit sex and strong language.

Ben's 13th year was when his family fell apart, but his 14th year is when his whole world, or more precisely, the whole world, collapses. He had thought 13 was his unlucky number, the year that Time turned its back on him, but he was wrong; that year, it was he who had turned his back on Time. The following year, the fury of the sun turns back Time for everyone in the world. On PF (Power Failure) Day, a huge electromagnetic surge from the sun destroys the power grids and civilization as we know it. Living in the middle of downtown Kansas City makes survival nearly impossible. Starvation, dehydration, disease, freezing temperatures, and out-of-control fires imperil the desperate population. After facing unimaginable losses, Ben finds hope for the future when he meets Sara, who has endured her own share of agonizing loss. But when a murderous gang threatens to take away everything Ben has left, they flee to a wilderness area of a large city park where they learn to live off the land for survival.

A teenage girl in Eastern Kentucky has been isolated since birth. She experiences abuse from her father as unquestionably the will of God. She obeys his rules in hopes of banishing her demons and finding redemption. But when she breaks a rule in order to teach herself to read the Bible, she discovers something more powerful than God's laws. A hidden letter written sixteen years prior by a woman named Allie to her lover, Jute, reveals both disturbing and electrifying secrets. She feels called to find Jute and deliver the letter to her, even if none of the maps in the Bible show the way to Nashville, Tennessee. Meanwhile, in Nashville, Jute has decided to let go of Allie's things. She asks her son, John, to take the boxes from the attic to the barn. To him, it's all junk. He was never told about Allie. But, when John discovers an old photograph tucked inside one of the notebooks, he is instantly drawn into the mystery of what happened to the girl. What he discovers is even more horrifying than the secrets his mother is hiding. He wants to forget it all, but he can't.

Halloween Decorating Idea

Ancient feuds shift into uncertain alliances when murder threatens the secrecy of the supernatural world. Pushing papers at a werewolf sanctuary is the least appealing assignment Aviva could have wished for. It's the bottom rung of the career ladder for a vampire, a job that will leave her isolated from most of her kind as she watches over members of a species whose very existence threatens the secrecy of the supernatural world. Her only consolation is the promise of peace, quiet, and a chance to impress the elders over the course of an easy assignment. After all, the werewolves may be troublesome, but they've kept their own secrets for a century. But the situation at the sanctuary is not what she expected, and Aviva's hopes of easy success are quickly dashed. Age-old tensions between vampires and werewolves come to a head when a human in a nearby village is found brutally murdered and suspicion lands squarely on the sanctuary's supernatural inhabitants. When the pack leaders refuse to turn the killer in to face justice, Aviva knows her elders will do anything to keep their world safe from humans, even if it means wiping out the werewolves for good. With the help of a mistrustful female and a relentlessly tempting alpha male, it will be up to Aviva to overcome the instinctive hatred between their species and catch a murderer before the human world takes notice-and before the sanctuary turns into a battleground.

Imperfect Cadence

The companion text to Occupational Therapy without Borders - Volume 1: learning from the spirit of survivors! In this landmark text writers from around the world discuss a plurality of occupation-based approaches that explicitly acknowledge the full potential of the art and science of occupational therapy. The profession is presented as a political possibilities-based practice, concerned with what matters most to people in real life contexts, generating practice-based evidence to complement evidence-based practice. As these writers demonstrate, occupational therapies are far more than, as some critical views

have suggested, a monoculture of practice rooted in Western modernity. Nobel Peace Laureate Desmond Tutu captures the ethos of this book, which essentially calls for engagements in the service of a purpose that is larger than the advancement of our profession's interests: "Your particular approach to advancing our wellbeing and health strikes me as both unique and easily taken for granted. Whilst you value and work with medical understandings, your main aim seems to go beyond these. You seem to enable people to appreciate more consciously how what we do to and with ourselves and others on a daily basis impacts on our individual and collective wellbeing. As occupational therapists you have a significant contribution to make [...] allowing people from all walks of life to contribute meaningfully to the wellbeing of others." Links philosophy with practical examples of engaging people in ordinary occupations of daily life as a means of enabling them to transform their own lives Includes contributions from worldwide leaders in occupational therapy research and practice Describes concrete initiatives in under-served and neglected populations Looks at social and political mechanisms that influence people's access to useful and meaningful occupation Chapters increase diversity of contributions □ geographically, culturally and politically Emphasis on practice, education and research maintains academic credibility A glossary and practical examples in nearly every chapter make text more accessible to students

Hardy Review

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own

conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. All I Want

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

New Adult Contemporary Romance From the moment she laid eyes on Weston Daniels, Teagan Adams felt an instant connection with him. She fell harder than she expected to the night they spent together at the Daniels' family beach house last winter. But when Wes left Summer Haven the morning after without even saying goodbye, she realized that it was nothing more than just another one night stand for him. When Teagan slipped out of his bed, Wes took it as a sign that she was trying to slip out of his life, too. Still, he never gave up on the idea that there could be something between the two of them. The following summer, Wes decides that he's going to find a way to prove to Teagan just how much she means to him. Unfortunately, his plans come to a screeching halt when he receives an anonymous text message from a stalker who threatens to reveal his secret—a secret that will not only destroy his father's political campaign, but even worse, will endanger the lives of everyone he cares about. Wes's secret is so dangerous that he knows he can't let Teagan get caught in the cross-fire, but will he be able to stay away? Or will he give into the temptation? Disclaimer: This New Adult novel is best-suited for readers 18+ due to strong language, sexual situations, and other mature topics.
