Praise for *Streetsmart Financial Basics for Nonprofit Managers*, Third Edition "Tom McLaughlin is a proven master at making the daunting concepts of nonprofit financial management clear and engaging. This book is a superb introduction for new nonprofit executives, board members, and students. It is also an excellent refresher and reference for those of us who have been around the nonprofit sector for a while. It is well written, concise, and thought provoking." —J. Gregory Dees, Professor of the Practice of Social Entrepreneurship and Nonprofit Management at Duke University's Fuqua School of Business, and coauthor of *Enterprising Nonprofits* and *Strategic Tools for Social Entrepreneurs* "A very practical guide to understanding and managing the finances of a nonprofit organization. As nonprofits strive for greater accountability, Tom McLaughlin's real-world examples and accessible style make this book indispensable for nonprofit executives, managers, and board members at organizations of any size." —Gordon J. Campbell, President and CEO, United Way of New York City "Tom McLaughlin's powerful book is far more than a useful tool. It provides the philosophical approach to instill strong stewardship and future viability to those in the world of nonprofits. He takes apart the complex issues of nonprofit stewardship just as Einstein translated relativity into a simple equation. Purely masterful." —Jim Mellor, Senior VP, Chief Financial Officer, YMCA of the USA

nonprofits What makes great nonprofits great? In the original book, authors Crutchfield and McLeod Grant employed a rigorous research methodology derived from for-profit books like *Built to Last*. They studied 12 nonprofits that have achieved extraordinary levels of impact—from Habitat for Humanity to the Heritage Foundation—and distilled six counterintuitive practices that these organizations use to change the world. Features a new introduction that explores the new context in which nonprofits operate and the consequences for these organizations Includes a new chapter on applying the Six Practices to small, local nonprofits, including some examples of these organizations Contains an update on the 12 organizations featured in the original book—how they have fared, what they've learned, and where they are now in their growth trajectory This book has lessons for all readers interested in creating significant social change, including nonprofit managers, donors, and volunteers.

Nonprofit Accounting & Financial Statements

In the nonprofit sector, money drives mission. Well-managed budgets and investments can spur long-term growth and achievement, while financial mismanagement can damage and even destroy organizations. Weikart, Chen, and Sermier ù in their exciting new text geared wholly to nonprofits provide the financial tools nonprofit managers need to thrive in pursuit of mission success. Given the wide array of nonprofit managers' backgrounds, and recognizing that there is often an inherent fear of "the financials" the authors explain financial concepts without leaning unnecessarily on intimidating jargon. The result is a practical, accessible resource the prepares the next generation of nonprofit managers in financial planning and analysis as well as conventional and entrepreneurial financial management. Grounded in real-world cases and offering plenty of opportunity for application and practice, Budgeting and Financial Management for Nonprofit Organizations helps readers develop a stable fiscal foundation and sound financial strategies for their organizations to prosper in times

Sponsored by CompassPoint Nonprofit Services, formerly known as the Support Center for Nonprofit Management/Nonprofit Development Center Nothing can be more important to an organization's health and success than the quality of its financial reporting. This comprehensive guide is for all nonprofits that are required to comply with financial reporting standards set by the IRS and thirty-five state charity regulators (Form 990), FASB and AICPA (GAAP), grantmakers, and the like. Much more than a standard accounting manual, this book is a thoughtful guide to improving financial reporting so organizations can focus on the business of fulfilling mission, developing essential programs, and serving communities. "In playing chess, the move that accomplishes several purposes is the strongest. This book does exactly that for nonprofits. It gives computer technology the ability to produce reports for funders, budget managers, governmental regulators, and taxing authorities, all from one set of financial data, input only once."--Charles Kirkland, former chair, AICPA Not-for-Profit Organizations Committee, and founder, Kirkland, Eckels & Co. "Well-defined, relevant, and reliable guidelines that should enhance the quality and credibility of financial reports."--Kevin A. Kavanaugh, vice president, financial services, American Diabetes Association "Helps to simplify and align the federal/state record keeping and reporting."--James J. Caputo Sr., consultant, and chair, the Greater Washington Society of CPA's Not-For-Profit-Organizations Committee "Provide[s] management with a wide variety of information that was not previously available"--Dennis F. This comprehensive guide is for all nonprofits that are required to comply with financial reporting standards set by the IRS and thirty-five state charity regulators (Form 990), FASB and AICPA (GAAP), grantmakers, and the like. It shows how to unify financial reporting requirements without compromising the organization's accuracy and accountability. Authors Russy D. Sumariwalla and Wilson C. Levis combine over fifty years of experience in nonprofit accounting and reporting to describe the key elements of a unified financial reporting system. They also draw valuable lessons from a three-year project formed to improve the quality of reporting on IRS Form 990 and to strengthen public accountability. Known as "990 in 2000," this sectorwide project involved the IRS, the National Association of Attorneys General, the National Association of State Charity Officials, the Greater Washington Society of CPAs, the California Society of CPAs, the National Health Council, the United Way of America, and other organizations. Armed with the latest information, the authors discuss a unified chart of accounts, activity-level accounting, cost allocation, and computerization. They also explore ways of unifying internal and external financial reports, including GAAP statements, grant reports, and others. This guide offers a powerful resource section including information on various appendices program service reporting, government regulation, voluntary standards expert review groups, and more. Nonprofit leadership is messy Nonprofits leaders are optimistic by nature. They believe with time, energy, smarts, strategy and sheer will, they can change the world. But as staff or board leader, you know nonprofits present unique challenges. Too many cooks, not enough money, an abundance of passion. It ' s enough to make you feel overwhelmed and alone. The people you help need you to be successful. But there are so many obstacles: a micromanaging board that doesn ' t understand its true role; insufficient fundraising and

donors who make unreasonable demands; unclear and inconsistent messaging and marketing; a leader who 's a star in her sector but a difficult boss And yet, many nonprofits do thrive. Joan Garry 's Guide to Nonprofit Leadership will show you how to do just that. Funny, honest, intensely actionable, and based on her decades of experience, this is the book Joan Garry wishes she had when she led GLAAD out of a financial crisis in 1997. Joan will teach you how to: Build a powerhouse board Create an impressive and sustainable fundraising program Become seen as a 'workplace of choice' Be a compelling public face of your nonprofit This book will renew your passion for your mission and organization, and help you make a bigger difference in the world.

"The current nonprofit accounting standards have been in place for 20 years. Recently, the FASB nonprofit accounting committee (NAC) agreed to significantly update the standards for nonprofit financial reporting. These changes will be formalized and released to the industry in late 2015. In addition to walking readers line by line through the financial reports key to every nonprofit organization, this edition will include the new FASB standards with detailed a explanation of what they are and how to implement them correctly. The authors have deep knowledge of the FASB standards and forthcoming changes and will share their insider knowledge with readers. The new standards will focus on: 1) Reporting model for the statement of activities, 2.Net asset classification, 3.Statement of cash flows, 4.Financial statement disclosures and 5. New footnote disclosures for improving financial statement relevance and understandability"--

Praise for **NONPROFIT SUSTAINABILITY** "This is much more than a financial how-to book. It's a nonprofit's guide to empowerment. It demystifies mission impact and financial viability using The Matrix Map to provide strategic options for any organization. A must-read for every nonprofit CEO, CFO, and board member." —Julia A. McClendon, chief executive officer, YWCA Elgin, Illinois "This book should stay within easy reaching distance and end up completely dog-eared because it walks the reader through a practical but sometimes revelatory process of choosing the right mix of programs for mission impact and financial sustainability. Its use is a practice in which every nonprofit should engage its board once a year." —Ruth McCambridge, editor in chief, *The Nonprofit Quarterly* "Up until a few years ago, funding and managing a nonprofit was a bit like undertaking an ocean voyage. Now, it's akin to windsurfing—you must be nimble, prepared to maximize even the slightest breeze, and open to modifying your course at a moment's notice. Innovative executive directors or bold board members who want their organization to be able to ride the big waves of the new American economy must read this book." —Robert L. E. Egger, president, DC Central Kitchen/Campus Kitchens Project/V3 Campaign "Most nonprofits struggle to find a long-term sustainable business model that will enable them to deliver impact on their mission. Thanks to Jeanne Bell, Jan Masaoka, and Steve Zimmerman help is now in sight. This book offers practical, concrete steps you can take to develop your own unique path to sustainability without compromising your mission." —Heather McLeod Grant, consultant, Monitor Institute, and author, *Forces for Good: The Six Practices of High-Impact Nonprofits* "At last! We are entering a new era—an era of impact. The largest intergenerational transfer of wealth in history will soon be under way, bringing with it the potential for huge increases in philanthropic funding. Engine of Impact shows how nonprofits can apply the principles of strategic leadership to attract greater financial support and leverage that funding to maximum effect. As Good to Great author Jim Collins writes in his foreword, this book offers "a detailed roadmap of disciplined thought and action for turning a good nonprofit into one that can achieve great impact at scale." William F. Meehan III and Kim Starkey Jonker identify seven essential components of strategic leadership that set high-achieving organizations apart from the rest of the nonprofit sector. Together, these components form an "engine of impact"—a system that organizations must build, tune, and fuel if they hope to make a real difference in the world. Drawing on decades of teaching,

advising, grantmaking, and research, Meehan and Jonker provide an actionable guide that executives, staff, board members, and donors can use to jumpstart their own performance and to achieve extraordinary results for their organization. Along with setting forth best practices using real-world examples, the authors outline common management challenges faced by nonprofits, showing how these challenges differ from those faced by for-profit businesses in important and often-overlooked ways. By offering crucial insights on the fundamentals of nonprofit management, this book will help leaders equip their organizations to fire on all cylinders and unleash the full potential of the nonprofit sector. Accounting for churches is not the same as accounting for businesses. A church bookkeeper must be aware of the special tax codes that govern the church's unique tax standing. But it is often hard for overworked or volunteer administrators to know every aspect of tax code that affects their church's ability to accept donations, oversee a benevolence fund, and offer a compensation package for their minister. Lisa London, *The Accountant Beside You* who brought you *QuickBooks for Churches & QuickBooks for Nonprofits*, explains the specialized needs of church accounting in an easy-to-understand manner for church administrators and volunteers. Nonprofits often struggle financially, overwhelmed by the need to muster a complex combination of income streams that range from grants and government funding to gifts-in-kind and volunteer labor. Financing Nonprofits draws upon a growing body of scholarship on the economics and organizational theory of nonprofit organizations to offer a set of practically applicable principles that can guide nonprofits towards firmer financial ground. Organized under the auspices of the National Center on Nonprofit Enterprise, Financing Nonprofits is both an invaluable resource to nonprofit leaders and an ideal classroom resource for students of nonprofit finance.

Joan Garry's Guide to Nonprofit Leadership

Financial Strategy for Public Managers is a new generation textbook for financial management in the public sector. It offers a thorough, applied, and concise introduction to the essential financial concepts and analytical tools that today's effective public servants need to know. It starts "at the beginning" and assumes no prior knowledge or experience in financial management. Throughout the text, Kioko and Marlowe emphasize how financial information can and should inform every aspect of public sector strategy, from routine procurement decisions to budget preparation to program design to major new policy initiatives. They draw upon dozens of real-world examples, cases, and applied problems to bring that

relationship between information and strategy to life. Unlike other public financial management texts, the authors also integrate foundational principles across the government, non-profit, and "hybrid/for-benefit" sectors. Coverage includes basic principles of accounting and financial reporting, preparing and analyzing financial statements, cost analysis, and the process and politics of budget preparation. The text also includes several large case studies appropriate for class discussion and/or graded assignments.

The Sustainability Mindset

Making sure that your nonprofit is going to be around long-term requires financial leadership. This means creating a financial vision for your organization and planning how you'll get there. Financial Leadership for Nonprofit Executives gives you the framework, specific language, and processes to lead with confidence. With it, you'll learn how to protect and grow the assets of your organization and accomplish as much mission as possible with those resources. The good news is you don't have to be a trained accountant, earn an MBA, or have run a for-profit business in another lifetime. You already have many of the skills it takes to be a financial leader. This useful guide makes the process understandable and doable. You'll find clear, logical steps to learn how to get accurate financial data?in a format you can understand; use financial data to evaluate your organization's health; plan around a set of meaningful financial goals; and communicate progress on these goals to your staff, board, and external stakeholders. You'll also find five foundational financial leadership principles; three overarching questions every financial leader needs to be able to answer (and where to find those answers); two fundamental budgeting principles; and five steps to building a strong annual budget. At the end of each chapter is an evaluation tool. You can rate how your organization is doing relative to the component of financial leadership covered in each
