The investigative biography of Michael Jackson's final years:

"A tale of family, fame, lost childhood, and startling accusations never heard before" (ABC Nightline). When Michael Jackson died on June 25, 2009, millions of fans around the world were shocked. But the outpouring of emotion that followed his loss was bittersweet. Dogged by scandal for years and undone by financial mismanagement, Jackson had become untouchable in many quarters.

Untouchable pulls back the curtain Jackson's public person to introduce a man who, despite his immense fame, spent his entire life utterly alone; who, in the wake of a criminal trial that left him briefly hospitalized, abandoned Neverland to wander the globe before making one final—and fatal—attempt to recover his wealth and reputation. The Jackson that emerges in these pages is both naïve and cunning, a devoted father whose parenting became an international scandal, a shrewd businessman whose failures nearly brought down a megacorporation, and an inveterate narcissist who craved a quiet, normal life. Randall Sullivan delivers never-before-reported information about Jackson's business dealings, his relationship with his family, and the pedophilia allegations that derailed his life and mar his legacy today, as well as the suspicious nature of his death. Based on exclusive access to Jackson's inner circle, Untouchable is an intimate, unflinching portrait of the man who continues to reign as the King of Pop. "A dishy Michael Jackson biography that makes

again.” —People

## **Any Ever**

Nice Bike is a collection of stories based on making meaningful connections with others in both your work and in your life. It's about being a part of a community, knowing that contributions matter and experiencing a greater affiliation with others. The premise begins at the 2003 Harley-Davidson Motorcycle company's 100 year anniversary celebration. Thousands and thousands of bikers throughout the world attended the event. As a Harley owner stood proudly by his bike at that event, what two words from a passerby would have made their weekend? “Nice Bike.” “Nice Bike” is more than a casual compliment. It's the engine that is fueled with the three actions of acknowledging, honoring and connecting with others. Nice Bike can help you with your daily interactions, create more meaningful relationships and add more joy in your journey on the road of life. When you have a better understanding of how to make meaningful connections, you can live a life filled with a greater sense of self worth and accomplishment in your work and in your life. Acknowledge, honor, and connect and you will change the world, one person at a time.

## **Mermaids - Calm Ocean Coloring Collection**

Evolution and Conversion explores the main tenets of René Girard's thought in a series of dialogues. Here, Girard reflects on the evolution of his thought and offers striking new insights on topics such as violence, religion, desire and literature. His long argument is a historical one in which the origin of culture

and religion is reunited in the contemporary world by means of a reinterpretation of Christianity and an understanding of the intrinsically violent nature of human beings. He also offers provocative re-readings of Biblical and literary texts and responds to statements by Daniel Dennett and Richard Dawkins. Including an introduction by the authors, this is a revealing text by one of the most original thinkers of our time.

## **The Charisma Code**

Relax and find peace as you color beautiful fairies in this enchanting coloring book by bestselling coloring designer, Selina Fenech. You'll love spending hours of peace and calm bringing these artworks to life with color. Selina Fenech has been a world renown fantasy artist for over fifteen years, and has carefully illustrated these coloring designs herself based on her original fantasy paintings. Buy Now, and experience peace through the childlike wonder and magic of coloring. Scroll to the top of the page and click the Add to Cart button.

## **First Book for the Guitar**

## **Violence Unveiled**

“What [Trecartin] has unleashed is larger than himself, which is why both his sudden appearance and continuing evolution are such cause for hope.”—Roberta Smith, *New York Times*  
“The most consequential artist to have emerged since the nineteen-eighties, he is being hailed as the magus of the Internet century.”—Peter Schjeldahl, *The New Yorker* Since the debut of his first feature-length video, the 2004 *A Family Finds Entertainment*, Ryan Trecartin (b. 1981) has been

hailed as one of the most exciting artists of his generation. His movies layer the visual and the aural in virtuosic combinations of color, form, drama, and montage to produce a sublime, stream-of-consciousness effect that feels bewilderingly true to life. This volume, the first monograph on Trecartin, includes extended illustrated sections on his seven-part epic *Any Ever*, 2009–10, as well as *I-Be Area*, 2007, and *A Family Finds Entertainment*. A trio of essays by curators Lauren Cornell, Kevin McGarry, and Linda Norden focus on Trecartin's repurposing of language, his open-source approach to personality and gender, and his extended amplifications of consumer culture. An interview with Trecartin by artist Cindy Sherman provides a revealing glimpse into his collaborative process.

## **Evolution and Conversion**

In this, the first book-length study of Cooper's life and work, Diarmuid Hester shows that such comparisons hardly scratch the surface. A lively retrospective appraisal of Cooper's fifty-year career, *Wrong* tracks the emergence of Cooper's singular style alongside his participation in a number of American subcultural movements like New York School poetry, punk rock, and radical queercore music and zines.

## **The Potty Fairy**

An account of the exploits of Joe Hunt and his organization tells of millions won and lost, cold-blooded murder, unquestioned loyalty to an amoral leader, and clever circumventing of the legal system

We live in a world where the drive for economic growth is crowding out everything that can't be given a monetary value. We're stuck on a treadmill where only the material things in life gain traction and it's getting harder to find space for the things that really matter but money can't buy, including our future. Fiona Reynolds proposes a solution that is at once radical and simple – to inspire us through the beauty of the world around us. Delving into our past, examining landscapes, nature, farming and urbanisation, she shows how ideas about beauty have arisen and evolved, been shaped by public policy, been knocked back and inched forward until they arrived lost in the economically-driven spirit of today. A passionate, polemical call to arms, *The Fight for Beauty* presents an alternative path forward: one that, if adopted, could take us all to a better future.

### **Old Moore's Almanack**

The Charisma Code is a hand- book for living and communicating in this new world. While we know the next big innovations will spring from global culture, it's not always clear how to join this planet-without-borders conversation. Robin Sol Lieberman's 3-step process-laid out in *The Charisma Code*- teaches you how to connect and collaborate with anyone, anywhere by speaking charisma's language beyond words. Whether you're an emerging global leader, a volunteer for human rights, or simply a world traveller who doesn't understand the native tongue, these step.

### **Lucid Dreaming, Plain and Simple**

A guide to career options for students who want to learn more about their future career prospects. With over 500 different

job profiles, from catering and construction to nursing and engineering, 'Careers 2016' provides detailed facts and stats about each job.

## Theme Park Design

"Edgy, erotic, and breathtaking." --Maya Banks, New York Times bestselling author *Man On A Mission* When Lara Kirk was abducted months ago, Miles Davenport vowed he'd bring her home. But the mission failed. Now, finding her after all this time will be next to impossible. . . Lara Kirk lives in a shadowy world where reality and fantasy are blurred.

Enslaved by her captors, Lara has formed a deep attachment to a man she's not even sure is real--until the six-foot-five-inch powerhouse bursts in to rescue her. . . Once freed, Lara has no choice but to trust Miles with her life as they run from enemies too twisted to imagine. But they're also fighting a dangerous attraction that could kill--or save--them both. Either way, it's going to be a hell of a ride. . . Praise for the Novels of Shannon McKenna. . . "McKenna tantalizes the reader."

--Publishers Weekly "McKenna blasts readers with a highly charged, action-adventure romance." --Booklist "An erotic romance in a suspense vehicle on overdrive. . .sizzles!" --RT Book Reviews

## **Mythical Mermaids - Fantasy Adult Coloring Book**

(Guitar Method). A beginner's manual to the classical guitar. Uses a systematic approach using the interesting solo and duet music written by Noad, one of the world's foremost guitar educators. No musical knowledge is necessary. Student can progress by simple stages. Many of the exercises are designed for a teacher to play with the students. Will increase student's enthusiasm, therefore increasing the desire to take lessons.

## **The Price of Experience**

"There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation]."  
--Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an

exhaustive commentary nor a work of historical-exegetical analysis, Apocalypse is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. "Architecture in movement" is the key to understanding Revelation's puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul's thorough engagement with Revelation.

## **Fatal Strike**

## **Enchanted Fairies Coloring Book**

When school's out, Emma Rose becomes Queen of the Runway--whipping up cutting-edge designs. After Emma is discovered by a well-known fashionista, the pseudonym Allegra Biscotti is born. Potty training time is a celebration for these fun-loving fairies and they will help you make this time exciting and fun. This magical, fun story can be brought to life for your child by visiting our website for enhancement and enrichment activities and products.

## The Department of Curiosities

Explore your inner goddess and discover peace and power through coloring with this goddess and mythology inspired coloring book by Selina Fenech. This coloring book features 25 goddesses, gods, and female characters from many world mythologies, ready to be brought to life with color! This book includes TWO full sets of the 25 artworks, for a total of 50 pages to color in. Page size is 8.5x11 inches, letter size. Images on one side only for easy removal and display. Images are framed within the page, not full bleed. These intricate designs are suitable for adults and experienced colorists. Parental discretion advised for younger artists as some artworks contain artistic/concealed nudity and sensual goddess imagery. Goddesses from all over the world, including Antheia, Aphrodite, Arianrhod, Athena, Blodeuwedd, Ceridwen, Coventina, Diana, Echo, Fidelma, Gaia, Guanyin, Horned God and Goddess, Ishtar, Isis, Lady of the Lake, Morrigan Triple Goddess, Nuwa, Oshun, Rhiannon, Selene, Shiva and Parvati, Tempestas, Valkyrie, Wiccan god and goddess. From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of

meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.

## **Allegra Biscotti Collection**

If you like the Parasol Protectorate or the Invisible Library series, you'll love this gaslamp fantasy-a rambunctious romantic romp that will have you both laughing out loud and wishing you owned all of Miss Haltwhistle's armaments.

Easy, simple coloring designs. More cute than creepy, suitable for all ages.

## **Untouchable**

As sightings of the Virgin Mary have increased around the world over the last couple of decades, the Vatican has placed increased importance on a group of theologians, scientists and physicians whose job is to investigate them. These are the miracle detectives. Randall Sullivan's book follows these investigators on the trail of the Virgin Mary from the Vatican City in Rome to Oregon, Arizona, Venezuela, Switzerland, Ireland, Japan and Kenya. What he discovers is that every road and each mystery leads back to a tiny village in Bosnia. There, against the background of the ongoing war, eight young visionaries have been receiving what they say are the final apparitions of the Madonna. These appearances, which began in 1981 in a small village in the former Yugoslavia, have been more thoroughly examined than any purported miraculous phenomenon in history. To date, the results defy explanation. This is an amazing story of religious mysticism, as well as a testing of the author's own faith and beliefs.

## **Night Magic - Gothic and Halloween Coloring Book**

The arrangement of these Selected Poems demonstrates the

consistency of Christopher Logue's vision as it matured through a varied career. He published his first books in the early 1950s, in Paris, where he was associated with Alexander Trocchi, Samuel Beckett and Maurice Girodias. Returning to London in time for the sixties, he wrote plays and a musical for the Royal Court, began the vogue for public poetry readings, recorded *Red Bird*, the most successful British poetry/jazz disc, and invented the poster poem. He published his poems in many forms, including - again his own invention - *New Numbers*, a constantly changing collage, which appears here in its final form. The selection culminates in an early treatment of a passage from his version of Homer's *Iliad* - 'the best . . . since Pope's' (*New York Review of Books*) - and it illustrates Logue's belief in the power of poetry as a social force - dissident, sensual and humorous. *Selected Poems* gives the reader a proper idea of Christopher Logue's lyrical gifts, as well as his irrepressible outspokenness and sense of artistic adventure. It contains fine poems which have been out of print for too long and others now regarded as classics.

## **The Miracle Detective**

From first-time novelist Jordan Sonnenblick, a brave and beautiful story that will make readers laugh and break their hearts at the same time. Thirteen-year-old Steven has a totally normal life: he plays drums in the All-Star Jazz band, has a crush on the hottest girl in the school, and is constantly annoyed by his five-year-old brother, Jeffrey. But when Jeffrey is diagnosed with leukemia, Steven's world is turned upside down. He is forced to deal with his brother's illness and his parents' attempts to keep the family in one piece. Salted with humor and peppered with devastating realities,

DRUMS, GIRLS, AND DANGEROUS PIE is a heartwarming journey through a year in the life of a family in crisis.

## **Fairy Magic - Whimsical Fantasy Coloring Book**

When Miss Matilda Meriwether finds employment in The Department of Curiosities, she has the perfect opportunity to uncover what she has been searching for. But the Queen has other plans for her. The Department of Curiosities is a steampunk tale of adventure, a heroine, mad scientists, traitors and secrets. All for the Good of the Empire.

## **Michael Jackson Was My Lover**

Former Prime Minister and the country's longest-serving Chancellor, Gordon Brown has been a guiding force for Britain and the world over three decades. This is his candid, poignant and deeply relevant story. In describing his upbringing in Scotland as the son of a minister, the near loss of his eyesight as a student and the death of his daughter within days of her birth, he shares the passionately-held principles that have shaped and driven him, reminding us that politics can and should be a calling to serve. Reflecting on the personal and ideological tensions within Labour and its successes and failures in power, he describes how to meet the challenge of pursuing a radical agenda within a credible party of government. He explains how as Chancellor he equipped Britain for a globalised economy while swimming against the neoliberal tide and shows what more must be done to halt rising inequality. In his behind-the-scenes account of the financial crisis and his leading role in saving the world economy from collapse, he addresses the question of who was to blame for the crash and why its causes and

consequences still beset us. From the invasion of Iraq to the tragedy of Afghanistan, from the coalition negotiations of 2010 to the referendums on Scottish independence and Europe, Gordon Brown draws on his unique experiences to explain Britain's current fractured condition. And by showing us what progressive politics has achieved in recent decades, he inspires us with a vision of what it might yet achieve today. Riveting, expert and highly personal, this historic memoir is an invaluable insight into our times.

## **Selected Poems of Christopher Logue**

Why do humans have such diverse cultures and ways of life? Michael Carrithers presents an original and powerful answer to this central problem of anthropology, arguing that it is the ways in which people interact, rather than technological advances, that have been of crucial importance in human history. Lucid and thought-provoking, he draws both on ancient and contemporary examples to show how this perspective forms a firm foundation for the study of culture, society, and history.

## **Drums, Girls, and Dangerous Pie**

Shows how the system of sacred violence at the heart of the conventional culture is being undermined by the biblical tradition, especially the Gospel.

## **Wrong**

In this lively series of conversations with writer Michel Treguer, René Girard revisits the major concepts of mimetic theory and explores science, democracy, and the nature of

God and freedom. Girard affirms that “our unprecedented present is incomprehensible without Christianity.”

Globalization has unified the world, yet civil war and terrorism persist despite free trade and economic growth. Because of mimetic desire and the rivalry it generates, asserts Girard, “whether we’re talking about marriage, friendship, professional relationships, issues with neighbors or matters of national unity, human relations are always under threat.”

Literary masters including Marivaux, Dostoevsky, and Joyce understood this, as did archaic religion, which warded off violence with blood sacrifice. Christianity brought a new understanding of sacrifice, giving rise not only to modern rationality and science but also to a fragile system that is, in Girard’s words, “always teetering between a new golden age and a destructive apocalypse.” Treguer, a skeptic of mimetic theory, wonders: “Is what he’s telling me true or is it just a nice story, a way of looking at things?” In response, Girard makes a compelling case for his theory.

## **Apocalypse**

Aimed at beginners, *Lucid Dreaming, Plain and Simple* shows the reader how to enter and fully experience the lucid dreaming. Among the amazing things Waggoner and McCready teach readers are how to: consciously decide what actions to perform explore dream space (or the contents of your subconscious) interact with dream figures conduct personal and scientific experiments be free of waking state limitations (e.g., flying, walking through walls, and discovering creative solutions to waking issues) This book approaches lucid dreaming from a more cognitive psychology stance, and focuses more on how to lucid dream and how to use lucid dream techniques for personal growth, insight and

transformation. Whether a reader is completely new to lucid dreaming or someone who has experienced that incredible moment of realizing, "This is a dream!", readers will learn valuable tips and techniques gleaned from scientific research and decades of experience to explore this unique state of awareness more deeply.
