Practitioner. The Functional Medicine Approach to COVID-19: Virus-Specific Nutraceutical and Botanical Agents In this context of insufficient evidence regarding the prevention and treatment of COVID-19, the scope of this document is to assess the scientific plausibility of promising prevention approaches and therapeutic (nutraceutical and botanical) interventions and then to offer clinical

The Health Benefits of Laughter - Verywell Mind

A room (or even small space) set aside to relax and focus within is an excellent way to find peace and destress after a long days work. If yoga and meditation are something you turn to or even are interested in taking up as a way to help build a stronger mind and body, then consider some of the following ideas- no matter how small your space may be.
