## **The Flaming Door**

### **Sydney Omarr's Sun, Moon, and You**

### **Greek Myths and Christian Mystery**

This book provides an overview of the hero journey theme in literature, from antiquity to the present, with a focus on the imagery of the rites of passage in human life (initiation at adolescence, mid-life, and death). This is the only book to focus on the major works of the literary tradition, detailing discussions of the hero journey in major literary texts. Included are chapters on the literature of Antiquity (Sumerian, Egyptian, Biblical, Greek, and Roman), the Middle Ages (with emphasis on the Arthurian Romance), the Renaissance to the Enlightenment (Shakespeare, Milton, Marvell, Pope, Fielding, the Arabian Nights, and Alchemical Illustration), Romanticism and Naturalism (Coleridge, Selected Grimm's Tales, Brontë, Bierce, Whitman, Twain, Hawthorne, E.T.A. Hoffman, Rabindranath Tagore), and Modernism to Contemporary (Joyce, Gilman, Alifa Rifaat, Bellow, Lessing, Pynchon, Eudora Welty).

practice of Isis worship, portraying the goddess as a universal rather than specifically Egyptian deity. It contains rituals and exercises demonstrating how to divine the future using the Sacred Scarabs, cast love spells, and more."--Amazon.

### **Lucifer**

### **The Canadian Journal of Science, Literature and History**

A study of the yogic discipline as a path to union with God, written by a mystic of the Hindu tradition. Topics include the guru, control and perfection of the mind, death, religion and philosophy, and ancient and symbolic knowledge.

### **An Introduction to the History of Religion**

Explore the "dark side" of spirit, ritual, symbol, psyche, and magic. This book weaves together Jungian analysis, the practical application of imagery from ancient fairy tales, and contemporary Witchcraft to help you come to grips with the darker shades of your being. Embrace all aspects of your psyche and follow the true path of the Witch, shaman, magician and mystic.

"An examination of the early, mysterious Essene community at Qumran that links it with John the Baptist, Jesus, and the beginnings of Christianity"--Provided by publisher.

### **The New Age Bible Interpretation**

What color candle is appropriate for a justice spell? Which herbs correspond to heart problems? What can you do to strengthen a peace ritual? How can you protect your home? When is a good time to empower a healing charm? Because of her exhaustive knowledge of this subject, Eileen Holland is the expert other witches turn to when they are seeking correspondences for magickal workings. By publishing Holland's Grimoire of Magickal Correspondences, she at long last makes public the information she has been sharing privately with them for years (and which she began writing for herself as a way of organizing the information she needed for her own practice of the Craft). Holland's Grimoire of Magickal Correspondences is the ultimate resource for witches, magicians and shamans, brujas and brujos, Druids, Wiccans, Asatru and Santerians. The most comprehensive book of magickal correspondences that has ever been written, it is for everyone who practices magick or creates rituals. More than 500 separate topics are covered with a sample listing as follows: ASSERTIVENESS (See also: Aggressiveness) Mars Color: red Animal: sparrow Oil: bergamot Plant: basil, cypress Goddess: Inanna, Oya God: Ares, Mars Assertive Action: (See: Action) To Learn to Assert Yourself Stone: angelite, danburite Plant: apple The

correspondences included are drawn from many cultures and traditions, including Egyptian, Mesopotamian, Mayan, African, Afro-Caribbean, Buddhist, Norse, Hindu, Greco-Roman, Chinese, Celtic and Native American. Whatever the subject of your working, you are likely to find it covered here. If you practice magick, this will quickly become the most useful book you own and the one to which you refer constantly.

### **The Hero Journey in Literature**

The Eleusinian Mysteries were viewed as the efflorescence of all the Greek religion, as the purest essence of all its conceptions. The offering of bread and wine to the candidate by the Hierophant symbolised the spirit that was about to quicken matter: i.e., the divine wisdom of the Higher Self was to take possession of the candidate's inner Self or Soul through what was to be revealed to him. The transformation of Cybele to Ceres-Demeter was the basis for the sacredness of bread and wine in ritualism. Cybele is the Moon-Goddess of the Athenians, Pallas or Minerva, invoked in her festivals as ?????????? ?????, the One Mother of God, and Virgin Queen of Heaven. Esoterically, Cybele is Kabeiros, a

## Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

representative of the Phoenician Kingly Race. The Hierophant was always an old unmarried man. This and so many other features of the great archaic system, known as the Sacred Wisdom Science, have been appropriated by the Romish Church. One of the greatest mysteries is how the ever immaculate and yet ever prolific Divine Virgin who, fecundated by the fructifying rays of the Sun, becomes the Mother of all that lives and breathes on her vast bosom. Her very "Breath" is Akasha-tattva or Universal Essence, i.e., Vital Electricity — Life itself. The Mysteries are fragments of a grand pre-historic Philosophy, as old as the world itself. They are not only the foundation-stone of modern Philosophy, they also gave birth to hieroglyphics, as permanent records were needed to preserve and commemorate their secrets. The fact that the Sanskrit and Greek words for Initiation to the Greater Mysteries, Avapta and Eopteia, imply revelation not by human agent but by receiving the Sacred Drink, points out to the pre-Vedic origin of the Eleusinia. A cup of Kykeon, quaffed by the Mystes at the Eleusinian Initiation, forcibly connects the inner, highest "spirit" of man, which spirit is an angel like the mystical Soma, with his "irrational soul" or astral body, and thus united by the power of the magic drink, they soar together above physical nature and participate during life on earth in the beatitude and ineffable glories of Heaven. One well versed in the esoteric mythologies of various nations can trace the Mysteries back to the ante-Vedic period in India. Only those of the strictest virtue and purity were admitted. Those who consciously engaged in Black Magic or were responsible for homicide, whether accidental or not, and other evil acts were excluded.<sup>54</sup> Every

## Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

approach to the Mysteries was guarded with the same jealous care everywhere, and the penalty of death was inflicted upon Initiates of any degree who divulged secrets entrusted to them. Why Truth keeps hiding like a tortoise within her shell? Because Truth is too dangerous even for the highest Lanoo. No one can be entrusted with full knowledge of the Secret Science before his time. In Egypt the Mysteries had been known since the days of Menes. The Greeks received them much later when Orpheus introduced them from India. Thus, even in the days of Aristotle, few were the true Adepts left in Europe and even in Egypt. While darkness fell upon the face of the profane world, there was still eternal light in the Adyta on the nights of Initiation. Athenians, the real barbarians of Hellas, charged Æschylus with sacrilege and condemned him to be stoned to death because, they claimed, having been uninitiated, he had profaned the Mysteries by exposing them in his trilogies on a public stage. But he would have incurred the same condemnation, had he been initiated. Every truth revealed by Jesus, and which the Jews and early Christians understood, was concealed by a Church that has always pretended serving Him. To deprive the Greeks of their Sacred Mysteries, which bind in one the whole of mankind, was to render their very lives worthless to them. Blessed is he who has seen these things before he goes beneath the hollow earth; for he understands the end of mortal life, and the beginning of a new life. The Lesser grades of Eleusinia symbolised the descend of Persephone, Ceres-Demeter's daughter, to earth and were preparatory to Greater Mysteries, when the daughter returns to her divine abode and is finally

## Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

reunited with her mother. Similarly, Northern Buddhism has its “Greater” and its “Lesser” vehicle, the Mahayana or Esoteric, and the Hinayana or Exoteric School.<sup>63</sup> The object of the Lesser Mysteries was to instruct the candidate about the condition of the unpurified soul invested with an earthly body, and enveloped in a material and physical nature that, until and unless purified by high philosophy and ethics, is destined to suffer pain and death through its attachment to embodied life. Selfishness is the prisoner of the divine soul. Physical body is the prison. And real hell is life here, on earth. The Book of Job is a complete representation of ancient Initiation, and the trials which generally precede this grandest of all ceremonies. Still, the cunning translators of the Hebrew Bible imply that Job’s “Champion,” “Deliverer,” and “Vindicator,” was Messiah. Nothing could be further from the truth. With the Hindus, the real Champion and Deliverer is Atman; with the Neo-Platonists, Nous Augoeides; with the Buddhists, Agra; with the Persians, Ferouer. The true Champion is the immortal spirit in every man. It alone can redeem our soul and save us from ourselves, if we follow its behests instead of squandering our divine inheritance by pandering to our lower nature. There were two classes of participants, the Neophytes and the Perfect. And two castes of Magi, the initiated and those who were allowed to officiate in the popular rites only. Neophytes first taught in upper temples were initiated in crypts. Oral instructions were given at low breath, in solemn silence and secrecy. Jesus and Paul classified their doctrines as esoteric and exoteric: The Mysteries of the Kingdom of God for the Apostles, the parables for the multitude. Aristides

## Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

calls Mysteries the common temple of the earth. Epictetus says that all that is ordained therein was established by the Masters of Wisdom for the instruction of mortals and the correction of their customs. Plato asserts that the object of the Mysteries was to re-establish the soul in that state of perfection from which it had fallen. Baptism was one of the earliest Chaldeo-Akkadian rites of inner purification. Candidates were immersed thrice into water by Hydranos, the Baptist. At the Mysteries of the Anthesteria at limnai, i.e., the Feast of Flowers at the temple lakes, after the usual baptism by purification of water, the Mystai were made to pass through to the gate of Dionysus, that of the purified. After their Second Birth was accomplished, and the Mystai had returned from their baptism in the sea, the Tau or Egyptian cross was laid upon the breast. The Mysteries of the Jews were identical with those of Pagan Greeks, who took them from the Egyptians, who borrowed them from the Chaldaeans, who got them from the Aryans, who inherited them from the Atlanteans, and so on. But what Gods and Angels had revealed, exoteric religions, beginning with that of Moses, reviled, revealed, and hid for ages from the sight of the world. The lure of lucre was the final nail in the coffin of the Eleusinia. An Athenian demagogue and sycophant, whose eloquence was described as of a coarse and vehement character, degraded the Sacred Mysteries by persuading the State to levy a charge for those seeking admission to higher life. Thus initiation had become a commodity — and as necessary as baptism has since become with the Christians. The first hour for the demise of the Mysteries struck on the clock of the Races with the

## Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

Macedonian conqueror. The first strokes of its last hour sounded 47 BCE in the Thebes of the Celts. But the Mysteries of Eleusis could not be so easily disposed of. They were indeed the religion of mankind, and shone in all their ancient splendour if not in their primitive purity. It took several centuries to abolish them, and they could not be entirely suppressed before the year 396 of our era. The Eleusinian Mysteries were archaic Wisdom-Religion dressed in Greek garb. Prehistoric Greece was colonised by two great Indian races, the Solar and the Lunar dynasties. Springing up from the kingdoms of Cashmir and Tibet, the prehistoric colonists of Greece consisted of the two great primitive and radical races of Aryavarta, the Solar or ancient Budhistic dynasty (Surya Vansa), and the Lunar dynasty (Chandra Vansa). The former were the earliest settlers in Greece and their religious exponents appear to have been the Dodan, or Brahmanical priests of the great tribe, Doda. As history progressed, the original Lamaic system of religion has been so much modified and so far compromised, as to be compelled to seek refuge in the asyla of the Grecian Mysteries, instead of the state-position it once occupied. Inside Greece, Bacchus was a prosonym of Zagreus, the successor of the Lamaic sovereignty in whose service was Orpheus, the founder of the Mysteries. Outside Greece, Bacchus was the Tartarian Jupiter Hammon whose Lamaic worship accompanied the emigrants of Tartary to Egypt. In Budhistic belief, the young Lama is born again from the consort of the Jaina Pontiff, Semele or Su-Lamee, the Great Lama Queen. The Eleuth-Chiefs, who spread the Lamaic doctrines in the Attic territory, became Eleusine. Their forms of

## Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

worship and Tartar ceremonies composed the staple of the celebrated Eleusinian Mysteries. The high-born Brahmans or Culini lived on the Peloponnesian Mount Cyllene. The Mysteries were communicated to Culyus-Celeus, ruler of the land of the Rarhya, by Demeter herself. Yet the Greeks besmirched their noble ancestry by belittling their Hierophants as troglodytes. Three Hierarchs represented Budhistical and Brahmanical power. Two orders of priests officiated over the initiations. The descendants of the High Budha Priest or Eumolpidai, and the Budhist Keerukos or Keryx, the sacred herald of the Greeks, the latter aided by the daughters of the late Eleusinian high-caste king Culyus or Celeus. Modern Greek authors who treat Eleusinian worship as mysteries, rather than the old national form of worship, name those admitted to the Lesser Mysteries as Mokshtai or Mystai, from the Budhist word Moksha. After taking an oath of secrecy to preserve the old religion of the country against the more attractive heresy of Homer and his popular gods, those admitted to the Greater Mysteries were styled avapta or epoptai. Iacchos (Bacchos), properly Yogin, who appeared on the sixth day of the Mysteries, is none other than Dio Nausho or Dionysos, son of the Jaina Pontiff (Jeyus), and the Great Lama Queen, Soo Lamee or Semele. Couros, a prosonym of Iacchos, is Gooros or Guru, a spiritual teacher. Hence, Demeter is styled by the Greeks Couro-trophos or Guru-nurse. Erectheus-Poseidon was worshipped jointly with Athene and is identified with Poseidon or Po-Sidhan, Prince of all Saints, Chief of Saidan, and Prince of Sidon. Saidan, Eracland, and Phœnicia, are in close proximity to Afghanistan; Sidan is repeated in the

# Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

Phœnicia of Palestine. Poseidon was worshipped jointly with Adheene, the Virgin Queen of Heaven, modified by the Greeks as Athene. She is the Egyptian Neeti, corruptly written Neith. The mysterious name of Onge-Athene was also derived from AUM, the Triple Fire representing the highest Tetraktys.

In ancient times humanity possessed an innate knowledge of the spiritual foundations of existence. Such knowledge could be acquired through inwardly accompanying the cycle of the year and its connected great seasonal festivals. But this instinctive knowledge had to be lost in order for human beings to discover individual freedom. In our time, as Sergei O. Prokofieff demonstrates in this comprehensive work, ‘this knowledge must be found anew through the free, light-filled consciousness of the fully developed human personality’. Tracing the spiritual path of the yearly cycle, Prokofieff penetrates to the deeper esoteric realities of the seven Christian festivals of Michaelmas, Christmas, Epiphany, Easter, Ascension, Whitsun and St John’s Tide. Basing his research on the work of the twentieth-century initiate Rudolf Steiner, he reveals how these festivals are spiritual facts that exist independently of religious traditions and cultural customs. Working with the festivals in an esoteric sense can provide a true path of initiation, ultimately enabling an experience of the Being of the Earth, Christ. The journey of study through this book can thus lead the reader to an experience of the modern Christian-Rosicrucian path, along which ‘it is possible

# Access Free Initiation Into The Lunar Mysteries 28 Day Prompt Journal

to take the first steps towards life in partnership with the course of cosmic existence’.

## **Dark Moon Mysteries**

In recent decades, there has been an upsurge of interest in "the Camino," the pilgrim's route to Santiago de Compostela in northern Spain. But where does this fascination in the spiritual exploration of the Middle Ages come from, and what is its significance? Virginia Sease and Manfred Schmidt-Brabant assert that we live in a time of spiritual quest, discovery, and change. Humanity is becoming increasingly sensitive, and primal memories are beginning to emerge in people's consciousness. Within this dynamic context of inner transformation, the Camino's historic importance is being reechoed in human souls. Rudolf Steiner explained that people need to live not only with outer history, but also with the esoteric, hidden narrative behind it--the history of the mysteries. Today, at the beginning of the twenty-first century, the authors suggest that it is increasingly necessary for us to live consciously with this veiled history of humanity's continual search for communion with the divine world. Based on long research and contemplation, the authors present a survey of extraordinary breadth and depth. Focusing on the spiritual history of humankind, they begin with the cosmic origin of the Grail Mysteries and culminate with the suprasensory Michael cultus and the being of Anthroposophia. Topics also include: the school of Athens; early Christian art and its Gnostic impulses; the Grail initiation in northern Spain; the role of the
