Corporate Financial Accounting

This book will appeal to individuals interested in developing their knowledge in financial accounting, including students sitting the Edexcel London exams, entrepreneurs and managers. It explains the process of recording transactions in depth by considering value added tax. The book adopts a practical approach, and highlights the main documents that lead to business transactions, while also describing accounting controls like bank reconciliation. In addition, the text addresses the main features and final accounts of different enterprises like sole trader, partnership, clubs and companies. Questions are provided at the end of each chapter in order to help the reader understand the main techniques shown here.

Financial Accounting: The Impact on Decision Makers

Management Accounting has two broad branches Financial Accounting and Cost Accounting. This book covers the first aspect of Management Accounting. Financial Accounting A Managerial Emphasis seeks to delve deep into all the aspects of Financial Accounting from a manager's perspective. The objective is to present the concepts, applications and practices of Financial Accounting in such a manner that even those readers having no prior exposure to the subject can understand its theory and practice. A manager is more interested in understanding various elements in financial statements and thereby being able to analyze and interpret the financial health of a business entity on the basis of financial statements. This apart, readers will also become thoroughly acquainted with the financial disclosure practices followed in India. The highlights of the book are discussions on: | Accounting Standards in India | Understanding Published Financial Statements | Inventory Valuation and Depreciation Accounting | Cash Flow Reporting and Interpretation | Financial Statements Analysis | Intra-firm and Inter-firm Comparisons | Consolidated Financial Statements | Valuation Techniques | Accounting for Amalgamations | Selected Solved and Unsolved Cases New to the Second Edition | Financial Statements Analysis by Banks | Investment Accounting for Banks | Accounting for Share buyback | ESOP Accounting

Financial Accounting

This text is intended for a first course in introductory financial accounting. It was updated to reflect current International Financial Reporting Standards (IFRS). For example, it reflects the recent change in IAS38, para. 98, allowing the use of multiple methods in amortizing intangible assets. It focuses on core Introductory Financial Accounting topics that match pre-requisite requirements for students advancing to Intermediate Financial Accounting. Excluded are advanced topics that are covered in Intermediate Financial Accounting, such as leases and bond amortization. The text takes a corporate approach (vs. beginning with a sole proprietorship emphasis and then converting to a corporate approach); this consistency throughout the book reduces confusion for the introductory student. The book covers all essential topics: the accounting cycle, merchandising, assigning costs to inventory, cash and receivables, property, plant and equipment, debt financing, equity financing, statement of cash flows, financial statement analysis, and proprietorships and partnerships. Additionally, this version of the open text is supported by Lyryx Learning, offering at an affordable price editorial services to develop and adapt the content, formative online assessment, course supplements, and daily support to both the students and instructors.

Now in its third edition, the primary goal of Ingram/Baldwin remains the same -- to teach students to understand a company's financial statement information. This unique organization, introducing students to how a business uses accounting information and then focusing on activities of the firm, engages students with the type of financing, investing and operating decisions that a firm has to make. This approach is especially ideal for students who will become users of accounting information because concepts, not procedures, are emphasized.
