"Discover a fresh perspective on America's National Parks in a stunning illustrated guide featuring fascinating science, fun trivia, and helpful insider travel tips for all sixty parks. What caused the stone arches in Arches National Park? Why are Yellowstone's geothermal pools such wild colors? How did the Badlands get their name? America's sixty National Parks are some of the most beautiful unique, and biodiverse places on earth, and are visited by millions annually. Home to some of our most treasured species of animals and plants, as well as some of the most striking geological features--like mountains, rock arches, caves, volcanoes, and geysers--the parks are also scientific playgrounds, where visitors can learn about botany, geology, and wildlife first hand. Scenic Science of the National Parks curates and breaks down the most compelling natural science highlights of each park, from volcanic activity, glaciers, and coral reefs to ancient redwood groves, herds of bison, giant bats, and beyond. Highlighting information on the history and notable features of each park, as well as cool insider travel tips vetted by National Park Service park rangers, this book makes a fun addition to any park lover's book collection"--

### Hello, Cape Cod!

A complete guide for everything you need to experience a great Long Weekend in MARSEILLE, a fascinating city that ' s also one of the oldest in France. " I ' ve been wanting to go to Marseille for years but never got around to it (my wife thought always prefers Paris, LOL). Now that we ' ve been for a long weekend to check it out, my wife and I plan to return again within 6 months. She loved it as much as I did. What a town! " ---Tanner D, Fort Lauderdale " The Delaplaine guide books ' cut to the chase. ' You get what you need and don ' t get what you don ' t. " – Wilma K., Seattle Updated throughout the year, this concise guide will save you a lot of time. =LODGINGS, from budget to deluxe = RESTAURANTS, from the finest the area has to offer ranging down to the cheapest (with the highest quality). More

than sufficient listings to make your Long Weekend memorable. =PRINCIPAL ATTRACTIONS -- don't waste your precious time on the lesser ones. We've done all the work for you. =SHOPPING – some interesting out of the way places.

### A Brief History of Eastham

First known as Nauset, Eastham once reached across the eastern half of Cape Cod from Bass River to the tip of what is now Provincetown. The area was home to the Nauset tribe for thousands of years before exploration by Champlain and the Pilgrims, and it is now known as the "Gateway to the Cape Cod National Seashore." Whether it's the U.S. Life-Saving Service and its shipwreck rescues, Cape Cod's oldest windmill or tales of sea captains and rumrunners, Eastham is truly rich in history and tradition. Author Don Wilding wanders back in time through the Outer Cape's back roads, sand dunes and solitary beaches to uncover Eastham's fascinating past.

### The Outer Beach: A Thousand-Mile Walk on Cape Cod's Atlantic Shore

Over 200 stunning color photos provide a unique perspective on life in and around Cape Cod, Massachusetts. The author/photographer presents vistas and places beyond well-known tourist attractions, boats, and lobster buoys to provide a more expansive look of Cape Cod. Enjoy colorful tours of Provincetown, Wellfleet, Provincelands, Nantucket, Orleans, Martha's Vineyard, Brewster, Eastham, Chatham, Harwich, Falmouth, Sandwich, Dennis, and Barnstable; scenic beaches at Cape Cod National Seashore, Dionis, Nauset, Red River, Lighthouse, and Outer Beach, with wildlife refuges, regional wildlife, harbors, lighthouses, lobster shacks, architectural gems, and much more. Everyone who loves life along the seashore will treasure this book

handsome and thorough presentation of the unique atmosphere of the historic New England island. Classic American architecture, interiors, arts and crafts, gardens, and cuisine, within an environment offering unsurpassed natural beauty, contribute to the special quality of life on Nantucket island. Nantucket Style takes the reader on an insider's tour of over twenty-five local residences. The houses range from the exquisitely preserved eighteenth-century mansions that line Main Street to the charmingly rustic cottages that are a hallmark of towns by the sea. Quiet, relaxed, and unspoiled, this former whaling port is a haven for artists and creative individuals whose approach to life results in striking and inviting interiors. Residents find their own personal styles within the context of the traditional New England buildings that dot the island landscape. Their design solutions are adaptable and appropriate for use by anyone whose home is a preserve of fine living.

Homes in traditional Saltbox and Cape Cod styles are being built all over America because the designs embody a practical and unassuming charm. Here are examples of old traditional styles and newer adaptations portrayed in over 270 color photos. The uncomplicated, sensible two-story floor plans of both of these New England types have endeared them to home builders since the 1600s, and with few adaptations they are perfectly suited to the modern tastes.

## A Sense of Place

California Travel Dreaming takes travellers along California's vast length, from its sunny beaches and rocky outposts, to redwood forests and arid deserts. With this guide, find the very best places to visit in famed regions such as Silicon Valley, birthplace of the internet, and San Francisco, where you can leave your heart and view the iconic Golden Gate Bridge. There's also Hollywood's glamour mecca to the south, the Sierra Nevada Mountains and beautiful Yosemite National Park in the east, the vast Mojave Desert, the rich and charming small towns of Central Valley, and acclaimed wine regions, and it's all within one US state. California Travel Dreaming shows you just how to make the most of this state's jaw-dropping scenery, robust food culture and of course, its relaxed signature vibe.

Cape experiences, this cheerful workbook will have them writing and drawing all the sights they take in on your trip. Story paper pages offer a space for a picture and special handwriting-friendly lines, where each measured space consists of two lines (top and bottom) .65" apart and a dotted line in the center. Those are followed by simple blank cartoon strips to illustrate each experience. There are simple coloring pages, too, as well as a word jumbles, word searches, and more. Included: coloring pages story paper cartooning strips (2 varieties) word jumbles and searches and more! Keep little hands busy without electronic devices, and let their imaginations soar this summer.

### The Outer Lands: A Natural History Guide to Cape Cod, Martha's Vineyard, Nantucket, Block Island, and Long Island

The region's first paddling guide explores the rivers, marshes, ponds and shoreline of Cape Cod. A paddling guide designed for canoeists and kayakers who want to explore the Cape's rivers, marshes, and shoreline and learn about the region's natural history. Paddling the Cape's waterways is the best way to see its wildlife and to understand the ever-changing forces of sand, tide, and wind that define this land- and it's a perfect way to escape the crowds. The authors are experienced paddlers who own a canoe and kayak touring business. Full of natural history, this guide also has practical details, like where and when to go; tides, currents, and safety considerations; and information about where boats can be rented. This guide is endorsed by Cape Cod Museum of Natural History. Black-and-white photographs throughout; 41 maps

### Explorer's Guide Hawaii

generation Cape Codder. Readers are taken from one end of Cape Cod to the other, following succinct, clear directions, and provided with engaging information about each site along the way. There are many well-known attractions listed here; there are also many lesser recognized spots that only "locals" would truly know and treasure. Popular beaches, historic homes, and lighthouses from Sandwich, around the Cape via Provincetown, Chatham, Falmouth, and back to Bourne are only part of what makes up Cape Cod, and this trip. This book goes deeper into the soul of Cape Cod. It will leave the reader and visitor feeling as if they are one with the land much as the author does. With all of the locations listed in geographical order, it is possible to walk, bike, and drive the Cape, seeing everything conveniently and simply"--Page 4 of cover.

### Scenic Science of the National Parks

Alarmingly independent, ravishingly beautiful, and surprisingly cosmopolitan, Provincetown already figures in dozens of guide books. But *Building Provincetown*, which uses architecture to tell social and cultural history, is the most comprehensive yet. More than 1,200 pictures and 650 entries cover everything from the largest national landmarks to the smallest dune shacks -- with three dozen boats in the bargain. Street by street, *Building Provincetown* takes you under the snug eaves of stout Cape cottages and behind elegant Greek Revival and Queen Anne-style doorways. You'll meet Portuguese fishermen and Yankee whalers, Abstract Expressionists and AIDS activists, early gay pioneers and latter-day buccaneers, drag queens, literary lions, Bohemians, Knights of Columbus, a few town criers, a lot of poets, plus shipwrights, sculptors, and an 87-year-old Avon lady. Working with town residents, David W. Dunlap, who has covered historic preservation for *The New York Times* since 1981, gathered images and stories that have never before been presented in one place. If you don't know Provincetown, this is an ideal introduction. If you think you

# Read PDF Explorers Guide Cape Cod Marthas Vineyard Nantucket Explorers Complete

already know Provincetown, you're in for a few happy surprises.

## Cape Cod & the Islands Reflections

Even before the Pilgrims landed in 1620, Cape Cod and its islands promised paradise to visitors, both native and European. In Paul Schneider's sure hands, the story of this waterland created by glaciers and refined by storms and tides -- and of its varied inhabitants -- becomes an irresistible biography of a place. Cape Cod's Great Beach, Martha's Vineyard, and Nantucket are romantic stops on Schneider's roughly chronological human and natural history. His book is a lucid and compelling collage of seaside ecology, Indians and colonists, religion and revolution, shipwrecks and hurricanes, whalers and vengeful sperm whales, glorious clipper ships and today's beautiful but threatened beaches. Schneider's superb eye for story and detail illuminates both history and landscape. A wonderful introduction, it will also appeal to the millions of people who already have warm associations with these magical places.

## Hello, Boston!

Whether you 're looking for boisterous nightlife or a quiet retreat, drive-ins or professional theater, Cape Cod and the islands offer them all. Some of the greatest vacation delights in the U.S. are waiting for you right here. Kim Grant, a 25-year veteran travel writer, has combed the Cape and islands yet again to research the ninth edition of this perennially popular guide. She provides readers with the best of the best: selective, up-to-date recommendations for lodgings of every stripe; hundreds of dining reviews covering everything from clam shacks to four-star

# Read PDF Explorers Guide Cape Cod Marthas Vineyard Nantucket Explorers Complete

restaurants; daylong itineraries for every pursuit; and much more. Follow Grant 's lead to find nature preserves, bike trails, beaches, lighthouses, antiques shops, local artisans, summer theatre, and nightlife—whatever your taste, budget, time frame, or interest, she never steers you wrong. This opinion- and information-packed guide also includes up-to-date maps and an alphabetical “ What 's Where ” subject guide to help you plan your trip. Handy icons point out places that offer extra value, are family-friendly, welcome pets, provide free wifi, and are open year-round. The popular and eminently useful “ A Perfect Day ” feature offers ideas about how to spend your time, hour by hour, so you won 't miss the best opportunities. Whether you 're looking for a quiet retreat or boisterous nightlife, bird-watching or whale-watching, ocean beaches or kettle ponds, drive-ins or professional theater, the Cape and islands offer them all. And the very best resource available to guide you is the tried-and-true Explorer 's Guide Cape Cod, Martha 's Vineyard & Nantucket. Most readers come to think of it as a trusted friend.

## Cape Cod Wide

Ahead of the 400th anniversary of the first Thanksgiving, a new look at the Plymouth colony's founding events, told for the first time with Wampanoag people at the heart of the story. In March 1621, when Plymouth's survival was hanging in the balance, the Wampanoag sachem (or chief), Ousamequin (Massasoit), and Plymouth's governor, John Carver, declared their people's friendship for each other and a commitment to mutual defense. Later that autumn, the English gathered their first successful harvest and lifted the specter of starvation. Ousamequin and 90 of his men then visited Plymouth for the “ First Thanksgiving. ” The treaty remained operative until King Philip's War in 1675, when 50 years of uneasy peace between the two parties would come to an end. 400 years after that famous meal, historian David J. Silverman sheds profound new light on the events

## Read PDF Explorers Guide Cape Cod Marthas Vineyard Nantucket Explorers Complete

that led to the creation, and bloody dissolution, of this alliance. Focusing on the Wampanoag Indians, Silverman deepens the narrative to consider tensions that developed well before 1620 and lasted long after the devastating war--tracing the Wampanoags' ongoing struggle for self-determination up to this very day. This unsettling history reveals why some modern Native people hold a Day of Mourning on Thanksgiving, a holiday which celebrates a myth of colonialism and white proprietorship of the United States. This Land is Their Land shows that it is time to rethink how we, as a pluralistic nation, tell the history of Thanksgiving.

### Explorer's Guide Cape Cod, Martha's Vineyard & Nantucket (Tenth)

The Cape and Islands--Cape Cod, Martha's Vineyard, and Nantucket--provide some of the best walking and hiking in coastal New England. There is a great variety of terrain and scenery, from the crashing Atlantic Ocean to pristine kettle ponds, from densely wooded tracts to open expanses of salt marsh, and from sandy shorelines to wildflower-carpeted grasslands. Walking the Cape and Islands is the first comprehensive guide to the area's best walking and hiking trails. It includes: 72 walks ranging in length from 0.4 miles to 11.2 miles and in difficulty from easy to difficult; for each walk, a complete route description, driving directions to the trailhead, and a detailed, easy-to-read map; at-a-glance Info providing essential information such as distance, difficulty, time to walk, trail surface, and more; trail-use data showing whether bicycles, dogs, or hunting are allowed on the described route; and health stats showing the number of steps and estimated calories burned. Although designed primarily for walkers and hikers, this book will also appeal to joggers and mountain bicyclists. The book is illustrated with photographs by the author, a professional photographer.

## Saltbox and Cape Cod Houses

A poignant, candid chronicle of a beloved nature writer's fifty-year relationship with an iconic American landscape. Those who have encountered Cape Cod—or merely dipped into an account of its rich history—know that it is a singular place. Robert Finch writes of its beaches: “No other place I know sears the heart with such a constant juxtaposition of pleasure and pain, of beauty being born and destroyed in the same moment.” And nowhere within its borders is this truth more vivid and dramatic than along the forty miles of Atlantic coast—what Finch has always known as the Outer Beach. The essays here represent nearly fifty years and a cumulative thousand miles of walking along the storied edge of the Cape's legendary arm. Finch considers evidence of nature's fury: shipwrecks, beached whales, towering natural edifices, ferocious seaside blizzards. And he ponders everyday human interactions conducted in its environment with equal curiosity, wit, and insight: taking a weeks-old puppy for his first beach walk; engaging in a nocturnal dance with one of the Cape's fabled lighthouses; stumbling, unexpectedly, upon nude sunbathers; or even encountering out-of-towners hoping an Uber will fetch them from the other side of a remote dune field. Throughout these essays, Finch pays tribute to the Outer Beach's impressive literary legacy, meditates on its often-tragic history, and explores the strange, mutable nature of time near the ocean. But lurking behind every experience and observation—both pivotal and quotidian—is the essential question that the beach beckons every one of its pilgrims to confront: How do we accept our brief existence here, caught between overwhelming beauty and merciless indifference? Finch's affable voice, attentive eye, and stirring prose will be cherished by the Cape's staunch lifers and erstwhile visitors alike, and strike a resounding chord with anyone who has been left breathless by the majestic, unrelenting beauty of the shore.

## Nantucket (11th Edition) (Explorer's Complete)

A richly illustrated full-color guide to the unique plants, wildlife, and environments of Cape Cod and the other nearby "Outer Lands" This essential guidebook presents the most abundantly illustrated and fascinating account of the natural history of Cape Cod, its nearby islands, Block Island, the western coast of Rhode Island, and southeastern Long Island ever published. Exploring the ecology and most common plants and animals of the various regional environments-- beaches, dunes, salt marshes, heathlands, and coastal forests-- the book also encompasses marine mammals, sea turtles, and fish offshore. Lavishly illustrated with images, maps, and photographs, the guide introduces readers to more than six hundred species of plants and animals of the region, including major whale and seal species. The book also provides a concise guide to the ecological history of the "Outer Lands," the glacial geology of the region, and Cape Cod's major environmental challenges, from climate change and sea level rise to the loss of wild habitats due to development. For nature-loving local residents and visitors alike, this essential book will be a well-loved resource.

A New York Times Editor ' s Choice "This book is an original achievement, the kind of history that chastens our historical memory as it makes us wiser." —David W. Blight Finalist for the Pulitzer Prize Widely hailed as a “ powerfully written ” history about America ' s

# Read PDF Explorers Guide Cape Cod Marthas Vineyard Nantucket Explorers Complete

beginnings (Annette Gordon-Reed), *New England Bound* fundamentally changes the story of America's seventeenth-century origins. Building on the works of giants like Bernard Bailyn and Edmund S. Morgan, Wendy Warren has not only "mastered that scholarship" but has now rendered it in "an original way, and deepened the story" (New York Times Book Review). While earlier histories of slavery largely confine themselves to the South, Warren's "panoptical exploration" (Christian Science Monitor) links the growth of the northern colonies to the slave trade and examines the complicity of New England's leading families, demonstrating how the region's economy derived its vitality from the slave trading ships coursing through its ports. And even while *New England Bound* explains the way in which the Atlantic slave trade drove the colonization of New England, it also brings to light, in many cases for the first time ever, the lives of the thousands of reluctant Indian and African slaves who found themselves forced into the project of building that city on a hill. We encounter enslaved Africans working side jobs as con artists, enslaved Indians who protested their banishment to sugar islands, enslaved Africans who set fire to their owners' homes and goods, and enslaved Africans who saved their owners' lives. In Warren's meticulous, compelling, and hard-won recovery of such forgotten lives, the true variety of chattel slavery in the Americas comes to light, and *New England Bound* becomes the new standard for understanding colonial America.

## This Land Is Their Land

Hutker Architects, led by founding principal Mark Hutker, has designed more than 300 houses along the New England shore. In their design and construction, these houses honor the vernacular traditions of craft and indigenous materials and are deeply respectful of the beauty of the landscape. As architects, the firm is committed to the principle "Build once well," looking to the historic architecture of the region as inspiration for contemporary design. The result is an architecture that is at once highly contemporary and yet enduring, efficient, inevitable, and appropriate. Fifteen houses are presented here, each offering a unique and satisfying solution to building on the beautiful but fragile landscape of bluffs and dunes that lines the shores of Martha's Vineyard and Cape Cod.

## A Guide to the Common Birds of Cape Cod

Some of the greatest vacation delights in the U.S. are waiting for you on the Cape. Whether you ' re looking for a quiet retreat or boisterous nightlife, bird-watching or whale-watching, ocean beaches or kettle ponds, drive-ins or professional theater, Cape Cod and the islands offer all that and more. The very best resource available to guide you through the riches of this fabled place is the tried-and-true Explorer ' s Guide Cape Cod, Martha ' s Vineyard & Nantucket, now in its 10th

edition.

## Explorer's Guide - Cape Cod

Experience the very best of New England's premier vacation destination. The most detailed and trusted guide to Cape Cod and its surrounding vacation sites has been revamped for its 12th edition. Explorer's Guide Cape Cod, Martha's Vineyard & Nantucket offers helpful and organized information on all the natural beauty and entertaining attractions the Cape and its islands have to offer--no matter your taste or budget. Read hundreds of dining reviews ranging from America's best clam shacks to elegant four-star bistros. Plan an unforgettable whale-watching excursion, satisfy your nostalgia at an old drive-in theater, or simply find the perfect beachside spot to enjoy that local Cabernet. Each section features must-see sites and curated day-trip itineraries to surpass the hopes of any Cape journey. Whether you're interested in a serene retreat, an outdoor adventure, or local culture, the Explorer's Guide series is unparalleled in its tradition of giving travelers the tools and information they need to discover every corner of their next destination.
