Mickey The Fisherman is out in the bay. What adventures will he have on his travels today? Inspired by her love for the Anglesey coast, Natalie Davies launches her first book in the 'Mickey The Fisherman' series. "The history of Anglesey and the people I met there have left an indelible mark on my heart and these books are based on our good friend and Welsh fisherman, Mickey Beechey. These books are full of love, kindness and generosity, things my time on Anglesey was full of. Things we can all share x." So join our hero Mickey as he saves his sea-life friends from the effects of pollution and teaches us all a valuable lesson in loving our planet.

## **Said the Fisherman**

Drifting in a life raft off the northern California coast after a horrifying shipwreck, Neil Kruger retreats from his fear by recalling scenes from his childhood. He finds solace in memories of his father, a taciturn man who introduced him to the fisherman's life; his mother, who worked at the local cannery to keep the family fed; and a host of local fishermen, whose battles with the sea become for Neil both a model and a tragic foreshadowing of his own fate. At once a stunning evocation of a dying world and an intimate story of a troubled family, *The Fisherman's Son* is a triumphant and utterly authentic novel about our lifelines to childhood and the pull of the sea.

Now a feature-length documentary on the Discovery channel narrated by Tom Brokaw. “Lush, gorgeously written...A profoundly hopeful book.” —Tina Rosenberg, winner of the Pulitzer Prize and the National Book Award A Kirkus Best Book of 2016 Many of the men and women doing today’s most consequential environmental work—restoring America’s grasslands, wildlife, soil, rivers, wetlands, and oceans—would not call themselves environmentalists; they would be too uneasy with the connotations of that word. What drives them is their deep love of the land: the iconic terrain where explorers and cowboys, pioneers and riverboat captains forged the American identity. They feel a moral responsibility to preserve this heritage and natural wealth, to ensure that their families and communities will continue to thrive. Unfolding as a journey down the Mississippi River, *Rancher, Farmer, Fisherman* tells the stories of five representatives of this stewardship movement: a Montana rancher, a Kansas farmer, a Mississippi riverman, a Louisiana shrimper, and a Gulf fisherman. In exploring their work and family histories and the essential geographies they protect, *Rancher, Farmer, Fisherman* challenges pervasive and powerful myths about American and environmental values.

displays, cheering crowds, and Prime Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people—a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time. From the Trade Paperback edition.

One of the most popular writers working in Japan today, Mariko Koike is a recognized master of detective fiction and horror writing. Known in particular for her hybrid works that blend these styles with elements of romance, *The Graveyard Apartment* is arguably Koike's masterpiece. Originally published in Japan in 1986, Koike's novel is the suspenseful tale of a young family that believes it has found the perfect home to grow into, only to realize that the apartment's idyllic setting harbors the specter of evil and that longer they stay, the more trapped they become. This tale of a young married couple who harbor a dark secret is packed with dread and terror, as they and their daughter move into a brand new apartment building built next to a graveyard. As strange and terrifying occurrences begin to pile up, people in the building start to move out one by one, until the young family is left alone with someone or something lurking in the basement. The psychological horror builds moment after moment, scene after scene, culminating with a conclusion that will make you think twice before ever going into a basement again.

angler." --Joe Healy editor, Saltwater Fly Fishing Here at last, in layman's terms, is a fisherman's guide to the habitat and behavior of saltwater fish. The author, an oceanographer and avid fly fisherman, explains the marine environment and the factors that affect where game fish congregate, how they move with tides and currents, what they see, smell, taste, and hear. The copiously illustrated text covers inshore and offshore habitat and will prove invaluable to anyone who fishes in saltwater, whether in the surf, on the flats, or out at sea. The ocean is vast. The sea is broken, fishermen say. The sea is empty. The genii have taken the fish elsewhere. For centuries, fishermen have launched their pirogues from the Senegalese port of Joal, where the fish used to be so plentiful a man could dip his hand into the grey-green ocean and pull one out as big as his thigh. But in an Atlantic decimated by overfishing and climate change, the fish are harder and harder to find. Here, Badkhen discovers, all boundaries are permeable—between land and sea, between myth and truth, even between storyteller and story. Fisherman's Blues immerses us in a community navigating a time of unprecedented environmental, economic, and cultural upheaval with resilience, ingenuity, and wonder.

Declared “the best survival book in a decade” by *Outside Magazine*, *438 Days* is the true story of the man who survived fourteen months in a small boat drifting seven thousand miles across the Pacific Ocean. On November 17, 2012, two men left the coast of Mexico for a weekend fishing trip in the open Pacific. That night, a violent storm ambushed them as they were fishing eighty miles offshore. As gale force winds and ten-foot waves pummeled their small, open boat from all sides and nearly capsized them, captain Salvador Alvarenga and his crewmate cut away a two-mile-long fishing line and began a desperate dash through crashing waves as they sought the safety of port. Fourteen months later, on January 30, 2014, Alvarenga, now a hairy, wild-bearded and half-mad castaway, washed ashore on a nearly deserted island on the far side of the Pacific. He could barely speak and was unable to walk. He claimed to have drifted from Mexico, a journey of some seven thousand miles. A “gripping saga,” (*Daily Mail*), *438 Days* is the first-ever account of one of the most amazing survival stories in modern times. Based on dozens of hours of exclusive interviews with Alvarenga, his colleagues, search-and-rescue officials, the remote islanders who found him, and the medical team that saved his life, *438 Days* is not only “an intense, immensely absorbing read” (*Booklist*) but an unforgettable study of the resilience, will, ingenuity and determination required for one man to survive more than a year lost and adrift at sea.

## **The Prodigal Mage**

A Texas oilman. A brilliant female archaeologist. An unknown world underneath the Vatican. In 1939, a team of workers beneath the Vatican unearthed an early Christian grave. This surprising discovery launched a secret quest that would last decades — a quest to discover the long-lost burial place of the Apostle Peter. From earliest times, Christian tradition held that Peter — a lowly fisherman from Galilee, whom Christ made leader of his Church — was executed in Rome by Emperor Nero and buried on Vatican Hill. But his tomb had been lost to history. Now, funded anonymously by a wealthy American, a small army of workers embarked on the dig of a lifetime. The incredible, sometimes shocking, story of the 75-year search and its key players has never been fully told — until now. The quest would pit one of the 20th century's most talented archaeologists — a woman — against top Vatican insiders. The Fisherman's Tomb is a story of the triumph of faith and genius against all odds. ABOUT THE AUTHOR John O'Neill is a lawyer and #1 New York Times bestselling author. Few New Testament characters are as fascinating as Simon Barjona, the man called Peter—a reluctant disciple who changed the face of Christianity. For more than twenty-five years, author and pastor Larry Huntsperger has spent hundreds of hours studying New Testament documents in preparation for writing this fictional first-person account of the life of this enigmatic disciple. The result is a novel that faithfully follows Scripture while offering a powerful, fresh narration of the story of one of Christianity's greatest men. In the fast-paced chapters of *The Fisherman*, readers will relive Peter's initial resistance to the pull he feels toward Jesus and his ministry. They'll walk with Peter alongside Jesus through the events of the Gospels and catch intimate glimpses of the disciples' personalities. They'll even "feel" the dust on the roads as familiar stories are transformed into original, spellbinding accounts from Peter's life.

pushed to the edge of the earth and further from the weight of family—marked by divorce, death, disability, and depression—and a life she desires on land. Locked at sea for ninety days as the lone female trying to tuck in tight alongside twenty-five rough-and-tumble commercial fishermen in Alaska, Laura Hartema offers a rare glimpse into the intertwining worlds of a fisheries observer and the crew she works beside. She graphically illustrates the challenges of daily life and relationships in a way few have seen before. Her story provides an unprecedented portrait of the bizarre and entertaining human dynamics aboard an at-sea catcher-processor vessel, where men battle dangerous working conditions, loneliness, and boredom while rivaling for the attention of the only woman. Between trough and crest, Laura ponders the trauma and tragedies of her Midwest childhood as her capabilities and resilience are regularly tested. She is often left deciding when to “blow it off” and when to “blow a gasket.” In the end, the tumultuous Bering Sea is where she finds the strength to overcome the wounds of her past, embrace life’s uncertainty, and steam ahead into the uncharted waters of her future. *Bering Sea Strong* demonstrates one woman’s determination to overcome obstacles in pursuit of a satisfying career and a better life.
