Life in a Medieval Castle

The Tyler family had the perfect life - until sixteen-year-old Leah decided she didn't want to be perfect anymore. While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? What happens when love just isn't enough? Jodi Picoult fans will love *In Leah's Wake* - a heartbreaking, ultimately redemptive story about family, connection and our responsibility to those we love.

We Have Always Lived in the Castle

The Curtain - a Novel

One of the 20th Century's most beloved novels is still winning hearts! *I Capture the Castle* tells the story of seventeen-year-old Cassandra and her family, who live in not-so-genteel poverty in a ramshackle old English castle. Here she strives, over six turbulent months, to hone her writing skills. She fills three notebooks with sharply funny yet poignant entries. Her journals candidly chronicle the great changes that take place within the castle's walls, and her own first descent into love. By the time she pens her final entry, she has "captured the castle"-- and the heart of the reader-- in one of literature's most enchanting entertainments. "This book has one of the most charismatic narrators I've ever met." -- J.K. Rowling, author of the Harry Potter series

Keeping The Castle

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth

stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

The Irish Castle: Keeping Elizabeth

One thing is for certain: Chloe Adler hates being a Cheerleader. Instead, she wants to be a Cross-Country runner. She's ready to exchange the high ponytails, mean cheerleaders, and boring football games to be fit, fast, and fearless. There's only one problem: Chloe can't run a mile without almost dying in the process. But if she truly wants to make the cross-country team, she'll have to navigate treacherous canyons, avoid rattlesnakes, and deal with Coach Hough all while finishing with a good mile time. Chloe hopes to earn more than a cross-country medal for her efforts; she ultimately hopes to win the heart of Flynn Jacobs, a cute senior on the cross-country team. But will star runner Kaitlin Clark get to him first? As Chloe deals with her sophomore year, it seems that problems arise faster than she can out-run them, but in the end, sometimes the toughest trails are what lead to self-discovery.

Stripped Bare

A smart, funny take on the Charles Dickens classic BLEAK HOUSE—for anyone who's ever held on to a dream just a little too long. New York writer Ricki Carstone knows the odds of Hollywood actually turning her debut novel, Jarndyce and Jarndyce, into a movie are slim. But Moxie Bernard, the most famous teen on the planet, has signed on to star in the option. Plus, the producer is throwing her a super fabulous party in Hollywood (with Moxie!) to celebrate the relaunch of her book with a younger, sexier cover. Maybe it will happen after all. Quitting her dead-end paralegal job to move out to Los Angeles and keep an eye on the project, Ricki meets a handsome out-of-work actor who encourages her to try her hand at screenwriting, and an experienced screenwriter who is willing to help her for a fee, which only starts out small. And then there's her cute neighbor Simon, who thinks her new friends are just taking advantage of her. Will Ricki ever see her name in lights and make it big in Hollywood?

Keep It Simple and Smart

Witty and charming, New York Times-bestselling author Kerstin Gier's contemporary young adult novel *A Castle in the Clouds* follows a girl as she navigates secrets, romance, and danger in an aging grand hotel. Way up in the Swiss mountains, there's an old grand hotel steeped in tradition and faded splendor. Once a year, when the famous New Year's Eve Ball takes place and guests from all over the world arrive, excitement returns to the vast hallways.

Sophie, who works at the hotel as an intern, is busy making sure that everything goes according to plan. But unexpected problems keep arising, and some of the guests are not who they pretend to be. Very soon, Sophie finds herself right in the middle of a perilous adventure—and at risk of losing not only her job, but also her heart.

Keeping Up with the Slowpoke

Award-winning author Jennifer Egan brilliantly conjures a world from which escape is impossible and where the keep –the tower, the last stand –is both everything worth protecting and the very thing that must be surrendered in order to survive. Two cousins, irreversibly damaged by a childhood prank, reunite twenty years later to renovate a medieval castle in Eastern Europe. In an environment of extreme paranoia, cut off from the outside world, the men reenact the signal event of their youth, with even more catastrophic results. And as the full horror of their predicament unfolds, a prisoner, in jail for an unnamed crime, recounts an unforgettable story that seamlessly brings the crimes of the past and present into piercing relation. From the Trade Paperback edition.

loved one. He's steered clear of serious relationships, but when he meets the irascible, dirty mouthed and tempestuous Shane Templar that decision has never been harder. Shane is sexy, warm and funny, and Matthew finds himself trying like hell not to fall for him. Especially when Shane, with his quick wit and hacking skills, is quick to stand up for justice and avenge wrongs. Then Shane strikes at the wrong target, and Matthew realises just how far he's already fallen. At the threat of losing for good yet another man who has broken through his armour, Matthew finds his heart stripped bare. He must face the demons of his soul or a future without love.

Daily Prayer Journal Book

Ten year old Edwin is surprised to learn that he will be travelling to America on the famous new Titanic. Even more shocking is that he will be going with grandparents he has never known. Why does his mother want to send him away? Edwin explores the ship, meeting men such as Thomas Andrews, Bruce Ismay, and Captain Smith. Along the way, he also learns secrets about his own family's past. When the ship sinks and Edwin ends up in a lifeboat separated from everyone he knows, he wonders if he has survived the worst only to be abandoned in the middle of the Atlantic.

The Boggart

Ten-year-old William receives a wooden model of a medieval castle as a gift. It has everything he could possibly want, right down to a miniature drawbridge, a portcullis and a silver knight. In this enthralling story that weaves the everyday problems of growing up with magic and fantasy, the castle introduces William to an adventure involving magic, a ferocious dragon, a wicked wizard, and his own personal quest, where courage will finally triumph over fear.

The Keep

"Good-natured, evoking nostalgia for a forgotten era, this charming memoir is both touching and entertaining. A must read for all those who love the hills." - Ruskin Bond

A mango ensures the birth of a son
Ghosts hoot and cackle in a forest
A tiger strikes terror in the heart of a village
A boy experiences the first stirrings of desire
On trips back to his hometown, memories appear, cling, and then fade away like the mist in the Himalayan foothills. Tracing the pangs and pleasures of growing up during the time of missionary schools, wind-up gramophones, hand-pulled designer rickshaws, maharanis in their imitation castles, busty film stars of the black-and-white era - a lone, all-brown boy in an all-white American school comes to grips with his coming of age. Fast-paced and furiously funny, *The Hill Billy* zips up the otherwise tranquil, languid, laid-back life in a hill station that hasn't quite got over the hangover of its British past. The debut work of an author who has spent a big chunk of his life coining advertising slogans and jingles - *The Hill Billy* runs riot with its take-off on school teachers, hunters, swamis, dairy farmers, and nosy neighbours. In the process, it takes a somewhat whacky, irreverent and cynical view of the characters who love, laugh and come alive through its crackling narrative.

Woodland Creek Series. 30 Authors. 30 Shifter Stories. One Epic Release Day. Frankie Aleen, a Doberman-shifter, has lived her life in and out of both foster homes and animal shelters. Without a mentor to guide her through the trials of shapeshifting, she was left to struggle to find balance between that of human and dog. Five years ago, though, she ran away from Chicago and ended up in the quaint town of Woodland Creek, Indiana, at the age of seventeen and finally found a safe harbor. An owl-shifter, Otis Brock, took her in and has been a father figure to her ever since. Even though Frankie, now a bartender, has a wild, rebellious streak, she feels obligated to seek out other abandoned shifters to provide mentorship of her own. Frankie's safe haven is threatened, however, when teen shifters start turning up dead around Woodland Pond, and she makes it her mission to find the perpetrator and seek justice. But when one of Woodland Creek PD's finest, Detective Gunnar Mason, starts sniffing around, he

begins to notice that each of the deceased teens are somehow linked to that of the sexy, mysterious bartender with a sharp tongue. He doesn't want her out of his sight until he's sure she's not responsible for the deaths that are stacking up. Things aren't what they seem in Woodland Creek and he's sure that Frankie is harboring a dark secret—a secret that may be the key to solving the entire case. Will Frankie become distracted from her quest for justice by the handsome detective that seems immune to her powers of intimidation? What will happen when Gunnar discovers secrets that weren't ever meant to be uncovered by humans?

"And it's going to be such a pleasure to make you crawl and beg," he promised in a deep growl. "As meek as a little kitten."
He was known as Stone Rothman in Hollywood
Stone Sinclair to his family and Master Eagle to everyone else in Castle Sin.
A powerful Master, a compassionate man, and a hungry and demanding Beast created the enigma that was Stone Sinclair. Trust and honesty were paramount in every aspect of his life and he expected the same from those surrounding him. As the king of his castle, it took a lot to crack his armor but this time she had peevd him off. She was one of the trainees who had applied to be a submissive at Castle Sin and she was a fake. A liar and an impostor. Two traits this powerful Master had no patience for. The moment he laid eyes on the tall redhead, the Beast inside his soul began to stir. She was a deceiver, and he was going to enjoy transforming her into exactly what she'd applied for. A submissive his submissive. Meanwhile, unbeknownst to both of them,

“The Enchanted Castle” is a 1907 children's fantasy novel written by Edith Nesbit (1858 – 1924). Set in the West Country in England, the story follows three children—Gerald, James and Kathleen—and their discovery of an enchanted castle during the school holidays. A wonderful example of Nesbit's magical children's literature, “The enchanted castle” would make for perfect bedtime reading and is worthy of inclusion in any family collection. Edith Nesbit (1858 –

1924) was an English poet and author. She is perhaps best remembered for her children's literature, publishing more than 60 such books under the name E. Nesbit. She was also a political activist and co-founded the Fabian Society, which had a significant influence on the Labour Party and British politics in general. Other notable works by this author include: "The Prophet's Mantle" (1885), "Something Wrong" (1886), and "The Marden Mystery" (1896). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Owl in Love

"Daddy, what is a white lie?" My father put down his spoon and looked at me thoughtfully. "Why'd you ask, Princess?" "I heard you talking yesterday and you said 'one more white lie isn't going to make a difference.' I just want to know what you meant." "You heard that, huh?" My father tilted his head to study me. "It's just a small lie you tell when you don't want to hurt someone's feelings. It's nothing for you to worry about." My eyes grew wide. "Like when you told Aunt Rena that her pie was good even though it tasted icky?" "Exactly." He smiled. "Or when you told the man last week that you hadn't seen Uncle Bruno and you had?" The Smile fell from his face and he straightened in his chair. "No, Princess, that was a different kind of lie." Scrunching up my nose, I asked, "What kind of lie was that?" My father swallowed hard before replying. "That's the kind of lie where you have to have a real good memory." As an inquisitive child, the woman known as Clarissa Solano, could never have imagined how significant those words would become. That she would spend years twisting the truth: hoping and praying that she would not contradict herself and expose the secrets she keeps locked inside. Most of the people in her life don't really know her at all. She forces them to swallow her lies, but she is the one who feels the bitter aftertaste of deception. When Lane Hunter sweeps into her life, she finds herself opening up in ways she never thought possible. He sees beyond the facade to the woman beneath and knows instantly that he wants her. However, all is not as it seems and when secrets and lies are exposed, it threatens to destroy them all. This is the first book in a series of standalone HEAs"

Have you met Henry Maddox? He knows you - not personally of course he really only knows your data. But from that data he actually may know you better than you think you know yourself. Henry knows where you've been and what you've bought. He knows all of your friends. Henry not only knows your behaviors, he understands your tendencies. And from those tendencies, he can predict what you're going to do before you've actually done it. Who is Henry Maddox? He is a 21st century marketing consultant and he specializes in highly personal and irresistibly persuasive advertising. Henry's strategies combine modern data mining (Big Data) techniques with other advanced and controversial marketing practices (Market Fragmentation, Cross Promotion, and Conglomerate Propagandizing) to the point where consumers don't even know they are being sold. Businesses love Henry because he not only moves product, he actually controls their customers. But when Henry is forced to face how his techniques affect real people, he realizes he has inadvertently given corporations the power to destroy society for their own ends. *THE CURTAIN* explores the effect that increasingly sophisticated marketing techniques have on communities, families, and individuals. In an age of digital distractions, who remembers the transcendent morality that has allowed past civilizations to prosper? When corporations have the influence and motive to define people by what they consume, are we as individuals losing the substance of who we really are? *THE CURTAIN* is entertaining, fun, thought provoking, educational, and frightening. Ord's storytelling is brilliant and his research extraordinary. *THE CURTAIN* is a must read for anyone that watches television or movies, listens to the radio, accesses the internet, logs into social media, has a smart phone, participates in loyalty card programs, or uses GPS technology. In short, *THE CURTAIN* is for everyone.

A Smile Through a Tear is a collection of short stories featuring humorous and dramatic pieces in one volume. The humorous stories include the tales of: a telephone company executive who must figure out how to use his phone before he is exposed as a fraud; a woman who has accidentally introduced a mysterious white powder into the State Capitol building; and a man whose entire job is to sit on a park bench, and who has trouble meeting that obligation. The dramatic episodes include the stories of: a father trying to protect his kids from a lifestyle that sent him to prison; a group of WWI soldiers facing overwhelming odds; a space traveler who must make a terrible choice; and a man whose best Christmas would be anyone else's worst. These tales and many others are brought together in one book to present the reader with A Smile Through a Tear.

In the early 1800s, in a remote corner of England with almost no eligible young men, the eight students at the Winthrop Hopkins Female Academy uncover a mystery while learning all the skills necessary to become a good wife.

The Enchanted Castle

The enchanted castle of the title is a country estate in the West Country seen through the eyes of three children, Gerald, James and Kathleen, who discover it while exploring during the school holidays. The lake, groves and marble statues, with white towers and turrets in the distance, make a fairy-tale setting, and then in the middle of the maze in the rose garden they find a sleeping fairy-tale princess. The princess tells them that the castle is full of magic, and they almost believe her. She shows them the treasures of the castle, including a magic ring she says is a ring of invisibility, but when it actually turns her invisible she panics and admits that she is the housekeeper's niece, Mabel, and was just play-acting. The children soon discover that the ring has other magical powers. The Enchanted Castle was written for both children and adults. It combines descriptions of the imaginative play of children, reminiscent of The Story of the Treasure Seekers, with a magic more muted than in her major fantasies such as The Story of the Amulet.

Keeping It Real

From acclaimed historians Frances and Joseph Gies comes the reissue of this definitive classic on medieval castles, which was a source for George R.R. Martin's *Game of Thrones* series. "Castles are crumbly and romantic. They still hint at an age more colorful and gallant than our own, but are often debunked by boring people who like to run on about drafts and grumble that the latrines did not work. Joseph and Frances Gies offer a book that helps set the record straight—and keeps the romance too."—*Time* A widely respected academic work and a source for George R.R. Martin's *Game of Thrones*, Joseph and Frances Gies's bestselling *Life in a Medieval Castle* remains a timeless work of popular medieval scholarship. Focusing on Chepstow, an English castle that survived the turbulent Middle Ages with a relative lack of violence, the book offers an exquisite portrait of what day-to-day life was actually like during the era, and of the key role the castle played. The Gieses take us through the full cycle of a medieval year, dictated by the rhythms of the harvest. We learn what lords and serfs alike would have worn, eaten, and done for leisure, and of the outside threats the castle always hoped to keep at bay. For medieval buffs and anyone who wants to learn more about this fascinating era, *Life in a Medieval Castle* is as timely today as when it was first published.
