God's Priorities for Today's Woman

People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison. But, as any student or teacher of the discipline can attest, those differences have been ill-defined and largely anecdotal until now. Heath Lambert, the first scholar to analyze the movement's development from within, shows how biblical counseling emerged from, and remains rooted in, a commitment to the sufficiency of Scripture and the need to give practical help to struggling people. He identifies contemporary leaders—including Powlison, Ed Welch, Paul Tripp, and Wayne Mack—who emphasize the sinner as sufferer, the heart as key to motivation, and the need to interact humbly with critics. Demonstrating how these refinements in framework, methodology, and engagement style are characteristic of a second generation of biblical counselors, Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods. With a substantial foreword from David Powlison and strong support from prominent biblical counselors, this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced.

Romans 8-16 for You

Read Book The Exemplary Husband A Biblical Perspective

Your wife needs you God calls men to be exceptional, extraordinary, and exemplary. Somewhere between the Garden of Eden and the invention of the latest video game console, this concept got completely lost on a huge population of young men in our modern society. You're the Husband seeks to provide a road map for men as they navigate through marriage. God did not design it to be easy, nor did He design it to be perfect or everlasting. Instead, He designed marriage to be full of commitment, sacrifice, and service. He has designed marriage to sanctify. You're the Husband examines the biblical pillars of being a husband—where love and responsibility come together to produce a godly marriage.

The Faithful Parent

“He was pierced for our transgressions; he was crushed for our iniquities; upon him was the chastisement that brought us peace, and with his wounds we are healed.” Isaiah 53:5 Often hailed as one of the greatest chapters in the Bible, the prophecy of the suffering servant in Isaiah 53 foretells the crucifixion of Jesus, the central event in God’s ultimate plan to redeem the world. This book explains the prophetic words of Isaiah 53 verse by verse, highlighting important connections to the history of Israel and to the New Testament—ultimately showing us how this ancient prophecy illuminates essential truths that undergird our lives today.

Transformed heart attitudes such as a high and proper view of God, humility, love, and gratitude are a grace-work of God in the life of Christians as they learn from the Scriptures a biblical view of God, man, and sin. Maturing in godly heart attitudes requires grace from God as well as work on our part for our minds to be transformed to think God-honoring thoughts and to truly discern unbiblical philosophies.

Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. *The Meaning of Marriage* offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life.
