Lifestreams

Dr Shelley Kaehr is known for her work in past life regression and future progressions and after a successful experiment of taking clients into parallel universes. Shelley is known for taking live audiences through powerful guided imagery journeys and in this book you will read some of the most memorable case studies from clients who travelled into alternate states of reality and discover how quantum physics affects your daily life. The book also discusses how you can reshape reality to heal body, mind and spirit, and why the inner world affects outer reality, and how you can alter your perception of reality to create the life you truly want to live while bringing the fundamentals of quantum physics into your daily life.

Healers Journey Into Light

In this extraordinary book, Dr. Larry Crabb introduces a revolutionary way for Christians to experience God. "Soul talk" happens when two Christians talk to each other in a way that results in their passion for God being stirred, ignited, and released.

Guardians of the Life Stream

Many educators have been looking for a fundamentally different approach to engage young people and encourage progress in learning. Supported by recent public policy developments, a transformation is beginning to take place in the practice of many schools. The focus of learning is shifting away from the child as an individual in a classroom detached from the surrounding neighbourhood to a learning community that embraces carers and families as well as young people and teachers. This monograph analyses the organising principles of this cultural transformation and considers how it will shape learning in schools and communities throughout the world. The book brings together key thinkers from the fields of new learning, new communities of educational practice and new forms of educational governance. Arguing for the necessary interconnectedness of pedagogy, institutions and governance, this ground-breaking book will undoubtedly shape the policy agenda in this area for years to come.

Night unto Night: a selection of Bible scenes. pt. 1

Bianchi's wide-ranging book draws together insights from the social sciences, the humanities, and religion to establish a holistic framework for a spirituality

of aging. He argues that middle life and late adulthood present opportunities for turning inward for a deeper contemplative life within the context of active, worldly endeavors. This can also augur a reform of social relationships--beyond individual development alone--toward the creation of a more cooperative, just society. In this way, physical decline is countered by a spiritual ascent. He summons aging persons, fortified with universal values and concerns gained from age and experience, to return to the centers of decision making. Throughout, the author ponders such questions as personal power, identity, fear, freedom, contemplation, sexuality, the church, faith, suffering, and hope. In candid interviews, older religious leaders reflect on their early value formation, personal traumas, choice of careers, midlife transitions, experiences of old age, and the prospect of death. In dwelling mainly on human spiritual dilemmas of the aging cycle, Bianchi offers a strong, clear message of hope--one that stands against the tide of our culture which tends to shunt older people to the outer eddies of life's stream. Aging as a Spiritual Journey is immensely valuable to all laypersons and those in the helping professions who are concerned about the quality of the aging process.

Edgar Cayce Guide to Gemstones, Minerals, Metals, and More

Biosynthesis means "integration of life". It is a holistic form of body psychotherapy, which was founded over forty-five years ago. The concept of life-streams is one of its major foundations, which has since been supported by research in neurobiology. How can we integrate the three most important domains of being human: our bodily existence, our psychological experience and our spiritual essence? Biosynthesis Therapy has developed a broad spectrum of reliable methods to make this possible and to free our life energy. It is resource-oriented and is practised worldwide. David Boadella brings his many years of experience to provide in this book a trend-setting model for the understanding both of the origin of illness and of therapy. First published in 1987, this book has appeared in ten languages. It provides numerous case examples and is fascinating and enriching for the normal reader as well as for therapists from many different schools. In this book, the word "bioenergetic" is used to refer to the study of life energy, which is a major foundation of the therapy method "Biosynthesis". This is not to be confused with the term "Bioenergetic Analysis", an other and different form of body psychotherapy. Since 1985, together with David Boadella, Biosynthesis has been developed further by Dr. Silvia Specht Boadella, particularly in its philosophical and transpersonal aspects. In 1990, Biosynthesis was the first form of body psychotherapy to be scientifically accredited by the European Association of Psychotherapy. Biosynthesis therapists can therefore receive the European Certificate of Psychotherapy ECP. In 2001, the International Foundation of Biosynthesis IFB was formed, to coordinate trainings and research in twenty countries in Europe, Asia, North and South America. The newest information about Biosynthesis, including our actual course programme, you will find on our website. Do you find yourself picking through circumstances like children plucking daisy petals, attempting to discover whether or not God loves you? If you find yourself least certain of His love in those critical moments when you most want to trust it, there is hope for you. Let author Wayne Jacobsen take you to the scene of history's most critical moment: the death of Jesus. There, you will see what happened between a Father and a Son that guarantees your place in the Father's heart and frees you forever from groping about in the fear that you cannot measure up to His expectations. When you are released from the fear of His judgements, you will be free to revel in His tenderness. You will find that the fear of the Lord is the beginning of wisdom, and love is its fulfilment. If you don't love Him, you are well served to fear Him. Once you learn to love Him as He truly is, however, you will never need to fear Him again. This book will help you to discover: That the Father Loves you more than you ever dreamed; the way He wants to engage your life every day; how your confidence in that love is the key to every change God wants to make in your life; why Jesus' death on the cross is the undeniable proof of His affection for you; the incredible freedom to trust God through anything life hurls at you.

Narrative of a Year's Journey Through Central and Eastern Arabia

This memoir describes the author ' s discovery of Post -Traumatic Stress disorder after a 120mph accident that caused him to become suicidal. He describes the experience and compares how he has experienced life before and how trauma altered his perceptions and reactions of family and community around him. In his ' flooding moments ' by the side of the road, he sees his life stream before his inner eye, only this time the events are tainted by a filter

that causes him to feel the pain and forget the way he was coping with life before the accident. He meets a trauma counsellor who takes him step by step into healing by building new coping skills, using Emotional Freedom Technique as one of several ways to rebuild his life from the brink of suicide. Writing this memoir is part of the healing process. He now wants to share his experience of reinventing life. With all who have suffered trauma .

Narrative of a Year's Journey Through Central and Eastern Arabia (1862-63)

This remarkable book explores how our companion animals' distinct personalities and behaviors reveal that they have already lived with and loved us—only in a different life. Featuring amazing stories of people who knew their animals in a past life, whether a dog, cat, horse, guinea pig, or other, Past Lives with Pets strengthens the unique bond with your animals and shows you how to heal from the trauma of losing them. Could your cat have within him the reincarnated soul of your beloved dog? Are your pet's idiosyncrasies so familiar because your pet has played a vital role in your soul's journey? Through past life regression and hypnotherapy case studies, Shelley A. Kaehr helps to confirm that the answer is yes. This entertaining and enlightening book also provides guided imagery practices to help you connect with your own past life experiences and soul lessons for spiritual growth.

Out Of Control

Jake Colsen, an overworked and disillusioned pastor, happens into a stranger who bears an uncanny resemblance (in manner) to the apostle John. A number of encounters with John as well as a family crisis lead Jake to a new understanding of what his life should be like: one filled with faith bolstered by a steady, close relationship with the God of the universe. Facing his own disappointment with Christianity, Jake must forsake the habits that have made his faith rote and rediscover the love that captured his heart when he first believed. Compelling and intensely personal, SO YOU DON'T WANT TO GO TO

CHURCH ANYMORE relates a man's rebirth from performance-based Christianity to a loving friendship with Christ that affects all he does, thinks, and says. As John tells Jake, "There is nothing the Father desires for you more than that you fall squarely in the lap of his love and never move from that place for the rest of your life."

Transforming Learning in Schools and Communities

The Audible Life Stream, or Primordial Sound Current, is the all-pervasive universal consciousness within everyone. Few realise there is credible evidence indicating that Jesus, Buddha, Krishna, and so on, all perfected the meditative technique of turning their attention inwards, thereby merging with the Audible Life Stream, to become adepts of dying while living. The Audible Life Stream: Ancient Secret of Dying While Living is the first book to provide convincing evidence of the Audible Life Stream and emphasise the importance of it to every human being, since none of us can escape the clutches of the Lord of Death. This unique book provides evidence of the Audible Life Stream from a variety of sources, including, independent testimonials of near-death experiences and out-of-body experiences from people in USA, UK and Australia; excerpts from major religious texts; simply explained quantum physics principles; and independent anecdotes from the increasingly popular field of sound/music therapy.

Confusion abounds about the Bible and what it intends to say about God. Is he a demanding deity, or a tender Abba? How do we reconcile the Old and New Testament depictions of God and come away from reading the Bible inspired to greater trust in the Father rather than condemned in our failures? Many have given up reading Scripture because they are either intimidated by its content or confused about how to interpret it. However, by looking at the whole of Scripture through the revelation of Jesus we can see that it was never intended to be a book of rules, but an unfolding story to show us who God is and how he thinks. In this series Wayne Jacobsen wants to help you read the Bible through the lens of Jesus that not only makes it easier to understand, but also resolves the seeming inconsistencies in its message and content. For 40 years Wayne has been a student of Scripture mining it for wisdom, encouragement, and insights that helped him follow God more accurately and he hopes you will find the same treasure in its pages.

Jesus Lens

Are you tired of all the animosity and vitriol that fill our society at every mention of politics or religion dividing us into two hostile camps on every possible side? So are we! We ' re looking for others who want to change the dialogue from the rhetoric of polarizing animosity that is destroying the social fabric of our nation to a language of healing, where honest differences don ' t have to destroy friendships. Then we can seek a broader common ground through mutual respect and compassion. The Language of Healing will help you learn how to . . . See disagreement as an opportunity for growth and discovery. Change the temper of a hostile engagement or walk away. Share mutual respect even beyond our deepest differences. Become a peacemaker in your network of friends and family. The book is divided into three main sections: An Opportune Moment. Why is this a particularly propitious moment to elevate the conversation, at least for the vast majority of Americans who are tired of those who manipulate them through fear and anger? Five Practices of a Peacemaker. What kind of conversation can lower the heat and increase the level of communication, especially where we hold significantly different views? Operating in Shared Space. Our deeply held views do not have to be subjugated to cooperate with others; we only have to endeavor to make as much space for their views as we want for ours. The end of each chapter includes three practical suggestions readers can use to practice the language of healing in their own day-to-day interactions.

The psychic readings of Edgar Cayce contained insightful information about the properties and value of a variety of gems, stones, minerals, and other elements. Author Shelley Kaehr, Ph.D., whose own background included the study of gemstones, examines this material by delving into the history and makeup of these magical substances so often mentioned by Cayce. In her book, Kaehr shares with us the wonders of the mineral kingdom, and how and why each stone or mineral is different and reacts differently to various people. Includes an intuitive self-discovery process to finding out which of these powerful minerals works best for you.

Author Shelley Kaehr, PhD, who has worked with vibrational energy medicine for two decades as well as studied Cayce ' s readings on the topic, delves into the wealth of information given and brings forth Edgar Cayce ' s Egyptian Energy Medicine. In any form of healing, the goal is to change the current frequency (or vibration) to one that is more balanced and in rapport with optimal results. Shelley shows us that working with our consciousness to overcome our life lessons and challenges to achieve lasting happiness and peace throughout our lives is actually achievable. Enriching yet simple, step-by-step information is given to us as tools we can use to apply this ancient knowledge to our everyday modern lives.
