A stalwart orphan sets out on a spine-tingling adventure in this wildly imaginative and darkly funny Victorian middle grade novel. High on a cliff above the gloomy Victorian town of Withering-by-Sea stands the Hotel Majestic. Inside the walls of the damp, dull hotel, eleven-year-old orphan Stella Montgomery leads a miserable life with her three dreadful aunts. Stella dreams of adventuring on the Amazon—or anyplace, really, as long as it isn't this dreary town where nothing ever happens. Then one night Stella sees something she shouldn't have. Soon she finds herself on the run from terrifying Professor Stark and his gang of thugs.

But how can one young girl outwit an evil magician, much less rescue his poor, mistreated assistant? With the help of a mysterious maestro, his musical cats, and a lively girl named Gert, Stella Montgomery sets out to do the impossible.

The Upstairs Room (Winner of the Newbery Honor)

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, *Goodnight Moon* is a must for every bookshelf and a time-honored gift for baby showers and other special events.

Brown Girl Dreaming

We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children ' s independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

The Yellow Star

Seventh-grader John "Crash" Coogan has always been comfortable with his tough, aggressive behavior, until his relationship with an unusual Quaker boy and his grandfather's stroke make him consider the meaning of friendship and the importance of family.

Goodnight Moon

"A novel of court intrigue and action-packed military adventure,"* Joanna Hathaway's *Dark of the West*, is a breathtaking YA fantasy debut--first in the *Glass Alliance* series. A pilot raised in revolution. A princess raised in a palace. A world on the brink of war. Aurelia Isendare is a princess of a small kingdom in the North, raised in privilege but shielded from politics as her brother prepares to step up to the throne. Halfway around the world, Athan Dakar, the youngest son of a ruthless general, is a fighter pilot longing for a life away from the front lines. When Athan ' s mother is shot and killed, his father is convinced it ' s the work of his old rival, the Queen of Etania—Aurelia ' s mother. Determined to avenge his wife ' s murder, he devises a plot to overthrow the Queen, a plot which sends Athan undercover to Etania to gain intel from her children. Athan ' s mission becomes complicated when he finds himself falling for the girl he ' s been tasked with spying upon. Aurelia feels the same attraction, all the while desperately seeking to stop the war threatening to break between the Southern territory and the old Northern kingdoms that control it—a war in which Athan ' s father is determined to play a role. As diplomatic ties manage to just barely hold, the two teens struggle to remain loyal to their families and each other as they learn that war is not as black and white as they ' ve been raised to believe. “ Heart-pounding . . . will leave the reader wanting more. ” —*#1 New York Times bestselling author Melissa de la Cruz At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From bestselling author and mental toughness expert Jason Selk comes a mind-training regimen for reframing every problem into an opportunity for productive action. The most common cause of failing to reach our professional and personal goals is hardwired in us: Humans instinctively focus on problems. Over

millennia, our very survival relied on our ability to be alert to any potential dangers that could threaten our existence. But today this negativity bias significantly limits our potential and increases stress, pressure, and underperformance. The one characteristic all phenomenally successful people share is mental toughness. Mentally tough people are better at making decisions more quickly and with better results. They possess the uncanny ability to control what goes on between their ears. Instead of allowing their minds to focus on their problems when adversity strikes, the most successful people have learned to direct their thoughts in a systematic manner that produces positive emotions and productive actions: they have a Relentless Solution Focus. In this book, top performance coach Dr. Jason Selk—former Director of Mental Training for the World Series champions St. Louis Cardinals—and his colleague Dr. Ellen Reed provide the insight, tools, and proven step-by-step framework for you to do the same. When you have Relentless Solution Focus, you think better. Your decisions garner positive results. You take action and follow through—every time. And when you do get off track, you get back on with less effort and less drama. Weakness shrinks and strength grows, creating confidence and momentum, taking you and your team to higher levels of performance and achievement.

Chosen by John Updike as a Today Show Book Club Pick. Already an award-winning writer, ZZ Packer now shares with us her debut, *Drinking Coffee Elsewhere*. Her impressive range and talent are abundantly evident: Packer dazzles with her command of language, surprising and delighting us with unexpected turns and indelible images, as she takes us into the lives of characters on the periphery, unsure of where they belong. We meet a Brownie troop of black girls who are confronted with a troop of white girls; a young man

who goes with his father to the Million Man March and must decide where his allegiance lies; an international group of drifters in Japan, who are starving, unable to find work; a girl in a Baltimore ghetto who has dreams of the larger world she has seen only on the screens in the television store nearby, where the Lithuanian shopkeeper holds out hope for attaining his own American Dream. With penetrating insight that belies her youth—she was only nineteen years old when *Seventeen* magazine printed her first published story—ZZ Packer helps us see the world with a clearer vision. *Drinking Coffee Elsewhere* is a striking performance—fresh, versatile, and captivating. It introduces us to an arresting and unforgettable new voice.

The Silent Boy

This Newbery Honor-winning book shows us that in the steady courage of a young girl lies a profound strength that can transcend the horrors of war. This is the true story of a girl's extraordinary survival during the German occupation of Holland of World War II. Annie was only ten years old, but because she was Jewish, she was forced to leave her family, her home, and everything she knew. Annie was taken in, far from home, by complete strangers who risked everything to help her. They showed Annie where she had to stay - the cramped upstairs room of their farmhouse. She would remain there while Nazis, who were ever vigilant, patrolled the streets outside. If Annie made even a sound from upstairs, or if a nosy neighbor caught sight of her in the window, it would surely mean a death sentence for her and the family that took her in. Elie Wiesel writes, " This admirable account is as important in every aspect as the one bequeathed to us by Anne Frank." Based on a true story from the author's family, *Letters from Rifka* presents a real-life heroine with an uncommon courage and unsinkable spirit.

Number the Stars

In this inspiring biography, discover the true story of *Harriet the Spy* author Louise Fitzhugh -- and learn about the woman behind one of literature's most beloved heroines. *Harriet the Spy*, first published in 1964, has mesmerized generations of readers and launched a million diarists. Its beloved antiheroine, Harriet, is erratic, unsentimental, and endearing--very much like the woman who created her, Louise Fitzhugh. Born in 1928, Fitzhugh was raised in segregated Memphis, but she soon escaped her cloistered world and headed for New York, where her expanded milieu stretched from the lesbian bars of Greenwich Village to the art world of postwar Europe, and her circle of friends included members of the avant-garde like Maurice Sendak and Lorraine Hansberry. Fitzhugh's novels, written in an era of political defiance, are full of resistance: to authority, to conformity, and even -- radically, for a children's author -- to make-believe. As a children's author and a lesbian, Fitzhugh was often pressured to disguise her true nature. *Sometimes You Have to Lie* tells the story of her hidden life and of the creation of her masterpiece, which remains long after her death as a testament to the complicated relationship between truth, secrecy, and individualism.
