What Is Plein Air Painting? Plein air painting is about leaving the four walls of your studio behind and experiencing painting and drawing in the landscape. The practice goes back for centuries but was truly made into an art form by the French Impressionists. Their desire to paint light and its changing, ephemeral qualities, coupled with the creation of transportable paint tubes and the box

Watercolor painting - Wikipedia

En plein air (pronounced [?? pl?.n???]; French for "outdoors"), or plein air painting, is the act of painting outdoors. This method contrasts with studio painting or academic rules that might create a predetermined look. The theory of 'En plein air' painting is credited to Pierre-Henri de Valenciennes (1750-1819) first expounded in a treatise entitled Reflections and Advice to a

Edward Hopper (July 22, 1882 - May 15, 1967) was a prominent American realist painter and printmaker. While he was most popularly known for his oil paintings, he was equally proficient as a watercolorist and printmaker in etching. Both in his urban and rural scenes, his spare and finely calculated renderings reflected his personal vision of modern American life.
