Insiders' Guide to Savannah and Hilton Head

A treasury of trails that takes you to the best wild places in the Garden State Known more for its urban areas than its green spaces, the Garden State is actually a crossroads for major interstate trails including the Maine-to-Georgia Appalachian Trail, the 150-mile Highlands Trail, and the 60-mile Delaware and Raritan Canal State Park Trail. Hike along the Appalachian ridge or over the ragged Wyanokies, pass into pine barrens or through marshes and dunes on the coast, and you ' ll see that New Jersey has so much more to offer than just cities. These 50 routes cover walks, hikes, and backpacking trips from the Kittatinnies to Cape May. With excursions from 1.5 to 28 miles in length, accompanied by driving directions, trailhead information, difficulty ratings, and detailed maps, this roster of hikes will suit everyone from families out for a nature walk to adventurous backpackers up for challenge.

Official Export Guide

A story about the trials and triumphs of a Black chef from Queens, New York, and a White media entrepreneur from Staten Island who built a relationship and a restaurant in the Deep South, hoping to bridge biases and get people talking about race, gender, class, and culture. “ Black, White, and The Grey blew me away. ” —David Chang In this dual memoir, Mashama Bailey and John O. Morisano take turns telling how they went from tentative business partners to dear friends while turning a dilapidated formerly segregated Greyhound bus station into The Grey, now one of the most celebrated restaurants in the country. Recounting the trying process of building their restaurant business, they examine their most painful and joyous times, revealing how they came to understand their differences, recognize their biases, and continuously challenge themselves and each other to be better. Through it all, Bailey and Morisano display the

Awkwafina's NYC

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

The Charleston, Savannah & Coastal Islands Book

The World of the Salt Marsh is a wide-ranging exploration of the southeastern coast—its natural history, its people and their way of life, and the historic and ongoing threats to its ecological survival. Focusing on areas from Cape Hatteras, North Carolina, to Cape Canaveral, Florida, Charles Seabrook examines the ecological importance of the salt marsh, calling it “ a biological factory without equal. ” Twice-daily tides carry in a supply of nutrients that nourish vast meadows of spartina (*Spartina alterniflora*)—a crucial habitat for creatures ranging from tiny marine invertebrates to wading birds. The meadows provide vital nurseries for 80 percent of the seafood species, including oysters, crabs, shrimp, and a variety of finfish, and they are invaluable for storm protection, erosion prevention, and pollution filtration. Seabrook is also concerned with the plight of the people who make their living from the coast ’ s bounty and who carry on its unique culture. Among them are Charlie Phillips, a fishmonger whose livelihood is threatened by development in McIntosh County, Georgia, and Vera Manigault of Mount Pleasant, South Carolina, a basket maker of Gullah-Geechee descent, who says that the sweetgrass needed to make her culturally significant wares is becoming scarcer. For all of the biodiversity and cultural history of the salt marshes, many still view them as vast wastelands to be drained, diked, or “ improved ” for development into highways and subdivisions. If people can better understand and appreciate these ecosystems, Seabrook contends, they are more likely to join the growing chorus of scientists, conservationists, fishermen, and coastal visitors and residents calling for protection of these truly amazing places.

Memoirs of My Life

New York Times Bestseller: The “ miraculous ” memoir of an inspiring teacher and the students who changed his life on an impoverished South Carolina island (Newsweek). Though the children of Yamacraw Island live less than two miles from the southern mainland, they can ’ t name the US president or the ocean that surrounds them. Most can ’ t read or write. Many of the students are the descendants of slaves, handicapped by poverty and isolation. When Pat Conroy arrives, an eager young teacher at the height of the civil rights movement, he finds a community still bound by the bitter effects of racism, but he is determined to broaden its members ’ horizons and give them a voice. In this poignant memoir, which Newsweek called “ an experience of joy, ” the New York Times – bestselling author of *The Prince of Tides* plumbs his experiences as a young teacher on an isolated South Carolina island to reveal the shocking inequalities of the American education system.

Explorer's Guide Charleston, Savannah & Coastal Islands: A Great Destination (Eighth Edition)

"Discover a fresh perspective on America's National Parks in a stunning illustrated guide featuring fascinating science, fun trivia, and helpful insider travel tips for all sixty parks. What caused the stone arches in Arches National Park? Why are Yellowstone's geothermal pools such wild colors? How did the Badlands get their name? America's sixty National Parks are some of the most beautiful unique, and biodiverse places on earth, and are visited by millions annually. Home to some of our most treasured species of animals and plants, as well as some of the most striking geological features--like mountains, rock arches, caves, volcanoes, and geysers--the parks are also scientific playgrounds, where visitors can learn about botany, geology, and wildlife first hand. Scenic Science of the National Parks curates and breaks down the most compelling natural science highlights of each park, from volcanic activity, glaciers, and coral reefs to ancient redwood groves, herds of bison, giant bats, and beyond. Highlighting information on the history and notable features of each park, as well as cool insider travel tips vetted by National Park Service park rangers, this book makes a fun addition to any park lover's book collection"--

A rich mosaic of diary entries and letters from Marilyn Monroe, Cesar Chavez, Susan Sontag, Albert Einstein, and many more, this is the story of Los Angeles as told by locals, transplants, and some just passing through. The City of Angels has played a distinct role in the hearts, minds, and imaginations of millions of people, who see it as the ultimate symbol of the American Dream. David Kipen, a cultural historian and avid scholar of Los Angeles, has scoured libraries, archives, and private estates to assemble a kaleidoscopic view of a truly unique city. From the Spanish missionary expeditions in the early 1500s to the Golden Age of Hollywood to the strange new world of social media, this collection is a slice of life in L.A. through the years. The pieces are arranged by date? January 1st to December 31st? featuring selections from different decades and centuries. What emerges is a vivid tapestry of insights, personal discoveries, and wry observations that together distill the essence of the city.

Backroads & Byways of Georgia (First Edition) (Backroads & Byways)

#1 NATIONAL BESTSELLER NOW A MAJOR MOTION PICTURE At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother ' s death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her. Oprah's Book Club 2.0 selection: This special eBook edition of Cheryl Strayed ' s national best seller, Wild, features exclusive content, including Oprah ' s personal notes highlighted within the text, and a reading group guide. One of the Best Books of the Year: NPR, The Boston Globe, Entertainment Weekly, Vogue, St. Louis Dispatch
