Two of golf's most revolutionary teachers share a personalized approach to accessing your peak performance. "The VISION54 approach is far more than just pure golf technique, it allows an individual to unlock their true potential by opening their mind and believing anything is possible to achieve." - David Leadbetter, David Leadbetter Golf Academy Pia Nilsson and Lynn Marriott are Complete Game Coaches, leaders of a new kind of golf instruction that focuses on more than just the grip, the stance, and the swing. Their VISION54 method targets the complete golfer-the whole person-not just the technical aspects of the game. Their coaching philosophy focuses on possibilities, not limitations, with an end goal of MY54-the idea that any golfer can reach their own personalized version of peak performance, scoring nothing but birdies on a par-72 course. Building on the core concepts introduced in Every Shot Must Have a Purpose and the strategic thinking in The Game Within the Game, Play Your Best Golf Now takes the mystery out of the soft skills of golf and shows golfers how to add these skills to their game for peak performance. Players learn to master the 8 Essential Playing Skills: 1. LEAVE YOUR MIND BEHIND and enter the Play Box 2. DECIDE AND COMMIT to your shots 3. FIND YOUR BALANCE both physically and mentally 4. FEEL YOUR TEMPO on the course and dance to its rhythm 5. TAME TENSION to improve your swing 6. BUILD EMOTIONAL RESILIENCE 7. STORE MEMORIES and learn from the past to make a better present 8. DROWN SELF-TALK IN USEFUL THOUGHTS And the 2 Essential Practice Skills: 1. SIMULATE GOLF on the practice range to maximize your time and effort 2. INTEGRATE SKILLS and practice with a plan These Essentials complement the technical anchors of the game-the grip, the stance, the swing-and give players a foundation for achieving their peak performance. MY54 is the vision, and these are the building blocks for achieving a higher level of play.

Imagine being able to achieve the perfect mental state to make your best possible swing over every shot - stepping up fearlessly, with an inner calm that allows you to play great golf every time you stand over the ball. Now, Robin Sieger, a lifelong golfer who also happens to be one of the world's leading motivational speakers, removes the mystery behind the mental prowess that lies at the heart of peak performance. Too often golfers concentrate all their efforts on technique, in the belief that it is only the mechanics of the game they need to master. Instead, using easy-to-follow exercises and inspiring examples drawn from the lives of golf's greatest players, Robin's silent mind approach focuses on developing the single most neglected, least understood, but ultimately decisive dimension of the game: mental strength. A practical, jargon-free guide to mental conditioning that will enable any golfer, whether weekend hacker or full-time professional, to understand the dynamics crucial to getting into the 'zone', Silent Mind Golf reveals how to empty your mind and play golf instinctively.

Dave Pelz's Short Game Bible is the first of a four-book series from world-renowned golf guru, Dave Pelz. This bestselling classic features the author's scientifically-proven secrets to lowering scores by improving the short game. The philosophy underpinning the Short Game Bible is as simple as it is revolutionary: Instead of practicing the wrong things the right way, or the right things the wrong way, Pelz shows you how to find your own personal weaknesses and how to improve them to efficiently lower your scores. Packed with all the knowledge, charts and photos needed to learn from the master, Dave Pelz's Short Game Bible is the essential book for every golfer looking to improve his or her game. Pelz's approach to golf is easy to understand: 80 percent of the strokes golfers lose to par are determined by their play within 100 yards of the green –the crucial scoring game. The short game, perhaps the most important and yet least focused-on aspect of golf, can make or break your entire game. Across 13 chapters liberally supplemented by diagrams, illustrations and photos, Pelz dispenses advice on everything from the basics such as score counts, the five games of golf and the mechanics of the short game; to specific advice on distance wedges, the pitch shot, sand shot and short-game equipment. With years of experience invested in his renowned golf schools and clinics, and a raft of endorsements from top players like two-time U.S. Open Champion Lee Janzen, you'll be hard pushed to find a more comprehensive, educative book on the short game.

There is special coverage of the Ryder Cup from 1979, when the Europeans took up the contest with the Americans, and the reportage is interspersed with features on the legendary figures of golf. Hi, my name is Eldon and I'd like you to come take a lyrical journey with me, from the light into spiritual darkness, and back into life. But not just any life but the life that only God can give. Come with me and experience my triumphs and failures, ups and downs, my light and my darkness, all on life's merry go round. You will experience my personal spiritual darkness and the power of God's love and his redeeming light. Then come and witness the power of the tongue.
