The Power of I Am

In this compelling sequel to Power Quest Book One: America's Obsession with the Paranormal, S. Douglas Woodward reveals the hidden history of Nazi infestation of American institutions after World War II. Beginning with the 1952 flying saucer flap over the nation's capital and concluding with the CIA's clandestine mind control agenda of the 1950s-1970s, the reader is confronted with highly charged and seldom known facts. The story centers on America's erstwhile alliance with German fascism linked to the infamous personalities of Hitler's Nazi Party who escaped the war crimes trials at Nuremberg. In this second volume of Power Quest, The Ascendancy of Antichrist in America, Woodward brings to the reader the recently declassified proof our America has often shunned its most noble ideals. The author uncovers a vast record of unethical and deceptive Federal activities committed in Washington's darkened corridors of political power. Woodward condenses mountains of highly reliable research compiled by authoritative investigative journalists and insiders along with his own well-turned analysis, demonstrating that the political and spiritual evil of Nazism was often excused and encouraged by American officials as part of a blind quest to fight communism during the Cold War. Woodward makes no secret of his evangelical perspective. But Power Quest: The Ascendancy of Antichrist in America is not a selective proof texting of biblical assertions or a diatribe against liberal political views. His account is a factual history that most Americans have never heard. For conservative Christian readers, Woodward speaks prophetically - challenging the cherished assumption held by political conservatives that America traditionally takes the moral high ground. And he poses an alternative view to the typical eschatological position, asking "Could America be the seat of power for a literal personage the Bible calls Antichrist?"

Daily Readings from The Power of I Am

When his teacher announces that there will be a science fair in a few weeks, the young boy in *I Am Smart* is worried. He doesn't like science. Science is hard! But when his mom tells him to "look for the science in your life," he knows just what his project will be! By doing research, asking his friends for help, and not giving up, the boy learns that science can be really fun. Now that's smart! Short on words and long on empowerment, the Positive Power early reader series teaches kids and parents alike the power of positive affirmations and how to incorporate them into their daily lives.

Sedona Method

The second book of the #1 New York Times bestselling *I Am Number Four* series! In the beginning, nine aliens left their home planet Lorien when it fell under attack by the evil Mogadorians. They scattered on Earth and went into hiding. They look like ordinary teenagers but have extraordinary powers. The Mogs have come for them. They killed Number One in Malaysia, Number Two in England, and Number Three in Kenya. They tried to get John Smith, Number Four, in Ohio—but they failed. Now John has joined forces with Number Six, and they are on the run. But they are not alone. Already John and Six have inspired Marina, Number Seven, who has been hiding in Spain. She's been following the news of what's happening, and she's certain this is the sign she's been waiting for. It's time to come together. Michael Bay, director of *Transformers*, raved: "Number Four is a hero for this generation." This epic story is perfect for fans of action-packed science fiction like *The Fifth Wave* series by Rick Yancey, *The Maze Runner* series by James Dashner, and Orson Scott Card's *Ender's Game*. The battle for Earth's survival wages on. Don't miss the rest of the series: #3: *The Rise of Nine*, #4: *The Fall of Five*, #5: *The Revenge of Seven*, #6: *The Fate of Ten*, and #7: *United as One*. Don't miss the first book in the brand-new *I Am Number Four* spin-off series: *Generation One*.

We are all here for a purpose. We are more than enough. We just need to believe it. Plus don't miss *I Believe I Can*—the next beautiful picture celebrating self-esteem from Grace Byers and Keturah A. Bobo!

I Am

Transform your self-image and embrace the power of positive thinking with two simple words: declare "I Am" and celebrate the life God has created for you! Whatever follows the words "I am" will always come looking for you. So, when you go through the day saying: "I am blessed" blessings pursue you. "I am talented" talent follows you. "I am healthy" health heads your way. "I am strong" strength tracks you down. Joel Osteen reveals how *The Power of I Am* can help you discover your unique abilities and advantages to lead a more productive and happier life. His insights and encouragement are illustrated with many amazing stories

of people who turned their lives around by focusing on the positive power of this principle. You can choose to rise to a new level and invite God's goodness by focusing on these two words: I AM!

The Power of Now

When Jack Deere turned seventeen, he did not know God or a single verse of Scripture. At twenty-seven, he became a professor of Old Testament Exegesis and Semitic Languages at Dallas Theological Seminary. He started and pastored an influential church in Ft. Worth, Texas. He taught his church and his students that God no longer gave the "miraculous gifts of the Spirit" or spoke outside the pages of Scripture. After teaching seminary for ten years, a bestselling author shocked Deere when he told him that he not only believed God was regularly healing people today, but that he had seen undeniable miracles in answer to his prayers. For the next four months, Deere studied every healing story in the New Testament. This time he came to those stories with the open mind of a scholar, completely at home in the original languages of the Bible, not as a gullible student swallowing the prejudices of his teachers. At the end of those four months, Deere was convinced, against his will, that God was still healing and speaking just as he had done in the New Testament. Deere and his wife Leesa began to pray for people in their church and witnessed dramatic, documented healings. In *Why I Am Still Surprised by the Power of the Spirit*, Deere demonstrates that the Scriptures teach that God is healing and speaking today just as he did 2000 years ago. He tells documented stories of modern miracles. He explains the nature of spiritual gifts, defines each spiritual gift, offers sound advice on discovering and using the gifts in church today. He shows how all of this part of God's way of deepening our friendship with him. A modern classic, *Surprised by the Power of the Spirit* was published twenty-five years ago, and in that book Deere claimed that he would live long enough to see the majority of conservative evangelicals come to believe in all the gifts of the Spirit. That has come true. The theological landscape has changed dramatically. Nearly completely rewritten, this new edition still offers that proof but has about seventy percent new material on the practical matters of experiencing and using spiritual gifts. For example, anyone who prays regularly for the sick will encounter demonic power. Demons pop up all over the Synoptic Gospels. There are two new chapters on ministering to the demonized. There is much confusion on what it means to be filled with the Spirit today. Deere takes three chapters to examine every use of "filled with the Spirit" and "full of the Spirit" in the New Testament to show why and how God still fills his servants with the Holy Spirit. There are many new stories of God's power, even walking on water and multiplying food. Deere also introduces the newest literature defending and explaining the gifts of the Spirit. All this and more continues the book's legacy for a new time.

Transform your self-image, discover God's daily blessings, and fulfill your destiny with two simple words in this interactive devotional guide from Lakewood Church pastor Joel Osteen. The direction you'll follow in life begins with these two simple words: I AM. This portable devotional will help you transform your self-image and help you invite the right things into your life with daily readings and insights from *The Power of I Am*. If you have a powerful I AM, you will carry

yourself with a quiet confidence. It's time to stop criticizing yourself, and instead discover your inner strengths, your natural talents, and unique abilities that will make you prosper with self-assurance and success, every single day.

I Am an Introvert

Will you be the last one to stand on the promises of God when all the odds are against you? Will you be the last one to stand in obedience when everyone else has turned away? Will you be bold enough to declare, “ I AM REMNANT ” ? Throughout history God has used small, powerful groups who have stayed true to Him to transform culture, government, and even the spiritual climate of a nation. The Bible calls them remnants. Today God continues to set apart men and women who will rise up, speak out, and lead. He is waiting for you. This is your moment. Time is running out and your voice is needed to transform the world with a message from the throne of God. Like Samuel, you must accept the mantle God has for you. Will you accept the call?

The Power of I Am

Prayer is our most valuable tool for achieving lasting peace and power over life's situations. While many of us pray, are we really praying with power? Praying with power involves uninterrupted time in dialogue with God, using the tools that He gave us to facilitate a deeper connection. God is power and we gain power by connecting to the source.

I Am Enough

This book is about the power of your words to shape your destiny, and as you will quickly find out, your words are highly expressive of your core beliefs and the thoughts they produce. "For out of the abundance of the heart (subconscious mind), the mouth speaks." (Matt. 12:34; ESV) When ancient scriptures speak of the heart - Greek (kardia), Hebrew (Nephesh or Leb) - it is not speaking of the physiological organ but of the right lobe of the soul, in contemporary thought referred to as the subconscious mind. So while we can understand that our words have physicality, our thoughts carry an even greater power and physicality. It is our thoughts that drive our speech, especially those inner-conversations that are so influential in shaping our behavior and habits. We have all heard, in some form or another, that as a man thinks in his mind, so is he. Gaining a lucid perspicacity of this truth is the beginning of the development of the infinite power necessary to control your destiny and so much more. Not only does your mind influence the internal mechanism of your character, but it directly impacts the external reality of your circumstances. A person's condition cannot be divorced from the pattern of their thoughts because their condition is the fruit of their thinking.

I Am Smart

From the moment we could attend school, we have been told that we could be anything we want to be. However, we are never told how. We all have the power of I am within us, but not everyone knows how to recognize it and use it. None of us knows what is going on in one others head. All we can do is assume, but we all must know what is going on in our own heads because knowing our thoughts means knowing who we are. We can never succeed in life if we do not know who we are. The Power of I Am is a collection of I-am poems targeted at different people who might be going or have gone through some tough situations in life and feel as if nobody understands him/her, and for anyone who is trying to find him/herself. Trends come and go, but if we know who we are, we will not.

The Power of I Am Study Guide

Power is conventionally regarded as being held by social institutions. We are taught to believe that it is these social structures that determine the environment and circumstances of individual lives. In I Am Dynamite, the anthropologist Nigel Rappaport argues for a different view. Focusing on the lives and works of the writer and Auschwitz survivor Primo Levi, refugee and engineer Ben Glaser, Israeli ceramicist and immigrant Rachel Siblingstein, artist Stanley Spencer, and philosopher Friedrich Nietzsche, he shows how we can have the capacity and inclination to formulate 'life projects'. It is in the pursuit of these life projects, that is, making our life our work, that we can avoid the structures of ideology and institution.

The Power of Habit: by Charles Duhigg | Summary & Analysis

Are you ready to put the power of time on your side? Time is perhaps the most precious and highly coveted resource at our disposal. Yet spiritual teacher Howard Falco has encountered hundreds of people whose limited notions of time have been the primary cause of suffering and disempowerment in their lives. This book shows readers how adjusting their perspective on time will empower them to realize their greatest hopes and dreams. Whether you desire greater abundance, better health, or more meaningful relationships, you have the power to collapse time, thereby actualizing your intentions faster than you ever imagined possible. Falco shows how personal awareness, thought patterns, feelings, and actions affect when our dreams become a reality. By broadening our understanding of time, we open the doors to an ocean of possibility.
