### My Life with the Eskimo

In 1888-9, Fridtjof Nansen and his team wintered among the Greenlandic Inuit. This translated account was published in 1893.

### Give Me My Father's Body

### Daily Life of the Inuit

### Lost in the Barrens

Vilhjalmur Stefansson (1879 – 1962) was a Canadian Arctic explorer and ethnologist of Icelandic descent.

### Peter Freuchen's Book of the Seven Seas

Owinga is the story of a young Eskimo Girl living in the Arctic. Although she was a happy child living with her parents and brother, she wanted a pet whom she could love and call her own. However her father did not allow this because he stated that dogs could be mean and he was concerned that she would be hurt. In a strange and wonderful turn of fate her wish was granted and her life made complete.

### Who are the Eskimos? | Arctic People's Traditional Way of Life | Eskimo Kids Books Grade 3 | Children's Geography & Cultures Books

This wide-ranging treatment of daily life in the contemporary Inuit communities of Alaska, Canada, and Greenland reveals the very modern ways of being Inuit. \* Includes a chronology of major cultural and political events from the peopling of the North American Arctic to the present \* Provides contemporary and historical photographs of people, places, and activities discussed in the text \* Offers a glossary of key sociological and Inuktitut terms

### Eskimo Essays

Among the explorers made famous for revealing hitherto impenetrable cultures-T. E. Lawrence and Wilfred Thesiger in the Middle East, Richard Burton in Africa-Knud Rasmussen stands out not only for his physical bravery but also for the beauty of his writing. Part Danish, part Inuit, Rasmussen made a courageous three-year journey by dog sled from Greenland to Alaska to reveal the common origins of all circumpolar peoples. Lovers of Arctic adventure, exotic cultures, and timeless legend will relish this gripping tale by Stephen R. Bown, known as "Canada's Simon Winchester."

### Julie of the Wolves

### Hunters Of The Great North

### My Life with the Eskimo

Arctic explorer and anthropologist Vilhjalmur Stefansson promotes the health benefits of a diet high in fat and low in carbohydrates. Inspired by his observations of Eskimos and other indigenous cultures, and supported by evidence from a year-long experiment in which he only ate meat, Stefansson makes a strong case for an all-meat diet.

### My Life with the Eskimo

### The Fat of the Land

Describes, in text and photographs, the home, family, school, and day-to-day life of a seven-year-old Eskimo boy living in a small village in Alaska.

Not by Bread Alone

The Story of Owinga: a Little Eskimo Girl

My Life with the Eskimos

Discusses the Inuit's history, traditions, daily life, hunting routines, and homes.

My Life with the Eskimos

1922. Illustrated. Between 1906 and 1918, anthropologist and explorer Vilhjalmur Stefansson went on three long expeditions to the Alaskan and Canadian Arctic. For supplies he relied heavily on local resources, and he adopted the Eskimo way of living, thus successfully demonstrating his theory that the rigors of existence in the Arctic are much reduced by the use of such techniques. He wrote voluminously about his travels and observations. My Life with the Eskimo is one of his many books.

White Eskimo

The author details his experiment in extreme nutrition. This famous book extols the virtues of meat in the human diet.

Boone

The Inuit of the Arctic

The thrilling Newbery Medal – winning classic about an Eskimo girl lost on the Alaskan tundra Julie of the Wolves is a staple in the canon of children's literature and the first in the Julie trilogy. The survival theme makes it a good pick for fans of wilderness adventures such as My

Side of the Mountain, Hatchet, or Island of the Blue Dolphins. This edition, perfect for classroom or home use, includes John Schoenherr's original scratchboard illustrations throughout, as well as bonus materials such as an introduction written by Jean Craighead George's children, the author's Newbery acceptance speech, selections from her field notebooks, a discussion guide, and a further reading guide. To her small Eskimo village, she is known as Miyax; to her friend in San Francisco, she is Julie. When her life in the village becomes dangerous, Miyax runs away, only to find herself lost in the Alaskan wilderness. Miyax tries to survive by copying the ways of a pack of wolves and soon grows to love her new wolf family. Life in the wilderness is a struggle, but when she finds her way back to civilization, Miyax is torn between her old and new lives. Is she Miyax of the Eskimos—or Julie of the wolves? Don't miss any of the books in Jean Craighead George's groundbreaking series: Julie of the Wolves, Julie, and Julie's Wolf Pack.

Not by bread alone - Eating meat and fat for stay Lean and Healthy

My Life as an Explorer

Written by the man who knew the Eskimos better than any other man of our generation, Peter Freuchen's Book of the Eskimos presents an extraordinary close-up of a civilization still shrouded in secrecy--one of the strangest societies in the entire world.

My Life With The Eskimo

Tales and Traditions of the Eskimo, with a Sketch of Their Habits, Religion, Language and Other Peculiarities

The story of Daniel Boone is the story of America—its ideals, its promise, its romance, and its destiny. Bestselling, critically acclaimed author Robert Morgan reveals the complex character of a frontiersman whose heroic life was far stranger and more fascinating than the myths that surround him. This rich, authoritative biography offers a wholly new perspective on a man who has been an American icon for more than two hundred years—a hero as important to American history as his more political contemporaries George Washington and Benjamin Franklin. Extensive endnotes, cultural and historical background material, and maps and illustrations underscore the scope of this distinguished and immensely entertaining work.

POLAR ESKIMO.

My Life with the Eskimos

Discover the great mysteries of the sea with one of the most famous explorers of our time.

### Alaska's Daughter

### The Little Eskimo

Between 1906 and 1918, anthropologist and explorer Vilhjalmur Stefansson went on three long expeditions to the Alaskan and Canadian Arctic. For supplies he relied heavily on local resources, and he adopted the Eskimo way of living, thus successfully demonstrating his theory that the rigors of existence in the Arctic are much reduced by the use of such techniques. In this book, Stefansson tries by means of diaries and memories to tell the story of his first year among the Eskimos.

### My Life With the Eskimo

American edition of "Life with the Esquimaux". Details of the voyage of the George Henry to western Greenland and Baffin Island. Contains detailed descriptions of Eskimo life.

### Peter Freuchen's Book of the Eskimos

### Eskimo Life

My Life with the Eskimo by Rudolph Martin Anderson, first published in 1913, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

### My Life with the Eskimos

Originally published in 1956, this book is a memoir by Danish explorer Peter Freuchen, a close friend and travel companion of Arctic legend Knud Rasmussen, and ended up living in Greenland for fifteen years, 800 miles from the North Pole—adopting the native ways of life,

marrying an Inuit woman, and having two children along the way. Arctic Adventure is filled with tales of seal and polar bear hunts, enduring starvation, encountering people who had resorted to cannibalism, and the stirring experience of seeing the sun again after three months of winter darkness. Rich in human saga, Freuchen's warmth, wit, and literary talent make this recollection of real-life adventure stories a stand-out. "Except for Richard E. Byrd, and despite his foreign beginnings, Freuchen was perhaps better known to more people in the United States than any other explorer of our time."—Evelyn Stefansson, *The New York Times* "[A] formidable and fascinating man"—Harriet Baker, *Another* Richly illustrated throughout with maps and black-and-white photographs.

### Book of the Eskimos

Elizabeth B. Pinson shares with us her memories of Alaska's emergence into a new and modern era, bearing witness to history in the early twentieth century as she recalls it. She draws us into her world as a young girl of mixed ethnicity, with a mother whose Eskimo family had resided on the Seward Peninsula for generations and a father of German heritage. Growing up in and near the tiny village of Teller on the Bering Strait, Elizabeth at the age of six, despite a harrowing, long midwinter sled ride to rescue her, lost both her legs to frostbite when her grandparents, with whom she was spending the winter in their traditional Eskimo home, died in the 1918 influenza epidemic. Fitted with artificial legs financed by an eastern benefactor, Elizabeth kept journals of her struggles, triumphs, and adventures, recording her impressions of the changing world around her and experiences with the motley characters she met. These included Roald Amundsen, whose dirigible landed in Teller after crossing the Arctic Circle; the ill-fated 1921 British colonists of Wrangel Island in the Arctic; trading ship captains and crews; prospectors; doomed aviators; and native reindeer herders. Elizabeth moved on to boarding school, marriage, and the state of Washington, where she compiled her records into this memoir and where she lived until her death in 2006.

### Arctic Researches, and Life Among the Esquimaux

The 1927 autobiography, in English translation, of the first man to traverse the North-West Passage and to reach the South Pole.

### Nunaga

Profiles the Eskimo boy who was brought back to the United States by explorer Robert Peary, and whose father's body was placed on display at the Museum of Natural History.

### Arts of the Eskimo

### Ivalu, the Eskimo Wife

## Never in Anger

Duncan Pryde, an 18-year-old orphan, ex-merchant-seaman, and disgruntled factory-worker left Glasgow for Canada to try his hand at fur-trading. He became so absorbed in this new life that his next ten years were spent living with Eskimos. He immersed himself in their society, even in its most intimate aspects: hunting, shamanism, wife-exchange and blood feuds. His record of these years is not only a great adventure-story, but an unrivalled record of a way-of-life which, along with the igloo, has now entirely disappeared.

## The Friendly Arctic

Portrait of an eskimo family. Anthropologist Jean Briggs spent seventeen months living on a remote Arctic shore as the 'adopted daughter' of an Eskimo family. Through vignettes of daily life she unfold a warm and perceptive tale of the behavioral patterns of the Utku, their way of training children, and their handling of deviations from desired behavior.

## Arctic Adventure

A little Eskimo boy starts out on a quest to discover what's on the other side of the great frozen lake and to find out if he'll be a great hunter when he grows up.

## Eskimo Boy

Awasin, a Cree Indian boy, and Jamie, a Canadian orphan living with his uncle, the trapper Angus Macnair, are enchanted by the magic of the great Arctic wastes. They set out on an adventure that proves longer and more dangerous than they could have imagined. Drawing on his knowledge of the ways of the wilderness and the implacable northern elements, Farley Mowat has created a memorable tale of daring and adventure. When first published in 1956, *Lost in the Barrens* won the Governor-General's Award for Juvenile Literature, the Book-of-the-Year Medal of the Canadian Association of Children's Librarians and the Boys' Club of America Junior Book Award.
