The Power of Love

With its unprecedented convocation of eighteen of the world's greatest spiritual thinkers, writers, and scientists, including Maya Angelou, Deepak Chopra, Paulo Coelho, and Eckhart Tolle, this beautifully designed full-color spiritual guide—which ties into a film of the same name—reveals how you can overcome limitations and fulfill your highest potential. Baptist de Pape, a young lawyer, was mired in anxiety and fears about his future when he felt the call to investigate the incredible power of the heart and how it can lead us to our true purpose in life. On a quest that took him around the world, de Pape interviewed eighteen living icons—all on camera—including Isabel Allende, Jane Goodall, Marci Shimoff, Marianne Williamson, and Gary Zukav. Generously sharing their touching personal stories as well as profound guidance, these leaders co-created with de Pape a multidimensional, illuminating portrait of the heart as an inexhaustible source of love and wisdom that far surpasses that of the mind. With exciting spiritual and scientific insights, *The Power of the Heart* presents fascinating evidence that the heart is more than a physical organ. It possesses its own intelligence, capable of transforming your views of money, health, relationships, and success. Mindfulness exercises and contemplations guide you to activate the heart's special powers—including intuition, intention, gratitude, forgiveness, and love.

The Purpose and Power of the Holy Spirit

Channel happiness and find your purpose with stories from the world's leading minds Work is Love Made Visible offers the insights of some of the world's greatest thought leaders as they tackle one of life's most difficult treasure hunts: finding purpose. The word "purpose" is big. Very big. And heavy. It carries the weight of a lifetime of work and struggle; the weight of legacy, and the mass of days spent not doing something else. It's something we all grapple with at some point—some of us find our purpose, others spend a lifetime searching. A lucky few grow to realize they've been working their purpose all along. Most of us aren't quite that lucky; often, fulfilling your purpose requires some kind of change—career, lifestyle, habits, family—and what then? Are we selfish for the upheaval, or are we fulfilling destiny? Once we know our purpose, how do we pursue it? This book asked those very questions of people who have followed their purpose and succeeded on a global scale. Their un-distilled answers are here, lending you the wisdom of their experiences, their examples, inspiration, and motivations as they: Tackle the universal struggle with individual purpose and meaning Illustrate how personal thought patterns contribute to real-world action Move challenges into the opportunities of their lives Reveal how they arrived at their life's purpose, and what they sacrificed to get there We all want a meaningful life. We want to work together for a brighter future, we want to celebrate our differences and commit to good. We want to inspire others, nurture their talents, and help them grow. We want to look back one day on a life well-lived, and leave something behind that matters to the world. Work is Love Made Visible shows you how some of us have succeeded, and offers you insight and guidance so that you can do the same.

Probably no other dimension of human experience has been pondered, discussed, debated, analyzed, and dreamed about more than the nature of true love. Yet, for all our thinking and talking, where can we turn for genuine insight in matters of true love? Dr. Myles Munroe provides answers to the questions surrounding the true nature of love as he exposes the false images created in our culture. point or another every newlywed couple has to face the question, "Okay, we're married; now what? A Woman of Purpose and Power

Whether you are male or female, child or adult, rich or poor, black or white, educated or uneducated, one thing is certain. And that thing is the truth that will never change, that, "If you reject knowledge, you despise yourself". Your life purpose comes through understanding. Many folks are struggling to find good life, purpose and fulfilment but they get tired and bored. Some are expecting unity but separation comes in, they desire for freedom but bondage and strongholds knock the door, when expecting happiness and joy, comes hatreds and distress and when expecting peace enmity pops in. Be it in relationship, family, church, ministry or any kind of business, this book gives insight into reality, to open the minds, ignite the spirit of growth, accelerate life transformation that produce a genuine character, which will restore your happiness regardless of what is happening around you. This vibrant author has significantly succeeded to give the insight of the very important and most desirable subject; The Power of Love. The book that will help people discover the truth and revelation about LOVE. The book that will completely alter their thinking, their perception and attitude about this beautiful word LOVE. Do you believe that love never fail? You might have believed this fact for so long but you have never realised it in your life. This book will enlighten your mind and lead you to uncover the dimensions of love. It will build a strong foundation that on it you can build your length, width, depth and height of understanding love. There are dimensions of love need to be known and understood by every human being in this world. This knowledge will impart in you the supreme understanding that will make your life full of joy, happiness and peace. Love always transform lives and make them better and worthy living. Dr. Myles Munroe said, "Love is the decision to commit to meet the needs of another for life without expectation". I concur with this definition without a shadow of doubt. Therefore, love is the ability to anticipate the need of another person, and making a decision to commit to meet it but expecting nothing in return from the person. It is the ability to meet that need without expecting anything in return. No expectation in true love. Therefore, having affection towards somebody is not a guarantee that, there is love. And however, the feeling of tender affection for someone may also be an outcome of something else and not love. Lust might also result into tender affection for somebody. This book authored by Dr. George Adriano objects to give you the insights on powerful dimensions of love. It also focusses on

Unlocking the Power of Your Purpose

Growing up with a Colombian father for whom magical realism was a way of life made ordinary reality feel like an immigrant experience for author Jose Chaves, who was born in the U.S. but, as his father would insist, made in Colombia!" That experience comes alive like a movie on the page in *The Contract of Love*, a memoir about family that is both hilarious and heartbreaking. Chaves' straightforward style turns the familiar exotic and makes the unfamiliar feel like home as he takes readers on a cultural journey from small-town, muscle-car America to the Chaves family farm in Colombia, where the cow is named Lyndon Johnson, and an emotional journey from his father's volatile world where unrequited love is sung out loud in restaurants, to a fraternity where the most important rule is to never reveal your feelings to another guy in public. With tenderness, humor, and hypnotic clarity, Chaves explores the landscape of love that holds us together, beyond the addictions that bind us-- from the broken faith that sends a boy spiraling down, to the grace that finds the man.

The Power of Love

Explore the emotional sensations of the many facets of love and affection that bring people together with one of the twentieth century's greatest spiritual teachers. One of the most important life events is falling in love, yet we never learn about it in school. Societies and religions force us into models and thought-forms that are often in opposition to an organic model of love, which is instead institutionalized by marriage, religious affiliations, and nationalism. This results in love that is, for most people, a painful challenge in one form or another throughout life. In these modern days, where the focus shifts more and more to realizing one's individual potential, Osho's *The Power of Love: What Does It Take for Love to Last a Lifetime?* helps us to direct our search for love by widening our view—showing us that love has many manifestations and is not limited to the "other". One manifestation of love is meditation, a life-changing experience that allows the flowering of real love within oneself and toward others. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

The Mission of Love

The power of love has become a renewed matter of feminist and non-feminist attention in the 21st century's theory debates. What is this power? Is it a form of domination? Or is it a liberating force in our contemporary societies? Within *Feminism and the Power of Love* lies the central argument that, although love is a crucial site of gendered power asymmetries, it is also a vital source of human empowerment that we cannot live without. Instead of emphasizing "either-or", this enlightening title puts the dualities and contradictions of love center stage. Indeed, by offering various theoretical perspectives on what makes love such a central value and motivator for people, this title will increase one's understanding as to why love can keep people in its grip - even when practiced in ways that deplete and oppress. In light of such analyses, the contributions within *Feminism and the Power of Love* present new perspectives on the conditions and characteristics of non-oppressive, mutually enhancing ways of loving. Bridging the gap between Feminist Affect Studies and Feminist Love Studies, this book

will appeal to undergraduate and postgraduate students, including postdoctoral researchers, interested in fields such as women's and gender studies, sociology, political science, philosophy, cultural studies and sexuality studies.

Another Landmark Book by Rick Warren. You are not an accident. Even before the universe was created, God had you in mind, and he planned you for his purposes. These purposes will extend far beyond the few years you will spend on earth. You were made to last forever! Self-help books often suggest that you try to discover the meaning and purpose of your life by looking within yourself, but Rick Warren says that is the wrong place to start. You must begin with God, your Creator, and his reasons for creating you. You were made by God and for God, and until you understand that, life will never make sense. This book will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose Driven Life is a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Romance, love and courtship are as universal as the precious jewels they inspire, objects which express deep affection for a loved one and eternal commitment. Wedding traditions have evolved over thousands of years and are based on blessing the couple with good luck and good wishes for unity, happiness and prosperity. The ring is the most personal of all jewels, its endless circular form symbolising the everlasting union of two people. The tradition of giving a betrothal or wedding ring as a promise of marriage goes back to ancient Rome and the ring was believed to have a direct link to the heart when worn on the ring finger of the left hand. It was not until the 15th century that diamond rings were primarily associated with marriage, but from the earliest times rubies or garnets were emblems of passionate love, diamonds or rock crystals symbolised virtue and constancy, sapphires denoted eternal love and emeralds desire and hope. Decorative motifs such as clasped hands, lovers' knots, crowned hearts, Cupid's arrows, flowers with hidden messages, snakes and butterflies were imaginatively used by jewellers to create magnificent jewels as symbols of romantic love.

What do desire and passion have to do with our spiritual journey? According to A. H. Almaas and Karen Johnson, they are an essential part of it. Conventional wisdom cautions that desire and passion are opposed to the spiritual path—that engaging in desire will take you more into the world, into egoic life. And for most people, that is exactly what happens. We naturally tend to experience wanting in a self-centered way. The Power of Divine Eros challenges the view that the divine and the erotic are separate. When we open to the energy, aliveness, spontaneity, and zest of erotic love, we will find it inseparable from the realm of the holy and sacred. When this is understood, desire and passion become a gateway to wholeness and to realizing our full potential. The authors reveal how our relationships become opportunities on the spiritual journey to express ourselves authentically, to relate with openness, and to discover dynamic inner realms with another person. Through embodying the energy of eros, each of us can learn to be fully real and alive in all of our interactions.
