The Violet Bakery Cookbook

A design-forward cookbook for sweet and savory baked goods from London's popular Violet Bakery that focuses on quality ingredients, seasonality, and taste (as opposed to science) as the keys to creating satisfying, delightful homemade pastries, tarts, sweets, and more. Violet is a jewel box of a cake shop and café in Hackney, east London. The baking is done with simple ingredients including whole grain flours, less refined sugars, and the natural sweetness and nuanced hues of seasonal fruits. Everything is made in an open kitchen for people to see. Famed for its exquisite baked goods, Violet has become a destination. Owner Claire Ptak uses her Californian sensibility to create recipes that are both nourishing and indulgent. With a careful eye to taste and using the purest ingredients, she has created the most flavorful iterations of classic cakes, as well as new treats for modern palates. Over 100 recipes include nourishing breakfasts, midday snacks, desserts to share, fruit preserves, and stylish celebration cakes. This book is about making baking worth it: simple to cook and satisfying to eat. From the Hardcover edition.

The Practical Farmer

"Anne of the Island" is the chronicle of the doings of Anne and her friends during four years spent at Redmond, pleasant adventures of the sort which might happen to any likable young people in a small co-educational college. Anne herself, now a beautiful, clever, and charming young woman, has many admirers. Among them is the faithful Gilbert Blythe, her childhood friend who is also a student at Redmond, and eventually Anne discovers that her heart has always been his. In the intervening vacations, the scene shifts from Kingsport, Nova Scotia, the seat of Redmond, back to the Island, Prince Edward Island where the author's pen and heart are so much at home. Here are the old school friends of former books, the gossip old ladies, and a pair of twins whose liveliness suggests early Green Gable days.

As featured on The Martha Stewart Show and The Today Show and in People Magazine! Hip. Cool. Fashion-forward. These aren't adjectives you'd ordinarily think of applying to baked goods. Think again. Not every baker wants to re-create Grandma's pound cake or cherry pie. Matt Lewis and Renato Poliafito certainly didn't, when they left their advertising careers behind, pooled their life savings, and opened their dream bakery, Baked, in Brooklyn, New York, a few years back. The visions that danced in their heads were of other, brand-new kinds of confections . . . Things like a Malt Ball Cake with Milk Chocolate Frosting, which captures the flavor of their favorite Whoppers candies (and ups the ante with a malted milk ball garnish). Things like spicy Chipotle Cheddar Biscuits that really wake up your taste buds at breakfast time. Things like a Sweet and Salty Cake created expressly for adults who are as salt-craving as they are sweet-toothed. Which is not to say that Lewis and Poliafito sidestep tradition absolutely. Their Chocolate Pie (whose filling uses Ovaltine) pays loving homage to the classic roadside-diner dessert. Their Baked Brownies will wow even the most discriminating brownie connoisseur. And their Chocolate Chip Cookies? Words cannot describe. Whether trendsetting or tried-and-true, every idea in this book is freshly Baked.

Sugar, spice, and all things nice: what say you to cookies, tarts, pies, cakes, flans, gingerbread, wafers, waffles and pancakes? Dutch baking has them all: it mines the mother-lodes of comfort, luxury and temptation to devastating effect. This book explores the history and customs of the Dutch bakehouse while offering excellent recipes well-suited to the

modern kitchen. There is no better teatime treat than GaitriAes spiced apple tart. The breads and cakes are simply delicious, the stuff of many a childhood dream; and the biscuits are crisp, rich and buttery. If you eat cookies (rather than biscuits) with your morning coffee you are plugging into a great tradition of baking, for cookie is originally a Dutch word, which crossed the Atlantic with settlers taking their biscuits, cakes, tarts and breads with them. Because of Holland's long history of trade and exploration in the East Indies, these recipes are heady with the aromas of the spice bazaar. And the wafers, waffles, loaves and other delicacies are often loaded with a rich tradition of local preferences and folk custom. Gaitri explains many of these, showing to perfection how cookery can be a way of understanding just as potent as the driest, most scholarly thesis. Then you can eat and enjoy the results. The text is in ten sections, each has an historical introduction and places the particular type of cake or bread in the context of everyday life. Gaitri Pagrach-Chandra is Guyanese by birth, but has lived in Holland for much of her life since university. As a wife and mother, and a student of history, she has the ideal qualifications for writing this book. And she has illustrated it with her own photographs of life and cookery in her home and the towns and villages around.
