### Fervent Prayer Journal: With 200 Inspirational Scriptures and Quotes

You have an enemy . . . and he's dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What's more, his approach to disrupting your life and discrediting your faith isn't general or generic, not a one-size-fits-all. It's specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Because with every new strategy you build, you're turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God's Spirit. New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film War Room into the real lives of today's women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy's cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis. Fervent is a hands-on, knees-down, don't-give-up action guide to practical, purposeful praying.

### Breaking Anxiety's Grip

Thirty years in the making, Audacious is a deep dive into the message that has compelled Beth Moore to serve women around the globe. Glancing over the years of ministry behind her and strengthening her resolve to the call before her, she came to the realization that her vision for women was incomplete. It lacked something they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose. What was missing? Well, let's just say, it's audacious and it's for all of us. And it's the path to the life you were born to live.

### Prayer Works

Ours is an age of anxiety. We worry about our children, jobs, homes, health, and finances. News and social media feed our fears. Even the fear of missing out leads to anxiety. The solution isn't to rid

ourselves of the sources of anxiety but to recognize that anxiety originates from a spiritual influence--and then use the weapons of power, love, and a sound mind to fight back and live in God's peace. Sharing her own story of emerging from the battle with anxiety as well as the stories of others, Dr. Michelle Bengtson reminds you of your identity as a follower of Christ and of the peace he promises you in spite of everything. She provides tools to cope with the crushing emotional burden of anxiety now, and, more importantly, shows you how to reclaim God's peace as a way of life so that you can break anxiety's grip.

### What Happens When Women Walk in Faith

Battle Plan for Prayer is an eight-session study that will expand students understanding of prayer and spiritual warfare.

### Awaken

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In One in a Million, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

### Through the Eyes of Grace

From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

### FERVENT.

As parents of adult children, we often wonder: Will my children make good choices when they're on their own? How can I let them go when I've held them for so long? Parent and author Jodie Berndt understands what it's like to release children into the world and still care deeply about them and everything they will face in life from relationships to career decisions and everything in between. In Praying the Scriptures for Your Adult Children, Jodie continues her Praying the Scriptures series with biblical prayers for your adult children, whether they are just leaving the nest, flying well on their own, or struggling to take off at all. Each section focuses on a different aspect of adulthood, with encouraging stories from experienced parents who are praying their children through rocky marriages, health concerns, financial challenges and other real-life issues. At the end of each chapter, you'll find personalized prayers for your children taken straight from Scripture. Each chapter also includes verses for you to pray for yourself as you take the challenging step of trusting God to care for your children in ways that you can't. With grace and wisdom, Jodie addresses cultural trends such as couples living together before marriage and young adults leaving the church, as well as the painful realities of loneliness, addiction, and mental health issues. With hope-filled words for the parents of the prodigal, she is particularly sensitive to the long-term prayers we offer, even as we doubt ourselves and grieve over our children's choices. Whatever you are praying for, you will find confidence and peace in these powerful prayers for your kids. Praying the Scriptures for Your Adult Children guides you to the bedrock of God's promises as you release your children to God's shepherding care.

### Be All You Can Be!

Why Some Prayers Work, Why Some Don't, and How You and God Can Change Things for Good How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you.

### The Daniel Prayer

The Battle Plan equips and encourages you to see prayer as your first wave of attack in every undertaking. Think of this book as a strategic guide to engaging with God, expecting His answers, and enlarging your vision of what He can do through someone like you.
