In the moonlit jungles of Southeast Asia are a thousand thousand trees. In one of the hollows of one of the trees was a pangolin named Nallie. This is her story. Carried away from her jungle home by a hungry tiger, Nallie the Pangolin must use her unique abilities to survive in the journey back to her child, where she encounters other jungle animals like the python and gibbon in her persevering adventure. Written by environmental communication doctoral candidate Jason Derry and illustrated by pangolin conservationist Louise Fletcher, "A Pangolin Tale" is a playful but ecologically sound story that will teach your children about one of the world's most unique animals. 30% of all profits from "A Pangolin Tale" will be donated to furthering pangolin conservation.

Charles Busch is renowned for weaving popular culture, wicked camp humor, and biting social satire into an unusual and uproarious theatrical signature that has earned him the Outer Critics' John Gassner Award for Playwrighting and a Drama Desk Award for Best Play nomination. Of his latest play, The New York Times has written, "Uproarious wall-to-wall laughs Mr. Busch has swum straight into the mainstream and stays comfortably afloat there." Busch is the author of such plays as Vampire Lesbians of Sodom -- one of the longest-running plays in Off-Broadway history -- and Psycho Beach Party, a cross between Gidget and Spellbound. After a successful Off-Broadway run at New York City's Manhattan Theater Club, Busch moves to Broadway with The Tale of the Allergist's Wife, a hilarious comedy about a self-absorbed Upper West Side doctor's wife whose life is devoted to mornings at the Whitney, afternoons at the Museum of Modern Art, and evenings at the Brooklyn Academy of Music. Her world is shaken and transformed when a childhood friend makes an unexpected visit.

Cripps the Carrier ; a Woodland Tale

The St Andrews Old Course Starter's Box was sold in a controversial international auction on 10 September 2001, the day before the infamy of the Twin Towers attack. 'Play Away Please' recounts the glory of the little building in St Andrews, 'the home of golf', and tells the tale of

those who used its services for 77 continuous years. Unlike many epics, the story does not centre on a rich dynasty or a heroic quest for the truth. Instead, it centres on the production of the perfect round of golf and the global marketing of the Box - one of the most celebrated buildings in the world of sport - as a brand and an icon. The book also chronicles the suspense and notoriety that greeted the Box after its voyage from Scotland to California, by way of the Panama Canal, and the role it assumed as an emotional balm for many in the aftermath of the 11 September atrocity. Alas, nothing is as simple as it seems and miracles are rare. The businessman who bought the Box was imprisoned before it reached Los Angeles, accused of stealing millions from the real-estate development that was to be its home. Eight years later, a happy ending was finally brought about, but only after a healthy dose of gut-wrenching fear and suspense became a part of the story. Supplemented with exclusive photographs, 'Play Away Please' is also a personal story of patronage and odyssey to assure the Box's preservation as the sporting world's consummate symbol of integrity and fair play. Along the way, the author brings to life the unforgettable local characters of Fife, celebrating their customs, lifestyle and unique command of the English language.
