When the Heart Waits

In the Bible, the books of Job, Psalms, Proverbs, Ecclesiastes, and the Song of Solomon are considered books of poetry. In this book, I'm like an artist demonstrating a measure of the written, creative, and recreative power of God, using words like patterns, shapes, colors, and designs of all kinds interwoven, overlapping, mixing them together into creative beauty. May you enjoy reading these inspirational and biblical messages in poetic form, as much as I've enjoyed writing them. -Nathan Ware

The Great harmonia v. 1, 1909

New York Times mega-bestselling author of *The Seat of the Soul*, Gary Zukav takes a giant leap forward in his message, with this guide to the next level of spiritual growth. "THE LONGEST JOURNEY YOU WILL MAKE IN YOUR LIFE IS FROM YOUR HEAD TO YOUR HEART." With the rare combination of profound psychological insight and deep spirituality that has already drawn millions of readers to his two great national bestsellers, *The Seat of the Soul* and *Soul Stories*, prizewinning author Gary Zukav now joins with his spiritual partner Linda Francis to help us develop a new emotional awareness that is central to our spiritual development. In *The Seat of the Soul*, Zukav brilliantly set forth his fundamental concepts, explaining how the expansion of human perception beyond the five senses leads to a new understanding of power as the alignment of the personality with the soul -- "authentic power." In *Soul Stories*, he showed how such concepts as harmony, cooperation, sharing, and reverence for Life express themselves in other people's lives. Now, in *The Heart of the Soul*, he and Francis take the next major step forward in showing us the importance of emotional awareness in applying these concepts to our own daily lives.

Wild at Heart

For many years I struggled to find real, lasting joy. Whenever I achieved a goal that I believed would bring me happiness I would find that the happiness I sought had moved somewhere else: to the next job, the next college degree, the next completed project, the next success. Never the current one. It was a discouraging way to live, and my dissatisfaction fueled a desire for change. Through books, mentors, good friends and spiritual guidance I learned how to transform my beliefs and thoughts and reshape the emotions and actions that determine my results and create the reality in which I live. I've experienced greater peace, fulfillment and success as I've worked to internalize these life-giving truths. I am excited to share them with you, and I hope they will bless your life as they've blessed mine.

The Spiritual Man and Other Sermons

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires--aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be--dangerous, passionate, alive, and free.

BLESSED ARE THE EYES, THE EARS, THE HEART, THE SOUL; THE SPIRIT BEING is a divinely inspired literary composition which will meet, greet, encourage, challenge, and charge you at any location you may be upon your walk of faith. As this walk of faith navigates the journey up the glorious King's Highway, the valley of the shadow of death may appear upon the charted travel log. But God who is faithful foreknew the course and the season. Subsequently, He has divinely scheduled various persons and books to encourage us. My sincere prayer and my enormous belief is this book will suffice.

Loyalty to Your Soul establishes Spiritual Psychology as a paradigm-altering frontier. It initiates a radical shift at the core of contemporary psychological thought by unveiling a technology for using everyday life experiences as rungs on the ladder of spiritual evolution. This book is uniquely suited for anyone seeking to discover and cross the bridge that spans the waters between life referenced in material reality and life lived within the context of spiritual reality. Loyalty to Your Soul shows you how to first gain access to, and then gradually learn to live from, that sacred place inherent within everyone referred to by the authors as the Authentic Self—a place where emotional suffering ceases and profound peace and love are present. While many people have written about such an inner state, Ron and Mary Hulnick show you how to travel there . . .and what to anticipate once you arrive. The radical technology they introduce empowers readers to transform challenging or negative human experiences into direct experiences of the Soul.

How the principles of Reiki can be used not just for healing but also for spiritual growth □ Explores how to practice the Reiki values of peace, serenity, gratitude, integrity, and kindness in everyday life, despite the challenges of constant change and frequent crises □ Provides tools for spiritual growth for

practitioners of all levels and lineages □ Includes exercises and meditations to deepen the practice of Reiki using the five Reiki precepts: do not anger; do not worry; be grateful; do an honest day's work; be kind Reiki practitioners and teachers recognize Reiki as a gentle and powerful healing method. The path to becoming a Reiki practitioner, however, is more than just a commitment to energy healing. It is also a commitment to personal growth. In *Reiki for the Heart and Soul*, Amy Rowland details how reflection on the five core Reiki principles presented in both the Western and Japanese traditions--do not anger; do not worry; be grateful; do an honest day's work; be kind--can be used by practitioners of all levels and lineages as powerful tools for personal and spiritual growth. Living the five core principles reinforces Reiki's subtle energy healing: it heals wounded self-esteem and builds healthy self-respect; it demonstrates the creative power of a positive attitude; and it presents a way to peace. Rowland discusses various translations of the Reiki principles, demonstrating how to integrate their practical value through stories and interviews. She also offers specific techniques and exercises for healing anger and fear as well as living with gratitude, integrity, and compassion. These techniques will help maturing practitioners discover a healthy, happy way of being in the world and to see the way forward on their spiritual path with a sense of clear guidance and grace.
