check. The biggest outlaw on the mountain has his sights on one woman, and he's got a very big axe to grind. Beast. Monster. Outlaw. I've been called a lot of things, but let me promise you, a knight in shining armor ain't f\*ckin' one of them. But when the man I'm supposed to kill lays a hand on her - the firecracker cocktail waitress with the soft lips and the sweet curves that make my pine tree grow - there's no way I'm not stepping in. Beautiful, blonde, tempting as hell. She's got a body that was made for me to claim, and legs that were born to spread around my bike. Or my waist. But I'm a man with a mission - a blood vendetta that has to be paid. Mixing it up with Larkin is a bad idea at best. At worst, it might get us killed. But once I feel that sweet little body of hers pressed against mine with my chopper rumbling between her legs, I know there ain't a chance in hell I'm letting her go. I'm not here to save her. I'm here to take her - over my bike and across my bed. Pretty little Larkin is about to get a taste of how a real man claims his woman. Because up on my mountain, I carry a big axe. And I know how to use it. Now didn't I promise you that Axe was getting a book? ;) Get ready for Blackthorn Mountain's biggest, baddest, most growly alpha hero and the sassy heroine he's laid his eyes on. So light a fire, find a cozy cabin, and get ready for one truly panty-melting, bodice-ripping ride. As with all my books, this one is safe, with no cheating, and a HEA guaranteed.

Big truck, hard abs, filthy mouth, and dominant af. The toughest new alpha on the mountain's got a very huge package. And this Christmas, it's all for one lucky lady. Outlaw. Soldier. Villain. Hero. Smuggler for the mob. I'm whatever the highest bidder needs me to be, and I don't ask questions. That is, until a freak avalanche sends me crashing over a cliff up on Blackthorn Mountain, and I find out what--or who--I'm really carrying. She's innocent and tempting--the

blonde and beautiful little captive I didn't even know I had. Legs for days, curves that beg for my rough hands, and a sassy spitfire attitude that gets my pulse roaring. The mountain blizzard has us trapped. Just the two of us in an abandoned cabin, on Christmas Eve, with nothing but our body heat to keep warm. I know she's off-limits. I know the mob boss who's paying me wants to sell her to settle a debt. But once I've had a taste of Holly, there ain't no way I'm letting that happen. She came to me by accident. But I found her. I unwrapped her. I made her mine. The storm wants to bury us. The mob wants to take her from me. But she's my Christmas miracle. She's my pretty little present, and I'm going to unwrap every inch of her with my teeth. She was never meant for me. But now, I'm keeping her all to myself. This is a standalone story. The books in the Blackthorn Mountain Men series can be read in any order. Looking to heat the holidays up? Grab some cocoa, get cozy, and get ready for all sorts of warm, fuzzy, and hot af. A totally obsessed alpha outlaw, a sassy stowaway, the mob just a typical Christmas on Blackthorn Mountain. Hang on tight ;). As with my all my books, this one is safe, with no cheating and a HEA guaranteed.

Thedemonlibrarian.com 'I felt as much a part of the emotional rollercoaster the characters themselves. Needless to say, I devoured the book in a single sitting! After reading the first two books of the Blackthorn series I am definitely on the Lindsay Pryor fan bandwagon!' VampireRomanceBooks.com 'This is a deliciously dark book. This isn't your typical happily ever after story, and I think that's what drew me to the series in the first place. This is the second book I've read, and I honestly think it's better than the first.' RomFan Reviews

## Rescue of the Blackthorn Clan

In 2026 the Devastation destroyed almost everything; buildings toppled, forests fell, animals died, humanity was nearly wiped out. Only children survived, aged twelve years and under. Those that were not crushed by the falling buildings wandered through dust filled streets finding the others. Bonding together they formed their own clans and watched the world regrow from death to a morphed and mutated form. For six years they have lived their new life, fought to survive the new terrors that science had created and inadvertently set free. Now aged eighteen the elders have created laws and rules, guidelines for all within their clans to follow, but one clan will change everything. Alongside the good grows evil and evil has to spread, it has to hold power and control, has to destroy the good. A selected few from each of the clans must join together, as they are pulled by the evil that draws them to the unknown hell where it resides. As the clans fight amongst themselves and their differences, two leaders strive to rise above when they realise only together can they fight to continue their survival.

## The Stone of Sorrow

Dominant, wild, and alpha af. This single mom just got tangled up with the hardest new outlaw on the mountain. And he's about to show her how a real man claims what's his. I was a beast. A devil on two wheels. A rebel outlaw with a gun on my hip and a bigger one between my legs. Seven bullets almost put me in the ground, and now, all I'm looking for is a fresh start up on Blackthorn Mountain. But when I cross paths with the gorgeous, sassy single mom on the run, everything changes. Beautiful, fierce, and temping

as all hell. Soft, pouty lips that were made for me to claim, curves that make my engine roar, and legs that I can't wait to get my filthy hands all over. I've got no business getting tangled up with Jackie McKinnon. But one touch of her soft skin, and one taste of her mouth, and I know she's mine. She's got trouble hunting her down, though. Her abusive dirty cop of an ex thinks he can lay hands on her and her little girl Brooke again, but he has no idea how f\*\*king wrong he is. Because this is my mountain, Jackie and her little girl are mine to protect and keep safe, and I'll bury anyone who tries to hurt them. I found her, I claimed her, and I'm keeping her. Jackie needs a real man. And she's about to get every damn inch of one. This is a standalone story. The books in Blackthorn Mountain Men series can be read in any order. Love your alpha heroes possessive, wild, and utterly obsessed with claiming what's theirs? Yeah, me too ;). Heads up, this one is completely over-the-top, hot as sin, and one very wild ride. This is one alpha you're probably gonna need both hands for! As with my all my books, this one is safe, with no cheating and a HEA guaranteed.
