### **Experiencing God**

For anyone who longs to experience God in the thick of life's demands, Sara Hagerty's *Adore* offers a simple, soul-nourishing practice for engaging with God in the middle minutes of your day. None of us signed up for a conventional experience with the unconventional God, yet too often the spiritual life can become routine, dare we say, even boring. In *Adore*, Sara Hagerty gives us all permission to admit "I barely know You, God," and with this honest admission, to scoot a little nearer to this familiar stranger. Adoration is the simple practice Sara discovered for starting where you are, and letting the grit of your

day greet the beauty of God's presence. Adoration is for the woman who feels frenzied and fearful in the middle minutes of her day. It is a simple practice for 7:37 a.m. when the children are waking and the dryer is already humming but also for the 12:17 p.m. lunch break and for 5:53 p.m. while stuck in traffic. Adoration is the place where we put how we feel in front of God's Word, and watch what happens to our insides. It's what you were made for. Join Sara in this soul-stirring journey through thirty attributes of God which you can walk through at your own pace. Learn how the simple habit of adoration--in the middle minutes of your day--can help you see God with fresh eyes, and talk to Him right there. Experience a new way of engaging with God in your everyday. Adore will show you how.

### **Experiencing the Spirit**

Megachurch pastor Allen Jackson invites readers on a 100-day adventure of experiencing God through ten biblical practices that will reignite their faith and transform their lives. Many Christians experience low points in their faith, times when their spiritual lives have grown cold, stagnant, or routine. They feel frustrated and desperate to reconnect with God. Yet encouragement alone is not enough. We need God's power to bring transformation, and we need specific tools and a focused intent to know the Lord. Drawing upon years of pastoral ministry and his own experience, Allen Jackson has developed a 100-day plan to reinvigorate a believer's life, organized around ten declarations of intent, including: I Intend to Grow Spiritually, I Intend to Read the Gospels I Intend to Pray Daily I Intend to Honor God in My Home, and I Intend to Work with Integrity. A simple investment of twenty minutes a day will create an unstoppable momentum in readers' lives. Their hearts are opened to new possibilities with God where his purposes unfold and where the fruit of his rewards are found.

### **God, Me, and Sweet Iced Tea**

### **The Satisfied Heart**

When was the last time you took a break to experience God's love? To experience something is to live it, to encounter it, to understand it, to explore with our hearts, minds, and souls as well as with the five physical senses and our God-given spiritual ones. Every action we do with and for God, every good day and bad day, we walk hand-in-hand with God, experiencing Him. Experiencing God's love takes time. Love unfurls its blossoms in our lives when we concentrate all of our senses on the small gifts we pass by every day. Time slows, and we finally get to hear God's beautiful background hum to our lives. The One Year Experiencing God's Love Devotional helps you intentionally carve out those moments in your day to savor God and his love for you.

### **Revelation**

We are at a unique time in American history and our personal history when we need real help, real hope, and real answers for the day to day realities we're facing. We live in a financial and work world that is experiencing rapid and unprecedented changes. It is as if Americans have spent years building their

financial houses that were like sand castles on the beach. For a long time many of our sand castles looked beautiful and kept getting bigger in the sunshine of the day. But now strong ocean tides and ground-shaking tremors beyond our personal control are beginning to move in and our sand castles are beginning to crack and their very existence is being threatened. This book was written to help you “consider your ways” and to consider God’s Word. Explore the idea of experiencing God as your provider, begin to build your finances and life on the solid Rock of God’s Word, and learn to become a generous person. This book is filled with Scriptures that will instruct and true stories that will inspire. This is not a money management book, but rather it is a book that will help you manage your life under leadership of Christ.

In this deluxe LeatherLike edition, The One Year Experiencing God's Presence Devotional will cultivate your sense of God's presence in your life, help you learn to recognize His voice, and deepen your trust that He is "always ready to help" (Psalm 46:1) in every situation.

### **Day by Day With God**

Spend 31 days in God's loving arms and you'll discover the secret to contentment in life. Deep within, many of us sense a longing for fulfillment - a hunger that cries out to be satisfied. Wonderfully, God in His infinite love can satisfy this passionately felt need. Better still, He will - as we let Him. For when we seek to pursue Him first of all, writes author Ruth Myers, our satisfaction with life, ourselves, and our Creator truly is guaranteed. Drawing upon her own deeply personal experience with a God who desires to be intimately acquainted with every area of His children's lives, Ruth Myers paints a dramatic picture of a loving Father who gives us all we need to be satisfied - no matter how severe our struggles, failings, and disappointments. Myers explains, "The heart that has tasted of God's love will always turn back to Him with longing and say, 'Only Your love can meet my deepest needs.'" In *The Satisfied Heart*, readers will learn how to enter into a deeper, more complete, and thoroughly fulfilling contentment with God - as well as a true delight in all that life brings. ### **Encounters with God Daily Bible**

Experiencing God at Home takes a fresh path back into the rich roots of Henry Blackaby's world-renowned Experiencing God writings to connect what happens in our homes to what happens in our churches. Here, his sons Tom and Richard Blackaby first establish the biblical case for the idea of

experiencing God at home, illuminating how the clear foundation for God's work in nations and churches around the world is his work in families. Indeed, healthy families lead to healthy churches, and the Blackabys illustrate that through real-life stories of families that have found ways to experience God in marriage, in choosing life's direction, in rescuing broken relationships, in forgiveness, in the salvation of loved ones, etc. Lessons from the Bible support these moving accounts, and the book concludes with resources that will guide individuals families as well as entire churches toward practically experiencing God at home.

### **28-Day Catalyst**

ABOUT THE BOOK: Nothing is higher on God's agenda for Himself and for His people than worship. To God worship is so vital that to fail to experience genuine worship is fatal. Yet it is possible to go through life thinking we have worshiped without ever having done so. Any study of worship is incomplete without a life-action response. This six-week interactive study presents a process where God brings you face-to-face with His truth, then guides you to an interaction with that truth. This study brings the pastor, staff, church leaders, and congregation to a mutual conviction regarding what worship is as God has revealed it in His Word. The purpose of this study is to help a church corporately come to unity of heart and life in their understanding and experience of God's requirements and standards for worship. Week 1: What God Did in Creation Week 2: Why God Is So Central in Worship Week 3: What Is God's Standard for Acceptable Worship? Week 4: The Lifestyle of a Transformed Worshiper Week 5: Heaven's Pattern for Worship Week 6: What Would Happen if We Returned to Worship? ABOUT THE AUTHORS: Henry Blackaby has spent his life in ministry. He has served as a music director, Christian education director, and senior pastor in churches in California and Canada; his first church assignment was in 1958. Following his local-church ministry, Dr. Blackaby became a Bible college president, a missionary, and an executive in the Southern Baptist Convention. In the early 1990s, Henry Blackaby became one of North America's best-selling Christian authors and committed the rest of his life to helping people know and experience God. Ron Owens has ministered as a worship leader, and through

music, in many areas of the world, teaching, composing, publishing, and recording, along with his wife, Patricia. Their music has been translated into several languages. He was worship and music consultant for the International Mission Board of the Southern Baptist Convention, as well as Associate to Henry Blackaby for ten years. Ron and his wife presently minister in conferences and churches in the United States and abroad, with special emphasis on worship and revival.

### **Dying to Be Me**

The first Christians “turned the world upside down” (Acts 17:6) shaking the gates of hell even in the face of severe persecution. The result: People all around “were filled with wonder and amazement” (Acts 3:10). What can give Christians today the same impact? God’s Holy Spirit is ready to answer that for us in an awesome way, as Henry Blackaby and his son Mel Blackaby make clear in *Experiencing the Spirit*. You’ll see how the proof of the Spirit’s presence is our awareness of God’s personal assignments for us, plus our supernatural enablement to carry out those assignments. You’ll find essential clarification on the difference between natural talents and spiritual gifts. You’ll explore the dynamics of being filled with the Spirit through intimate relationship with Him, committed obedience, and radical departure from sin. Instead of considering what you can do for God with your abilities and talents, you’ll be encouraged here to seek what God wants to do through you supernaturally by His Spirit, empowering you beyond your personal competence and capacities. Release the Holy Spirit’s work at the very core of your experience of the Christian life – as He releases you to serve God as never before.

### **Encouragement for Today**

In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down--overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks--without a trace of cancer in her body! Within these pages, Anita recounts stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. As part of a traditional Hindu family residing in a largely Chinese and British society, Anita had been pushed and pulled by cultural and religious customs since she was a little girl. After years of struggling to forge her own path while trying to meet everyone else's expectations, she had the realization, as a result of her epiphany on

the other side, that she had the power to heal herself . . . and that there are miracles in the Universe that she'd never even imagined. In *Dying to Be Me*, Anita freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being! This is a book that definitely makes the case that we are spiritual beings having a human experience . . . and that we are all One!

### **Experiencing Prayer with Jesus**

An award-winning book from a multimillion selling author, now available in paperback for the first time! Henry Blackaby says, "As important as *Experiencing God* has been to many people, *A God Centered Church* is a necessary sequel. Christians must make the transition from knowing and doing the will of God as individuals to knowing and doing the will of God within a corporate body of believers." Indeed, there is a corporate nature to salvation. God saves individuals but places them in community with one another—a community of believers. God is creating for Himself a people through whom He can accomplish His purposes in our world. *Experiencing God Together* help churches experience the fullness of life as a congregation, a manifest presence of God in their midst, and a love that could only come from above.

### **I Know Why the Caged Bird Sings**

365-day devotional based on the modern classic *Experiencing God* by Henry Blackaby.

### **Experiencing God Day by Day (Chinese)**

In *Experiencing God*, Thomas H. Green, S.J., presents a brief and accessible guide to prayer. Green reminds readers that prayer life is, above all, a relationship with God and a deepening of our experience of God. Fr. Green, who died in 2009, spent a lifetime teaching fellow Christians to pray. *Experiencing God* is a treasury of his best insights. Drawn from lectures given by Fr. Green, *Experiencing God* is now in print for the first time—an appropriate commemoration of the faithful life and work of this beloved teacher and author. Ideally suited to faith sharing groups, parish retreats, and ministry formation workshops.

### **The Experience**

Bible Study Book for the eight-session study by Henry and Richard Blackaby examines seven realities Moses experienced when he encountered God in Exodus and offers principles for modern-day believers to experience God.

### **On Mission With God**

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.
