Fahrenheit 451

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing: just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. A *New York Times* Notable Book One of the Best Books of the Year *The Boston Globe*, *The Christian Science Monitor*, *The Denver Post*, *The Kansas City Star*, *Los Angeles Times*, *New York, People*, *Rocky Mountain News*, *Time*, *The Village Voice*, *The Washington Post*

Dear Girls

Fear. Grief. Loss. Betrayal. Rachel Hollis has felt all those things. Now, she takes you to the other side. I want you to know that what's been good will always be good: the smell of coconut sunblock, a five year old showing you the spot where his front tooth used to be, a home-cooked meal, when your love kisses that exact spot on your neck, a grandmother's handwriting, a job well done, the kindness of strangers, the human spirit, an Appaloosa horse, the ritual of your faith, laughing until you pee your pants a little, holiday dessert tables, first birthday parties, a perfect cup of coffee. What's good will always be good, and one of the most awful, beautiful things about the hard seasons is that unless we experience hardship, we'll never truly appreciate the goodness. Rachel Hollis sees you. As the millions who read her #1 *New York Times* bestsellers *Girl, Wash Your Face* and *Girl, Stop Apologizing*, attend her RISE conferences and follow her on social media know, she also wants to see you transform. When it comes to the "hard seasons" of life—the death of a loved one, divorce, loss of a job—transformation seems impossible when grief and uncertainty dominate your days. Especially when, as *Didn't See that Coming* reveals, no one asks to have their future completely rearranged for them. But, as Rachel writes, it is up to you how you come through your pain—you can come through changed for the better, having learned and grown, or stuck in place where your identity becomes rooted in what hurt you. With her signature humor, heartfelt honesty and true-life stories, in *Didn't See that Coming* Rachel Hollis shares how to embrace the difficult moments in life for the learning experiences they are, and that a life well-lived is one of purpose

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

and focused on the essentials. This is a small book about big feelings, inspirational, aspirational, and an anchor that shows that darkness can co-exist with the beautiful.

The Good Fight

The 10th-anniversary edition of the No. 1 international bestseller and modern classic beloved by millions of readers **HERE IS A SMALL FACT - YOU ARE GOING TO DIE** 1939. Nazi Germany. The country is holding its breath. Death has never been busier. Liesel, a nine-year-old girl, is living with a foster family on Himmel Street. Her parents have been taken away to a concentration camp. Liesel steals books. This is her story and the story of the inhabitants of her street when the bombs begin to fall. **SOME IMPORTANT INFORMATION - THIS NOVEL IS NARRATED BY DEATH** The 10th-anniversary edition features pages of bonus content, including marked-up manuscript pages, original sketches, and pages from the author's writing notebook.

It Didn't Start with You

NEW YORK TIMES BESTSELLER "A legal thriller that's comparable to classics such as Scott Turow's *Presumed Innocent* . . . tragic and shocking." Associated Press **SOON TO BE AN ORIGINAL STREAMING SERIES** "NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly " Boston Globe " Kansas City Star Andy Barber has been an assistant district attorney for two decades. He is respected. Admired in the courtroom. Happy at home with the loves of his life: his wife, Laurie, and their teenage son, Jacob. Then Andy's quiet suburb is stunned by a shocking crime: a young boy stabbed to death in a leafy park. And an even greater shock: The accused is Andy's own son—shy, awkward, mysterious Jacob. Andy believes in Jacob's innocence. Any parent would. But the pressure mounts. Damning evidence. Doubt. A faltering marriage. The neighbors' contempt. A murder trial that threatens to obliterate Andy's family. It is the ultimate test for any parent: How far would you go to protect your child? It is a test of devotion. A test of how well a parent can know a child. For Andy Barber, a man with an iron will and a dark secret, it is a test of guilt and innocence in the deepest sense. How far would you go? Praise for *Defending Jacob* "A novel like this comes along maybe once a decade . . . a tour de force, a full-blooded legal thriller about a murder trial and the way it shatters a family. With its relentless suspense, its mesmerizing prose, and a shocking twist at the end, it's every bit as good as Scott Turow's great *Presumed Innocent*. But it's also something more: an indelible domestic drama that calls to mind *Ordinary People* and *We Need to Talk About Kevin*. A spellbinding and unforgettable literary crime novel." Joseph Finder "Defending Jacob is smart, sophisticated, and suspenseful" capturing both the complexity and stunning fragility of family life." Lee Child "Powerful . . . leaves you gasping breathlessly at each shocking revelation." Lisa Gardner "Disturbing, complex, and gripping, *Defending Jacob* is impossible to put down. William Landay is a stunning talent." Carla Neggers "Riveting, suspenseful, and emotionally searing." Linwood Barclay

The Outsiders

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website *Ask a Manager* and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when "coworkers push their work on you" then take credit for it "you accidentally trash-talk someone in an email then hit "reply all" " you're being

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

micromanaged or not being managed at all you catch a colleague in a lie your boss seems unhappy with your work your cubemate's loud speakerphone is making you homicidal you got drunk at the holiday party Advance praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work." "Booklist (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces and to do so with grace, confidence, and a sense of humor." Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)." Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck

How to Read a Book

BOOK ONE IN THE NEW YORK TIMES BESTSELLING SERIES Instant New York Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon's Best Young Adult Book of 2015 People's Choice Award winner - Favorite Fantasy Bustle's Best Young Adult Book of 2015 "This novel is a harrowing, haunting reminder of what it means to be human -- and how hope might be kindled in the midst of oppression and fear." -- The Washington Post "An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones." -- Public Radio International "An Ember in the Ashes glows, burns, and smolders--as beautiful and radiant as it is searing." -- Huffington Post "A worthy novel - and one as brave as its characters." -- The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier--and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined--and that their choices will change the fate of the Empire itself.

Get Out of Your Own Way

As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show - the highest-rated program of its kind, launched her own television network, become the nation's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons which, for fourteen years, she's shared in O, The Oprah Magazine's widely popular "What I Know For Sure" column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in What I Know For Sure, a beautiful cloth bound book with a ribbon marker, packed with insight and revelation from Oprah Winfrey. Organized by theme joy, resilience, connection, gratitude, possibility, awe, clarity, and power these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women while providing readers a guide to becoming their best selves. Candid, moving, exhilarating, uplifting, and

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

frequently humorous, the words Oprah shares in What I Know For Sure shimmer with the sort of truth that readers will turn to again and again.

Defending Jacob

Hosts of the award-winning Whine Down podcast, Jana Kramer and Michael Caussin explore the raw and real moments of their marriage—what it means to love, to fight, and to sincerely forgive—with spiritual guidance and practical advice for anyone seeking stronger, more fulfilling love. From the beginning, Mike and Jana had the kind of everyday arguments that drive even the happiest couples apart. Money, careers, insecurity, jealousy. And then kids, infidelity, addiction, and growing walls around their individual hearts. Many people would have separated. But Jana and Mike discovered something invaluable: While fighting under the worst possible circumstances, they learned how to fight for each other with respect, kindness, humor, and faith. The Good Fight reveals how one couple decided to honor their forever love by battling it out and staying together, told from both sides. With honesty, warmth, and hilarity, Jana and Mike walk us through the details of the most complicated fights of their past. They show readers how they've communicated, prayed, forgiven, and radically embraced each other to live their happiest, most fulfilling lives possible, and offer lessons anyone—married, dating, single—can use to give and receive lasting love.

Workbook for Didn't See that Coming

Dave Hollis used to think that "personal growth" was just for broken people. Then he woke up. When Dave Hollis's wife, Rachel, began writing her #1 New York Times bestselling book, Girl, Wash Your Face, he bristled at her transparency and her willingness to talk about such intimate details of their life. But when a looming career funk, a growing drinking problem, and a challenging trek through therapy battered the Disney executive and father of four, Dave began to realize he was letting untruths about himself dictate his life. As he sank to the bottom of his valley, he had to make a choice. Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In Get Out of Your Own Way, Dave tackles topics he once found it difficult to be honest about, things like his struggles with alcohol, problems in his marriage, and his insecurities about being a dad. Dave helps us see our own journeys more clearly as he unpacks the lies he once believed—such as "I Have to Have It All Together," "Failure Means You're Weak," and "If They Doesn't Need Me, Will They Still Want Me?"—and reveals the tools that helped him change his life. Offering encouragement, challenge, and a hundred moments to laugh at himself, Dave points the way for those of us who are, like he was, skeptical of self-help but wanting something more than status quo, and helps us drop bogus ideas about who we are supposed to be and finally start living as who we really are.

Analyzes the art of reading and suggests ways to approach literary works

No, David!

After her mother's mysterious death, a young woman is summoned to the floating city of Sky in order to claim a royal inheritance she never knew existed in the first book in this award-winning fantasy trilogy from the NYT bestselling author of *The Fifth Season*. Yeine Darr is an outcast from the barbarian north. But when her mother dies under mysterious circumstances, she is summoned to the majestic city of Sky. There, to her shock, Yeine is named an heiress to the king. But the throne of the Hundred Thousand Kingdoms is not easily won, and Yeine is thrust into a vicious power struggle with cousins she never knew she had. As she fights for her life, she draws ever closer to the secrets of her mother's death and her family's bloody history. With the fate of the world hanging in the balance, Yeine will learn how perilous it can be when love and hate - and gods and mortals - are bound inseparably together. The Inheritance Trilogy *The Hundred Thousand Kingdoms* *The Broken Kingdoms* *The Kingdom of Gods* *The Inheritance Trilogy (omnibus edition)* *Shades in Shadow: An Inheritance Triptych (e-only short fiction)* *The Awakened Kingdom (e-only novella)* For more from N. K. Jemisin, check out: *Dreamblood Duology* *The Killing Moon* *The Shadowed Sun* *The Broken Earth* *The Fifth Season* *The Obelisk Gate* *The Stone Sky*

The Silent Patient

In Queens, New York, in 1969, twelve-year-old Julian Twerski writes a journal for his English teacher in which he explores his friendships and how they are effected by girls, a new student who may be as fast as Julian, and especially an incident of bullying.

Monday's Not Coming

With an enduring grasp of human nature, Dale Carnegie's *How to Win Friends and Influence People* teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's *How to Win Friends and Influence People*, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

How To Win Friends And Influence People

A groundbreaking approach to transforming traumatic legacies passed down in families over generations, by an acclaimed expert in the field Depression. Anxiety. Chronic Pain. Phobias. Obsessive thoughts. The evidence is compelling: the roots of these difficulties may not reside in our immediate life experience or in chemical imbalances in our brains—but in the lives of our parents, grandparents, and even great-grandparents. The latest scientific research, now making headlines, supports what many have long intuited—that traumatic experience can be passed down through generations. *It Didn't Start with You* builds on the work of leading experts in post-traumatic stress, including Mount Sinai School of Medicine neuroscientist Rachel Yehuda and psychiatrist Bessel van der Kolk, author of *The Body Keeps the Score*. Even if the person who suffered the original trauma has died, or the story has been forgotten

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

or silenced, memory and feelings can live on. These emotional legacies are often hidden, encoded in everything from gene expression to everyday language, and they play a far greater role in our emotional and physical health than has ever before been understood. As a pioneer in the field of inherited family trauma, Mark Wolynn has worked with individuals and groups on a therapeutic level for over twenty years. *It Didn't Start with You* offers a pragmatic and prescriptive guide to his method, the Core Language Approach. Diagnostic self-inventories provide a way to uncover the fears and anxieties conveyed through everyday words, behaviors, and physical symptoms. Techniques for developing a genogram or extended family tree create a map of experiences going back through the generations. And visualization, active imagination, and direct dialogue create pathways to reconnection, integration, and reclaiming life and health. *It Didn't Start With You* is a transformative approach to resolving longstanding difficulties that in many cases, traditional therapy, drugs, or other interventions have not had the capacity to touch.

Out of the Dust

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the *Shadow Children* series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

Fahrenheit 451

WHAT IF YOU COULD BECOME AWESOME AT (ALMOST) ANYTHING? It's not as impossible as you might imagine. If you're the kind of person who thinks I need a special type of brain to do math You're either good at sports or you're not I don't have a musical bone in my body Challenge the beliefs that hold you back! Whatever you want to be good at, the right mindset can help you achieve your dreams. Times journalist, two-time Olympian, and bestselling author Matthew Syed demonstrates how grit, resilience, and a positive mindset can help in every aspect of your life—from school to friendships to sports to hobbies. Using examples of role models from Serena Williams to Mozart, *You Are Awesome* shows how success is earned rather than given, and that talent can be acquired through practice and a positive attitude. Practical, insightful, and positive, this is the book to help you build resilience, embrace your mistakes, and grow into a more successful, happier YOU!

Girl, Wash Your Face

“I believe we can change the world. But first, we’ve got to stop living in fear of being judged for who we are.” Rachel Hollis has seen it too often: women not living into their full potential. They feel a tugging on their hearts for something more, but they’re afraid of embarrassment, of falling short of perfection, of not being enough. In *Girl, Stop Apologizing*, #1 New York Times bestselling author and founder of a multimillion-dollar media company, Rachel Hollis sounds a wake-up call. She knows that many women have been taught to define themselves in light of other people—whether as wife, mother, daughter, or employee—instead of learning how to own who they are and what they want. With a challenge to women everywhere to stop talking themselves out of their dreams, Hollis identifies the excuses to let go of, the

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

behaviors to adopt, and the skills to acquire on the path to growth, confidence, and believing in yourself.

Something Wicked This Way Comes

#1 NEW YORK TIMES BESTSELLER • OVER 3 MILLION COPIES SOLD Do you ever suspect that everyone else has life figured out and you don't have a clue? If so, Rachel Hollis has something to tell you: that's a lie. If you have ever said any of these things to yourself . . . Something else will make me happy. I'm not a good mom. I will never get past this. I am defined by my weight. I should be further along by now. . . . then you could benefit from the unflinching faith and rock-hard tenacity Rachel Hollis has in store for you. In this challenging but conversational book, Rachel exposes the twenty lies and misconceptions that too often hold us back from living joyfully and productively, lies we've told ourselves so often we don't even hear them anymore. Rachel is real and talks about real issues. More than that, she reveals the specific practical strategies that helped her move past them. In the process, she encourages, entertains, and even kicks a little butt, all to convince you to do whatever it takes to get real and become the joyous, confident woman you were meant to be. Because you really can live with passion and hustle • and give yourself grace without giving up.

What I Know For Sure

What kind of first impression do you make? A first impression is the most important impression you'll ever make—and you get only one chance to make it. Business deals can be made or broken, first dates become second dates or not, friendships are created or fail to form; everything hinges on that all-important initial encounter. And yet most of us don't know how we're really seen by others. Many of us don't know how to make a good impression. Wouldn't you like others to see you as confident, interesting, attractive, and sincere? Ann Demarais, Ph.D., and Valerie White, Ph.D., consultants to many Fortune 100 companies as well as creators of First Impressions, Inc., a New York-based dating and consulting firm, offer you the keys to putting your best self forward in any new situation, whether you want to strike up a conversation at a party or are meeting a blind date or a new business client. You'll learn to see yourself as others see you, and how to tweak your style to create the impression that reflects the real you. Breaking down a successful first impression into its seven fundamentals, the authors show you how to master these principles so that you can make the best first impression. They also show how to avoid common misunderstandings that leave others with a bad impression, how to reveal the four universal social gifts, and they outline practical steps you can take to enhance your personal charm. Informative and filled with enlightening research studies, do-it-yourself checklist reviews, and dozens of helpful case histories, First Impressions is a fun, groundbreaking, and long-overdue guide to the most important moment of virtually any relationship: the first.

Crush

"Topical, engaging, personable, and above all, reassuring." -Dr. Jordan B. Peterson, author of 12 Rules for Life From host of The Rubin Report, the most-watched talk show about free speech and big ideas on YouTube right now, a roadmap for free thinking in an increasingly censored world. The left is no longer liberal. Once on the side of free speech and tolerance, progressives now ban speakers from college campuses, "cancel" people who aren't up to date on the latest genders, and force religious people to violate their conscience. They have abandoned the battle of ideas and have begun fighting a battle of feelings. This uncomfortable truth has turned moderates and true liberals into the politically homeless class. Dave Rubin launched his political talk show The Rubin Report in 2015 as a meeting ground for free thinkers who realize that partisan politics is a dead end. He hosts people he both agrees and disagrees with—including those who have been dismissed, deplatformed, and despised—taking on the

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

most controversial issues of our day. As a result, he's become a voice of reason in a time of madness. Now, Rubin gives you the tools you need to think for yourself in an age when tribal outrage is the only available alternative. Based on his own story as well as his experiences from the front lines of the free speech wars, this book will empower you to make up your own mind about what you believe on any issue and teach you the fine art of: □ Checking your facts, not your privilege, when it comes to today's most pervasive myths, from the wage gap and gun violence to climate change and hate crimes. □ Standing up to the mob against today's absurd PC culture, when differences of opinion can bring relationships, professional or personal, to a sudden end. □ Defending classically liberal principles such as individual rights and limited government, because freedom is impossible without them. The Progressive Woke Machine is waging war against the last free thinkers in the world. Don't Burn This Book is the definitive account of our current political upheaval and your guide to surviving it.

The Book Thief

YOU ARE A BADASS IS THE SELF-HELP BOOK FOR PEOPLE WHO DESPERATELY WANT TO IMPROVE THEIR LIVES BUT DON'T WANT TO GET BUSTED DOING IT. In this refreshingly entertaining how-to guide, bestselling author and world-traveling success coach, Jen Sincero, serves up 27 bitesized chapters full of hilariously inspiring stories, sage advice, easy exercises, and the occasional swear word, helping you to: Identify and change the self-sabotaging beliefs and behaviors that stop you from getting what you want, Create a life you totally love. And create it NOW, Make some damn money already. The kind you've never made before. By the end of You Are a Badass®, you'll understand why you are how you are, how to love what you can't change, how to change what you don't love, and how to use The Force to kick some serious ass.

Twerp

The true story of an ordinary boy's most extraordinary journey following a car accident that left him paralyzed offers new insights on miracles, life beyond this world and the power of a father's love.

The Perfect Wife

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

The Road

This revelatory biography of Melania Trump from Pulitzer Prize-winning Washington Post reporter Mary Jordan □deftly, and without agenda, decodes Melania [Trump]□ (NBC News) who is far more influential in the White House than most people realize. Based on interviews with more than one hundred people in five countries, The Art of Her Deal: The Untold Story of Melania Trump draws an unprecedented portrait of the first lady. While her public image is of an aloof woman floating above the political gamesmanship of Washington, behind the scenes Melania Trump is not only part of President Trump's inner circle, but for some key decisions she has been his single most influential adviser. Throughout her public life, Melania Trump has purposefully worked to remain mysterious. With the help of key people speaking publicly for the first time and never-before-seen documents and tapes, The Art of Her Deal looks beyond the surface image to find a determined immigrant and the life she had before she met Donald Trump. Mary Jordan traces Melania's journey from Slovenia, where her family stood out for their nonconformity, to her days as a fledgling model known for steering clear of the industry's hard-partying scene, to a tiny living space in Manhattan she shared platonically with a male

photographer, to the long, complicated dating dance that finally resulted in her marriage to Trump. Jordan documents Melania's key role in Trump's political life before and at the White House, and shows why he trusts her instincts above all. The picture of Melania Trump that emerges in *The Art of Her Deal* is one of a woman who is savvy, steely, ambitious, deliberate, and who plays the long game. And while it is her husband who became famous for the phrase "the art of the deal," it is she who has consistently used her leverage to get exactly what she wants. This is the story of the art of her deal.

Girl, Stop Apologizing

Two boys' lives are changed forever when a sinister travelling carnival stops at their Illinois town.

The Hundred Thousand Kingdoms

From the critically acclaimed author of *Allegedly*, Tiffany D. Jackson, comes a gripping new novel perfect for fans of E. Lockhart and Gillian Flynn about the mystery of one teenage girl's disappearance and the traumatic effects of the truth. Monday Charles is missing, and only Claudia seems to notice. Claudia and Monday have always been inseparable—more sisters than friends. So when Monday doesn't turn up for the first day of school, Claudia's worried. When she doesn't show for the second day, or second week, Claudia knows that something is wrong. Monday wouldn't just leave her to endure tests and bullies alone. Not after last year's rumors and not with her grades on the line. Now Claudia needs her best—and only—friend more than ever. But Monday's mother refuses to give Claudia a straight answer, and Monday's sister April is even less help. As Claudia digs deeper into her friend's disappearance, she discovers that no one seems to remember the last time they saw Monday. How can a teenage girl just vanish without anyone noticing that she's gone?

You Are a Badass®

The perfect life. The perfect love. The perfect lie. From the bestselling author of *The Girl Before* comes a gripping psychological thriller. . . . Mind-bending . . . Delaney takes domestic suspense beyond its comfort zone. "The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY" A COSMOPOLITAN NEW MUST-READ Abbie awakens in a daze with no memory of who she is or how she landed in this unsettling condition. The man by her side claims to be her husband. He's a titan of the tech world, the founder of one of Silicon Valley's most innovative start-ups. He tells Abbie that she is a gifted artist, an avid surfer, a loving mother to their young son, and the perfect wife. He says she had a terrible accident five years ago and that, through a huge technological breakthrough, she has been brought back from the abyss. She is a miracle of science. But as Abbie pieces together memories of her marriage, she begins to question her husband's motives—and his version of events. Can she trust him when he says he wants them to be together forever? And what really happened to her, half a decade ago? Beware the man who calls you . . . THE PERFECT WIFE

Jab, Jab, Jab, Right Hook

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

The City of Ember

New York Times bestselling author and social media expert Gary Vaynerchuk shares hard-won advice

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

on how to connect with customers and beat the competition. A mash-up of the best elements of *Crush It!* and *The Thank You Economy* with a fresh spin, *Jab, Jab, Jab, Right Hook* is a blueprint to social media marketing strategies that really works. When managers and marketers outline their social media strategies, they plan for the "right hook"—their next sale or campaign that's going to knock out the competition. Even companies committed to jabbing—patiently engaging with customers to build the relationships crucial to successful social media campaigns—want to land the punch that will take down their opponent or their customer's resistance in one blow. Right hooks convert traffic to sales and easily show results. Except when they don't. Thanks to massive change and proliferation in social media platforms, the winning combination of jabs and right hooks is different now. Vaynerchuk shows that while communication is still key, context matters more than ever. It's not just about developing high-quality content, but developing high-quality content perfectly adapted to specific social media platforms and mobile devices—content tailor-made for Facebook, Instagram, Pinterest, Twitter, and Tumblr.

Number the Stars

The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen.

The Boy who Came Back from Heaven

The instant #1 New York Times bestseller "An unforgettable—and Hollywood-bound—new thriller A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —*Entertainment Weekly* *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him.

Didn't See That Coming

When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children—even when they misbehave.

Among the Hidden

It is 1943 and for 10 year old Annemarie life is still fun. But there are worries too - the Nazis have occupied Copenhagen and there are food shortages, curfews and the threat of being stopped by soldiers and Annemarie's best friend is a Jew.

Online PDF Didn't See That Coming Putting Life Back Together When Your World Falls Apart

You Are Awesome

50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

The Art of Her Deal

NEW YORK TIMES BESTSELLER — Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. —Knife-sharp . . . a genuine pleasure. —The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time — Variety — Chicago Tribune — Glamour — New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* —Fierce, feminist, and packed with funny anecdotes. —Entertainment Weekly —[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto. —Vogue —[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more—Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at. —Bustle

First Impressions

The instant New York Times bestseller! An Amazon Best YA Book of the Month *Glitter* magazine's YA Feminist Must-Reads of 2020 Everything feels off—especially me. I've returned to Katmere Academy, but I'm haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don't know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. *The Circle* is caught in a power play and the
