Best-selling author and spiritual teacher Pema Chödrön shares life-changing practices for living with wisdom, confidence, and integrity amidst confusing situations and uncertain times. We live in difficult times. Life so often seems like a turbulent river threatening to drown us and destroy our world. Why, then, shouldn't we cling to the certainty of the comfortable—to our deep-seated habits and familiar ways? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more powerful experience of being fully alive. The teachings she presents here—known as the “Three Commitments”—provide a treasure trove of wisdom for learning to step right into the unknown, to completely and fearlessly embrace the groundlessness of being human. When we do, we begin to see not only how much better it feels to live an openhearted life, but we find that we begin to naturally and more effectively reach out to help and heal all those around us.

The author of *When Things Fall Apart* reveals the meaning behind 59 Buddhist teachings and how you can use them as touchstones for daily living. For centuries Tibetan Buddhists have relied on a collection of 59 pithy teachings—called lojong in Tibetan—to help them develop wisdom and compassion amid the challenges of daily living. In this book, Pema Chödrön introduces these transformative teachings and offers guidance on how to make them part of our everyday lives. Each lojong, or slogan, is followed by Pema Chödrön's accessible and succinct commentary on how to understand and apply it. The lojong teachings include:

- "Always maintain only a joyful mind."
- "Don't be swayed by external circumstances."
- "Don't be so predictable."
- "Be grateful to everyone."

Inside *Always Maintain a Joyful Mind* readers will also find a link to an online audio program entitled "Opening the Heart." Here, Pema Chödrön offers in-depth instruction on tonglen meditation—a powerful practice that anyone can undertake to awaken compassion for oneself and others.

In her own words, Ruth Bader Ginsburg offers an intimate look at her life and career, through an extraordinary series of conversations with the head of the National Constitution Center. This remarkable book presents a unique portrait of Justice Ruth Bader Ginsburg, drawing on more than twenty years of conversations with Jeffrey Rosen, starting in the 1990s and continuing through the Trump era. Rosen, a veteran legal journalist, scholar, and president of the National Constitution Center, shares with us the justice's observations on a variety of topics, and her intellect, compassion, sense of humor, and humanity shine through. The affection they have for each other as friends is apparent in their banter and in their shared love for the Constitution—and for opera. In *Conversations with RBG*, Justice Ginsburg discusses the future of *Roe v. Wade*, her favorite dissents, the cases she would most like to see overruled, the #MeToo movement, how to be a good listener, how to lead a productive and compassionate life, and of course the future of the Supreme Court itself. These frank exchanges illuminate the steely determination, self-mastery, and wit that have inspired Americans of all ages to embrace the woman known to all as "Notorious RBG." Whatever the topic, Justice Ginsburg always has something interesting—and often surprising—to say. And while few of us will ever have the opportunity to chat with her face-to-face, Jeffrey Rosen brings us by her side as never before. *Conversations with RBG* is a deeply felt portrait of an American hero.

Hallelujah, it's a book! After proving itself to be the "funniest calendar of the year" (according to Gene Shalit), "irresistible" (USA Weekend), and "habit-forming" (Maxim magazine), the Nuns Having Fun calendar has inspired Nuns Having Fun, a book of endearing nuttiness. Catholic kitsch doesn't get any funnier. Written by Maureen Kelly and Jeffrey Stone, pitch-perfect co-authors of the nuns calendar and the New York Times bestseller Growing Up Catholic, Nuns Having Fun features hundreds of sisters in full habit, cutting loose and having a hoot. Here are nuns in the surf ("This is even more fun than walking on water"), nuns in bumper cars ("We brake for Jesus"), nuns in a beer hall ("Ale Marys"), and nuns in the museum, huddled in front of a study of nudes ("It's okay to open your eyes. Sister Wendy says it's art"). There are nuns on skates, at bat, at the theater, skeet shooting (nuns with guns!), even hitting the slots (you know it's for a good cause).
