#### How Successful People Grow

#1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.

#### The Power of Significance

From skinny scholar to muscle-bound showman. “ Easily the best memoir ever written about weight training, steroids and all ” (Men ’ s Journal). When blue-blooded, storklike Samuel Wilson Fussell arrived in New York City fresh from the University of Oxford, the ethereal young graduate seemed like the last person on Earth who would be interested in bodybuilding. But he was intimidated by the dangers of the city—and decided to do something about it. At twenty-six, Fussell walked into the YMCA gym. Four solid years of intensive training, protein powders, and steroid injections later, he had gained eighty pounds of pure muscle and was competing for bodybuilding titles. And yet, with forearms like bowling pins and calves like watermelons, Fussell felt weaker than ever before. His punishing regimen of workouts, drugs, and diet had reduced him to near-infant-like helplessness and immobility, leaving him hungry, nauseated, and prone to outbursts of “ ’ roid rage. ” But he had come to succeed, and there was no backing down now. Alternately funny and fascinating, *Muscle* is the true story of one man ’ s obsession with the pursuit of perfection. With insight, wit, and refreshing candor, Fussell ushers readers into the wild world of juicers and gym rats who sacrifice their lives, minds, bodies, and souls to their dreams of glory in Southern California ’ s so-called iron mecca.

### The 5 Levels of Leadership

This work, a revision of the author's Claremont dissertation, examines how women's differing roles in the ancient Greco-Roman world are reflected in the Gospel portraits of women. Focusing on women's varying portrayals in meal or banquet settings, Corley uncovers evidence that women's roles were undergoing radical social change throughout the Greco-Roman world--both in moving toward equality and in returning to a more traditional role. Such spadework helps us in analyzing the conflicting portrayals of women in the New Testament Gospels of Matthew, Mark, and Luke. Bibliography, notes and an index of ancient sources render this an invaluable tool for studying women in the Synoptics and ancient social attitudes toward women. This volume should be of particular interest to pastors and teachers, as well as college, university, and seminary students.

## Winning with People

Miles McPherson, founder of The Rock Church in San Diego, presents “ a discussion about race that we desperately need a must read ” (Bishop T.D. Jakes, Senior Pastor, The Potter ’ s House) and argues that we must learn to see people not by the color of their skin, but as God sees them—humans created in the image of God. Pastor Miles McPherson, senior pastor of The Rock Church in San Diego, addresses racial division, a topic many have shied away from, for fear of asking the wrong question or saying the wrong thing. Some are oblivious to the impact racism has, while others pretend it doesn ’ t exist. Even the church has been affected by racial division, with Sunday now being the most segregated day of each week. Christians, who are called to love and honor their neighbors, have fallen into culture ’ s trap by siding with one group against another: us vs. them. Cops vs. protestors. Blacks vs. whites. Racists vs. the “ woke. ” The lure of choosing one option over another threatens God ’ s plan for unity among His people. Instead of going along with the culture, Pastor Miles directs us to choose the Third Option: honoring the priceless value of God ’ s image in every person we meet. He exposes common misconceptions that keep people from engaging with those of different racial and ethnic backgrounds, and identifies the privileges and pitfalls that we all face. The Third Option challenges us to fully embrace God ’ s creativity and beauty, as expressed in the diversity of His people. By following the steps and praying the prayers outlined in his book, Pastor Miles teaches us how we can all become leaders in unifying our communities, our churches, and the nation.
