Wake Up to Your True Identity

Free Copy Living In Your True Identity Discover Embrace And Develop Your Own Divine Nature

Throughout the ages Creation has been groaning for its true identity, dominion, and ultimately restored intimacy and communion with the Father. If we are in Christ, we are a new creation. We are made in His image. But what does it mean to be made in His image? Who am I as a new creation? What is my destiny? Desperately seeking on her own journey of identity, author Marie Fowler spent twenty-five years researching the tribes of Israel to answer these questions. Our heavenly Father designed us for one sole purpose: habitation. God chooses to build His house through His family. Living Stones is a love letter in which you will discover your place within God's family. Worship (intimacy) reveals identity. One does not come face-to-face with someone and remain unaltered. As we encounter the Father with unveiled faces, we become like Him. Our utmost destiny is that we might take on His reflection found in the embodiment of habitation. Join Marie in her fascinating and biblically grounded study of the tribes of Israel as foundational keys to reveal every believer's identity in Christ. Watch in wonder as the author explains with amazing prophetic and revelatory insight how the characteristics of each tribe fit together as living stones displaying the facets of the Father's nature and character thereby building His holy habitation. You also, as living stones, are being built up as a spiritual house for a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ (I Peter 2:5).

I Am

The world goes out of its way to make you believe you are not good enough. Maybe you aren't sure you like where you've been, or who you've become. Maybe someone has made you believe a lie about who you are by speaking damaging words to you. The discovery of our true identities does not begin by looking within ourselves, but by looking to the One who made us. *Hello, My Name Is* will inspire you to not wear the nametag that someone else gave you, but to wear the name of who God says you are. Your name may be "Lonely" . . . He calls you Friend. Your name may be "Failure" . . . He calls you Redeemed. Your name may be "Broken" . . . He calls you Beloved. It is time to tear off the false nametags that cover up your true identity. Understanding who you are begins with knowing Whose you

Train To Reign

The need for understanding our true identity is crucial. Without it we really don't know if we are coming or going and we will never know the full benefits of our "true birthright". As you read and study these chapters you will discover the true position, purpose, power, authority and destiny given to us by God. Luke 12:32 "Fear not little flock for it is the Father's good pleasure to give you the kingdom. Knowing our true identity will bring forth the manifestation of Christ's dominion, and the ruling reigning authoritative rights of our God given inheritance on planet earth as a now reality. It's Christ's day, the day of the Lord manifesting forth in his people. A people that will allow him to open their eyes to his illuminating light of glory and understanding. God is ready to move in a generation that will reveal all of himself through Christ. And in a people unveiling mysteries and secrets or any type of ignorance (1 Cor.15:28). It is my prayer that you would travel through each chapter anticipating the destination and embracing "The True Identity" as your own divine inheritance while you maneuver through each revelation and thought in this book. This book "The Power of Knowing Your True Identity" is volume one of the Collection Trilogy "The Chronicles of the Sons of God".

Hello, My Name Is

Have you ever wondered why we, the so-called African Americans, are the most oppressed and unfairly treated people in the Americas? you to know that it's not by coincidence that we are the victims of such differential treatment here in America. There is a sound biblical reason for the injustice that has been placed upon both us and our ancestors for the last 400 plus years of living here; and this book explains exactly what that reason is. In this spiritual awakening, Maurice Lindsay takes the so-called African Americans on a biblical journey, revealing to them their history, their heritage, their purpose, and most importantly their identity. This book also reveals the solution that will lead to the complete liberation of the so-called African Americans from their oppressors. All of those who considers themselves to be "African American" or "Black" you should have the courage to read this book. We have been a lost, oppressed, and sleeping people for too long, and it is time for us to awake from our slumber and become who God predestined us to be!

Everyday life itself is proof that we humans live outwardly according to who we think we are inwardly. We call it our identity. But what if who we think we are is actually wrong? In *Sinless* Jason shares biblical principles, written in an easy to understand and practical manner, to help you discover your true identity in Christ. Even if you're not a Christian yet, the truth is that your true identity can only be found in Him. He clearly exposes the thoughts and feelings behind living the all too common defeated Christian life. He gets real and raw when it comes to the issues discussed. Sharing from personal experience of how he once lived a defeated life, from a false identity, even though he was indeed a Christian. That is until he discovered what God had done in Christ, and had to say about who we now were in Him. Does your struggle against sin in your life have you feeling like giving up? Do you feel like you're losing, more than you're winning? Then you need to read this book. That being said it's packed with life gems for any reader wherever they're at in life. The Gospel According to Mark

WHO ARE YOU? WHAT DEFINES YOU? WHAT IS YOUR IDENTITY? How you answer those questions affects every aspect of your life: personal, public, and spiritual. So it's vital to get the answer right. Pastor and best-selling author Mark Driscoll believes false identity is at the heart of many struggles—and that you can overcome them by having your true identity in Christ. In *Who Do You Think You Are?*, Driscoll explores the question, "What does it mean to be 'in Christ'?" In the process he dissects the false-identity epidemic and, more important, provides the only solution—Jesus. "This book

I know now that I was not alone. When, by the grace of God, we understand who we are in Christ, everything else can crumble and we will still be standing. They stumble around with a deep sense of discontent or resignation, struggling to see how their faith is applicable, exciting, or even visible in their lives. What if the answer is that there is more to the gospel than we imagined? With bold honesty and fresh biblical insight, pastor and speaker Putty Putman reveals that the secret to a vibrant life of more is found not in what you do, but in who you are. Through the Holy Spirit, we are not just forgiven, but made new. This new identity makes possible a thrilling life of impact, adventure, blessing, and true freedom--a life, like Jesus' own, that is connected to and empowered by a God who is, and does, more than we ever imagined.

What if there was a way to peel back the broken and tattered pieces of ourselves, and uncover a new life of freedom, adventure, and transformation? For many of us, our misconceptions about the nature and character of the triune God have kept us from the freedom and joy found in our true identity in Christ. Damaging cycles of shame and the endless effort to look the part keep us trapped in drama and fear. Unable to grasp the paradox of a God who is both Lion and Lamb, we end up feeling alone, stuck on the banks of the river while a life of passion and adventure beckons. Using stories of transformation, Paradox Lost presents a framework for understanding our patterns of “stuckness” and provides specific tools for getting off the riverbanks and into the current. With life-giving insight into God’s nature, readers will find the courage to uncover their own wounded places, as well as invite others to experience the wholeness of abundant life in Christ.

Paradox Lost

"Seeing so much heartache in the world, and so much compromise within the Church, Jon Tyson believes we must redouble our efforts to build a community of hope that is stronger than the hollow culture around us. Tyson invites readers to pursue key disciplines and rhythms through truths such as: worship must be stronger than idolatry, rest must be stronger than exhaustion, and hospitality must be stronger than fear, principles that will make them spiritually stronger than the enchanting pull of the world"--

Practicing kindness is an essential step in helping to repair a world that has grown to be more divisive, lonely, and anxious than ever. Deep Kindness pairs anecdotes with actions that can make real change in our own lives, the lives of others, and throughout the world. Diving into the types of kindness the world needs most today, this book takes an honest look at the gap between our belief in kindness and our ability to practice it well—and shows us how to put intention into action. Exploring everything from the empathy gap to the skill of emotional regulation, Deep Kindness is perfect for anyone who believes in a kinder world and recognizes that there is a lot of work to do before we achieve it.

The Tibetan Book Of Living And Dying

Living a Royal Reality is not about living a fairytale life or pretending that life is perfect. The fact is, for many of us, our reality has truly been scarred by our life's experiences and choices. This book was written to empower and enlighten women that through the blood of Jesus Christ, we are Royalties (co-heirs with Christ, Daughters of the King, Chosen by God, Living by Grace). As Royalties, we have access and dominion over everything that JESUS CHRIST has dominion over, which includes our realities. These also include strongholds, fear, sickness, depression, brokenness, poverty, rape, abuse, abandonment etc. As women, these are only a few of the 'realities' we deal with daily. As Royalties, we have been given authority to live as more than conquerors, overcomers and true victors over these 'realities'. This book will enlighten and inspire you to: - Be the best you God has called you to be - Be confident in your true identity - Discover and know your worth - Live a purpose-driven life - Be set apart and adopt God's standards - Prepare for eternity

Shaken

We all want the confidence that comes from living out of our true identity, but how do we get there? We don't magically discover our true selves when we reach our twenties. And some of us spend our entire lives feeling like we are living a lie. We can be torn apart by our duplicity or we can become so comfortable with putting on various personas to suit our situation that we don't even realize we're doing it. But if we are followers and disciples of Christ, our identity is already decided. What we need to learn is how to understand and embrace it. In this honest and penetrating book, David D. Swanson calls readers to take off their masks, discover the true source of their identities, and enjoy the peace and satisfaction that comes from being authentic and transparent to ourselves, our God, and the people who surround us. He gently leads readers from their hiding places to a life of conviction and courage.
