### Moon Austin, San Antonio & the Hill Country

Lunar missions chronicled in paintings by Apollo 12 astronaut Captain Alan Bean.

### Moon U. S. Civil Rights Trail

In the metropolitan mosaic that joins Dallas and Fort Worth together into a brightly lit metroplex, some mysterious figures still manage to keep to the shadows and slip through the cracks. Even after the Lake Worth Monster inspired a rash of phone calls to the Fort Worth Police Department, the "Goatman of Greer Island" faded back into the haze of myth. Is Lake Granbury's Ol' One Eye an impossibly large catfish or a sidetracked sea serpent? Could pterosaurs really coexist with the region's congested skies? From the Lady of White Rock Lake to the Creature of Copper Canyon and the Chupacabras of Cedar Hill, Jason McLean methodically follows inexplicable events to their source and bizarre beasts to their lairs.

### Moon Nashville

### Moon Dallas & Fort Worth

A gritty western saga and timeless love story that will leave you breathless and wanting more. PRAISE FOR ORPHAN MOON: "Gritty, raw American history I felt like I was there. LOVE that in a good novel."-Gary "Highly recommended! An exciting, breathless read with well-developed characters and a plot that keeps you guessing."-Elizabeth "T. K. Lukas's writing reflects the kind of maturity that will shine more and more with each passing novel. Kudos to her!"-Grammar Dowager Writers' League of Texas 2015 Top Five Finalist-Historical Fiction 1860 - Palo Pinto, Texas: Under the spectacular glow of a Comanche moon, a family is slaughtered, their homestead torched. Nineteen-year-old Barleigh Flanders survives the terrifying raid. Fiercely determined to rebuild, she seizes an opportunity meant for another. It's a foolhardy, reckless scheme. Desperate, near penniless, it's her only hope. Her grueling physical journey stretches from Texas, to Missouri, and into the rugged Utah Territory. However, it's her emotional journey that takes her to places of uncharted darkness, discovery, and redemption. In Hughes Levesque, Barleigh gains an unsought ally with dark secrets of his own. A hired gun, it becomes

## Bookmark File PDF Moon Dallas Fort Worth Travel Guide

his personal mission to keep Barleigh safe. Doing so may cost him his life, his job, and his heart, none of which he's keen to lose. Orphan Moon is a heart-wrenching saga of family love, loss, and betrayal. Both a gripping adventure and a timeless love story, it gallops across the bleeding edge of the western frontier.

### Moon Tennessee

You can't make this stuff up. Actually you can But here in Texas, you don't have to! Not only does Tui Snider explain the stories behind these offbeat & overlooked sites, but she also gives directions to a bunch of quirky Texas places, including the: \* Gravesite of an Alleged Space Alien \* Courthouse Displaying a Dead Lizard \* Statue of Jesus Wearing Cowboy Boots \* Rope used to Lynch "Santa Claus" \* Building Made Entirely of Salt \* Wax Replica of Da Vinci's Last Supper \* 65 foot tall Eiffel Tower Replica \* Petrified Wood Motel & Cafe \* World's Smallest Skyscraper \* Only Michelangelo Painting in America and much more!

Rights Sites: Learn about Dr. King's legacy at the Lorraine Motel in Memphis, be transformed at the small but mighty Emmett Till Intrepid Center, and stand tall with Little Rock Nine at their memorial in Arkansas The Culture of the Movement: Get to know the voices, stories, music, and flavors that shape and celebrate Black America both then and now Expert Insight: Award-winning journalist Deborah Douglas offers her valuable perspective and knowledge, as well as suggestions for engaging with local communities by patronizing Black-owned businesses and seeking out activist groups Travel Tools: Find tips on where to stay, where to eat, the best local nightlife, and more, plus driving directions for exploring the sites on a road trip, with full-color photos and maps throughout Detailed coverage of: Charleston, Atlanta, Selma to Montgomery, Birmingham, Jackson, the Mississippi Delta, Little Rock, Memphis, Nashville, Raleigh, Durham, Virginia, and Washington DC Journey through history, understand struggles past and present, and get inspired to create a better future with Moon U.S. Civil Rights Trail.

### Moon New Mexico

Coiled beneath discarded trash or rocky slabs, basking along river edges, and tucked into rock cuts beside the highway, reptiles and amphibians constantly surround us. While many people go out of their way to avoid snakes or shudder at the thought of touching a toad, herpers take to the field armed with cameras, hooks, and notebooks hoping to come across a horned lizard, green tree frog, or even a diamondback rattlesnake. In Herping Texas: The Quest for Reptiles and Amphibians, Michael Smith and Clint King, expert naturalists and field herpers, take readers on their adventures across the state as they search for favorite herps and rare finds. Organized by ecoregion, Herping Texas describes some of

the state ' s most spectacular natural places, from Big Bend to the Big Thicket. Each chapter contains photographs of the various snakes, lizards, toads, and turtles Smith and King have encountered on their trips. Part nature travel writing and part guide to field herping, Herping Texas also includes a section on getting started, where the authors give readers necessary background on best field herping practices. A glossary defines herping lingo and scientific terms for newcomers, and an appendix lists threatened and endangered species at the state and federal level. Herping Texas promotes experiencing natural places and wildlife equipped with solid information and a responsible conservation ethic. Throughout their decades tracking herps, Smith and King have collected humorous anecdotes and fascinating facts about reptiles and amphibians. By sharing those, they hope to dispel some of the stigma and false ideas people have about these misunderstood animals.

### Moon Kentucky

Knowing when and how to plant a tree are crucial to its survival. But if you select the wrong tree for your particular area and conditions, the proper planting techniques will not make a difference. Because Texas is a big place with varied climates, soils, and water qualities, a wide variety of trees can be grown there. Howard Garrett, also known as the "Dirt Doctor," explores the wide-ranging possibilities in a

book that will prove its value to homeowners, landscape architects, contractors, nurseries, gardeners, and others who want healthy trees. Texas Trees includes a complete description of native and best-introduced trees and gives details on natural habitats and preferred sites, planting and maintenance, identification information, flowers, fruit and foliage, culture, problems, and propagation. Texas Trees is for all Texas tree lovers, from the Red River to the Gulf Coast, the piney woods to the deserts and mountains.

### Empire of the Summer Moon

The debut title in the Anthony Bourdain Books line, *The Prophets of Smoked Meat* by “Barbecue Snob” Daniel Vaughn, author of the enormously popular blog Full Custom Gospel BBQ, is a rollicking journey through the heart of Texas Barbecue. From brisket to ribs, beef to pork, mesquite to oak, this fully illustrated, comprehensive guide to Texas barbecue includes pit masters’ recipes, tales of the road—from country meat markets to roadside stands, sumptuous photography, and a panoramic look at the Lone Star State, where smoked meat is sacred.

### Moon Nevada

Originally known as Holford’s Prairie, Lewisville’s name is not the only thing that has changed about this town in its long history. Settlers sponsored by the Peters Colony Company founded the small community in the 1840s. In the ensuing years, the settlement, renamed to Lewisville by Basdeal W.

Lewis in 1856, consistently grew and prospered until its incorporation in 1925. Cotton farming and ginning, the arrival of the Dallas and Wichita Railroad in 1881, the expansion of Lake Dallas into Lake Lewisville in 1954, and the opening of the Dallas/Fort Worth International Airport in 1974 ensured that Lewisville became an important commercial center in booming North Texas. Throughout its phenomenal growth, however, Lewisville still retained the charm and bonds of its farm-centered past. Today Lewisville boasts the largest population and school district in Denton County and serves as a suburb for the bustling Dallas/Fort Worth Metroplex.

### Moon Edinburgh, Glasgow & the Isle of Skye

Reprint. Contains material originally published by Victor H. Green in 1938, 1947, 1954, and 1963.

### Texas Trees

New York Times bestseller for fans of *First Man*: A “breathtaking” insider history of NASA’s space program—from astronauts Alan Shepard and Deke Slayton (Entertainment Weekly). On October 4, 1957, the Soviet Union launched Sputnik I, and the space race was born. Desperate to beat the Russians into space, NASA put together a crew of the nation’s most daring test pilots: the seven men who were to lead America to the moon. The first into space was Alan Shepard; the last was Deke Slayton, whose irregular heartbeat kept him grounded until 1975. They spent the 1960s at the forefront of NASA’s effort to conquer space, and *Moon Shot* is their inside account of what many call the twentieth century’s greatest feat—landing humans on another world. Collaborating with NBC’s veteran space reporter Jay Barbree, Shepard and Slayton narrate in gripping detail the story of America’s space exploration from the time of Shepard’s first flight until he and eleven others had walked on the moon.

### Moon Fiji

The Epic New York Times Bestseller Finalist for the Pulitzer Prize Finalist for the National Book Critics Circle Award A New York Times Notable Book Winner of the Texas Book Award Winner of the Oklahoma Book Award This stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West “ is nothing short of a revelation...will leave dust and blood on your jeans ” (The New York Times Book Review). Empire of the Summer Moon spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne ’ s exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War,

the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne ' s account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history.

### Secret Dallas: A Guide to the Weird, Wonderful, and Obscure
