Summary: The Gifts of Imperfection: By Brené Brown

Leading Gracefully is a must-read for women who want to get to the next level in their career. Through personal stories, interviews of female executives as well as the latest neuroscience research, you will learn how to successfully use 'feminine' strengths combined with traditional traits to breakthrough gender bias to lead with confidence.

Great Leaders Live Like Drug Addicts

Bestselling author Harriet Lerner focuses on the challenge and the importance of being able to express one's "authentic voice" in intimate relationships. The key problem in relationships, particularly over time, is that people begin to lose their voice. Despite decades of assertiveness training and lots of good advice about communicating with clarity, timing, and tact, women and men find that their greatest complaints in marriage and other intimate relationships are that they are not being heard, that they cannot affect the other person, that fights go nowhere, that conflict brings only pain. Although an intimate, long-term relationship offers the greatest possibilities for knowing the other person and being known, these relationships are also fertile ground for silence and frustration when it comes to articulating a true self. And yet giving voice to this self is at the center of having both a relationship and a self. Much as she did in *THE MOTHER DANCE*, Lerner will approach this rich subject with tales from her personal life and clinical work, inspiring and teaching readers to speak their own truths to the most important people in their lives.

A Comprehensive Summary of "The Gifts of Imperfection" by Brené Brown About the Original Book In the book " The Gifts of Imperfection" by Brené Brown, Brown tries to help us find courage to overcome paralyzing fear and self-consciousness, strengthening our connection to the world. She bolsters the self-esteem and personal development process through her characteristic heartfelt, honest storytelling. With original research and plenty of encouragement, she explores the psychology of releasing our definitions of an "imperfect" life and embracing living authentically. About this Summary This summary guide is proudly brought to you by Mercy Brain. It contains a comprehensive, well detailed summary and key takeaways of the original book by Brené Brown. It summarizes the book in detail, to help people effectively understand, articulate and imbibe the original work by Brown. Disclaimer: This book is not meant to replace the original book but to serve as a companion to it.

Happiness Now!

Dare to Lead

OVER 500,000 COPIES SOLD! In these pages, New York Times bestselling author Shauna Niequist invites you to consider the landscape of your own life, and what it might look like to leave behind the pressure to be perfect and begin the life-changing practice of simply being present, in the middle of the mess and the ordinariness of life. As she puts it: "A few years ago, I found myself exhausted and isolated, my soul and body sick. I was tired of being tired, burned out on busy. And, it seemed almost everyone I talked with was in the same boat: longing for connection, meaning, depth, but settling for busy. "I am a wife, mother, daughter, sister, friend, neighbor, writer, and I know all too well that settling feeling. But over the course of the last few years, I've learned a way to live, marked by grace, love, rest, and play. And it's changing everything. "Present Over Perfect is an invitation to this journey that changed my life. I'll walk this path with you, a path away from frantic pushing and proving, and toward your essential self, the one you were created to be before you began proving and earning for your worth." Written in Shauna's warm and vulnerable style, this collection of essays focuses on the most important transformation in her life, and maybe yours too: leaving behind busyness and frantic living and rediscovering the person you were made to be. Present Over Perfect is a hand reaching out, pulling you free from the constant pressure to perform faster, push harder, and produce more, all while maintaining an exhausting image of perfection. Shauna offers an honest account of what led her to begin this journey, and a compelling vision for an entirely new way to live: soaked in grace, rest, silence, simplicity, prayer, and connection with the people that matter most to us.

Summary of the Gifts of Imperfection by Brene Brown

Happiness NOW! is a truly powerful and radical exploration of one of life's most treasured goals. Packed with rich insights and practical wisdom, it offers a message of profound hope and healing for a generation that is often too busy chasing happiness to be truly happy. Workbook for the Gifts of Imperfection

A beautifully illustrated workbook that helps women slow down and enjoy life rather than pushing for perfection. Most women today are frantic, lost in an endless cycle of busyness caused by constant pressure to perform up to unrealistic expectations of perfection, many of

File Type PDF The Gifts Of Imperfection Let Go Of Who You Think Youre Supposed To Be And Embrace Who You Are

which are self-imposed. This journal cuts to the heart of the problem by showing women how to reconnect with their inner selves through solitude, introspection, and contemplation of what's truly important to them as individuals and family members. Give yourself permission to be Present, Not Perfect.

Summary of The Magic of Thinking Big by David J Schwartz

The Gifts of Imperfection

Drawing on ten years of experience working with more than 10,000 executives from companies around the globe, Nick Craig takes you on a revelatory journey to understand your purpose, find clarity and focus, and lead with inspiration. When uncovered, purpose becomes our most fundamental guiding principle. Explaining where true purpose lies and demystifying where it doesn't, Craig offers the methods through which anyone can find their purpose. He identifies three pathways that will assess where you are with your purpose and where you should be going. Illustrated by case studies of leaders from all walks of life and industries, Craig shares their unique stories to show how top leaders are energized by their purpose, finding in it the confidence they need to properly evaluate high-stakes decisions and take the optimal action. The best leaders access their purpose especially when facing the unknown, drawing on the source of it to energize themselves. Purpose also redefines their relationships to stress, allowing them to thrive where others just survived, and to postpone momentary, fleeting rewards in favor of leaving a sustained, meaningful impact. Accessible, methodical, and eminently practical, Leading from Purpose offers the comprehensive toolbox with which everyone--whether a c-suite executive or behind-the-scenes office worker--can live out their purpose and achieve success on their own terms. If you find yourself in an organization that is struggling to live its purpose, Craig's insights on how to bring your purpose and the organization's purpose into the same room at the same time is game-changing and will redefine your life and career.

Well Fed 2

Special Hardcover Library Edition The Everyday Sexism Project was founded by writer and activist Laura Bates in April 2012. It began life as a website where people could share their experiences of daily, normalized sexism, from street harassment to workplace discrimination to sexual assault and rape. The Project became a viral sensation, attracting international press attention from The New York Times to French Glamour, Grazia South Africa, to the Times of India and support from celebrities such as Rose McGowan, Amanda Palmer, Mara Wilson, Ashley Judd, James Corden, Simon Pegg, and many others. The project has now collected over 100,000 testimonies from people around the world and launched new branches in 25 countries worldwide. The project has been credited with helping to spark a new wave of feminism.

File Type PDF The Gifts Of Imperfection Let Go Of Who You Think Youre Supposed To Be And Embrace Who You Are

FOR DISTRIBUTION OUTSIDE THE USA. Halftime. Time to pause, midway in the game of your life, and consider how to make the transition from professional success to significance. Revised and expanded for a new generation of leaders, Bob Buford's bestseller shows how you can make the second half of your life even more rewarding than the first.

Workbook for Dare to Lead

You Are Enough takes readers on an incredible journey of self-understanding to explore the root causes of negative emotions that are projecting themselves into their outside relationships. The concept that the fear of never finding true love and consistently trying to please others are major factors in engaging in toxic relationships.

Present Over Perfect

PLEASE NOTE: This is a summary of the book and NOT the original book. The Gifts of Imperfection by Brené Brown | A 30-minute Summary Inside this Instaread Summary: * Overview of the entire book * Introduction to the important people in the book * Summary and analysis of all the chapters in the book * Key Takeaways of the book * A Reader's Perspective Preview of this summary: Chapter 1 It is necessary to practice courage, compassion, and connection on a daily basis in order to develop worthiness. It is a mistake to try and win someone over, because it means trading in the sense of self in search of approval from another. By doing this, people stop believing in their own worth. The first step toward living wholeheartedly is for people to have the courage to reach out to others and to share their own stories of shame. When in need of compassion, people should reach out to the right person, someone who supports them whether they are feeling strong or whether they are struggling. When people are willing to reveal that they are imperfect and real, their relationships are strengthened. They make a connection. This is why courage, compassion, and connection are the gifts of imperfection. Courage is displayed when people are willing to speak honestly and openly about who they are, what they are feeling, and their experiences both good and bad. Courage is about being vulnerable. It takes courage for someone to ask for what he or she needs and to risk disappointment. When one person has courage, it can create a ripple effect, making others around that person a little braver. Compassion is a relationship between two equals. It occurs when people recognize they share humanity with others. The heart of compassion is acceptance by people of themselves and of others. In order for compassion to occur, people need to set boundaries and hold others accountable for their behavior. The key to compassion is being able to separate people from their behaviors. It is necessary to address what people do, not who they are. Connection exists as the energy between people who feel they have been seen, heard, and valued without judgment. People feel strengthened by this relationship and need connection to do well emotionally, physically, spiritually, and intellectually. Connections happen when people both give and receive with an open heart. Chapter 2 Love and belonging are necessary in people's lives. In order for people to experience love and belonging, they must believe they are worthy. People who accept themselves for who they are and who stop worrying about what others think are worthy of love and belonging. At the heart of wholeheartedness is that people have to believe they are worthy now, as they are, not if or when they become or do something in the future.

I Thought it was Just Me (but it Isn't)

The renowned classic and New York Times bestseller that has transformed the lives of millions of readers, dramatically changing how women and men view relationships. Anger is something we feel. It exists for a reason and always deserves our respect and attention. We all have a right to everything we feel—and certainly our anger is no exception. "Anger is a signal and one worth listening to," writes Dr. Harriet Lerner in her renowned classic that has transformed the lives of millions of readers. While anger deserves our attention and respect, women still learn to silence our anger, to deny it entirely, or to vent it in a way that leaves us feeling helpless and powerless. In this engaging and eminently wise book, Dr. Lerner teaches both women and men to identify the true sources of anger and to use it as a powerful vehicle for creating lasting change. For decades, this book has helped millions of readers learn how to turn their anger into a constructive force for reshaping their lives. With a new introduction by the author, *The Dance of Anger* is ready to lead the next generation.

Keep Going

Everyday Sexism

We don't have all the answers—but we can help you choose a partner. Choosing a romantic partner is one of contemporary life's biggest adventures. But other aspects of modern living—being globally more mobile, a fall in religious belief, social liberalization, and more job opportunities (but longer working hours)—mean relationships have rarely been so challenging, and so important. In *How to Choose a Partner*, Susan Quilliam guides us through the process of finding the right partner for us as individuals. The real challenge is that we grow. Drawing upon rich cultural material, psychology, and her background in relationship therapy, Susan presents partner choice as a journey toward self-development, driving us to learn more about ourselves, about other people, and about life and the way we want to live.

WORKBOOK For The Gifts of Imperfection

****Now on Netflix as The Call to Courage**** Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. In a powerful new vision Dr Brené Brown challenges everything we think we know about vulnerability, and dispels the widely accepted myth that it's a weakness. She argues that, in truth, vulnerability is strength and when we shut ourselves off from vulnerability - from revealing our true selves - we distance ourselves from the experiences that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across every area of our lives including home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly.

The Secret Thoughts of Successful Women

THE GIFTS OF IMPERFECTION - Summarized for Busy People

A compelling and provocative exploration of the complexities of shame and its impact on women's lives. Based on interviews with over 200 women, here are ideas, information, and strategies for understanding shame across a wide range of topics, including appearance, sex, body image, motherhood, parenting, health, and aging, supported by poignant and relevant case examples. Four key elements that allow women to transform shame into connection and acceptance are identified and explained. Original.

LIVING IT UP offers further hope and guidance for sufferers of anxiety disorders, and valuable insights for those interested in personal development. What is your "It"? Anger? Fear? Low self-esteem? Depression? Addiction? LIVING IT UP, a sequel to the popular LIVING WITH IT: A Survivor's Guide to Panic Attacks, is a guide to surviving anxiety in its many forms - from the overwhelming terror of Panic Disorder to the less intense but equally destructive daily stresses of modern life. Bev Aisbett, a survivor of Panic Disorder, cartoonist and author, presents a fun, easy-to-read guide to life skills required to transform anxiety into a valuable tool for growth and change.

The Dance of Connection

The Gifts of Imperfection: A Full Summary! The Gifts of Imperfection is a book that describes what and how does it look like when we live our lives with our whole hearts. This book is written by Brené Brown and it is a book that provides practical explanations and that shows what does it really mean when we live with our whole hearts. We humans are social beings and as such, we want for someone to love us and for someone to care for us just as much as we want to care for somebody else. Here the author says that if people want to live their lives 'wholeheartedly', several things need to be 'fulfilled'. People need courage, compassion and connection to be able to live a life wholeheartedly and here the author precise why we need each of those traits. But there are also some obstacles in reaching and living wholehearted life and they are shame, fear and vulnerability. Besides listing these negative traits that can and often stop us into living a wholehearted life, the author also lists ten so-called 'guideposts', which are used to help people to live a life as they are supposed to in the first place. The Gifts of Imperfection is a book that shows to its readers another perspective on human life in general, a perspective that will reveal both benevolent and malevolent sides of living a life. This book is also a guidebook that can certainly help people to observe their own lives from different angle of view and as such, to determine what are things that should be removed and/or changed for them to be able to live a life with its fullest potential. Here Is A Preview Of What You Will Get: In The Gift of Imperfection, you will get a detailed summary of the novel In The Gift of Imperfection, you will find some analysis to strengthen your knowledge about the book In The Gift of Imperfection, you will get some fun

Present, Not Perfect

The Gifts of Imperfection: Let Go of Who You Think You're Supposed To Be and Embrace Who You Are by Bren Brown | Book Summary | Readtrepreneur With the advent of social media, we are bombarded by the messages they give out every day. What people tell us to be and what we see around us become our ideals and who we think we're supposed to be. Many of us strive to show the best image of ourselves to others to receive acceptance and fit in. However, all these creates a temporary sense of belonging that only leaves us feeling more empty and unworthy at the end of the day. "You can't get to courage without walking through vulnerability." - Bren Brown In this book, Bren Brown teaches us how to lead a wholehearted life and to be happy, and one does not need to be perfect. It all lies in our state of mind and how we view ourselves. We will learn how to overcome the common feelings many of us face when we feel inadequate, and rise better and stronger after that. (Note: This summary is wholly written and published by readtrepreneur.com It is not affiliated with the original author in any way) P.S. This is an important book that will change your life for the better with ten guideposts as you realize how insignificant other people's view of you are, and learn to believe in your own worthiness. Daring Greatly

PLEASE NOTE: This is an unofficial workbook and was created to be used as a compliment to Brene Brown's book: The Gifts of Imperfection. Imagine 2 scenarios. In the first one you have just finished reading The Gifts of Imperfection. It was a great book and you remember that it mentioned a lot of smart things. But you can't remember much of it now as you close the book. In the second scenario you have just finished the same book. The difference now is that you have a plan for how to implement this new knowledge to improve your life. Most people will find themselves in scenario one. We believe that reading is an investment. You spend time with a book because you hope that it will make you happier, healthier, wealthier or smarter. But simply just reading a great book is not enough. You have to take action! In this workbook you will be guided through the process of how to make real and lasting changes from what you have read.

How to Choose a Partner

Draws on research with hundreds of interviewees to identify the pervasive influence of cultural shame, discussing how women can recognize the ways in which shame influences their health and relationships and can be transformed into courage and connectivity.

The Gifts of Imperfection

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the hourlong Netflix special Brené Brown: The Call to Courage! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Summary of The Gifts of Imperfection

This is just a workbook designed to help you drive in the ideas about leadership as posited by Brené Brown in her book, "Dare to Lead. Brave Work. Tough Conversations. Whole Hearts" into your life. It breaks down all the big ideas, key points and facts of leadership so you can easily understand and also do a self evaluation and then set up yourself for position of leadership. This book is NOT the main book originally written by Brené Brown on "Dare to Lead." However, the book covers; - Summary of "Dare to Lead. Brave Work. Tough Conversations. Whole Hearts By Brené Brown."- Workbook to access your life based on the book, "Dare to Lead."- Lessons learnt, and- Checklist. It promises to be thought-provoking and change you to the person you were created to be-a complete leader!

Workbook for Brené Brown's the Gifts of Imperfection (Unofficial)

The world is crazy. Creative work is hard. And nothing is getting any easier! In his previous books—*Steal Like an Artist* and *Show Your Work!*, New York Times bestsellers with over a million copies in print combined—Austin Kleon gave readers the key to unlock their creativity and then showed them how to share it. Now he completes his trilogy with his most inspiring work yet. *Keep Going* gives the reader life-changing, illustrated advice and encouragement on how to stay creative, focused, and true to yourself in the face of personal burnout or external distractions. Here is how to Build a Bliss Station—a place or fixed period where you can disconnect from the world. How to see that Every Day Is Groundhog Day—yesterday's over, tomorrow may never come, so just do what you can do today. How to Forget the Noun, Do the Verb—stop worrying about being a “painter” and just paint. Keep working. Keep playing. Keep searching. Keep giving. Keep living. Keep Going. It's exactly the message all of us need, at exactly the right time.

Leading from Purpose

#1 NEW YORK TIMES BESTSELLER * A timely and important book that challenges everything we think we know about cultivating true belonging in our communities, organizations, and culture, from the #1 bestselling author of *Rising Strong*, *Daring Greatly*, and *The Gifts of Imperfection* Don't miss the hourlong Netflix special *Brené Brown: The Call to Courage!* HELLO SUNSHINE BOOK CLUB PICK "True belonging doesn't require us to change who we are. It requires us to be who we are." Social scientist Brené Brown, PhD, LMSW, has sparked a global conversation about the experiences that bring meaning to our lives--experiences of courage, vulnerability, love, belonging, shame, and empathy. In *Braving the Wilderness*, Brown redefines what it means to truly belong in an age of increased polarization. With her trademark mix of research, storytelling, and honesty, Brown will again change the cultural conversation while mapping a clear path to true belonging. Brown argues that we're experiencing a spiritual crisis of disconnection, and introduces four practices of true belonging that challenge everything we believe about ourselves and each other. She writes, "True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary. But in a culture that's rife with perfectionism and pleasing, and with the erosion of civility, it's easy to stay quiet, hide in our ideological bunkers, or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism. But true belonging is not something we negotiate or accomplish with others; it's a daily practice that demands integrity and authenticity. It's a personal commitment that we carry in our hearts." Brown offers us the clarity and courage we need to find our way back to ourselves and to each other. And that path cuts right through the wilderness. Brown writes, "The wilderness is an untamed, unpredictable place of solitude and searching. It is a place as dangerous as it is breathtaking, a place as sought after as it is feared. But it turns out to be the place of true belonging, and it's the bravest and most sacred place you will ever stand."

Miracles Happen

What if you learned that to lead well, you'd need to live like a drug addict? During treatment for drug addiction, Michael Brody-Waite learned three principles that became the difference between life and death: Practice rigorous authenticity Surrender the outcome Do uncomfortable work Leaving rehab, Michael entered the workplace where he was shocked to see most business leaders doing what he had been taught would kill him. He began to see striking similarities between drug addiction and what he calls "mask addiction." Leaders everywhere were hiding their authentic selves in order to get what they wanted. They were doing things like: Saying yes when they could say no Hiding their weaknesses Avoiding difficult conversations Holding back their unique perspectives Instead of chasing drugs, leaders were chasing professional, financial, and social success from behind a mask—to the detriment of themselves and the people around them. Thanks to his recovery, Michael's three principles gave him an unlikely competitive advantage throughout his career, resulting in a level of success unexpected for a "drug addict." In *Great Leaders Live Like Drug Addicts*, Michael explains what drug addicts do to recover and provides a step-by-step program you can use to break free from your mask addiction to thrive in both work and life. He equips you with the tools you need to live and lead mask-free—tools to enable you to stop following others, lead yourself, and become one of the dynamic, growing, authentic leaders this world desperately needs.

The Dance of Anger

Helps successful women feel truly confident so that they can reach new levels of greatness.

The Double X Economy

This book summary and analysis was created for individuals who want to extract the essential contents and are too busy to go through the full version. This book is not intended to replace the original book. Instead, we highly encourage you to buy the full version. We live in a world constantly listening to the lies our fears and shame tell. They counteract gratitude, acceptance, and compassion—the good parts of us. They keep telling us, "I am not worthy," even when you are worthy. You're worthy of self-discovery, personal growth, and love. Brené Brown's New York Times bestseller, *The Gifts of Imperfection*, has sold more than 2 million copies in more than 30 languages and was recently named by Forbes as one of the "Five Books That Will Actually Change Your Outlook On Life." And it shares the mission of helping us find

File Type PDF The Gifts Of Imperfection Let Go Of Who You Think Youre Supposed To Be And Embrace Who You Are

courage in overcoming paralyzing fear and self-consciousness, cultivating our connection to the world. Brené Brown, Ph.D. is an inspiring guide to help us live a wholehearted life and she creates more than just the typical self-help book—she boosts our self-esteem and personal development through her honest and warm storytelling. With extensive research to back her stories, she shares the psychology of an “imperfect” life and embracing life with authenticity. Her ten guideposts show how we can cultivate authenticity in our lives—a perfectly imperfect life. We are beginning to have a need to nurture our self-worth. This includes self-acceptance and self-love. In a world full of criticism and fear, we can dig deeper and find the truth and gratitude hidden in our lives. We can now pave a new path forward without holding onto self-defeating thoughts or pain. We can now begin to embrace imperfection. Wait no more, take action and get this book now!

Life Artist

Braving the Wilderness

In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

The Gifts of Imperfection

THE NON-ALCOHOLIC COCKTAIL BOOK "Genuinely delicious and grown-up-booze-free ideas. An essential for every household." Daily Telegraph This book is full of the very best cocktails – the most delicious flavours, the most distinctive combinations and the most adventurous recipes. And they are all made with non-alcoholic ingredients, from exciting new mixers to rich, fragrant syrups and spirits. Most can be created with ingredients found in your kitchen or garden, and all promise an exciting new way to drink dry. These are imaginative, grown-up, non-alcoholic alternatives for the designated driver, teetotaler, or those who are pregnant, trying dry January, losing weight or just cutting back. Whether you're planning a Friday night in with friends, a lazy Sunday brunch or an evening huddled around a crackling fire you can find your dry drinks here.

Dry

"Grain, sugar, legume, dairy free, Whole 30 approved"--Cover.

Living It Up: The Advanced Survivor's Guide To Anxiety-Free Living

#1 NEW YORK TIMES BESTSELLER • When we deny our stories, they define us. When we own our stories, we get to write the ending. Don't miss the hourlong Netflix special Brené Brown: The Call to Courage! Social scientist Brené Brown has ignited a global conversation on courage, vulnerability, shame, and worthiness. Her pioneering work uncovered a profound truth: Vulnerability—the willingness to show up and be seen with no guarantee of outcome—is the only path to more love, belonging, creativity, and joy. But living a brave life is not always easy: We are, inevitably, going to stumble and fall. It is the rise from falling that Brown takes as her subject in *Rising Strong*. As a grounded theory researcher, Brown has listened as a range of people—from leaders in Fortune 500 companies and the military to artists, couples in long-term relationships, teachers, and parents—shared their stories of being brave, falling, and getting back up. She asked herself, What do these people with strong and loving relationships, leaders nurturing creativity, artists pushing innovation, and clergy walking with people through faith and mystery have in common? The answer was clear: They recognize the power of emotion and they're not afraid to lean in to discomfort. Walking into our stories of hurt can feel dangerous. But the process of regaining our footing in the midst of struggle is where our courage is tested and our values are forged. Our stories of struggle can be big ones, like the loss of a job or the end of a relationship, or smaller ones, like a conflict with a friend or colleague. Regardless of magnitude or circumstance, the rising strong process is the same: We reckon with our emotions and get curious about what we're feeling; we rumble with our stories until we get to a place of truth; and we live this process, every day, until it becomes a practice and creates nothing short of a revolution in our lives. Rising strong after a fall is how we cultivate wholeheartedness. It's the process, Brown writes, that teaches us the most about who we are. ONE OF GREATER GOOD'S FAVORITE BOOKS OF THE YEAR “[Brené Brown's] research and work have given us a new vocabulary, a way to talk with each other about the ideas and feelings and fears we've all had but haven't quite known how to articulate. . . . Brené empowers us each to be a little more courageous.”—The Huffington Post

Summary of The Gifts of Imperfection

An expert of the psychology of shame presents advice on how to overcome paralyzing fears and self-consciousness, and at the same time increase feelings of self-worth, gratitude, and acceptance.
