### **Money by Rob Moore (Summary)**

Incisive questions can inspire self-reflection, spark ideas, and, best of all, reveal surprising truths. From Flow, the champions of meditating on life's simple pleasures, here's a book of 165 creative questions, some sweet, some silly, some unexpectedly provocative, that will open the mind to deeper self-knowledge. There are no "right" answers—the point is simply to stay curious and stay open to learning about oneself or a friend, partner, or roommate. There are questions to prompt memories: How many homes have you lived in? To fuel a fantasy life: Which historical event do you wish you could have seen with your own eyes? To tap into your sense of adventure: What's the wildest thing you've ever done? To remind you to live in the present: What were the three best things that happened today? To celebrate your strength: When have you stood up for yourself? A signature Flow book in its mindful theme and charming, colorful aesthetic with vibrant patterns and hand-lettering, Know Yourself is a pleasure to browse through and share.

### **The Velvet Rope Economy**

The hidden key to a healthy relationship is not just managing money but understanding how the other approaches money. Every couple argues about money. It doesn't matter if you've been married for 40 years or dating for 4 months, money touches every decision you make as a couple—from the \$5 cup of coffee to the \$50,000 car. And when the two of you don't see eye-to-eye on how much to spend or how much to save, that's when arguments turn into ugly toxic fights that leave both persons feeling hurt and angry. It's why money has become the #1 cause of divorce in the U.S. Obviously, something

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

needs to change. The reason this crisis has not been addressed is because it has never been identified, defined, or given a name. Scott and Bethany Palmer, aka “The Money Couple,” have identified and defined this problem and offer concrete solutions to fix it. Once you know your Money Personality, you can get to the root of money arguments and start really working together. You’ll discover what has an impact on your loved one’s money decisions, and you’ll learn how to talk about money in a way that’s actually fun! You’ll figure out how to put an end to money secrets and lies once and for all. It’s not just about money management, and it’s definitely not just about overcoming debt. It is a whole new way of living that will change everything in your relationship. Tens of thousands have already been transformed. Are you ready?

### **The Legacy Journey**

If you’re looking for practical information to answer all your “How?” “What?” and “Why?” questions about money, this book is for you. Dave Ramsey’s Complete Guide to Money covers the A to Z of Dave’s money teaching, including how to budget, save, dump debt, and invest. You’ll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace University. If you’ve already been through Dave’s nine-week class, you won’t find much new information in this book. This book collects a lot of what he’s been teaching in FPU classes for 20 years, so if you’ve been through class, you’ve already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us—the Baby Steps haven’t changed a bit. So if you’ve already memorized everything Dave’s ever said about money, you probably don’t need this book. But if you’re new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

### **Too Good to Be True**

When it comes to money, it pays to know yourself. This is NOT just another money book. Personal finance expert Rachel Cruze brings an all-new approach to the traditional money rules, and it all starts with your mindset. Go beyond the Ramsey Baby Steps and get to the root of all of your decisions—your mind, your behaviors, and your beliefs— so you can change your money mindset for good. You may already know how to make the right money decisions, BUT you probably still find yourself slipping into impulse purchases, dipping into savings, disagreeing on your budget with your spouse, and wondering “Why did I do that?!” If so, this book is for YOU. Rachel Cruze explains the psychology, strengths, and challenges that come with each of her brand-new Seven Money Tendencies: Saver or Spender Nerd or Free Spirit Experiences or Things Quality or Quantity Safety or Status Abundance or Scarcity Planned Giving or Spontaneous Giving Along with discovering where you land on the scale of Seven Money Tendencies, this book also introduces new ways to understand how your parents, your fears, and your beliefs impact your money mindset. You’ll learn: Which of the Four Childhood Money Classrooms shaped your personality How the Six Core Money Fears can drive your most common money mistakes Why you handle money the

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

way you do, and what to do about it You DON'T have to white-knuckle your way toward financial freedom. This book will show you how to make taking control of your money so much easier (and fun).

### **Start from Zero**

Showing up is what turns the people you know into your people. It's at the core of creating and maintaining strong, meaningful bonds with friends, family, coworkers, and internet pals. Showing up is the act of bearing witness to people's joy, pain, and true selves; validating their experiences; easing their load; and communicating that they are not alone in this life. If you're having trouble connecting with those around you, know that you're not the only one. Adult friendships are tricky!!! Part manifesto, part guide, *The Art of Showing Up* is soul medicine for our modern, tech-mediated age. Rachel Wilkerson Miller charts a course to kinder, more thoughtful, and more fulfilling relationships—and, crucially, she reminds us that “you can't show up for others if you aren't showing up for yourself first.” Learn to fearlessly . . . define your needs, reclaim your time, and commit to self-care ask for backup when times are tough—and take action when others are in crisis meet and care for new friends, and gently end toxic friendships help your people feel more seen (and more OK) overall!

### **How To Win Friends and Influence People**

Offers advice on personal finance and creating wealth based on the principles of Jewish tradition.

### **Retire Inspired**

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

### **Destroy Your Student Loan Debt**

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.<sup>1</sup> Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: \*How to prepare their child for college \*Which classes to take in high school \*How and when to take the ACT and SAT \*The right way to do college visits \*How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

### **Clever Girl Finance**

### **Debt-Free Degree**

Early in her more than twenty-five-year career, Ande Frazier rejected traditional planning methods that didn't account for how emotions factor into women's financial decision-making. Developing an expertise in behavioral finance, she saw again and again that conventional wisdom about women and money was flawed: it's not women's finances that determine their self-worth. It's women's sense of self-worth that determines their finances. And like that, a new philosophy was born. In *Fin(anci)ally Free: 11 Conversations to Have with Yourself About Life, Money, and Worth*, Ande reveals her philosophy by guiding you through the conversations you must have with yourself to discover what drives your own approach to money - and how to break through what's holding you back from financial well-being. Designed to help you make financial decisions aligned with your personal values and goals, *Fin(anci)ally Free* gives you the tools to take control of your financial journey.

### **The 5 Money Personalities**

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

### **The Total Money Makeover Workbook**

Embark on 7 Learning Adventures to Create a Business From Scratch. This book includes research on "who" is most likely to be successful in entrepreneurship across 26 different personality factors. No hype. No BS. No fluff. This is a comprehensive book full of examples to draw from. *Start From Zero* gives you the repeatable path to create a meaningful and profitable business without being dependent on any person, any platform, or anything. See new research on the top personality traits pulled from 30 successful entrepreneurs. Learn by example from 15 employees who became entrepreneurs. Much of the world believes you have to be smart, gifted, or lucky to make it with your own business. That's only true to a certain extent. You can actually screw up a lot and still get rich if you get the right things done right. This is the only book that will show you how to successfully start from zero when you have nothing. Not even confidence. *Start From Zero* is the result of over 10 years of research, based on tested principles, with a methodology that will still be relevant a hundred years from now. If you are frustrated with your income and earning potential, this book is for you. *Start From Zero* teaches you how to install the 4 brains you need to create income & scalable products from scratch. Whether you are a frustrated employee, a time-strapped business owner, or a curious 16 year old wondering if you should attend college, *Start From Zero* delivers the goods. My hope is this book helps make entrepreneurship accessible to the entire world. I have personally helped thousands of people become free with this exact process. All of them started from zero. Many of them started as employees. You can be next. Put these principles into practice for 90 days and learn the skills to make success more likely

in any endeavor you choose!

### **Entreleadership**

Two million dollars. That's how much money anyone under age 40 will need to accumulate to retire. That often means working 40-hour-weeks and penny-pinching your whole life. How else could you save a cool \$2 mil? Finance guru, former financial advisor, and Amazon bestselling author of Money Honey, Rachel Richards has one goal in mind: teaching you everything you need to know to become financially free earlier than you ever thought possible. At age 27, Rachel quit her job and retired, living off \$10,000+ per month in passive income streams. Let her show you how to do it at any age--it's never too late. What is passive income? Passive income is earned with little to no ongoing work. It's no get-rich-quick scheme, but once your passive income exceeds your expenses, you are set for life. In a refreshingly realistic how-to guide, Rachel serves up 28 tried and true passive income stream models, helping you to: Achieve "Financial Independence, Retire Early" without penny-pinching Create consistent, long-term residual income (the non-multi-level-marketing way), so you can live life on your terms Have the flexibility to work when, where, and if you want Say "goodbye" to your 9-5, and create a life you totally love Eliminate your money stresses and fears Rachel supplements boatloads of research and personal expertise by interviewing well-known experts! You'll hear directly from big names such as HAL ELROD, BOBBY HOYT, DAVID OSBORN, HONORÉE CORDER, and more! Hal Elrod is the internationally bestselling author of The Miracle Morning(tm) Series, which has been translated into 37 languages and has impacted over 2,000,000 people's lives! Bobby Hoyt is a former high school band director and the founder of Millennial Money Man. He now makes six figures per month from his blog, online courses, and recurring revenue! David Osborn is a multi-millionaire real estate mogul who started out broke and unemployed at age 26, only to become one of the most successful real estate franchise owners in the world! Honorée Corder has written over 50 books. She teaches the You Must Write a Book Live Coaching Course and is an executive book coach! Doug Skipworth is the co-founder and principal broker at Crestcore Realty, which manages 2,500 properties in Tennessee. He personally owns hundreds of rentals! Thom Shepherd is a CMA of Texas Songwriter of the Year and has written five #1 singles! If you regularly feel the Sunday Scaries or always dread getting up for work in the morning, this book is for you. This book is for the college student already dreading the 9-5 life that waits him upon graduating; the couple who would rather spend their time doing what they want, instead of slaving away for their employers every day; and the single parent who is barely scraping by. Regardless of your WHY, passive income could be your HOW. Join the thousands of people who have already found success with these strategies. Applicable in 2019, 2020, and beyond, Passive Income, Aggressive Retirement is the gift that keeps on giving. Get it for yourself, for a Christmas gift, or to jumpstart a New Year's Resolution. Complete beginner or not, by the end of Passive Income, Aggressive Retirement, you'll know exactly what it takes and how to get started. Passive income is real and attainable for everyone, even you. Are you ready to join the movement?

## **Know Yourself**

The untold story of the Madoff scandal, by one of the first journalists to question his investment practices Despite all the headlines about Bernard Madoff, he is still shrouded in mystery. How did he fool so many smart investors for so long? Who among his family and employees knew the truth? The person best qualified to answer these questions is Erin Arvedlund. In early 2001, she was suspicious of the amazing returns of Madoff's hedge fund. Her subsequent article in Barron's could have prevented a lot of misery, had the SEC followed up. Arvedlund presents a sweeping narrative of Madoff's career-from his youth in Queens, New York, to his early days working for his father-in-law, and finally to infamy as the world's most notorious swindler. Readers will be fascinated by Arvedlund's portrayal of Madoff, his empire, and all those who never considered that he might be too good to be true.

## **Know Yourself, Know Your Money: Understand What the Financial Advisors and Gurus Aren't Telling You about Your Money**

If you're like most people, you're trying to figure out how your money is supposed to work in your life. And, like most people, you're wondering why it is that no matter how hard you try, you can't seem to get your money to look the way the financial advisors and money "gurus" out there tell you it's supposed to look. There's one important reason why YOU'RE LEAVING YOURSELF OUT OF YOUR MONEY! Now is the time to understand how knowing yourself can be what unlocks handling your money in a way that brings balance and happiness to your life!

## **Worth It**

When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In Retire Inspired, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

## **Dave Ramsey's Complete Guide to Money**

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth—and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

### **Love Your Life Not Theirs**

A simple, straight-forward game plan for completely making over your money habits! Best-selling author and radio host Dave Ramsey is your personal coach in this informative and interactive companion to the highly successful New York Times bestseller *The Total Money Makeover*. ## **The E-Ticket Life**

From Richard Florida, author of the bestselling books *The Rise of the Creative Class* and *Who's Your City?*, comes a book that frames the economic meltdown of 2008–09 not as a crisis but as an opportunity to “reset.” In doing so, he paints a fascinating picture of what our economy, society, and geography will look like—of how we will work and live—in the future.

## **The Art of Showing Up**

Do you want more free book summaries like this? Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. Know More, Make More, Give More: Learn How to Make More Money and Transform Your Life. Have you ever wished that you were truly financially independent? Or maybe you've simply wanted to use your money in the way you'd like or feel confident in your ability to take care of yourself and your family. Well, you aren't alone. Many of us have the desire to accumulate more wealth and financial freedom; however, many of us also believe that it's impossible. There are just too many bills to pay and not enough hours in the day. Right? Wrong. Acquiring money is all about how you play the game. That's why you see lottery winners and those who inherit money lose it all. They never knew how to play the game. It's time that you learn so you can begin accumulating the wealth you know you deserve. Throughout *Money*, multi-millionaire Rob Moore explains the rules of the game and shares simple tips and tricks for managing your money and making plans for your future. After all, to become a millionaire, you'll have to learn how to think like one! As you read, you'll learn that there is enough wealth for everyone, you'll learn how to calculate how much your time is worth, and how to leverage your time and money.

## **How Will You Measure Your Life? (Harvard Business Review Classics)**

- More than 500 appearances on national bestseller lists
- #1 Wall Street Journal, New York Times, and USA Today
- Won 12 book awards
- Translated into 35 languages
- Voted Top 100 Business Book of All Time on Goodreads

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your

work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to \* cut through the clutter \* achieve better results in less time \* build momentum toward your goal\* dial down the stress \* overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

### **Thriving in Love and Money**

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

### **Five to Thrive**

Revised and Updated In an age of great economic uncertainty when everyone is concerned about money and how they spend what they have, this new edition of the bestselling Your Money or Your Life is an essential read. With updated resources, an easy-to-use index, and anecdotes and examples particularly relevant today?t tells you how to: get out of debt and develop savings?reorder material priorities and live well for less?resolve inner conflicts between values and lifestyle?save the planet while saving money?and much more In Your Money or Your Life, Vicki Robin shows readers how to gain control of their money and finally begin to make a life, rather than just make a living.

### **Thou Shall Prosper**

\*\* Reviewed and updated for the 2020-2021 financial year\*\* This is the only money guide you'll ever need That's a bold claim, given there are already thousands of finance books on the shelves. So what makes this one different? Well, you won't be overwhelmed with a bunch of 'tips' or a strict budget (that you won't follow). You'll get a step-by-step formula: open this account, then do this; call this person, and say this; invest money here, and not there. All with a glass of wine in your hand. This book will show you how to create an entire financial plan that is so simple you can sketch it on the back of a serviette

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

and you'll be able to manage your money in 10 minutes a week. You'll also get the skinny on: Saving up a six-figure house deposit in 20 months Doubling your income using the 'Trapeze Strategy' Saving \$78,173 on your mortgage and wiping out 7 years of payments Finding a financial advisor who won't rip you off Handing your kids (or grandkids) a \$140,000 cheque on their 21st birthday Why you don't need \$1 million to retire with the 'Donald Bradman Retirement Strategy' Sound too good to be true? It's not. This book is full of stories from everyday Aussies — single people, young families, empty nesters, retirees — who have applied the simple steps in this book and achieved amazing, life-changing results. And you're next.

### **Ask a Manager**

From New York Times business reporter Nelson D. Schwartz comes a bold and urgent investigation of division between the wealthy and the middle class in every arena of American life. In nearly every realm of daily life--from health care to education, highways to home security--there is an invisible velvet rope that divides how Americans live. On one side of the rope, for a price, red tape is cut, lines are jumped, appointments are secured, and doors are opened. On the other side, middle- and working-class Americans fight to find an empty seat on the plane, a place in line with their kids at the amusement park, a college acceptance, or a hospital bed. We are all aware of the gap between the rich and everyone else, but when we weren't looking, business innovators stepped in to exploit it, shifting services away from the masses and finding new ways to profit by serving the privileged. And as decision-makers and corporate leaders increasingly live on the friction-free side of the velvet rope, they are less inclined to change--or even notice--the obstacles everyone else must contend with. Schwartz's "must read" book takes us on a behind-the-scenes tour of this new reality and shows the toll the velvet rope divide takes on society.

### **Rich Dads Increase Your Financial IQ Get Smarter with Your Money**

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit "reply all"
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Advance praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, *Ask a Manager* is the book I wish I’d had in my desk drawer when I was starting out (or even, let’s be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck*

### **Your Money Or Your Life**

Answering 5 Questions Can Change Your Life. Who can I trust? Who am I? Who wants me? Why am I alive? What do I do well? Every human has five core needs, and if you're going to thrive, these needs must be met in healthy ways—primarily through God. Learn what they are and how you can develop beliefs and skills so they're met and you become whole, content, and at peace. Start thriving as you use the ideas in this revised and updated edition of *Finding Authentic Hope and Wholeness*. With humor and vulnerability Dr. Kathy Koch gives you the tools to develop an authentic sense of self and a positive outlook on the future. Take the time to ask yourself these five questions, and discover the answers as you journey with Dr. Kathy toward hope and wholeness. You'll be glad you did—for the rest of your life.

### **Everyday Millionaires**

You don't have to spend decades paying off your student loans! You can destroy your debt fast and live a life of freedom. You've been lied to: there's no such thing as good debt. Debt sucks. Period. And that includes student loan debt. No matter what you believed—or were told—when you took out your loans, you need to get serious about getting rid of your debt fast, because it's costing you more than you know. That's why bestselling author Anthony O'Neal wrote this motivating 64-page Quick Read—to show you why you need to dump your debt fast and how to do it. If you have student loan debt and have never heard of Ramsey Solutions or the 7 Baby Steps, this 64-page Quick Read is for you. Anthony will walk you step-by-step through Baby Steps 1 and 2 to show you how to dump your debt forever. You'll learn: -The ugly truth about how debt hurts you -The importance of an emergency fund and how to budget (Baby Step 1) -The power of the debt snowball (Baby Step 2) -Exactly what to do to pay off your student loans faster -How to control your money so it doesn't control you -You'll also hear stories from real people about how they paid off their debt fast You don't need relief from your debt, you need to get mad at it. Because the truth is, when you get mad enough, you can pay off your loans faster than you ever thought possible—and take control of your money, and your life, for good! Don't let anything stand in the way of your future. This plan has helped millions get out of debt and you're next. You can do this! (Ramsey Press)

## **The Total Money Makeover Journal**

When Dave Ramsey was experiencing his own Total Money makeover, he found that journaling was very helpful and effective. Dave says, "Take this journal and record everything happening that seems like a big deal. Record the relationship issues, the debt, the emotions, the setbacks, the victories, and anything else that seems important at the time. "The immediate benefits of writing everything down are twofold. First, writing helps you process the problems and victories. The second immediate benefit of journaling is that you can reread your entry just days-even months-later and gain vital perspective on your progress. "Write it down. You will be glad you did."

## **Financial Freedom**

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

## **Know Yourself, Know Your Money**

In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.

flipped her seemingly perfect world upside down, she found herself craving significance, not just success. Believe Bigger is about resilience, reclaiming your life, and discovering how God uses rejection, hardship, and unexpected circumstances to awaken something greater within if you're willing to embrace disruption. You'll see her go from heartbroken and hitting rock bottom financially, to building a multi-million-dollar faith-centered enterprise and finding something super sweet along the way: a calling. Through Marshawn's own "very compelling personal story of betrayal, heartbreak, and—in the end—healing" (Faith Jenkins, TV personality and host of Judge Faith) will show you how you too can turn pain into purpose. Believe Bigger is "a great guide to making seemingly impossible dreams a reality" (Michelle McKinney Hammond, bestselling author). Whether you are drowning in self-doubt and regret, feeling stuck, or sensing a shift but unable to discern what's next, Marshawn's Purpose Map outlining the 5 Stages of Divine Reinvention will give you insight into your true gifts and calling—and the courage to pursue them. You'll see that difficulties are not designed to devastate you, but to ignite the bigger dreams, life, love, and abundance you were destined for all along.

### **The ONE Thing**

The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." --Lifemaker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: \* Create profitable side hustles that you can turn into passive income streams or full-time businesses \* Save money without giving up what makes you happy \* Negotiate more out of your employer than you thought possible \* Travel the world for less \* Live for free--or better yet, make money on your living situation \* Create a simple, money-making portfolio that only needs minor adjustments \* Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

## The Path

Accelerate your journey to financial freedom with the tools, strategies, and mindset of money mastery. Regardless of your stage of life and your current financial picture, the quest for financial freedom can indeed be conquered. The journey will demand the right tools and strategies along with the mindset of money mastery. With decades of collective wisdom and hands-on experience, your guides for this expedition are Peter Mallouk, the only man in history to be ranked the #1 Financial Advisor in the U.S. for three consecutive years by Barron's (2013, 2014, 2015), and Tony Robbins, the world-renowned life and business strategist. Mallouk and Robbins take the seemingly daunting goal of financial freedom and simplify it into a step-by-step process that anyone can achieve. The pages of this book are filled with real-life success stories and vital lessons, such as...

- Why the future is better than you think and why there is no greater time in history to be an investor
- How to chart your personally tailored course for financial security
- How markets behave and how to achieve peace of mind during volatility
- What the financial services industry doesn't want you to know
- How to select a financial advisor that puts your interests first
- How to navigate, select, or reject the many types of investments available

• Success without fulfillment is the ultimate failure! Financial freedom is not only about money—it's about feeling deeply fulfilled in your own personal journey "Want an eye-opening guide to money management—one that tells it like it is and will make you laugh along the way? Peter Mallouk's tour of the financial world is a tour de force that'll change the way you think about money." —Jonathan Clements, Former Columnist for The Wall Street Journal "Robbins is the best economic moderator that I've ever worked with. His mission to bring insights from the world's greatest financial minds to the average investor is truly inspiring." —Alan Greenspan, Former Federal Reserve Chairman "Tony is a force of nature." —Jack Bogle, Founder of Vanguard

## You Need a Budget

A Disney vacation is more than just a vacation. As author Kyle Burbank found out, the magic of the Disney Parks can follow you long after you've left the gates. From traveling around the world to meeting the woman who would be his bride, The Walt Disney Company has had an undeniable effect on the course of his life. The E-Ticket Life: Stories, Essays, and Lessons Learned from My Decidedly Disney Travels celebrates this and takes you along for over a decade of adventures that can all be pinpointed back to Disney-made memories. Throughout your travels, you'll be treated to tales of villainous run-ins, humorous observations from a Disney local's point of view, and gorgeous illustrations that bring the stories to life. Whether you've never been to the Disney Parks or you're an Annual Passholder, The E-Ticket Life has something for you. Fans of "the Mouse," seasoned travelers, or just about anyone who has ever fallen in love will be able to relate to the stories contained in this collection. If you want to plan your next visit to the Disney Parks, pick up a guidebook. But, if you want to go on a journey now, join Kyle Burbank on this exciting and entertaining E-Ticket ride.

## **Believe Bigger**

Over 90 percent of couples experience some level of tension around money. In fact, money issues are the number one stressor in relationships. So many books try to fix the surface problems, such as how to budget and what to prioritize when it comes to finances, but the issues go much deeper than just a simple spreadsheet. How do men and women view money differently? What do most couples fight about? How can they get on the same page? What questions should men/women ask their significant others before marriage? There are emotional and spiritual components to finances that most couples ignore. How can you agree on a budget if you disagree with each other on the basic purpose of money? Thriving in Love and Money is based on original research Shaunti and Jeff Feldhahn have conducted to get to the heart of these issues. And just as they did with their bestselling books For Women Only and For Men Only, they will use this research to provide the answers and insights you need to break the tension and provide the unity you're looking for. Let this book deepen your understanding of each other, leading to clear communication, peace as a couple, and better financial decision-making. Also available: video curriculum and workbook.

## **Passive Income, Aggressive Retirement**

## **Smart Money Smart Kids**

From the founder and superstar CEO of DailyWorth.com, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized "money stories" that have nothing to do with what is really possible. As the founder of DailyWorth.com, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. Worth It outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are

## Free Reading Know Yourself Know Your Money Discover Why You Handle Money The Way You Do And What To Do About It

stressed and anxious when it comes to their finances and teaches them to stay away from strict budgeting and other harsh austerity practices. Instead, she makes money relatable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures.

### **The Great Reset**

Experience a life free of financial stress and transform your relationship to money with this indispensable guide—the first book based on *You Need A Budget's* proven method that has helped hundreds of thousands of people break the paycheck to paycheck cycle, get out of debt, and live the life they want to live. No one should tell you what to do with your money—only you know what's most important to you. Always guiding you back to your true priorities, Jesse Mecham will fundamentally change the way you think about your money and what it can do for you. His proven method—four, simple rules—will transform money management from a paralyzing burden to a powerful tool, putting you in total control of your life: **Give Every Dollar A Job.** Be intentional about what you want your money to do before you spend it. **Embrace Your True Expenses.** Break up larger, less frequent expenses into smaller, more manageable amounts. By saving monthly for insurance premiums, holidays, or car repairs, when the time comes, your money is ready and waiting to do its job. **Roll With The Punches.** When life changes, so must your budget. Make adjustments and move along. Flexible budgets succeed because they're guilt-free, realistic, and sustainable. **Age Your Money.** As you repeat the first three rules, you'll increase the time between the moment you earn a dollar and the moment you need to spend it. When your money is at least a month old, you'll have finally broken the paycheck to paycheck cycle for good. This tried-and-true system has changed the lives of hundreds of thousands of people by teaching them how to take charge, adjust money habits, eliminate stress, and build the life they want to live. Don't waste another month counting down the minutes until payday.
