Business plans are one of the last remaining spaces in publishing where intimidating lingo, dry writing, and overly long verbiage are still the norm. You know what these books look like - big and manual-like, there's usually a middle-aged man standing with his arms crossed (or pointing!) on the cover, making promises in all caps about the money you'll make. The Conquer Kit is an interactive journal experience that brings business planning into the realm of play. Readers are invited to sketch, scribble, glue, dream, and write on the pages . . . all while developing an airtight business plan with proven money-making methods and strategies. Author and entrepreneur Natalie MacNeil encourages readers to build a strong foundation with the four pillars of every successful business (the right name, the right business setup and entity, a sound legal structure, and a basic financial system), create heart-centric products and marketing plans, put together their A team, envision the bigger picture, and bring their dream business to life. Praise for Natalie MacNeil 'We need more miracle workers in leadership positions, and I love Natalie and the work she's contributing to the world in the service of others.' Gabrielle Bernstein, New York Times bestselling author of *May Cause Miracles* 'It's fantastic what you are doing . . . You

inspire me.' Arianna Huffington 'Natalie MacNeil was one of the very first entrepreneur-writers invited to blog on ForbesWoman, and for good reason. Her blog, like her book, is smart, upbeat, inspirational, and full of practical advice for women who want to own their dream careers.' Caroline Howard, editor of Forbes WomanPraise for She Takes On the World 'Stop listening to what other people are saying about how you should live your life and start reading Natalie MacNeil's book, which will help you gain control over your future. In this uplifting chronicle of her experiences, coupled with timeless career advice, you will become smarter and more confident in your career.' Dan Schawbel, New York Times-bestselling author of Promote Yourself
