### Prairie Farmer

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

A marriage of violence and control is not love and for Raine the moment of truth has come, the dark night of the soul is upon her but will she will find her way? You'll Come to Me is an electrifying story of strength and courage that will grip you until the very last page. As she fights to survive, what will Raine eventually find? An unexpected love that heals and restores her life, or will she remained trapped in a life of shadows an never moving into a new life of light?

“ [A] vivid, gripping account of inhuman cruelty, laced with rays of hope and courage and dignity amidst the horrors ” (Noam Chomsky, leading public intellectual and author of *Hopes and Prospects*). A dramatic true story of men and women trapped in the grip of war, *Next Time They ’ ll Come to Count the Dead* is modern crisis reporting at its best. For six weeks in the spring of 2015, award-winning journalist Nick Turse traveled on foot, as well as by car, SUV, and helicopter, around war-torn South Sudan, talking to military officers and child soldiers, United Nations officials and humanitarian workers, civil servants, civil society activists, and internally displaced persons—people whose lives had been blown apart by a ceaseless conflict there. In a fast-paced and emotionally powerful fashion, Turse reveals the harsh reality of modern warfare in the developing world and the ways people manage to survive the unimaginable. *Next Time They ’ ll Come to Count the Dead* isn ’ t about combat. It ’ s about the human condition, about ordinary people thrust into extraordinary circumstances, and about death, life, and the crimes of war in the newest nation on earth.

“ The average journalist follows the herd of others. A bold one like Nick Turse goes to where the herd isn ’ t. His searing reporting in this book brings alive the suffering of a country that the United States, midwife to its birth, has largely forgotten. ” Adam Hochschild, author of *King Leopold ’ s Ghost* and *Mirror at Midnight*
