Women Can't Hear What Men Don't Say

It's not that he's just not that into you—it's that there aren't enough of him. And the numbers prove it. Using a combination of demographics, statistics, game theory, and number-crunching, Date-onomics tells what every single, college-educated, heterosexual, looking-for-a-partner woman needs to know: The "man deficit" is real. It's a fascinating, if sobering read, with two critical takeaways: One, it's not you. Two, knowledge is power, so here's what to do about it. The shortage of college-educated men is not just a big-city phenomenon frustrating women in New York and L.A. Among young college grads, there are four eligible women for every three men nationwide. This unequal ratio explains not only why it's so hard to find a date, but a host of social issues, from the college hookup culture to the reason Salt Lake City is becoming the breast implant capital of America. Then there's the math that says that a woman's good looks can keep men from approaching her—particularly if they feel the odds aren't in their favor. Fortunately, there are also solutions: what college to attend (any with strong sciences or math), where to hang out (in New York, try a fireman's bar), where to live (Colorado, Seattle, "Man" Jose), and why never to shy away from giving an ultimatum.

Do you feel like you are too nice? Sherry Argov's Why Men Love Bitches delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often

ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," Why Men Love Bitches gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Why Men Don't Have a Clue and Women Always Need More Shoes

A troubling account of heterosexual desire in the era of #MeToo Heterosexuality is in crisis. Reports of sexual harassment, misconduct, and rape saturate the news in the era of #MeToo. Straight men and women spend thousands of dollars every day on relationship coaches, seduction boot camps, and couple's therapy in a search for happiness. In The Tragedy of Heterosexuality, Jane Ward smartly explores what, exactly, is wrong with heterosexuality in the twenty-first century, and what straight people can do to fix it for good. She shows how straight women, and to a lesser extent straight men, have tried to mend a fraught patriarchal system in which intimacy, sexual fulfillment, and mutual respect are expected to coexist alongside enduring forms of inequality, alienation, and violence in straight relationships. Ward also takes an intriguing look at the multi-billion-dollar self-help industry, which markets goods and services to help heterosexual couples without addressing the root of their problems. Ultimately, she encourages straight men and women to take a page out of queer culture, reminding them "about the human capacity to desire, fuck, and show respect at the same time."

What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring even if these things aren't necessarily true about them. Texting

is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, Texts So Good He Can't Ignore! In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. How to use mischievous "Feisty Girl" texts to get a man to finally ask you out (or ask you out AGAIN), while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. What to text a man to "let him down easy" but KEEP him interested whenever he sends an inappropriate or overly sexual text. Exactly what to text a guy who keeps "coming BACK from the DEAD" and suddenly starts taking an interest in you again. (Hint: These cheeky little texts can end his mind games for GOOD!) A simple method for starting conversations that IMMEDIATELY grabs his attention and makes him EAGER to text you back. What to text a guy you know and like to initiate his "Chase Mode" and make him see you as MORE than "just-a-friend." Game-changing answers to every woman's MOST PUZZLING questions about men's texting habits. And much, much more Would You Like to Know More? Date Like a Man

There's no denying that a woman's relationship with her father is one of the most important in her life. And there's also no getting around how the quality of that relationship—good, bad, or otherwise—profoundly affects daughters in a multitude of ways. In *Our Fathers, Ourselves*, research psychologist, author and scholar Dr. Peggy Drexler examines the ways in which the father-daughter bond impacts women and offers helpful advice for creating a better, stronger, more rewarding relationship. Through her extensive research and interviews with women, Dr. Drexler paints an intimate, timely portrait of the modern father-daughter relationship. Women today are increasingly looking to their dads for a less-than-traditional bond, but one that still stands the test of time and provides support, respect, and guidance for the lives they lead today. *Our Fathers, Ourselves* is essential reading for any woman who has ever wondered how she could forge a closer connection with and gain a deeper understanding of her father.

Texts So Good He Can't Ignore

This is the book that no man wants you to read. Countless women play by the bias male rules of dating and relationships, one that keeps them in a constant state of stress and worry. Victims of romance instead of masters of love, today's women settle for cheap dates and cheaper talk. Why are you splitting the bill with a man that should be spoiling you? Why are you preparing home cooked meals for a man that can't provide you a home? Why are you having sex with a man that promises the world, but refuses to give you his heart? Why are you playing by outdated rules in hopes that one day your kindness will be rewarded? I have discovered a group of women who refuse to be exploited, are immune to manipulation, and who never settle in the name of love. These ladies know what they want and take what they want by beating men at their own game. Utilizing the secrets exposed in this book, these women gain power, money, and status. Men call them Gold Diggers, women call them Hos, but they call themselves Winners. This is the book that society doesn't want you to read. *Ho Tactics: How To MindF**k A Man into Spending, Spoiling, and Sponsoring* lays out the practical steps to evolve from a woman that goes Dutch to a woman that gets pampered. *Ho Tactics* provides the Sex-Free blueprint on how to turn any man into your personal ATM. Stop spending nights with men that can't offer you anything but conversation, stop being understanding of men who are underachieving, stop settling and submitting, and learn how to seduce and destroy! You tried to play by their rules, now it's time to play by Ho rules.

An unlikely encounter...but he'll take it! It seems like fate...or something! When Miles Brislenn spies the girl he had a crush on in high school—at his ex-wife's wedding, no less—he can't let the opportunity pass. He might not have had the courage to talk to Renia Milek back then, but he definitely does now. And that's not the only thing that's changed. Gone is the rebel Renia used to be. In her place is a beautiful woman who's reserved, cautious...and holding on to secrets. For Miles, this second chance with Renia is too important to let her past stand in their way. He'll do whatever is necessary to help her accept her choices and move on—even if that means a salsa lesson or two! Because now that he's made the first move, he wants the second to be hers.

Why Men Marry Some Women and Not Others

Do you know the top seven things men do that drive women nuts? Or the real reason women cry more than men do? What are men really looking for in a woman—both at first sight and for the long-term? These are only the starting points for Barbara and Allan Pease as they discuss the very real—and often very funny—differences between the sexes. *Why Men Don't Have a Clue and Women Always Need More Shoes* takes a look at some of the issues that have confused men and women for centuries. Using new findings on the brain, studies of social changes, evolutionary biology, and psychology, the Peases teach you how to make the most of your relationships—or at least begin to understand where your partner is coming from. They help women understand why men avoid commitment, what drives them to lie, and how to decode male speech to find out what they are really saying. They explain to men why women nag, how they use emotional blackmail, and how to understand (and take advantage of!) the top-secret scoring system all women apply. They also dish about the top turn-ons--and turn-offs--for both sexes. Laced with their trademark humor, *Why Men Don't Have a Clue and Women Always Need More Shoes* addresses a host of nitty-gritty battlegrounds as well, from channel surfing and toilet seats to shopping and communication. Already a #1 bestseller in the United Kingdom, Germany, Japan, Holland, Spain, Brazil, Portugal, Belgium, Ireland, France, Czech Republic, India, Singapore, Malaysia, South Africa, New Zealand, and Australia, *Why Men Don't Have a Clue and Women Always Need More Shoes* is the answer to understanding the opposite sex.

The Tragedy of Heterosexuality

Is this the way love is supposed to feel? • Does the man you love assume the right to control how you live and behave? • Have you given up important activities or people to keep him happy? • Is he extremely jealous and possessive? • Does he switch from charm to anger without warning? • Does he belittle your opinions, your feelings, or your accomplishments? • Does he withdraw love, money, approval, or sex to punish you? • Does he blame you for everything that goes wrong in the relationship? • Do you find yourself “walking on eggs” and apologizing all the time? If the questions here reveal a familiar pattern, you may be in love with a misogynist — a man who loves you, yet causes you tremendous pain because he acts as if he hates you. In this superb self-help guide, Dr. Susan Forward draws on case histories and the voices of men and women trapped in these negative relationships to help you understand your man’s destructive pattern and the part you play in it. She shows how to break the pattern, heal the hurt, regain your self-respect, and either rebuild your relationship or find the courage to love a truly loving man. BONUS: This edition contains an excerpt from Susan Forward's Toxic Parents.

Good Morning, Destroyer of Men's Souls

The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

Our Fathers, Ourselves

A scorching memoir of a love affair with an addict, weaving personal reckoning with psychology and history to understand the nature of addiction, codependency, and our appetite for obsessive love "The disease he has is addiction," Nina Renata Aron writes of her boyfriend, K.

"The disease I have is loving him." Their love affair is dramatic, urgent, overwhelming—an intoxicating antidote to the long, lonely days of early motherhood. Soon after they get together, K starts using again, and years of relapses and broken promises follow. Even as his addiction deepens, she stays, convinced she is the one who can get him sober. After an adolescence marred by family trauma and addiction, Nina can't help but feel responsible for those suffering around her. How can she break this pattern? If she leaves K, has she failed him? Writing in prose at once unflinching and acrobatic, Aron delivers a piercing memoir of romance and addiction, drawing on intimate anecdotes as well as academic research to crack open the long-feminized and overlooked phenomenon of codependency. She shifts between visceral, ferocious accounts of her affair with K and introspective analyses of the part she plays in his addictions, as well as defining moments in the history of codependency, from the temperance movement to the formation of Al-Anon to more recent research in the psychology of addiction. *Good Morning, Destroyer of Men's Souls* is a blazing, bighearted book that illuminates and adds nuance to the messy tethers between femininity, enabling, and love.

What Men Don't Tell Women About Business

A New York Times Bestseller An audacious, irreverent investigation of human behavior—and a first look at a revolution in the making Our personal data has been used to spy on us, hire and fire us, and sell us stuff we don't need. In *Dataclysm*, Christian Rudder uses it to show us who we truly are. For centuries, we've relied on polling or small-scale lab experiments to study human behavior. Today, a new approach is possible. As we live more of our lives online, researchers can finally observe us directly, in vast numbers, and without filters. Data scientists have become the new demographers. In this daring and original book, Rudder explains how Facebook "likes" can predict, with surprising accuracy, a person's sexual orientation and even intelligence; how attractive women receive exponentially more interview requests; and why you must have haters to be hot. He charts the rise and fall of America's most reviled word through Google Search and examines the new dynamics of collaborative rage on Twitter. He shows how people express themselves, both privately and publicly. What is the least Asian thing you can say? Do people bathe more in Vermont or New Jersey? What do black women think about Simon & Garfunkel? (Hint: they don't think about Simon & Garfunkel.) Rudder also traces human migration over time, showing how groups of people move from certain small towns to the same big cities across the globe. And he grapples with the challenge of maintaining privacy in a world where these explorations are possible. Visually arresting and full of wit and insight, *Dataclysm* is a new way of seeing ourselves—a brilliant alchemy, in which math is made human and numbers become the narrative of our time. Women Men Love, Women Men Leave

An eye-opening, funny, painful, and always truthful in-depth examination of modern relationships and a wake-up call for single women about getting real about Mr. Right. You have a fulfilling job, great friends, and the perfect apartment. So what if you haven't found "The One" just yet. He'll come along someday, right? But what if he doesn't? Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In Marry Him, Gottlieb explores an all-too-common dilemma—how to reconcile the desire for a happy marriage with a list of must-haves and deal-breakers so long and complicated that many great guys get misguidedly eliminated. On a quest to find the answer, Gottlieb sets out on her own journey in search of love, discovering wisdom and surprising insights from sociologists and neurobiologists, marital researchers and behavioral economists—as well as single and married men and women of all generations.

SCUM Manifesto

A research-based guide to navigating the newest dating phenomenon—"the love gap"—and a trailblazing action plan to help smart, confident, career-driven women find (and keep) their match. For a rising generation young women, the sky is the limit. Women can be anything and have everything. They are outpacing their male peers in higher education and earning the corner office at work. Smart, driven, assertive women are succeeding at just about everything they do—except romance. Why are so many men afraid to date smart women? Modern men claim to want smarts, success, and independence in romantic partners. Or so says the data collected by scientists and dating websites. If that's the case, why are so many independent, successful women winning in life, but losing in love? Journalist Jenna Birch has finally named the perplexing reason: "the love gap"—or that confusing rift between who men say they want to date and who they actually commit to. Backed by extensive data, research, in-depth interviews with experts and real-life relationship stories, THE LOVE GAP is the first book to explore the

most talked-about dating trend today. The guide also establishes a new framework for navigating modern relationships, and the tricky new gender dynamics that impact them. Women can, and should, have it all without settling.

He wants more sex; she wants more love. A familiar complaint but just what is it that stops men and women understanding each other's emotional and physical needs and having a happier relationship into the bargain? This book shows couples how they can really come to understand each other: share intimate thoughts, spend more fun time together and find out how to have frequent, satisfying sex.

The Love Gap

The #1 bestselling pioneer of "fratire" and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in Mate, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No "seduction techniques," No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

Men Don't Love Women Like You!

The Last Wish

How to Attract Men Worth Dating and Get the Guy You Really Want When it comes to finding a suitable mate for a passion filled, committed relationship, one of the things men want most in a woman is self-possession, or said another way, womanly poise. When high-quality men come across a woman with poise they crave her respect, her approval, and most importantly, her love. Men like this understand that a woman's poise reflects her self-worth. And they know that a woman can only act with poise when she's placed a higher importance on her dignity and well-being than she does on ANY man. It is this unique female attitude that drives a man wild with sustainable desire, the kind of desire that makes him eager to commit to a woman and claim her as his own. How to Attractively Set Standards with a Man and Make Him Want You Even More When a woman lacks poise she generally gives too much of herself, and usually at the most ineffective times when dating a man. She is too lenient with men in the beginning stages of a new romance, and she's prone to compromising her standards just to keep a man in her life. Women like this unknowingly chase men, as they become frantic, frustrated, and foolhardy whenever the guy they want begins to pull away or lose interest in them. A woman with poise never chases or throws herself at a man, nor does she make things easy for him by clearing her schedule "just in case" he calls or comes around. Instead, a woman with poise maintains her mystery, sticks to her standards, and uses her feminine charms to invite men to either pursue her passionately or leave her alone. How to Date like a High-Value Woman and Be Irresistible to Mr. Right It's easy to show class and character when things are going your way with a guy. But your ability to remain unfazed amid his disrespect or disinterest is what really helps him determine whether you are a high-value woman or not. A man will not always act in ways that are favorable to you. Sure, some men are scumbags, but not all men who act thoughtlessly towards you should be categorized this way. Therefore, if you want to separate the good guys from the time wasters it's important to act with poise. This book was designed for women who want to go from being powerless to being irresistible to men. In it, you'll discover the secrets to having more confidence and power with men and dating as you learn the beliefs, attitudes, dating rules, "love habits", and seduction secrets of the high-value woman. Here's what you're going to learn inside: What to say when you want to "slow things down" with a guy without losing his interest in you. The most seductive first date "good deed" that can CAPTURE a man's desire and make him desperate to see you again. The #1 key to conquering a man's heart during the early dating stages. (This is something most women only figure out after YEARS of painful trial and error.) How to get a boyfriend by avoiding a HUGE relationship-killing mistake most women make within the first few weeks of dating. The single most irresistible feminine attitude that easily overwhelms a man's emotions and makes it IMPOSSIBLE for him to get you off his mind. How to get a man to treat you like a top priority (instead of his Plan B) once you start dating him. How to maintain the "Queen's Composure" when men pull away and how to use it to make the good ones come RUNNING back to you. The "dating rules" high-value women use to quickly eliminate players and find Mr. Right. And much, much more Would You Like to Know More? Love and Respect

Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a relationship for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more Would You Like to Know More? Get started right away and discover how to get the guy and keep him interested in you without playing games. Scroll to the top of the page and select the "buy button" now.

Men Who Hate Women and the Women Who Love Them

A New York Times best-selling marriage book making a difference! More than one million copies sold! Based on over three decades of counseling, as well as scientific and biblical research, Dr. Emerson Eggerichs and his wife, Sarah, have already taken the Love & Respect message across America and are changing the way couples talk to, think about, and treat each other. What do you want for your marriage? Want some peace? Want to feel close? Want to feel valued? Want to experience marriage the way God intended? Then why not try some Love and Respect. A wife has one driving need?to feel loved. When that need is met, she is happy. A husband has one driving need?to feel respected. When that need is met, he is happy. When either of these needs isn't met, things get crazy. Love & Respect reveals why spouses react negatively to each other, and how they can deal with such conflict quickly, easily, and biblically. What readers say about Love & Respect "I've been married 35 years and have not heard this taught." "This is the key that I have been missing." "You connected all the dots for me." "As a counselor, I have never been so excited about any material." "You're on to something huge here." Partner Love & Respect with the Love & Respect Workbook for Couples, Individuals, and Groups for an added experience. Love & Respect is also available in Spanish, Amor y Respeto.

Ask a Queer Chick

Classic radical feminist statement from the woman who shot Andy Warhol "Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded, responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation and destroy the male sex." Outrageous and violent, SCUM Manifesto was widely lambasted when it first appeared in 1968. Valerie Solanas, the woman who shot Andy Warhol, self-published the book just before she became a notorious household name and was confined to a mental institution. But for all its vitriol, it is impossible to dismiss as the mere rantings of a lesbian lunatic. In fact, the work has proved prescient, not only as a radical feminist analysis light years ahead of its time—predicting artificial insemination, ATMs, a feminist uprising against underrepresentation in the arts—but also as a stunning testament to the rage of an abused and destitute woman. In this edition, philosopher Avital Ronell's introduction reconsiders the evocative exuberance of this infamous text.

Men Don't Like Ugly, Women Don't Like Broke

Celebrity coach and speaker Tony A. Gaskins shares proven principles—gleaned from real life failures and successes—for building and sustaining a healthy relationship in today's times. Tony A. Gaskin's appearance on The Oprah Winfrey Show launched his career as a life coach and relationship counselor. After speaking about domestic violence, he felt empowered to speak his truth. Since then, Gaskin has been a faithful and committed husband for over a decade, and has counseled thousands, leading to millions following him online and making him one of America's foremost experts on love and relationships. Practical and accessible, Make It Work walks you through a series of lessons on how to maintain a healthy and long-lasting relationship. Drawing inspiration from the Bible and using his own successes and failures, Gaskins offers a framework for how you can identify the right person to settle down with, set standards which prompt longevity in love, and

Seven Pillars of Servant Leadership

A growing number of young men today say they are "mostly straight" and yet feel a slight but enduring desire for men. Ritch Savin-Williams explores the stories of 40 mostly straight young men to help us understand the biological, psychological, and cultural forces that are loosening the sexual bind many boys and young men experience.

Never Chase Men Again

Do you get depressed every time a date turns out to be a dud? Are you devastated when you don't get "the call" from a guy you like? Do you constantly check your dates out for marriage potential? Chances are you're taking dating way too seriously. According to Myreah Moore -- "America's Dating Coach" -- women need to start dating to have fun, which is what men have been doing for ages! In fact, Moore says, dating is a lot like a science. And with any scientific experiment, it's trial and error. In Date Like a Man, she steals dating secrets from men (the masters of dating) and transforms them into a personal training program that will boost your dating prospects -- and increase your chances of finding a soul mate. Clear, candid, and empowering, Date Like a Man makes the manhunt fun -- the way it should be. Even if you think you're a dating expert, you'll devour this manual -- the new bible for surviving and thriving in today's world.
