Lonely Planet Sicily

The Illustrated Kitchen Bible is all quality content—a tremendous resource of over 1,000 delicious, achievable, and international recipes, with sumptuous photography, precise text, and innovative ideas. This book takes recipes and techniques and puts them under the microscope. How to get the best when shopping? What the preparation and cooking stages are? What to look for? What should it feel and smell like? How to save the day if something isn't right? What to serve with it? What to do with the leftovers (if there are any)? The result is home cooking at its most perfect. Victoria Blashford-Snell trained at Le Cordon Bleu, runs a highly successful catering company in London, and is a regular cooking teacher and demonstrator in Italy, Somerset, and at London's Books for Cooks. She has co-authored DK's Hors d'Oeuvres. Australia chef Brigitte Hafner writes the weekly recipes for The Sydney Morning Herald's Good Living and Melbourne Age's Epicure sections and with partner James Broadway, runs a popular wine bar and eatery in Melbourne's Fitzroy called The Gertrude Street Enoteca.

The Sicily Cookbook

Dubbed 'the greatest Greek city and the most beautiful of them all' by Cicero, Syracuse also boasts the richest history of anywhere in Sicily. Syracuse, City of Legends – the first modern historical guide to the city – explores Syracuse's place within the island and the wider Mediterranean and reveals why it continues to captivate visitors today, more than two and a half millennia after its foundation. Over its long and colourful life, Syracuse has been home to many creative figures, including Archimedes, the greatest mathematician of the ancient world, as well as host to Plato, Scipio Africanus, conqueror of Hannibal, and Caravaggio, who have all contributed to the rich history and atmosphere of this beguiling and distinctive Sicilian city. Generously illustrated, Syracuse, City of Legends also offers detailed

descriptions of the principal monuments from each period in the city's life, explaining their physical location as well as their historical context. This vivid and engaging history weaves together the history, architecture and archaeology of Syracuse and will be an invaluable companion for anyone visiting the city as well as a compelling introduction to its ancient and modern history.

Seeking Sicily

Critically acclaimed author John Julius Norwich weaves the turbulent story of Sicily into a spellbinding narrative that places the island at the crossroads of world history. "Sicily," said Goethe, "is the key to everything." It is the largest island in the Mediterranean, the stepping-stone between Europe and Africa, the link between the Latin West and the Greek East. Sicily's strategic location has tempted Roman emperors, French princes, and Spanish kings. The subsequent struggles to conquer and keep it have played crucial roles in the rise and fall of the world's most powerful dynasties. Yet Sicily has often been little more than a footnote in books about other empires. John Julius Norwich's engrossing narrative is the first to knit together all of the colorful strands of Sicilian history into a single comprehensive study. Here is a vivid, erudite, page-turning chronicle of an island and the remarkable kings, queens, and tyrants who fought to rule it. From its beginnings as a Greek city-state to its emergence as a multicultural trading hub during the Crusades, from the rebellion against Italian unification to the rise of the Mafia, the story of Sicily is rich with extraordinary moments and dramatic characters. Writing with his customary deftness and humor, Norwich outlines the surprising influence Sicily has had on world history—the Romans' fascination with Greek civilization dates back to their sack of Sicily—and tells the story of one of the world's most kaleidoscopic cultures in a galvanizing, contemporary way. This volume has been a long time coming—Norwich began to explore Sicily's colorful history during his first visit to the island in the early 1960s. The dean of popular historians leads his readers through the millennia with the steady narrative hand of a master teacher or the world's most learned tour guide. Like the island itself, Sicily is a book brimming with bold flavors that begs to be revisited again and again. Praise for Sicily "Suavely readable . . . The very model of a popular historian, [Norwich] writes to give pleasure to the common reader. And what pleasure it is."—The Wall Street Journal "Entertaining on every page . . . There is something ancient and sorrowful in Sicily, 'some dark, brooding quality,' just as captivating as its spellbinding history or its beautiful and varied landscapes, from beaches to lemon groves, pine forests to volcanoes. . . . The most amiable and freewheeling of guides, Norwich will always find time for the amusing anecdote."—The Sunday Times "Utterly engrossing . . . written with passion about the art and architecture of this magical island,

filled with gossipy tidbits and sweeping historical theories.”—The Daily Beast “Dazzling . . . Norwich is an elegantly graceful and entertaining storyteller.”—Richmond Times-Dispatch “Charming . . . richly nuanced history relayed with enormous fondness.”—Kirkus Reviews “A brisk and always-lively tour.”—Open Letters Monthly “Norwich is deeply in love with Sicily. [His] boundless affection has inspired a determined effort to understand its painful past. The result is impressionistic, as love often is.”—The Times “Norwich sketches personalities vividly. . . . He does the island and the reader a generous service in providing such an amiable introduction.”—The Sunday Telegraph “Norwich tells [Sicily’s] long, sad but fascinating story with sympathy and brio.”—Literary Review From the Hardcover edition.

With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Italy truly shows you this country as no one else can.

The Rough Guide to Sicily (Travel Guide eBook)

This guidebook includes 46 walks throughout Sicily and the adjoining Aeolian and Egadi Islands. Particular highlights include walks on Mount Etna, and through the Madonie and Nebrodi mountains. Walks range from 2 to 23km long, and are graded according to difficulty and terrain, so the right walk can be easily found, whether for a short family stroll around Medieval Erice, or the challenging trail that traverses the lava and ash-covered Mount Etna. This guidebook combines detailed route description and mapping with fascinating insight into the history and geology of Sicily and the many points of interest along the way. Whether the active volcanic rumblings of Stromboli, or elaborate coastal forts, to prehistoric cave paintings; Sicily is home to some of Europe's greatest natural and historical wonders. The guidebook also includes practical information on travel to and around Sicily, the best time to go, as well as accommodation advice, information on facilities along the way, and a useful Italian-English glossary. The result is an ideal companion to explore all that Sicily has to offer the walker.

Wander through chariot-grooved streets in Pompeii, sample the abundant varieties of wine and olives as you tour Tuscany, or toss a coin into the Trevi Fountain in Rome; all with your trusted travel companion.

Top 10 Sicily

"Keahey's exploration of this misunderstood island offers a much-needed look at a much-maligned land."—Paul Paolicelli, author of *Under the Southern Sun* Sicily is the Mediterranean's largest and most mysterious island. Its people, for three thousand years under the thumb of one invader after another, hold tightly onto a culture so unique that they remain emotionally and culturally distinct, viewing themselves first as Sicilians, not Italians. Many of these islanders, carrying considerable DNA from Arab and Muslim ancestors who ruled for 250 years and integrated vast numbers of settlers from the continent just ninety miles to the south, say proudly that Sicily is located north of Africa, not south of Italy. *Seeking Sicily* explores what lies behind the soul of the island's inhabitants. It touches on history, archaeology, food, the Mafia, and politics and looks to nineteenth- and twentieth-century Sicilian authors to plumb the islanders' so-called Sicilitudine. This "culture apart" is best exemplified by the writings of one of Sicily's greatest writers, Leonardo Sciascia. *Seeking Sicily* also looks to contemporary Sicilians who have never shaken off the influences of their forbearers, who believed in the ancient gods and goddesses. Author John Keahey is not content to let images from the island's overly touristed villages carry the story. Starting in Palermo, he journeyed to such places as Arab-founded Scopello on the west coast, the Greek ruins of Selinunte on the southwest, and Sciascia's ancestral village of Racalmuto in the south, where he experienced unique, local festivals. He spent Easter Week in Enna at the island's center, witnessing surreal processions that date back to Spanish

rule. And he learned about Sicilian cuisine in Spanish Baroque Noto and Greek Siracusa in the southeast, and met elderly, retired fishermen in the tiny east-coast fishing village of Aci Trezza, home of the mythical Cyclops and immortalized by Luchino Visconti's mid-1940s film masterpiece, *La terra trema*. He walked near the summit of Etna, Europe's largest and most active volcano, studied the mountain's role in creating this island, and looked out over the expanse of the Ionian Sea, marveling at the three millennia of myths and history that forged Sicily into what it is today.

Lonely Planet Sicily

Newly revised, updated, and redesigned for 2019. Experience the best of Rome with DK Eyewitness Travel Guide: Rome. This newly updated travel guide for Rome will lead you straight to the best attractions this city has to offer, whether visiting the Vatican, touching the stones of the Colosseum, or enjoying gelato in one of the city's beautiful piazzas.
