One More Try

Do you remember the moment you fell in love with your spouse? Do you remember your first kiss? Do you remember the first time you said I love you? Do you remember when your spouse first said it? Do you remember why you fell in love with your spouse? Do you remember getting butterflies when you knew you were going to see your spouse? Do you remember thinking this is the person I want to spend the rest of my life with? If you haven't taken the time to think about these times, that now maybe a distant memory, now is the time. Marriage is a beautiful thing but Marriage is work-hard work. Don't believe anyone who tells you different. In Marriage, you will have your good days and your bad days. Some days you are so in love with your spouse while others you are not sure if you even like your spouse. Marriage is what you make it. The problem in most marriages is unrealistic expectations. It is natural and normal to fall in and out of love with your spouse through the course of your marriage. It is just the way it is. The key is realizing it is only temporary when you fall out of love with your spouse. Of course, there are things you can do during this time to ensure that the falling back in love again happens sooner than normal. Love is beautiful. It is a privilege to be married. If you have any doubt about this ask someone who is single. Love is an Action word. It requires us to do something. We can't say we love our spouse and our actions say something different. Love often requires us to sacrifice-when our love ones are unlovable. Look at your kids or Parents-Have they ever done something that you didn't like. Did you stop loving them? All marriages go thru ebbs and flows. Sometimes you love your spouse more than others. Do you want to be happy in your marriage again? Has your spouse become unlovable? Are you bored in your marriage? Are you ready for a change in your relationship? Has your spouse changed? Marriage inevitably goes thru good and bad times.

Happy Wives Club

“Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted.” —The Washington Times Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. *The Meaning of Marriage* offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life. Look out for Timothy Keller's latest book, *The Songs of Jesus*. From the Trade Paperback edition.

The Marriage You've Always Wanted

As seen on The TODAY Show! “A godsend to anyone searching for, but struggling to find, true love in their lives.” —Kristin Neff, PhD, author of *Self-Compassion* “Empowering and compassionate, and its lessons are universal.” —Publishers Weekly *Real love starts with you.* In order to attract a life partner and build a healthy intimate relationship, you must first become a good partner to yourself. This book offers twenty invaluable lessons that will help you explore and commit to your own emotional and psychological well-being so you can be ready, resilient, and confident in love. Many of us enter into romantic relationships full of expectation and hope, only to be sorely disappointed by the realization that the partner we’ve selected is a flawed human being with their own neuroses, history, and desires. Most relationships end because one or both people haven’t done the internal work necessary to develop self-awareness and take responsibility for their own experiences. We’ve all heard “You can’t love anyone unless you love yourself,” but amid life’s distractions and the myth of perfect, romantic love, how exactly do you do that? In *Loving Bravely*, psychologist, professor and relationship expert Alexandra H. Solomon introduces the idea of relational self-awareness, encouraging you to explore your personal history to gain an understanding of your own relational patterns, as well as your strengths and weaknesses in relationships. By doing so, you’ll learn what relationships actually require, beyond the fairytale notions of romance. And by maintaining a steady but gentle focus on yourself, you’ll build the best possible foundation for making a loving connection. By understanding your past relationship experiences, cultivating a strong sense of self-awareness, and determining what it is you really want in a romantic partner—you’ll be ready to find the healthy, lasting love your heart desires.

From Mark and Susan Merrill, the founders of Family First, comes a collection of lists created for the busy wife who wishes to strengthen her marriage and love her husband well. It's no secret that there is a wide emotional gap between men and women. Couples crave love and attention from one another, but they don't always know how to show it. **LISTS TO LOVE BY FOR BUSY WIVES** presents creative and practical ways for wives to bridge this gap and improve their relationship. These thirty lists will carry wives through an entire month of learning to love their husbands more deeply with advice they will come back to again and again. From lists addressing a wide range of topics, readers will learn to set better expectations for their marriage, to communicate more effectively with their husband, to build a deeper foundation of love in their marriage, and much more.
