Why Keep A Dream Journal? Dreams are fleeting. This will help you remember what your dreams are about and improve your memory in general. Paying closer attention to what your dreams are about will help you remember them more easily in the future, with or without writing them down. It's like exercise for your brain! It can help you better understand your thoughts and emotions as dreams can affect how you feel and think. Jotting down your dreams can help you understand why you feel the way that you do on a daily basis. You may even be able to identify triggers for your thoughts and emotions that you may not always be consciously aware of. A problem solver. You can use this to your advantage by dreaming about a subject or problem in an unusual way, and then writing down the result in a dream diary. Many writers have used their dreams to inspire their stories, and even some mathematicians - including Albert Einstein - have relied on dreams to develop their formulas and theories in ways nobody thought possible at the time! Book measure 5x8in dimension and holds 100 pages. Reliable standards: Book industry perfect binding (the same standard binding as the books in your local library). Tough paperback and crisp white paper that minimizes ink bleed-through. The book is great for either pen or pencil users. Journals, planners, and notebooks are the perfect Gifts for any occasion. So, what are you waiting for? Click the BUY button now at the top of the page to begin. Please don't forget to check out our other coloring books, planners and journals (DaZenMonk Designs). Thank you very much.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he

attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

## **L.O.L. Surprise!: Secrets and Dreams Journal**

#1 New York Times Bestseller At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how

design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise. "Designing Your Life walks readers through the process of building a satisfying, meaningful life by approaching the challenge the way a designer would. Experimentation. Wayfinding. Prototyping. Constant iteration. You should read the book. Everyone else will." —Daniel Pink, bestselling author of *Drive* "This [is] the career book of the next decade and . . . the go-to book that is read as a rite of passage whenever someone is ready to create a life they love." —David Kelley, Founder of IDEO "An empowering book based on their popular class of the same name at Stanford University . . . Perhaps the book's most important lesson is that the only failure is settling for a life that makes one unhappy. With useful fact-finding exercises, an empathetic tone, and sensible advice, this book will easily earn a place among career-finding classics." —Publishers Weekly From the Hardcover edition.
