### Public Health Leadership Program - UNC Gillings School of

Global Health provides a complete client record management system made for Psychologists and Psychiatrists. It streamlines the delivery of multiple programs and services with tools that help with client assessments, data records, risk identification, reporting, appointments, SMS reminders and billing.

### Report 2020 □ Global Health 50/50

Leadership and Management in Health Practical leadership and management skills that are required for working in complex local, regional, national, and global health environments. Monday, April 12, 2021 to Sunday, June 27, 2021

### Global Health - Global Health

The 2020 report provides an unprecedented birds-eye view of the global health system today. It reveals that the leadership of the 200 most prominent organisations active in global health continues to reflect power and privilege asymmetries along historical, geographic and gender lines.
