The Names of God Series is a unique prayer journal. It includes 58 Coloring Pages and 8 Notes and Refection pages (with more pages to color). Series 1 B, is for those who love Fun and Whimsical style coloring with colored pencils, crayons and non-bleeding markers. The Names of God Series is a unique devotional. One that offers a simplistic concept of: Meditative coloring to still your mind, Meditating on Scripture and God's name, Journaling thoughts, And seeking God to reveal more about His name. As a result, you'll encounter the Living God in a new way. I created this Prayer Journal with very simplistic journaling and meditation in mind. We don't always have the energy to dive deep into a theological study of God's names or other biblical studies. But we do have the energy for a simplistic style journaling and meditation. While coloring, we ask 4 simple questions: What His names means to you? What situation do you need Him to show up? How has He shown up in the past? Pray asking God to reveal something new about this name. Then you'll have a chance to journal those thoughts. Whether you need:

friend, Provision, Healing, ... or anything else, you will find a Name that meets that need. You will experience the richest intimate relationship with God than you ever experienced. On page 22, you'll be introduced to God the Advocate. You'll be asked 4 simple questions: What does God as the Advocate mean to you? In what situation do you need the Advocate to intervene? What has the Advocate done for you in your past? Pray and ask God to reveal something new. On page 56, you'll be introduced to God of All Hope. As you read the scripture and meditate on His name, you'll be asked to journal a few questions: What does God of All Hope mean to you? What situation do you need the God of All Hope? What has the God of All Hope done for you in the past? Pray and ask God to reveal something new about His Name. On page 70, you'll be introduced to God of Recompense. As you read the scripture and meditate on His name, you'll be asked to journal a few questions: What does God of Recompense mean to you? In what situation do you need the God of Recompense today? What has the God of Recompense done for you in the past? Pray and ask God to reveal something new about His Name. On page 16, you'll be introduced to the Arm of the Lord. As you're meditating and coloring you'll be asked to journal a few thoughts: What does Arm of the Lord mean to you? In what situation do you need the Arm of the Lord today? What has the Arm of the Lord done for you in the past? Pray and ask God to reveal something new about His Name. On Page 64, you'll be introduced to God of My Life. Rosh Hashanah - Shanah Tovah

This book uses a variety of spiritual wisdom as the core basis of its instruction. The first basic principle is that we are all interconnected and interdependent. We all have a soul and are connected to a limitless force called Light or God. There are different names for this unifying force in different spiritual practices. This book discusses wisdom from the Kabbalistic masters including use of the 72 Names of God. This mix of ideas is meant to broaden our perspective. The 72 Names are mystical sequences of Hebrew letters, which can heal, bring protection, sustenance and more. This book is divided into 20 chapters. Each chapter begins with an introduction and inspiration. Afterward you will be introduced to one of the 72 names and will be instructed how this name can help your transformation. You will have a chance to reflect, journal, create an affirmation and then begin your transformative art session. The 72 Names were used to create each pattern in the meditative art session. Just as the monks create mandalas while they meditate, you will be coloring patterns created from the 72 names. This adds a powerful boost to your meditation. The use of reflection, meditation, imagination, creativity and ancient wisdom of the Hebrew Letter and 72 Names of God will help you transform, have clarity and manifest dreams

Renowned journalist Don Lattin, longtime reporter for the San Francisco Examiner and more recently the San Francisco Chronicle, interprets the American spiritual and religious landscape since the 60s with insight, wit, and telling reporting. What David Brooks did for the American social and commercial landscape in the bestselling *Bobos In Paradise*, he does for the spiritual landscape, showing how the 60s have had a profound transformative impact in every area of spirituality. This is the first comprehensive look at the spiritual legacy of the 60s and 70s, as seen through the lives of those raised amid some of the era's wildest experimentation.

A Jewish Mandala Coloring Book

The word Mandala (pronunciation mon- dah- lah) means "circle". A Mandala represents wholeness, a cosmic diagram reminding us of our relation to infinity, extending beyond and within our bodies and minds. The mandala appears to us in all aspects of life, the Earth, the Sun, the Moon and more obviously the circles of life encompassing friends, family and communities. Mandalas are circular designs symbolizing the notion that life is never ending. Many mandalas have spiritual significance to an individual or group of individuals. The Hindus were one of the first people to use a mandala as a spiritual tool, but the mandalas most individuals are familiar with, are ones made by Buddhists. Mandalas are used for meditation purposes allowing the individual meditating to become one with the universe. There are not many who are able to achieve this state of mind from just studying a mandala. The symbolism behind the creation of a mandala can have significant meaning for many individuals whether they are Jewish, Buddhist, Christian, Pagan or of any other religious orientation. Mandalas can be created by individuals to symbolize their journeys through life. Mandalas can also tell a story of where an individual has been. In some cases they will reveal the
